Re: CPC2014-000014

Dear Chair Fine and Members of the Police Oversight Board:

Thank you for providing your review of Civilian Complaint CPC2014-000014. In most cases I am in full agreement with the findings of the Civilian Police Oversight Agency and the Police Oversight Board. However, in some cases, after careful consideration of the available facts I am not able to agree with the findings.

400 Roma NW

In this particular case, I do not concur with the finding of Exonerated in the alleged violation of Albuquerque Police Department Standard Operating Procedure 2-18-8B. I believe a finding of Not Sustained is more applicable in this matter.

Albuquerque

Please contact me if any further clarification is needed.

New Mexico 87102 Sincerely,
