

Recommendation Update Form

This response is in reference to recommendation #24-7/ Area Command NW_____

Responsible SME: Cmdr. Ingram_____

Date Sent: 11/4/24

Date Due: 11/12/24

*Please provide response to highlighted portions.

APD UPDATE:

The City of Albuquerque does have a fueling station at the Daytona Transit Center that is available for officers to use.

Fleet management has been evaluating the issuance of fuel cards and a secondary fuel location near Coors and Ellison NW. The cost of the fuel cards and management of that program would be more than the officers time allotment for the fueling at city yards
