Statement

Sergeant Fox conversation

I am submitting a letter of commendation to Sergeant Fox regarding an educational conversation we had on the scene of a homicide which occurred on June 23, 2023 at around 11:45AM.

I want to point out the educational conversation I had between Sergeant Fox, an unknown patrol officer and my business partner Nick Layman about our ability to be an onlooker, provided by APD's own decades-long never changed or amended policy providing rights of onlookers policy(2-33). On June 23, 2023 I was flying my drone gathering aerial footage in FAA airspace above Stardust Skies Park which was the scene of a homicide. There are strict FAA guidelines prohibiting ANYONE from interfering with a pilot while in command of any aircraft. Sergeant Fox and the unknown officer waited for me to land our company owned drone and we had a conversation at the back of our company Tahoe.

This conversation was cordial and it was conveyed that if Sergeant Fox or anyone from his homicide crew had an issue with my drone that they would contact me directly and have a civil conversation about what they felt was the issue.

All officers and supervisors department wide must be educated as to the rights of onlookers and rights of licensed pilots flying drones. Not knowing how to handle pilots legally flying in FAA airspace greatly places the department in danger of litigation and scrutiny from the federal government.

Videos of the encounter will be provided if needed.

Sincerely,

[REDACTED]

[EXTERNAL] Forward to [phishing@cabq.gov](mailto:phishing@cabq.gov) and delete if an email causes any concern.

Good Afternoon,

I'm writing this email to say thanks to Officer M. Lara (#6810) for responding to a call on 04JAN2024 to my sister's residence on [REDACTED] ([REDACTED]). She's been the victim of an unknown stalker for approximately one year.

After a scary interaction with her stalker, she called APD and Officer Lara responded to the scene. My sister relayed that he was very patient, methodical, and empathetic. She appreciated his expertise and the time he took with her to follow up as able.

I'm also in law enforcement, and my assignments are almost always overseas. I can't be there to look out for my sister, so it's reassuring that your team has officers like Lara on deck. Please let him know that his work is sincerely appreciated.

If it's possible to have a DV detective follow up with my sister, I'd be grateful. I'm sure her contact information is listed in the report. I'm also reached at [REDACTED]

With gratitude,

It is important to provide as much information as possible describing the incident in full detail including: location, date, time, officer/employee(s) involved, and witnesses.

If names are not known, please include a detailed description of the officer(s) involved.

I was walking my dog on Ladera when the driver of a pick-up truck sped past me doing a speed greater than the posted 35 mph. I was delighted to see a police officer turn on his lights and pull over the speeding pick-up truck. It is the ~~not~~ rare sight to see a police officer give a ticket to a speeder Ladera. Congratulations & many thanks to the officer who issued a ticket to that driver.

Thank you - Jm

[EXTERNAL] Forward to [phishing@cabq.gov](mailto:phishing@cabq.gov) and delete if an email causes any concern.

Dear Albuquerque Police Department,  
Chief Victor Rodriguez-Isleta Pueblo, and local FBI,

Our family wanted to pass on our appreciation on behalf of my 83 year old mother-in-law [REDACTED] who was a victim of a recent crime at her home in Albuquerque. The multi-agency incident occurred on the [REDACTED] [REDACTED] on Thursday evening Jan 18th, which also included Isleta Pueblo and local FBI.

The suspect climbed her back wall from the alley, broke into the garage and barricaded himself inside. An officer called to advise her to shelter in place, eventually she was placed into a police cruiser for her safety. Another officer

sat with her throughout the incident and provided her with a great deal of comfort during this terrifying situation.

Our family wanted to express our thanks and gratitude for the exemplary work of all three agencies involved who apprehend this dangerous suspect, with minimal property damage, and a special thanks to the officer who sat with her.

We don't have contact information for everyone involved, if it's possible to pass on our appreciation to specific officers involved and the local FBI it would be greatly appreciated. Incident: IP2024 0101

We truly appreciate all of our law enforcement professionals who put themselves in harms way everyday and want you to know how grateful and proud we are for the excellent work everyone did on this case. Thank you so very much for a job well done.

Statement

I am an RN at UNMH in the Trauma/Surgical ICU. On the night in question, although I cannot remember the specific night it was sometime in December, Sgt Bobby was watching my patient who was in custody following a shoot out with police. My patient was very aggressive and abusive to me, verbally harassing me while I tried to set up his life saving drips and provide care. Your officer noticed me becoming upset, and took his job a step farther than most when he entered my room, stood on the opposite side of the room from me, and respectfully redirected my patient. He spoke to him as an equal, getting him talking about his life before he got arrested, what led to the incident, and plans he might want to make for after his sentence. I felt very safe knowing that he was in the room. I also was thankful that I was able to finish providing the cares I needed for my job without facing the harassment that I had been prior. I was very impressed at this officer's patience with my patient; never did he show signs of frustration or anger. I have been a nurse on my unit for over 2 years, and we see a lot of patients in custody. Never have I had the pleasure of working with an officer who I felt so strongly was there to support me and protect me. It's taken me some time to submit this form (procrastination is my weakness) but I think about this man often and appreciate his strong, honest, compassionate work.

What Outcome are you Seeking?

Officers like Sgt Bobby are the type of police officers we need, not just as a community and state, but as a nation. I hope this man is commended for his work and used as an example for effect policing. Every single one of your other officers that I have interacted with has much to learn from him. I would like to see a department consisting of officers with similar values to Sgt Bobby. I hope Sgt Bobby is recognized for this work, fairly compensated and rewarded, and lifted up as an outstanding member of his force and his community.

Statement

Just wanted to thank APD Officers for doing more speed control on Irving. I have seen 2 cars pulled over for speeding and one patrol vehicle monitoring speed in just the past week. As a resident who lives off Irving, many people drive very fast, making it difficult to pull out in to traffic safely and even harder to cross the street as a pedestrian. Thank you for your increased monitoring of this street. We really appreciate it!

What Outcome are you Seeking?

Just saying thank you, no response needed.

Statement  
My first attempt at selling something on FB marketplace. It was a large item and priced for 3k. A man sent me a fake cashiers check which I turned over to officer De Leon. But in the meantime the 'buyer' was insisting on coming to pick up the merch. I am a 59 yr old widow who lives alone. I was very scared to be honest. And felt in danger.  
Officer De Leon was an amazing human and officer, the way he listened, showed kindness and compassion, and informative about these scams. He is commended by me for being everything I feel a good officer should be!  
What Outcome are you Seeking?  
I would like officer De Leon to know that I truly appreciate his patience, kindness and empathy in the way he communicated and dealt with my report. He set up a P watch for me and explained how those work. He was a class act! I felt easier after he was here.  
I was mentally kicking myself for even listing on marketplace and he very sweetly told me not to blame myself.  
Just a great guy!  
Ty officer De Leon!!

Commendation Letter for Abq PD

=====

Subject: APD prevents possible carjacking crime Submitted by: [REDACTED].com Submitted  
on Apr 11, 2024 Date of event: Mar 20, 12:30 a.m.  
Location of event: near the Days Inn Hotel, 2331 Centre SE (I think I was at the Wyndham hotel.)

Description of the event

=====

I flew to Abq airport on the date Mar 19, 2024. Due to expected late arrival, I reserved a room at the airport Days Inn hotel. I arrived in the vicinity of the hotel around 12:30 a.m. on Mar 20. While searching for the street address, I believe I pulled into the Wyndham hotel parking lot.

Just after I pulled in, another car soon pulled in behind me. An older spanish man got out. I am certain he was not on the road behind me, so he evidently was waiting for people to enter the parking lot.

The man exited the car and asked for money, the usual story. He did not act in a threatening manner. However, the threat could have been that other people were hidden and potential sources of danger.

As I was debating what to do, and being tired and possibly unaware of the threat, an APD police car pulled in! This removed all the potential threats. The officers were evidently patrolling the area and looking for just these types of situations.

I wish to thank these officers for their great awareness of the threat situation and pro-active prevention of crime. While I do not know if a crime was intended, the presence of the officers assured that no such event would take place. I am grateful for their intervention!

Sincerely,

Statement

I've heard a lot of bad stories about Albuquerque PD but was pleasantly surprised when I met Officer P. Cadena, Badge 7574. She treated us with respect and didn't act like she was scared of us and give unlawful directives in order to keep us away. She has great energy and didn't give off the vibe of disdain and contempt like most LEO's do. She understands that we're not "trying to get a reaction" or "bait the police." To be honest, it's a bit concerning that I should have to write this commendation as this should be the standard. If you could use her example on how to treat the free press, you could prevent a lot of lawsuits and bridge the gap between the public and law enforcement. Feel free to watch and use this video as a training tool. Thank you Officer Cadena! :)

What Outcome are you Seeking?

Promote Officer Cadena and use the video as a training tool in the academy and continued education. Feel free to contact me via email if you'd like to do an interview on my channel about Cadena.

Statement

Saw a video on YouTube about officer Cardona (sp?) She was great. Great attitude, and overall presence. She was forthcoming and curious. That's what citizens want. We want to love you guys. Most of y'all, starting with leadership, make it hard. Follow this officers example, use it in trainings. It's an easy ask that will be well worth the tiny amount of effort.

What Outcome are you Seeking?

Praise and public acknowledgement for this great officer.

Statement

I WATCHED A YOU TUBE VIDEO SUBMITTED BY DENVER METRO AUDITS ON OFFICER P. CADENA #7574. THAT WAS THE MOST OUTSTANDING PERFORMANCE I HAVE EVER WITNESSED BY AN OFFICER. SHE NOT ONLY WAS COURTEOUS AND PROFESSIONAL LIKE YOUR POLICY STATES, SHE EVEN KNEW ABOUT ONE'S RIGHTS TO BE ABLE TO FILM IN PUBLIC AND ALSO THE RIGHT TO FILM PUBLIC EMPLOYEES IN THE COURSE OF THEIR DUTIES UP HELD BY THE US SUPREME COURT. OFFICER P. CADENA DEFINITELY NEEDS AN ACCOMENDATION AWARD, BE PROMOTED, AND HAVE A SIGNIFICANT PAY INCREASE. THERE NEEDS TO BE MORE OFFICERS PATROLLING OUR STREETS LIKE HER. KUDOS! TO OFFICER CADENA.

What Outcome are you Seeking?

ACCOMENDATION AWARD FOR OFFICER CADENA, PROMOTION TO A HIGHER RANK, AND A SIGNIFICANT PAY INCREASE. AND LAST, BUT NOT LEAST, AN UPDATE ON HER STATUS TO SEE IF SHE RECEIVED THESE REQUESTS.

Statement

I saw a video posted by Denver Metro Audits on YouTube of an interaction with Officer Cadena. I firstly want to say I would be honored to have Officer Cadena serving my community. Having someone like her on patrol (friendly, polite, treats citizens as humans and equals) goes a long way in communities of color, as I feel this is a common barrier that creates a rift, and she would serve as a great role model to inspire children to become officers in the future. Furthermore, she was respectful to citizens exercising their rights - ones who are commonly mistreated for doing so.

What Outcome are you Seeking?

I would like Officer Cadena to be recognized for her great work and to be set forth as a role model for others in the force.

Statement  
I was at dinner with my boyfriend, [REDACTED] and 6 year old daughter, [REDACTED] and recognized Sgt Drager from a court case awhile back wherein I was on the jury. She was eating alone, so I asked if she would like to come and join us for dinner as my 6 year old wants to be a "girl police officer with a girl dog" one day (as well as a singer and a nurse-kids right?) and I let Sgt. Drager know this.  
Sgt Drager so kindly took us up on our offer and sat and ate, chatted with us, encouraged my daughter in her future goals and even happily sat while my daughter showed her about 40 pictures of our German Shepherd at home. She provided me with a card and encouraged me to contact her if I ever wanted to set up a demo/APD visit for my daughter's activities or school. It was seriously like sitting down to dinner with a friend.  
I think APD used to have the motto "in step with our community" or something similar and although it may not still be in use, Sgt. Drager truly exemplifies this. I thank her so much for taking time to sit and chat with us and be so supportive of a 6 year old who wants to "catch the bad guys" one day!

What Outcome are you Seeking?  
None-I just want to thank Sgt. Drager for being such a positive role model and shed light on one of the great police officers APD is lucky to have!

**Subject:** Commendation for PSA Z. Barreras

[EXTERNAL] Forward to [phishing@cabq.gov](mailto:phishing@cabq.gov) and delete if an email causes any concern.

This letter is to inform the leadership of the Albuquerque Police Department and his chain of command that PSA Z. Barreras man# 7927 is a stellar member of your department. On May 26th 2024 while reporting news for our media channel ABQRAW. On this day I responded to a homicide scene near the intersection of Marble and Chama NE. When I pulled up to the intersection I noticed a PSA vehicle stationed at the intersection facing north blocking all west bound traffic for Marble NE with the assistance of some crime scene tape.

I got out of my truck and began setting up my tripod and camera and noticed the PSA politely took notice of me and said hello and I replied hello back. A few moments went by and I called our news dog "Lalo" to join me at my side as he often does. Lalo normally likes to stay in his custom made bed located in the bed of the truck but sometimes he likes to come out for fresh air and observe the days violence aftermath. As Lalo sat next to me I noticed the PSA approaching me with a bottle of water. The PSA said the water was for "Lalo" because it was hot out. At this time I noticed how professionally dressed the PSA was and commented to him as such. He mentioned he had just finished with a Memorial Day ceremony and he had dressed up for it. I then asked for a card and he wrote down his information on an official city of Albuquerque Valley Area Command business card as Z. Barreras man #7927.

I immediately poured some of that water for Lalo into his portable water bowl which I carry with me specifically for the purpose of providing water to him on hot days. Lalo was immediately grateful for the gesture and gave the water a couple excited licks.

The fact that this PSA took time out of his day to be personable with a total stranger and his dog is very much commendable and must be recognized.

Sincerely,

From: CABQ Customer Service <[311@cityofalbuquerque.com](mailto:311@cityofalbuquerque.com)>

I saw on YouTube the interaction with officer Cadena and a 1st Amendment auditor. She treated him with professionalism and common courtesy. I have seen many 1st Amendment auditors yelled at, threatened with arrest and even arrested while peacefully recording in public. It is great to see cops like P. Cadena uphold the rights of the people.

What Outcome are you Seeking?

I would like all cops to honor their oath to the constitution especially the 1st, 4th and 5th amendments.

I just wanted her to be told that she did a great job and people notice. These auditors can be jerks sometimes although it is a protected right. She did the right thing.

Statement

I live in New Zealand and I have watched hundreds of police interaction videos on YouTube from all over the world. When I encounter a good one I like to acknowledge this. Officer Cadena comes across as a genuine caring person and is a credit to your department. She was friendly courteous and polite to the video auditor who filmed her recently and in the video showing her rescuing the battered 5 year old boy, officer Cadena was highly professional throughout. She is a fantastic example of the best kind of police officer in my opinion. I wish her well in her future.

What Outcome are you Seeking?

I would like you to pass on this message of commendation to her.

My father's vehicle was recently struck from behind by another vehicle. Officer T Carman saw it and stopped and helped my father. He called another officer who was kind enough to fill out an accident report for my father so that he wouldn't have to go to a police substation. Officer Carmen and the other officers went out of their way to go above and beyond for my elderly father. My father was so grateful for the help. A great big thank you to each of the officers who helped. We are grateful for their kindness.

Statement

On Sunday, June 16, 2024, I was attending St. George Greek Orthodox Church as a parishioner. It should be noted that I am a police officer with the Santa Fe PD, but I was off-duty during the time of the incident. During the time of the incident, the suspect [REDACTED], was doing the following things:

- trespassing on the premises (not a member of the church)
- trying to enter the church where the congregation was attending mass (congregation consisted of a lot of children and elderly persons)
- threatening to strike a parishioner with a large rock and to take someone's jewelry
- displaying behavior consistent with substance abuse and/or mental health issues, ie talking in other languages, not standing still, walking back and forth, not willing to explain why he was there or what he wanted with the church, wanting to fight parishioners, throwing items around and wanting parishioners to pick them up, etc.

Several parishioners, including [REDACTED], were there to deny David access to the church to protect the other parishioners from David's antics. I arrived just after the initial encounter with David and Dominic. I tried to speak with David however, he did not want to hear what any of us said. David had an agenda that only he knew. This was apparent when I displayed my police badge and David said, "I don't care about that badge," and continued on without hesitation.

David started escalating and getting more confrontational with Dominic, by ridiculing him and wanting Dominic to pass on a note to someone. When Dominic refused, David started counting. We took it that if Dominic did not comply by the time he

was done counting David was going to fight Dominic.

At approximately this time, I called the APD Dispatch to request officers. I identified myself as a police officer and explained the situation and that I was concerned about this incident escalating to a situation where a firearm needed to be drawn and used in self-defense. The dispatcher was able to create a call and finally dispatched APD Officers, including Ofc. S. Casillas #7866 and another officer who I believed was on OJT with his FTO. I did not get their names.

When the officers arrived on the scene, they were very professional and took over the scene seamlessly. They interviewed Dominic who was the first person to interact with David. They were able to use their CIT and de-escalation skills to calmly speak with David to further their investigation. They escorted David off the premises and to the sidewalk near their police units without violence or force. It was reassuring to see officers taking their time to complete a full investigation. I have seen so many officers, even in my own agency, that downplay these types of calls and rush them just to move on to the next call. I would be confident that if something happened in the future and these same officers responded, they would respond appropriately and effectively. The congregation was relieved and grateful for the prompt police response.

In the end, Ofc. S. Casillas issued David a Criminal Trespass Notification and sent David on his way without incident. Officers remained on the scene until David vacated the area. Ofc. S. Casillas provided the church with a copy of the CT Notification along with a case number. She even stated what time she was off duty in case David returned during her shift.

What Outcome are you Seeking?

I want the officers to receive a commendation or job well done for their hard work. This commendation or citation should be one that they could place in their professional records. Their timely response prevented this situation from getting much worse. These officers need to know their hard work matters and the congregation of St. George notices their hard work.

Statement

We called the non-emergent line to ask where we could report a sexual assault as the Osuna substation was closed for the weekend. The dispatcher sent an officer to our location and that was Officer Ketchum. He listened and took my report, he was very gentle, he encouraged me to press charges without being pushy or aggressive, and he made sure to tell me where I needed to go to have the exam done. He encouraged me to call as soon as possible so the evidence could be preserved, he also made sure to tell me how to store the evidence I had in my possession so when I gave it to the nurse at SANE it wouldn't be contaminated.

Reporting a sexual assault is already an incredibly difficult thing to do, but he handled it very well and at the end of it I felt like I'd be heard and cared about. This isn't my first experience with law enforcement as a victim, but it was my first with APD, and the difference was startling. I appreciate his kindness and gentleness in dealing with something that is already horrific.

Also, when I was speaking with the advocate at SANE and told them which officer had taken my report they were also happy to hear it had been Officer Ketchum. He's very good with victims and that's something that is super important in law enforcement.

What Outcome are you Seeking?

I'd like him to know how much his demeanor is appreciated. I also hope his command will let him know that he's doing his job well and is appreciated not just by victims, but also the advocates and nurses who see us after the report.

Officer Cadena was polite & courteous with the public. She had a nice smile and did not escalate when citizens were participating in a constitutionally protected activity. She's a good example of Albuquerque's finest LEO's.

What Outcome are you Seeking?

I would like officer Cadena to become aware of the far reaching and positive effect that she has on the image of the Albuquerque police department. I would like other LEO's across the nation to learn from her example and honor their oath to the Constitution. I would like officer Cadena to stay safe.

Detective Maes was and outstanding help with my truck being hit in a parking lot. He called me in less than 24hrs of filing the police report. About an hour after that the entire issue was resolved including the insurance information I needed from the other driver who did not realize he hit my truck. Detective Maes was professional, respectful and to the point quickly! He went above and beyond to secure video and other information a model detective to say the least. I feel safe as a citizen of Albuquerque knowing that Detectives such a Kelly Maes are here to help.

What Outcome are you Seeking?

The outcome I'm seeking is a raise for detective Maes. Also first shot at the donuts and coffee before every one else.
