Re: CPC 2015-000014

Dear Chair Fine and Members of the Police Oversight Board:

Thank you for providing your review of Civilian Complaint CPC2015-000014. In most cases I am in full agreement with the findings of the Civilian Police Oversight Agency and the Police Oversight Board. However, in some cases, after careful consideration of the available facts I am not able to agree with the findings.

In this particular case, I do not concur with the finding of Sustained in the alleged violation of Albuquerque Police Department Standard Operating Procedure 1-2-2B. I believe a finding of Exonerated is more applicable in this matter.
