NOTIFICATION OF DECISION

ELAINE HOUSE (BEVERLY WILSON, AGENT) request(s) a special exception to Section 14-16-2-6(E)(5)(a): a VARIANCE of 7' 6" to the 15' rear yard setback area requirement for a proposed addition on all or a portion of Lot(s) 1, Block(s) 23, FARR SUBDIVISION-FREDERICK A ADDN zoned R-1, located at 1400 INDIANA ST NE (J-18)

Special Exception No:..... **10ZHE-80289**
Project No:..... **Project# 1008467**
Hearing Date:..... 09-21-10
Closing of Public Record:..... 09-21-10
Date of Decision: 09-27-10

STATEMENT OF FACTS: The applicant, Elaine House, requests a variance of 7' 6" to the 15' rear yard setback area requirement for a proposed addition. Beverly Wilson, agent for the applicant, testified that this lot is exceptional because of its irregular size. If approved, the proposed addition would be to the rear of the property and attached to the main dwelling. The addition will include a bedroom, bathroom and living area. There will be no second kitchen in this addition. Ms. Wilson was informed that if this request was approved, this addition may not now, or in the future, be used as a rental unit. The yellow sign was posted. There was no opposition to this request at the hearing, nor is there any opposition noted in the file.

Based on all of the testimony and a review of the entire file, it is determined that there is substantial evidence to make the following findings and conclusions:

FINDINGS AND CONCLUSIONS: I find that this parcel is exceptional as compared to other parcels in the vicinity because of its irregular size and, therefore, it meets the test for the granting of a variance as provided for by Section 14. 16. 4. 2. I further find that, as a result of the exceptional aspect of the property, the regulations produce an unnecessary hardship in that it will limit the owner's reasonable use of the property and/or deprive the owner of a reasonable return on the property. Furthermore, I find that the particular variance is appropriate to prevent the unnecessary hardship and further find that the variance will differ from development which will be permitted under the existing regular zoning regulations no more than what is necessary to overcome the unnecessary hardship. Finally, the variance will not significantly interfere with the enjoyment of other land in the vicinity and is consistent with the spirit of the Zoning Ordinance, substantial justice and the general public interest.

DECISION: Approved with conditions.

CONDITIONS:

- a. The applicant may not, now or in the future, offer this addition as a rental unit.

Occupants may only be family members. No exceptions.

- b. Should the property become marketable, this addition may not be advertised as a potential rental unit.
- c. This addition may only be used as a guesthouse without a second kitchen and without a meter for separate utilities.
- d. This approval will be immediately vacated if the applicant does not comply with these conditions.

The approval is subject to the submitted site plan, as required. Any substantial changes to the site plan, as determined by the Zoning Enforcement Division, shall require the scheduling of an additional Public Hearing.

A Building Permit must be applied for at the Building Permit Desk which is located at the Plaza del Sol Building, Ground Level on the east side of the lobby.

Please note that pursuant to Section 14. 16. 4. 4. (B)., of the City of Albuquerque Comprehensive Zoning Code, you must demonstrate that you have legal standing to file an appeal as defined.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not

constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.
