RECOMMENDATION (One (1) recommendation per submission.
Recommendation/Reasoning must be 500 words or less for submission):

Institute an official policy to perform NCIC Warrant Checks on all DV Calls

Research has led the Council of Chairs to the conclusion that warrant checks are usually performed in the case of officers making contact with Domestic Violence situations, but we would like to add it to the official APD SOP involving the situation, so that it is done 100% of the time.

Writing it into policy strengthens one of the best methods of separating DV principals and eliminates any possibility of APD being accused of profiling or personal prejudice of any sort.
