INTRODUCTION

The City of Oakland Limited Public Financing Act (Act) provides a limited amount of campaign funds for candidates running for Oakland City Council District seats. The purposes of the Act include the following:

1. Ensure that people have a fair and equal opportunity to participate in elective and governmental processes;
2. Reduce the influence of large contributors with a specific financial stake in matters under consideration by the City and counter the perception that decisions are influenced more by the size of contributions than by the best interests of the people;
3. Reduce the pressure on candidates to raise large campaign war chests for defensive purposes, beyond the amount necessary to communicate reasonably with voters;
4. Encourage competition for elective office;
5. Allow candidates and officeholders to spend a smaller proportion of their time on fundraising and a greater proportion of their time dealing with issues of importance to their constituents and the community;
6. Ensure that serious candidates are able to raise enough money to communicate their views and positions adequately to the public, thereby promoting public discussion of important issues involved in political campaigns; and
7. Help preserve public trust in governmental and electoral institutions. [Oakland Municipal Code (OMC) § 3.13.030]

Campaign Reform Act Compliance

Public financing laws work in coordination with the Oakland Campaign Reform Act (OCRA), which limits contributions, provides optional spending limits, restricts contributions from people doing business with the City, and regulates local campaign finance disclosure as a supplement to state campaign finance laws.

The Commission imposes fines for violations of campaign finance and public financing laws, such as failure to file campaign finance forms or receiving contributions over the limit. For more information about campaign rules and potential fines, see the Commission's Oakland Campaign Reform Act Guide for 2022.

The Public Ethics Commission (Commission) administers the Public Financing Program (Program) and is here to assist you in your application and reimbursement process. The application and reimbursement process is complex, so please contact Commission staff if you are a candidate for a City Council District seat who might be interested in help with financing your campaign.

HOW MUCH MONEY WILL BE AVAILABLE?

The amount of money available to candidates will depend on how much money was budgeted by City Council and how many candidates are running for City Council Districts 1 – 7 in this election. This year, there is a total of roughly \$177,000 available to be distributed among eligible candidates. In past years, the amount distributed per candidate has ranged between \$8,000 and \$25,000. No candidate may receive more than 30% of Oakland’s voluntary spending limit for the office being sought.¹ Commission staff will announce the amount available to candidates following the deadline for candidates to opt in to the program (as detailed below).

HOW DO I APPLY?

There are two main forms for applying for public financing:

1. **Opt-In** – Complete **LPF Form 1 (Acceptance/Rejection of Public Financing)** to accept or reject public financing no later than 14 days after the City Clerk has certified the names of all candidates to appear on the ballot (usually mid-August). [OMC § 3.13.070]
 - The failure to file on time **LPF Form 1** shall constitute an **irrevocable rejection** of public financing for the upcoming election.
2. **Apply for Program Participation** – Complete **LPF Form 2 (Application)** to formally apply for public financing. **LPF Form 2** requires the following:
 - **Campaign Information** – Be sure that we have all current campaign contact information as we use this information to communicate with you and your campaign staff regarding all aspects of your public financing participation, including when your check is ready.
 - **Tax ID/EIN Number** – Campaign committees will need to obtain a Taxpayer/Employer Identification Number (EIN) from the Internal Revenue Service (IRS) to receive reimbursement payments from the City. You can electronically file for an EIN as a political organization at www.irs.gov. Once you have obtained your EIN from the IRS, you will need to submit a completed IRS Form W-9 to the PEC. If you encounter any trouble obtaining your EIN, contact PEC staff for assistance.
 - **Proof of Contributions Received** – The candidate must submit copies of campaign contributions (i.e., contribution checks; not cash) demonstrating that the candidate has received contributions from Oakland donors totaling at least 5% of the voluntary spending limit for the office being sought. The written instrument used to make the contribution must demonstrate an Oakland address. Candidates may submit contributions received electronically from Oakland residents to meet the 5% contribution threshold. In that case, candidates should request that the vendor collecting the online contributions send a CSV (comma separated variable) report directly to the PEC to validate contributor and payment information. PEC staff can assist you with this process. Note that contributions from a candidate’s own funds shall not be counted toward meeting this 5% requirement. [OMC § 3.13.080(C)]

¹ The Public Ethics Commission annually adjusts the voluntary spending limits every January to reflect any increase in the Consumer Price Index. The voluntary spending limits and campaign contribution limits for 2022 are included at the end of this Guide.

- **Proof of Expenditures Made** – The candidate must also submit proof in the form of detailed invoices or proof of payments/receipts that he or she has made campaign expenditures totaling at least 5% of the voluntary spending limit for the office being sought. [OMC § 3.13.080(C)]

HOW DO I REQUEST FUNDS?

Funds are provided to candidates as reimbursements for certain types of campaign expenditures (see box on this page). Candidates may apply for reimbursement in minimum increments of \$1,000 or more. Within ten calendar days of the election, candidates may apply for reimbursements in minimum increments of \$500. [OMC § 3.13.120]

A candidate applies for reimbursement by completing **LPF Form 3 (Reimbursement Claim Form)** which must be accompanied by copies of the following for each item for which reimbursement is requested:

1. Billing invoices;
2. Proof of payment by the campaign committee; and
3. Campaign literature, advertisement, radio or television script, or website configuration, if applicable. [OMC § 3.13.110(C)]

Expenditures Qualifying for Reimbursement

Reimbursement will only be provided for the following campaign expenditures:

- Candidate filing and ballot fees
- Printed campaign literature and production costs
- Postage
- Print advertisements
- Radio airtime and production costs
- Television or cable airtime and production costs
- Website design and maintenance costs

[OMC § 3.13.110(B)]

All requests for reimbursement must be submitted prior to the date of the election. Claims submitted on or after the date of the election will not be considered.

Commission staff will review submissions and work closely with candidates to ensure that all documents are in order. Once the submission is complete, Commission staff will respond with payment or an explanation of denial within two weeks.

Upon approval, public financing checks will only be made payable to a candidate's campaign committee. Candidates must deposit the check into the candidate's campaign account within three business days of receipt.

A denial or limitation of a request for reimbursement by the Commission's Executive Director may be appealed to the Commission whose decision shall be final. A request to appeal the denial shall be submitted to Commission staff in writing no more than ten calendar days after receiving written notice of the denial. [OMC § 3.13.110(D)]

REALLOCATION OF THE FUND

To ensure that the full amount allocated in the general election fund is distributed to all interested candidates, the Commission provides a two-phase approach for the disbursement of LPF funds to participants.

1. Phase I – The initial phase begins once eligible candidates opt in to the LPF program and the PEC determines the amount available to each participant.

2. Phase II – The second “redistribution phase” sets an early deadline for participants to submit the first reimbursement request. Thus, **LPF Form 2** and the first **LPF Form 3** must be submitted on or before the Phase II deadline of **September 19**. Failure to timely file **LPF Form 2** and initial **LPF Form 3** by that deadline will deem the participant ineligible to receive public funds for the 2022 election.

Candidates who meet the September 19 deadline may proceed to Phase II. After the Phase II deadline, the PEC recalculates and then re-allocates funds according to the number of participants that met the Phase II requirement. The redistribution can potentially increase the allotted amount to each participant based on the number of candidates that proceed to Phase II.

POST-ELECTION PROCEDURES

The Act requires that a portion of any surplus campaign funds remaining as of December 31, 2022, be returned to the Election Campaign Fund no later than January 31, 2023. [OMC § 3.13.150] The amount to be returned shall be calculated by multiplying the amount of surplus campaign funds (less any outstanding debts) by the percentage that total public financing received represents of total monetary contributions received for the election period.

- For example, if a candidate receives \$40,000 in contributions, \$10,000 in public financing, and as of December 31 has a remaining balance of \$14,000, with \$2,000 in debt, the candidate would owe the Election Campaign Fund \$3,000. (Note: The \$40,000 in contributions does not include public financing funds. LPF funds are NOT considered monetary contributions but are listed as “miscellaneous increase to cash” on campaign statements.) See LPF Form 4 on page 19 of this guide for a breakdown of this calculation.

A candidate shall not be required to return any surplus funds in an amount greater than the amount of public financing received. Commission staff can assist you in calculating the amount that must be returned, if any.

ENFORCEMENT AND OVERSIGHT

The Public Ethics Commission is authorized to administratively enforce the provisions of the Limited Public Financing Act, which may include the imposition of fines, penalties and the return of public financing received. [OMC § 3.13.180, 3.12.200] In addition, the City Auditor is required to complete audits of all candidates receiving public financing to ensure compliance with the rules of the program. [OMC § 3.13.100]

Share your feedback on public financing in Oakland

The Commission continues to review the effectiveness of this public financing program. Please be sure to provide your feedback on this program, sharing your experience as a local candidate, to Commission staff to assist with the Commission’s ongoing effort to improve this program.

APPENDIX 2: Local Contribution and Expenditure Limits

The Limited Public Financing Act applies in conjunction with the Oakland Campaign Reform Act (OCRA). OCRA, as amended in 2019, establishes, among other things, local contribution limits and optional campaign spending limits for Oakland candidates and committees.

Spending limits for Citywide offices, such as the Mayor, City Auditor, and City Attorney, as well as each individual district office, are established in correlation to the number of residents in each district and shall not exceed a specified amount per resident for each election in which the candidate is seeking office (O.M.C. 3.12.200). The PEC adjusts the contribution and spending limits annually to reflect the increase in the Consumer Price Index.

The next page provides a breakdown of the contribution and expenditure limits for 2022. To learn more about local contribution and spending limits, check out the Commission's 2022 OCRA Guide for candidates.

APPENDIX 3: Limited Public Financing Act

Chapter 3.13 - LIMITED PUBLIC FINANCING ACT

Article I. - Findings and Purpose

3.13.010 - Title.

This chapter shall be known as the "Limited Public Financing Act of the City of Oakland."

3.13.020 - Findings and declarations.

The findings of this Act are as follows:

- A. The financial strength of certain individuals or organizations should not enable them to exercise a disproportionate or controlling influence on the election of candidates.
- B. The rapidly increasing costs of political campaigns have forced many candidates to raise larger and larger percentages of money from interest groups with a specific financial stake in matters under consideration by the city government. This has caused the public perception that votes are being improperly influenced by monetary contributions.
- C. High campaign costs are forcing officeholders to spend more time on fundraising and less time on the public's business. The constant pressure to raise contributions is distracting officeholders from urgent governmental matters.

3.13.030 - Purpose of this Act.

The purpose of this Act is to accomplish the objectives stated in Oakland's Campaign Reform Act as follows:

- A. To ensure that all individuals and interest groups in our city have a fair and equal opportunity to participate in elective and governmental processes.
- B. To reduce the influence of large contributors with a specific financial stake in matters under consideration by the city, and to counter the perception that decisions are influenced more by the size of contributions than by the best interests of the people of Oakland.
- C. To reduce the pressure on candidates to raise large campaign war chests for defensive purposes, beyond the amount necessary to communicate reasonably with voters.
- D. To encourage competition for elective office.
- E. To allow candidates and officeholders to spend a smaller proportion of their time on fundraising and a greater proportion of their time dealing with issues of importance to their constituents and the community.

- F. To ensure that serious candidates are able to raise enough money to communicate their views and positions adequately to the public, thereby promoting public discussion of important issues involved in political campaigns.
- G. To help preserve public trust in governmental and electoral institutions.

Article II. – Definitions

3.13.040 - Interpretation of this Act.

Unless the term is specifically defined in this Act or the contrary is stated or clearly appears from the text, the definitions set forth in Chapter 3.12 of this Code and in Government Code Sections 81000 et seq. as amended govern the interpretation of this Act.

For purposes of this Act, "principal residence" shall mean the place in which a person's habitation is fixed, wherein the person has the intention of remaining, and to which, whenever he or she is absent, the person has the intention of returning.

For purposes of this Act, "primary place of doing business" shall mean the street address of a corporation's or association's principal executive office as filed with the California Secretary of State or the street address of an unincorporated association's principal office as filed with the California Secretary of State.

Article III. - Election Campaign Fund

3.13.050 - Election campaign fund.

There is hereby established an account within a special revenue fund of the city to be known as the "Election Campaign Fund."

3.13.060 - Appropriation of funds.

- A. The city council shall appropriate to the election campaign fund, under the city's current two-year budget cycle, an amount sufficient to fund all candidates eligible to receive public financing for the office of district city councilmember.
- B. The city public ethics commission shall provide in the form and at the time directed by the mayor and city administrator a written estimate of the amount necessary to be appropriated for any two-year budget cycle according to the provisions of this Act for all eligible candidates. The amount of funds to be allocated to the election campaign fund shall be based on a consideration of anticipated campaign activity, anticipated administrative costs, and existing unspent funds within the account. The amount of funds to be allocated to the election campaign fund shall not exceed \$500,000.00 for any two-year budget cycle.
- C. The election campaign fund shall be established as an interest bearing account. Unspent funds in the election campaign fund at the end of a two-year budget cycle shall remain in the fund and accrue for disbursement to candidates eligible for public financing in future elections and for administrative costs.

- D. Up to seven and one-half percent of the amount allocated to the election campaign fund pursuant to Subsections 3.13.060(a) and (b) may be utilized by the public ethics commission to cover the anticipated cost of administering the provisions of this Act.

3.13.065 - Allocation of election campaign fund.

No later than seven days after the city clerk has certified the names of all candidates to appear on the ballot, the public ethics commission shall determine at a publicly noticed meeting whether, based on the number of potentially eligible candidates, the amount of money in the election campaign fund is adequate to provide the maximum amount to potentially eligible candidates. If the commission determines that the election campaign fund will not be adequate to provide the maximum amount of funds to potentially eligible candidates, the commission shall order the disbursement of available funds on a pro rata or other equitable basis. The commission may at any time revise the disbursement plan consistent with these rules and prevailing law.

Article IV. - Eligibility for Public Financing

3.13.070 - Application and withdrawal procedures.

- A. Each candidate for district city council shall file a statement with the city clerk on a form approved for such purpose indicating acceptance or rejection of the voluntary spending ceilings pursuant to Section 3.12.190.
- B. Each candidate for district city council shall file with the public ethics commission a statement of acceptance or rejection of public financing on a form approved by the public ethics commission no later than 14 calendar days after the date the city clerk has certified the names of candidates to appear on the ballot for the election in which public financing will be sought. The statement of acceptance or rejection of public financing shall advise and require that the candidate's decision to reject public financing is irrevocable for the election in which his or her name appears on the ballot. The failure to timely file a statement of acceptance or rejection of public financing shall constitute a rejection of public financing.
- C. If a candidate declines to accept the voluntary expenditure ceilings prescribed in Section 3.12.200, the candidate shall be subject to the contribution limits of Subsections 3.12.050(a) and 3.12.060(a) and shall not be eligible for public financing.
- D. If a candidate agrees to accept the voluntary expenditure ceilings prescribed in Section 3.12.200, the candidate shall be subject to the contribution limits of Subsections 3.12.050(b) and 3.12.060(b) as adjusted pursuant to Subsections 3.12.050(g) and 3.12.060(g), and shall be eligible for public financing upon meeting the qualification requirements as provided in this Act.
- E. In the event expenditure ceilings are lifted pursuant to Section 3.12.200, a candidate who accepted expenditure ceilings shall be permitted to receive public financing but shall no longer be subject to expenditure ceilings.

3.13.080 - Qualification procedures.

A candidate shall be approved to receive public financing if the candidate meets all of the following requirements:

- A. The candidate has filed a timely statement of acceptance of the voluntary spending ceilings and acceptance of public financing.
- B. The candidate is certified to appear on the ballot for the election for which public financing is sought.
- C. The candidate has (1) received contributions in an aggregate amount of at least five percent of the expenditure ceiling for the office being sought from contributors whose principal residence or whose primary place of doing business is located within the city and which residence or business address appears on the written instrument used to make the contribution, and (2) made qualified campaign expenditures in an aggregate amount of at least five percent of the expenditure ceiling for the office being sought. Contributions from the candidate's own funds shall not be counted towards meeting this five percent requirement. The candidate shall provide copies of the contribution checks received and records of payments made to meet the five percent eligibility requirements.
- D. The candidate is opposed by another candidate for the same office.
- E. The candidate agrees to all conditions and requirements of this Act and to submit to any reasonable audit deemed appropriate by the public ethics commission or other civil authorities.
- F. The candidate or his or her campaign treasurer or designee attends a training program conducted or sponsored by the public ethics commission.
- G. The candidate has filed, and completely and accurately executed, all pre-election campaign statements that are due at the time public financing is payable. All candidates receiving public financing shall timely file, and completely and accurately execute, all post-election campaign statements for each election in which they received public financing.

3.13.090 - Use of personal funds.

A candidate who accepts public financing shall not receive contributions or loans from the candidate's own funds which aggregate total exceeds ten percent of the voluntary expenditure ceiling for the office being sought. If the voluntary expenditure ceilings for the office being sought are lifted, this provision shall not apply.

Article V. - Disbursement of Public Financing

3.13.100 - Duties of the public ethics commission and office of the city auditor.

- A. The public ethics commission shall develop any and all forms necessary to carry out the provisions of the Act. The public ethics commission may, in its discretion, require

any document or form to be filed in an electronic format that is provided by the public ethics commission to the candidates free of charge.

- B. The public ethics commission shall review records submitted to determine a candidate's eligibility to receive public financing and requests for reimbursement promptly. For any candidate determined not to be eligible for public financing, the commission or its designee shall inform the candidate of the reasons why the candidate is not eligible and what actions, if any, the candidate may take to correct any insufficiencies.
- C. The city auditor shall conduct mandatory post-election audits of all candidates accepting public financing. The city auditor may choose to limit the scope of any audit to the items submitted for reimbursement. The audit report shall be a public record and provided to the public ethics commission. The city auditor shall conduct all audits in accordance with generally accepted government auditing standards.

3.13.110 - Requests for public financing.

- A. Public financing pursuant to this Act shall be provided solely by reimbursing eligible candidates for certain qualified campaign expenditures lawfully made by the candidate and his or her campaign committee.
- B. The qualified campaign expenditures eligible for reimbursement are:
 - 1. Candidate filing and ballot fees;
 - 2. Printed campaign literature and production costs;
 - 3. Postage;
 - 4. Print advertisements;
 - 5. Radio airtime and production costs;
 - 6. Television or cable airtime and production costs; and
 - 7. Website design and maintenance costs.
- C. The following conditions and restrictions shall apply to any request for reimbursement:
 - 1. All requests for reimbursement shall be made on a form authorized by the public ethics commission and shall include: (a) a copy of the billing invoice for which reimbursement is sought; (b) a copy of the check(s) by which the candidate's campaign committee made payment on the billing invoice; and (c) a copy, when applicable, of the campaign literature, advertisement, radio or television script, or website configuration.
 - 2. All requests for reimbursement shall include a sworn declaration by the candidate and his or her campaign treasurer that (a) the check(s) used to make payment on the billing invoice represents payment in full of the billing invoice submitted for reimbursement and that sufficient funds exist in the campaign account to provide payment, and (b) any money received from the election campaign fund has not been previously earmarked or specifically encumbered to pay or to secure payment of any loan, return of contribution or of any expenditure other than the one for which reimbursement was sought.
- D. Any decision made by the executive director to deny a request for reimbursement may be appealed to the commission whose decision shall be final. A request to

agendize an appeal of the executive director's decision shall be made in writing and delivered to the office of the public ethics commission no more than ten calendar days after receiving written notice of the executive director's decision.

- E. The total amount of public financing allocated to each candidate shall not exceed 30 percent of the voluntary expenditure ceiling per election for the office being sought.

3.13.120 - Disbursement and deposit of public financing.

- A. A candidate or candidate's controlled committee, certified as eligible to receive public financing, shall submit requests for reimbursement to the public ethics commission in minimum increments of \$1,000.00 or more.
- B. A candidate or candidate's controlled committee, certified as eligible to receive public financing, shall submit requests for reimbursement in minimum increments of \$500.00 or more ten calendar days before the election.
- C. The public ethics commission or its designee shall have ten calendar days to cause the review and approval or denial of the request for reimbursement and disburse funds from the election campaign fund to the candidate or candidate's controlled committee.
- D. All funds disbursed from the election campaign fund shall be made payable to the candidate's controlled committee and shall be deposited directly into the candidate's campaign checking account within three business days of receipt.

3.13.150 - Return of surplus funds.

- A. Surplus campaign funds remaining at the end of the post-election reporting period following the election for which public financing was received shall be returned to the election campaign fund no later than 31 calendar days from the last day of the semi-annual reporting period following the election in an amount specified by this section. A candidate shall not be required to return any surplus funds in an amount greater than the amount of public financing received. The amount of surplus campaign funds to be returned to the election campaign fund shall be calculated by multiplying the amount of surplus campaign funds by the percentage that total public financing received represents of total monetary contributions received for the election period.
- B. For purposes of this Act, campaign funds shall be considered "surplus" campaign funds to the extent that the total amount of contributions (excluding the receipt of public financing) exceed the total financial obligations of the candidate's campaign committee (excluding unlawful or non-qualified campaign expenditures) as of the last day of the semi-annual reporting period following the election. A financial obligation includes (1) accounts payable billed, or (2) accounts payable for which bills may be expected, for goods or services received during the election.
- C. Public financing shall not be disbursed to the certified candidate from the election campaign fund following the day of the election or the candidate's withdrawal from the election, whichever occurs first, except that public financing may be disbursed to a certified candidate after the date of the election or withdrawal provided that the

candidate submitted a properly documented request for reimbursement before the date of the election or the date of withdrawal from the election.

3.13.170 - Public debates.

While not a condition for receiving public financing, candidates receiving public financing are strongly encouraged to participate in one or more nonpartisan candidate debates for each election.

3.13.180 - Enforcement.

The public ethics commission is the sole body for civil enforcement of this Act. In the event criminal violations of the Act come to the attention of the public ethics commission, the commission shall promptly advise in writing the city attorney and the appropriate prosecuting enforcement agency.

3.13.190 - Criminal misdemeanor actions.

Any person who knowingly or willfully (1) misrepresents his or her eligibility for public financing, (2) makes a material misrepresentation in connection with a request for reimbursement, or (3) causes, aids or abets any other person to violate the provisions of this Act, is guilty of a misdemeanor. Prosecution shall be commenced within four years after the date on which the violation occurred.

3.13.200 - Enforcement actions.

- A.
