Statement

Our Blue Prius left rear window was smashed, several items were stolen. Officer D. White came to the location and filed the police report. He was compassionate, courteous and helpful in asking questions and completing his work.

His demeanor was pleasant at all times. Later, a hotel employee who saw him outside thought he was the same policeman who does public service announcement for the APD.

What Outcome are you Seeking?

Want you to know that Officer White was exemplary in his service. Please thank him.

Someone smashed my car window on Friday night outside Kaktus brewery. Officer Shawn (?) arrived promptly and was extremely professional, courteous, and efficient yet thorough. I've misplaced the card he gave me but I wanted the department to know that he did a good job. Much appreciated!

Statement

JWID340-16

At 8:30pm on Dec 15, my friend contacted me threatening to kill herself. I did not know where she was, but APD found her through locating her phone at about 10pm. Officer Maes was the officer at the scene, and he called me several times to update me on the situation & to tell me my friend was okay. He was very kind and helpful. He answered all of my questions and it was clear he cared about the situation and wanted to improve them as best he could. I'm very fortunate that officer Maes is the one who found her, and in a way he was the angel both she and I needed last night. I appreciate everything officer Maes did in the situation, including calling me 3 times to update me on the situation. He understood my fear and concern and genuinely wanted to help. APD and the city of Albuquerque are both very fortunate to have an officer like officer Maes on the force.

What Outcome are you Seeking?

Officer Maes deserves to be recognized by APD for a job well done. He is a wonderful police officer. I wanted to share my story in hopes that someone higher up on his chain of command will take the time to recognize his work. Thank you, officer Maes, for being my angel for the night. I know if you impacted my life in such a positive way, that you do so to others with ease. Thank you. Due to the personal details of this event, I believe it would be best not to post the details of this event on the media.
