

Northwest

Community Policing Council

Minutes

May 15, 2019

1. Call to Order – Eric Jackson 6:08 pm

Council Present: Jill Greene, Eric Nixon

Absent: Cat Trujillo, Yolanda Sanchez and Tom Borst

Approximately 30 members attended, 17 from APD

2. Pledge of Allegiance

3. Albuquerque Police Department Updates

a. Crime Report – Commander Olvera

- A total of 1,259 proactive stops were done in April
- Auto burglaries: 35
- Auto theft: 19
- Commercial burglaries: 15
- Residential burglaries: 6
- Violent crimes: 18
- NW stats have been good, the hot is coming, please do not leave items inside the car.
- NW got a Problem Response Team (PRT) with this hopefully a lot of the crime reports go down.
- Commercial burglaries rise due to new business opening but hopefully now with the PRT we can help reduce that. Not only will they be out there to help with that but also they will be communicating with the community.
- Will be hiring two bike patrollers
- Do not leave any spare changes, chargers, empty boxes, any valuables in your vehicle.

- Get to know your neighbors, try to establish a block captain program, be engaged with your neighborhood association.

b. Use of Force

The Northwest had a total of 6 Use of Force reported for the month of April

- 1 Show of Force
- 5 Use of Force

4. CPOA/POB Update

Ed Harness: The newly amended oversight ordinance was published on April 27, 2019. The Police Oversight Board is now known as, Civilian Oversight Agency. IMR-9 was published to the public in May. Currently the board has a bit of regression, as we were taken out of compliance with the City Council renewing the contract and because we have not gotten three new hires. For more information, you can go online www.cabq.gov/cpoa

5. Presentation: APD Forward – Compliance with the Court Approved Settlement Agreement (CASA)

- Who is APD Forward? APD Forward is a community coalition led by concerned Albuquerque citizens who want to see the Albuquerque Police Department become the responsible, community-friendly police department they know it can be. They are a powerful advocacy, outreach, and education platform for Albuquerque communities to press for the sensible reforms that we need to restore trust in the police department.
- APD Forwards partners with 17 coalitions
- The goals APD Forward are trying to achieve are the following:
 - Engage and integrate impacted communities into the reform effort.
 - Hold APD accountable for taking concrete steps to comply with the settlement agreement.
 - Press all parties to the agreement to actively advance reforms in a collaborative and constructive manner.
 - Institutionalize the mandates of the agreement to ensure that the reforms are permanent.
 - Ensure that the City of Albuquerque dedicates adequate resources to fully fund the necessary reforms.
- With IMR-9 just published, there are some news to celebrate, the monitors team have said they have seen a change in APD since leadership has changed.
- APD Forward meets with APD and other parties every 6 weeks to get updates.
- To get more information on the Use of Force or CASA related information you can visit Smartcasa.org and it will give you information about the reporting.
- APD Forwards main goal is to be able to work collaboratively.

6. New Business

a. Next Meeting: June 19, 2019

7. Adjournment

7:06 pm
