I just wanted to take the time to thank all of the Albuquerque motor officers for their dedication to their craft. It was great meeting them and getting the opportunity to ride and train with them at the Germaine Casey Invitationsl event in Rio Rancho. The APD Motor team exemplifies excellence and a great team attitude. Thank you to Chief Eden for the professionalism and support you showed to the motor teams.

Murder of SGT Tyler Lackey

Your Statement

I would like to thank your department for the quick work in apprehending the suspects involved in the murder of SGT Tyler Lackey. While serving at Ft. Bragg, NC, I had the pleasure of working with SGT Lackey. When I heard of his death, I, along with many who worked with him, were heartbroken. I have followed this story closely over the last month and am proud of the APD and US Marshalls effort to solve this case. I extend my thanks, and that of many others, to the APD and US Marshalls who led the investigation. We lost a good soldier, NCO, and a great man because of these terrible actions.

Ive been trying to get an answer to a question for a couple of weeks now. The question is how does an out of state resident file a police report? Somehow, I got hold of Randy Remiker who referred me to Carolyn Sanchez. Both officers were very helpful and polite and took time to understand my need and help me get the information I required. Ms. Sanchez had me send her a personal fax so she could handle it personally for me. WOW!!~

I called the SW substation to only inquire about when I should contact the police for domestic disputes. Given that I have little experience with police, I was fortunate enough to speak with Officer Cassandra Bailey who answered the phone and took the time to listen to my questions and answer them to the best of her ability and within her scope. She asked questions when needed and made me feel like she cared about the circumstance in which I find myself. I was so impressed with the customer service and professionalism that I immediately went online to determine how to best say thank you and recognize her.

We wanted to commend Sgt. Frick, Commander Miller and Officer Arbrogast on their response to what fortunately, was a false alarm! Today at Mark Diamond's Jewelers, we were having a new alarm system installed, and the alarm techs let the test mode time out...which we found out when APD called and said they received a hold up alarm and the building was being surrounded! We immediately let the officers know that it was due to our alarm installation.

However, we were beyond impressed with their quick response and professionalism. It was very reassuring to know if anything ever happened, the type of timely service we would receive. Being in the jewelry business, safety is always a top priority and we were thrilled with the attention we received from these three wonderful members of our law enforcement community! Keep up the good work!!

John Jones arrest.

Your Statement

I just want to commend Officer Brown on his professionalism and attitude I observed in the video of his traffic stop of Jonathan Jones the mma fighter. Jones has no respect for the law or our law officers. I would have arrested him and taken him to jail for not signing the tickets when requested. Please commend officer Brown. He proved to me he is a dedicated professional. We need more with his integrity.

I wanted to thank the police dispatcher #26(I believe) also the three officers that responded to a call I made 3/31/2016. Officer L. Rubio-Gonzalez and the other two officers responded quickly and helped resolve the situation regarding the vacant house and having it boarded up again. Thank you for keeping our neighborhood safe.
