NOTIFICATION OF DECISION

TIM & SUSAN ALLISON-HATCH (THOMAS LUCERO, AGENT) request(s) a special exception to Section 14-16-2-6(B)(12): a VARIANCE of 5' 6" to the 10' distance separation requirement between an accessory structure and a dwelling unit for a proposed addition on all or a portion of Lot(s) 14, Block(s) 22, HUNING CASTLE REYNOLDS ADDN, zoned R-1, located at 1625 ESCALANTE AVE SW (K-13)

Special Exception No:..... **10ZHE-80336**
Project No: **Project# 1008538**
Hearing Date: 11-16-10
Closing of Public Record: 11-16-10
Date of Decision: 11-19-10

STATEMENT OF FACTS: The applicants, Tim & Susan Allison-Hatch, request a variance of 5' 6" to the 10' distance separation requirement between an accessory structure and a dwelling unit for a proposed addition. Mr. Lucero testified, at the hearing, that this lot is exceptional because it is a corner lot. He indicated that there is an existing shed on the property which they intend to replace. They will also replace the existing foundation and replace it with a concrete foundation. There is a letter of support from the Huning Castle Neighborhood Association. The yellow sign was posted. There was no opposition to this request at the hearing, nor is there any opposition noted in the file.

Based on all of the testimony and a review of the entire file, it is determined that there is substantial evidence to make the following findings and conclusions:

FINDINGS AND CONCLUSIONS: I find that this parcel is exceptional as compared to other parcels in the vicinity because it is a corner lot and, therefore, it meets the test for the granting of a variance as provided for by Section 14. 16. 4. 2. I further find that, as a result of the exceptional aspect of the property, the regulations produce an unnecessary hardship in that it will limit the owner's reasonable use of the property and/or deprive the owner of a reasonable return on the property. Furthermore, I find that the particular variance is appropriate to prevent the unnecessary hardship and further find that the variance will differ from development which will be permitted under the existing regular zoning regulations no more than what is necessary to overcome the unnecessary hardship. Finally, the variance will not significantly interfere with the enjoyment of other land in the vicinity and is consistent with the spirit of the Zoning Ordinance, substantial justice and the general public interest.

DECISION: Approved.

The approval is subject to the submitted site plan, as required. Any substantial changes to the site plan, as determined by the Zoning Enforcement Division, shall require the scheduling of an additional Public Hearing.

A Building Permit must be applied for at the Building Permit Desk which is located at the Plaza del Sol Building, Ground Level on the east side of the lobby.

If you wish to appeal this decision, you may do so by 5:00 p.m., on December 6, 2010 in the manner described below:

The Planning Division shall give written notice of an appeal, together with a notice of the date, time and place of the hearing to the applicant, a representative of the opponents, if any are known, and the appellant.

Please note that pursuant to Section 14. 16. 4. 4. (B)., of the City of Albuquerque Comprehensive Zoning Code, you must demonstrate that you have legal standing to file an appeal as defined.

You will receive notice if any other person files an appeal. If there is no appeal, you can receive building permits any time after the appeal deadline quoted above, provided all conditions imposed at the time of approval have been met. However, the Zoning Hearing Examiner may allow issuance of building permits if the public hearing produces no objection of any kind to the approval of an application. To receive this approval, the applicant agrees in writing to return the building permit or occupation tax number.

Successful applicants are reminded that other regulations of the City must be complied with, even after approval of a special exception is secured. This decision does not constitute approval of plans for a building permit. If your application is approved, bring this decision with you when you apply for any related building permit or occupation tax number. Approval of a conditional use or a variance application is void after one year from date of approval if the rights and privileges are granted, thereby have not been executed or utilized.

NOTIFICATION OF DECISION

TIM & SUSAN ALLISON-HATCH (THOMAS LUCERO, AGENT) request(s) a special exception to Section 14-16-2-6(B)(12): a CONDITIONAL USE to allow a proposed shade structure in the rear yard setback area on all or a portion of Lot(s) 14, Block(s) 22, HUNING CASTLE REYNOLDS ADDN, zoned R-1, located at 1625 ESCALANTE AVE SW (K-13)

Special Exception No:..... **10ZHE-80335**
Project No: **Project# 1008538**
Hearing Date: 11-16-10
Closing of Public Record: 11-16-10
Date of Decision: 11-19-10

STATEMENT OF FACTS: The applicant, Tim & Susan Allison-Hatch, requests a conditional use to allow a proposed shade structure in the rear yard setback area. Thomas Lucero, agent for the applicant, testified that if approved that will be a 150 sq ft open shade structure and that this proposed shade structure will be an attractive addition and will conform to the architectural scheme of the home. The Zoning Hearing Examiner advised the applicant/agent that any water runoff from the shade structure must be onto the applicant's property and may not impact the adjacent neighbor. A letter of support from the Huning Castle Neighborhood Association is noted in the file. The yellow signs were posted. There was no opposition to this request at the hearing, nor is there any opposition noted in the file. The conditional use requires that the applicant demonstrate that the proposed use will not cause injury to the neighborhood, adjacent property, or the community nor be damaged by surrounding structures or activities. The applicant/agent has so demonstrated.

Based on all of the testimony and a review of the entire file, it is determined that there is substantial evidence to make the following findings and conclusions:

FINDINGS AND CONCLUSIONS: I find that this request complies with Section 14.16. 4. 2. (C). 1., for the granting of a conditional use upon a finding that the proposed use will not cause injury to the neighborhood, adjacent property or the community, nor will it be damaged by surrounding structures. For reasons stated above, this request is approved.
