NOTIFICATION OF DECISION

JULIO O. RODARTE request(s) a special exception to Section 14-16-3-3(B)(2)(e): a VARIANCE of 7' 4" to the 10' distance separation requirement between a dwelling and an existing carport on all or a portion of Lot(s) 29-P1, AVALON UNIT 3A zoned R-LT, located at 600 GALLEON DR NW (K-9)

Special Exception No:..... **11ZHE-80171**
Project No: **Project# 1008881**
Hearing Date: 08-16-11
Closing of Public Record: 08-16-11
Date of Decision: 08-19-11

STATEMENT OF FACTS: The applicant, Julio Rodarte, requests a variance of 7' 4" to the 10' distance separation requirement between a dwelling and an existing carport. Mr. Rodarte testified, at the hearing, that he has owned this property for approximately eight years. He stated that the lot is exceptional because of its irregular shape. The applicant indicated that this will be an attractive carport and will conform to the architectural scheme of the home. This will be a double carport. There are other carports in the area. The applicant was advised that any water runoff from the carport must be onto his/her property and may not impact the adjacent neighbor. There is a letter in the file from the Traffic Engineer's Office that indicates no obstruction to the clear sight requirements. The applicant was advised that, if approved, clear sight must be maintained and that vehicles, dumpsters, or landscaping that may mature and cause an obstruction to clear sight may not be placed next to this carport. The yellow signs were posted. There was no opposition to this request at the hearing, nor is there any opposition noted in the file.

Based on all of the testimony and a review of the entire file, it is determined that there is substantial evidence to make the following findings and conclusions:

FINDINGS AND CONCLUSIONS: I find that this parcel is exceptional as compared to other parcels in the vicinity because of its irregular shape and, therefore, it meets the test for the granting of a variance as provided for by Section 14. 16. 4. 2. I further find that, as a result of the exceptional aspect of the property, the regulations produce an unnecessary hardship in that it will limit the owner's reasonable use of the property and/or deprive the owner of a reasonable return on the property. Furthermore, I find that the particular variance is appropriate to prevent the unnecessary hardship and further find that the variance will differ from development which will be permitted under the existing regular zoning regulations no more than what is necessary to overcome the unnecessary hardship. Finally, the variance will not significantly interfere with the enjoyment of other land in the vicinity and is consistent with the spirit of the Zoning Ordinance, substantial justice and the general public interest.

DECISION: Approved with conditions.

CONDITIONS: The applicant must comply with any and all requirements made by the City Traffic Engineer in that clear sight must be maintained. Vehicles, dumpsters, or

landscaping that may mature and cause an obstruction to clear sight may not be placed next to this carport.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
