NOTIFICATION OF DECISION

SERGIO PARRA request(s) a special exception to Section 14-16-2-9(E)(4)(A) and 14-16-2-9(E)(4)(a); a VARIANCE of 14' to the 15' rear yard setback area requirement for an existing carport on all or a portion of Lot(s) 4, Block(s) 3, TAPIA MEADOWS zoned R-T, located at 1057 RIGEL ST SW (L-12)

Special Exception No:..... *IR* 09ZHE-80446
Project No: Project# 1008123
Hearing Date: 02-16-10
Closing of Public Record: 02-16-10
Date of Decision: 02-19-10

STATEMENT OF FACTS: The applicant, Sergio Parra, requests a variance of 14' to the 15' rear yard setback area requirement for an existing carport. Mr. Parra testified, at the hearing, that he has owned and resided on this property for approximately five years. He indicated that his lot is exceptional because it is longer than the other lots in the area. However, after conducting a site visit, this office has determined that the lot is the same length as others in the area and that there are no exceptional qualities to this parcel. Sandra Sanchez, a 26 year resident in the neighborhood, and Bertha Aragon, a 31 year resident in the neighborhood, both testified in opposition to this request. Some of their points of concern are that two carports were built by this applicant without obtaining the proper building permits; one carport is built right to the property line and causes a fire hazard to the neighborhood; very limited space on parcels; and the Neighborhood Covenants do not allow carports in their neighborhood. There are six letters of opposition noted in the file.

The Zoning Ordinance provides that a variance is to be granted only under unusual circumstances. An applicant is required to demonstrate that he/she is unable to comply with the Zoning requirement as a result of some physical exceptional parcel conditions which cause unnecessary hardship. This applicant has not shown that this request meets the exceptionality standard. Having been unable to meet this standard, it is therefore unnecessary to inquire any further.

Based on all of the testimony and a review of the entire file, it is determined that there is substantial evidence to make the following findings and conclusions:

FINDINGS AND CONCLUSIONS: I find that this parcel is not exceptional as compared to other parcels in the vicinity and, therefore, it does not meet the test for the granting of a variance as provided for by Section 14. 16. 4. 2. I further find that the regulations do not produce an unnecessary hardship in that it will not limit the owner's reasonable use of the property and/or deprive the owner of a reasonable return on the property. Finally, the variance will significantly interfere with the enjoyment of other land in the vicinity and is inconsistent with the spirit of the Zoning Ordinance, substantial justice and the general public interest.

DECISION: Denied.

If you wish to appeal this decision, you may do so by 5:00 p.m., on March 8, 2010 in the manner described below:

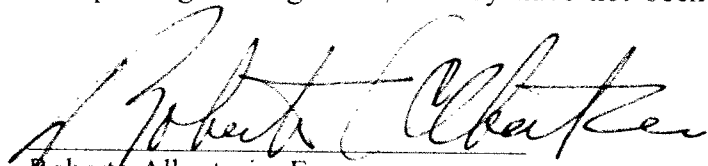

Appeal is to the Board of Appeals within 15 days of the decision. A filing fee of \$105.00 shall accompany each appeal application, as well as a written explanation outlining the reason for appeal and a copy of the ZHE decision. Appeals are taken at 600 2nd Street, Plaza Del Sol Building, Ground Level, Planning Application Counter located on the west side of the lobby. **Please present this letter of notification when filing an appeal.** When an application is withdrawn, the fee shall not be refunded.

An appeal shall be heard by the Board of Appeals within 45 days of the appeal period and concluded within 75 days of the appeal period. The Planning Division shall give written notice of an appeal, together with a notice of the date, time and place of the hearing to the applicant, a representative of the opponents, if any are known, and the appellant.

Please note that pursuant to Section 14. 16. 4. 4. (B)., of the City of Albuquerque Comprehensive Zoning Code, you must demonstrate that you have legal standing to file an appeal as defined.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
