

# Paseo del Volcan

## Next Steps

11/07/2014

1. Disseminate the Paseo del Volcan brochure and the final Analysis of Economic Development Opportunities to help community leaders understand the importance of and prioritize this project.
2. Adopt legislation at participating agencies establishing support for acquiring local, state and federal funding for the development of Paseo del Volcan similar to the MRCOG sample resolution, attached.
3. Continue the discussion between the New Mexico Department of Transportation, the City of Albuquerque, WAHL LLC, and Ranch Joint Ventures to dedicate the right-of-way in the Paseo del Volcan corridor.
4. Develop a plan to acquire capital outlay money over the next several legislative cycles for Phase 1 which includes the purchase of the remaining right-of-way, and the design and construction of the Paseo del Volcan/I-40 Interchange.
5. Work with the legislative delegation for the Northwest Mesa and Sandoval County to adopt legislation authorizing alternative funding mechanisms for Paseo del Volcan.
6. Insert a place holder into the TIP for 2020 and 2021 for Paseo del Volcan, Phase 1.
