

# PUBLIC MEETING

## RAINBOW BOULEVARD TRAFFIC CALMING STUDY

The City of Albuquerque invites you to discuss a Traffic Calming and Pedestrian Safety study on Rainbow Blvd., between Paseo del Norte and the southern property line of Volcano Vista High School. The study aims to understand the challenges to pedestrian safety in this corridor. This second and final Public Meeting will allow the project team to share an overview of the corridor's safety challenges and potential mitigation options. In addition, this is your opportunity to provide community feedback on these issues and discuss possible solutions.
