**(4) Child Daycare Establishments [ (Center and Home); and**

**(5) Microbusinesses].]**

Explanation: This amendment proposes two changes to make this Ordinance consistent with the administrative rules adopted by EHD.

This amendment adds clarifying language related to the types of adult and child daycare establishments that are eligible to receive the 0.25 multiplier (reduction) to their permit fees.

This amendment also adds “microbusinesses” to the list of permit types that shall receive the 0.25 multiplier. The administrative rules adopted by EHD define microbusinesses as follows:

**MICROBUSINESS.** A company that employs no more than five (5) employees at any time during the calendar year. Employees include part-time, temporary, or limited service workers. For startup businesses, the responsible company official shall certify that the business does not expect to employ more than five (5) employees in the first year of operations. For existing businesses seeking certification as a Microbusiness, the responsible company official shall submit the business's Form ES-903A, Quarterly Wage and Contribution Report, submitted to the New Mexico Department of Workforce Solutions, or Form TRD-31109, Quarterly Wage, Income Withholding and Workers' Compensation Fee Report submitted to the New Mexico Taxation and Revenue Department as proof of meeting the definition of Microbusiness. Both of these changes make the Ordinance consistent with the administrative rules adopted by EHD.
