

Dear Round 3 Sponsor,

We are writing to provide you with an important and urgent update on your application for an AmeriCorps NCCC team.

In alignment with the Trump-Vance Administration priorities and Executive Order 14222, "Implementing the President's 'Department of Government Efficiency' Cost Efficiency Initiative," AmeriCorps NCCC is working within new operational parameters that impact the program's ability to sustain program operations.

As a result, AmeriCorps NCCC is pausing the deployment of teams to sponsors at this time. We regret any inconvenience this may have caused you and will keep you informed as our operational dynamic evolves consistent with Administration priorities.

Thank you for your interest in hosting an AmeriCorps NCCC team.

Jaime
