Statement

JWD 261-17

My truck was stolen in Albuquerque September 22 from my workplace. I know that APD does not have the resources to actively search for stolen vehicles, and mine had not reported as abandoned. Sergeant Quellman spotted my truck in a small parking lot and must have noticed something that made him decide to check it out, and then discovered it had been stolen. He called me but I was at work, so my wife went to the location. Sergeant Quellman was kind enough to wait on the scene until AAA could dispatch a tow truck, and he helped to expedite the process. I would like to thank him for his powers of observation and outstanding public service. He is a credit to your department and an asset in our community.

What Outcome are you Seeking?

Commendation for Sgt Quellman.

Statement

Officer Rael came to speak with my 14-year-old son who had run away from his residential mental health treatment program the day before, and apparently spent the night on the streets. Officer Rael was extremely supportive of my son, and still quite firm. I thought that Officer Rael did a fabulous job in reorienting for the moment about his choices, and explaining the situation both intelligently and compassionately.

What Outcome are you Seeking?

Commendation for Officer Rael.

Statement

I would like to thank 3 officers for helping me last night. Officer J. Clemens, officer D. Kinzer and officer M. Perez. I was at a grocery store about to put my groceries away when I locked my keys in the car with my 2yr buckled in his car seat. As any parent, I was scared and upset. After calling 911 and having Good Samaritans around me for support, officers Clemens and Kinzer arrived. They immediately let me know that everything would be ok and that they were there to help. These officers were calm and assuring. Once officer Diaz got there he was able to unlock the door and I was able to get my son out. Officer Clemens and Kinzer were even kind enough to load my groceries inside my vehicle for me. I want to thank them from the bottom of my heart. Without the help and support from APD I would have just panicked and broke a window. Thank you for making me and my son feel safe and I wish there was a bigger way I could say thank you.

M. Pérez #3383

What Outcome are you Seeking?

Recognition for these 3 amazing officers. I want to thank them from the bottom of my heart for being there for me and my son and the community.
