FLOOR AMENDMENT NO. 1 TO F/S O-25-91

AMENDMENT SPONSORED BY: Tammy Fiebelkorn

1. On page 3, lines 3-18, strike subsections (B), (C), (D), (E), (F), and (G) in § 14-27-5 SCOPE OF REPAIRS and insert the following in their place:

§ 14-27-5 SCOPE OF REPAIRS. Eligible repairs shall be limited to those affecting health, safety, and structural integrity, including but not limited to:

- [(B) Plumbing, such as replacement of failing pipes, fixtures, and/or water supply systems to ensure water conservation, safe and sanitary water access, or drainage.]**
- [(C) Electrical systems, such as repairing or upgrading wiring, electrical panels, and/or circuits that improve safety or support energy efficiency upgrades.]**
- [(D) Space conditioning improvements such as installation or repair of heat pumps or efficient HVAC systems needed for year-round comfort and safety, protection from extreme weather, or lower utility bills.]**
- [(E) Roofing, such as replacement or structural repair of roofs that are leaking, collapsing, or otherwise compromised, including related water damage.]**

- (F) Foundation, such as structural repairs to address cracked, sinking, or unstable foundations that may threaten the overall safety of the home.
- (G) Sewer and water connections, such as replacement or repair of deteriorating or failing service lines to ensure reliable water access and prevent backups or environmental hazards.
- (H) Energy Efficiency and electrification Improvements, such as insulation, weatherization, and/or installation of efficient windows and/or doors, provided such improvements contribute to the long-term habitability or affordability of the home.]

Explanation: This amendment adds energy efficiency improvements and related support requirements to the scope of work.

FLOOR AMENDMENT NO. 2 TO F/S O-25-91

AMENDMENT SPONSORED BY: Nichole Rogers

1. Beginning on page 5, line 3, amend § 14-27-8 as follows:

§ 14-27-8 FUNDING. The PATCH Program is contingent upon the availability of local, state, and federal funding. The City may prioritize and actively pursue a variety of funding sources to support the implementation and sustainability of the program at the local, state, and federal level. [The City shall follow all required procurement processes applicable to the type of funding used for the program. Provided, however, that if the initial procurement process results in only one response, the City shall review the specifications and repost the program request along with additional community outreach.]

Explanation: This amendment makes explicit that the City will follow the procurement rules tied to each funding source, ensuring clarity and transparency.
