AMENDMENT SPONSORED BY: Joaquin Baca

1. On page 3 remove 'SECTION 4. EFFECTIVE DATE AND PUBLICATION' and insert the following:

~~SECTION 4. EFFECTIVE DATE AND PUBLICATION. This legislation shall take effect immediately after publication by title and general summary.~~

[SECTION 4. COMPILATION. Section 2 of this Resolution amends, is incorporated in, and is to be compiled as part of the Code of Resolutions of the City of Albuquerque, New Mexico, Section 1-12-4.]

Explanation: This technical amendment corrects the resolution to include the required compilation language and to remove the Effective Date and Publication language not applicable to resolutions. These changes ensure consistency with standard legislative formatting and procedural requirements.
