November 5, 2014

Dear Neighbors,

As many of you know, I grew up in the area of Atrisco Dr. NW, and am familiar with your concerns about speeding in the area. There was a Traffic Mitigation Study presented to the community in 2010. At that time, a roundabout had been proposed to help with the traffic concerns at Hanover and Atrisco, but did not address the concerns of speeding throughout Atrisco Dr. The roundabout has not been implemented due to funding. I have worked with our former Director of Municipal Development, Michael Riordan, and asked him to conduct a study that would consider ways to reduce speeds on Atrisco Dr. NW. The current two-way volume of traffic utilizing Atrisco Dr. is approximately 10,800 vehicles per weekday.

I would like to invite you to a public meeting where city traffic engineers will discuss a proposal for a 12 month pilot study that would restripe Atrisco Dr. to one lane with a 6.5 foot bike lane in both directions. There will be a facilitator available to make sure all questions are answered in the allotted time. As the community members of this area, your input is very important.

Please join us to discuss this proposal:

Thursday November 13, 2014

6:00PM to 8:00PM

West Mesa High School - Randy Castillo Performing Arts Center

6701 Fortuna Rd NW

Albuquerque, NM 87121

Should you have any questions, please feel free to contact my Policy Analyst, Elaine Romero, at [eromero@cabq.gov](mailto:eromero@cabq.gov) or (505)768-3183.

Sincerely,

Ken Sanchez, President  
Albuquerque City Council
