Policy Upheld: 1.1.5.E.8.a, Department Issued Phone; 2.9.5.B.3.a, CJIS for Personal Use

1. **Unfounded.** Investigation classification when the investigator(s) determines, by clear and convincing evidence, that alleged misconduct did not occur or did not involve the subject officer.

2. **Sustained.** Investigation classification when the investigator(s) determines, by a preponderance of the evidence, the alleged misconduct did occur by the subject officer.

3. **Not Sustained.** Investigation classification when the investigator(s) is unable to determine one way or the other, by a preponderance of the evidence, whether the alleged misconduct either occurred or did not occur.

4. **Exonerated.** Investigation classification where the investigator(s) determines, by a preponderance of the evidence, that alleged conduct in the underlying complaint did occur but did not violate APD policies, procedures, or training.

5. **Sustained Violation Not Based on Original Complaint.** Investigation classification where the investigator(s) determines, by a preponderance of the evidence, misconduct did occur that was not alleged in the original complaint (whether CPC or internal complaint) but that other misconduct was discovered during the investigation, and by a preponderance of the evidence, that misconduct did occur.

6. **Administratively Closed.** Investigation classification where the investigator determines: The policy violations of a minor nature and do not constitute a pattern of misconduct (i.e. a violation subject to a class 7 sanction, -the allegations are duplicative; -the allegations, even if true, do not constitute misconduct; or -the investigation cannot be conducted because of the lack of information in the complaint, and further investigation would be futile.

Additional Comments:

We uphold, confirm, and stand by the findings of the CPOA Executive Director.

You have exercised your right to appeal this decision as specified in the Oversight Ordinance 9-4-1-10. As was explained in the hearing proceedings in order for the Advisory Board to modify the Director's findings your appeal must demonstrate one or more of the following:

- 1) A policy was misapplied in the evaluation of the complaint;
- 2) That the findings or recommendations were arbitrary, capricious or constituted an abuse of discretion; or
- 3) that the findings and recommendations were not consistent with the record evidence.

The Advisory Board has considered the statements provided by you, the complainant, any witnesses you may have provided, any evidence if deemed admissible, the Agency's position, the Albuquerque Police Department's position and the officer's position if the officer chose to appear.

The Advisory Board may only modify or change the findings and/or recommendations and make further recommendations if one of the above listed conditions was met. The details of the findings are on the second page of this communication.

Thank you for participating in the process of the Civilian Oversight of the Police, ensuring officers and personnel of the APD are held accountable, and improving the process.

Sincerely,
The Civilian Police Oversight Advisory Board by
