'Enough APD Terror': Protesters call for abolition over reform

City's fatal police shooting rate remains highest in the country

By Gabriel Biadora
@gabrielbiadora

On Friday, Feb. 26, local activists and community members gathered at the Albuquerque Police Department's downtown headquarters to march for the abolishment of the heavily scrutinized force. They stood on the police department's steps as they delivered their speeches to a crowd of about 70 people.

The demonstration took place nine years to the day after Trayvon Martin was killed by neighborhood watch coordinator George Zimmerman and was organized by Fight For Our Lives Albuquerque (FFOL).

report, the monitor concluded that APD maintained a toxic trajectory that reflects a "deliberate indifference to the requirements of the CASA," citing serious deficiencies in training, discipline, oversight, supervision and leadership.

A resolution was passed in 2015 requiring the city and the police department to keep a record of the CASA's expenditures. The CASA has spent nearly \$34 million as of 2019's third quarter before the records stopped being published.

While the DOJ investigation has addressed some fundamental flaws within the department — like the negligence of use of force investigations

Force cases are now categorized by three levels. If a case involves multiple applications of force, it is categorized as the most serious at the case level. If one event involves both a force event and a tactical activation, the event is categorized as a force event for this report. These counts are not considered final as investigations are continuously updated.

April 2021 Executive Director's Report

1. Lead Investigator McDermott and I conducted 12 interviews for the open Investigator position, final decisions will be made by April 10.
2. The final budget package was submitted April 2, 2021 to the CPOA Budget Analyst. The budget includes the addition of a Policy Analyst to the CPOA staff. The current CPOA budget proposal is \$1,608,000.00. Next step is City Council Committee of the Whole in May.
3. I met with Superintendent Stanley to discuss upcoming changes within APD and CPOA compliance with the CASA
4. April 19, 2021 I will present an oral report to City Council
5. The roll out of the new case management software, Benchmark, has been delayed until the 4th qtr. of 2021. The development work continues on a bi-monthly basis.
6. I've received confirmation 2 CPOA Board members attended the OMA training provided by the City Clerk's office.
7. You have received the monthly update from the Office of Equity and Inclusion trainings being offered by the City.
8. The 2020 Jan-June Semi-Annual Report has been routed to City Council Public Safety Committee.
9. I'm drafting a response to Member Galloway's request for CPOA Board review of cases
10. I've updated the CPOA Board training checklist

11. CPC 280-20 we received the concurrence from APD before the complainant could speak to the Board

CPOA Board – Outreach Subcommittee Report

The Outreach committee met via Zoom on March 23, 2021.

1. Director Harness provided an update on the following topics:
 - The anticipated Benchmark software that APD is having developed has experienced another delay and is currently slated to go live during 4th Quarter 2021, though Director Harness has his doubts.
 - Kelley Mensah and Katrina Sigala had identified a CPC Liaison Assistant but that fell through. There is another candidate from Gallup but Director Harness isn't convinced that will come to fruition based on the candidate's location.
 - The meeting with DOJ, IMT, and City Council Staff regarding the process for and placement of new members to this Board did not go as well as it perhaps should have. As a result, there is a very good chance that the DOJ will be petitioning the Court to intervene and establish a sort of Advisory Council comprised of stakeholders to take over the process of filling Board vacancies. We would not have a seat on that Advisory Council.
 - o Of particular interest, Director Harness relayed that Council Staff had (as of that meeting date 3/12/21) 131 potential candidates of which 89 were deemed "eligible".
2. Director had not made progress on determining how we might be able to break up training and onboarding materials but hopes to before the next Outreach meeting.
3. Member Nixon provided a draft media policy that will be up for discussion and vote for the April Board meeting.
4. The Outreach Committee and Agency staff are working to determine how best we might establish a calendar of reoccurring meetings and scheduling of Board Member participation as was discussed at the March meeting. That is an ongoing project.
5. A potential new CPOA Board member was introduced to Member Galloway and Director Harness via email on March 26th, 2021. We are currently working to arrange a Zoom meeting with that individual and the Outreach Committee members during the week of 3/29/21 if possible.

The next meeting of the Outreach Subcommittee will be held via Zoom on April 27th, 2021 at 3:00 PM.

Personnel Committee Report

March Meeting Date: 3/29/21

The committee received a report from Director Harness on staffing and agency processes. The Director indicated that hiring of new investigators is proceeding well. The Director has also implemented weekly staff meetings per guidance/comments in the 2020 evaluation. The Director reported on the 2022 proposed budget and indicated he will inform the Board/Committee when Board participation at City Council is warranted. The renewal process for the Executive Directors contract was discussed and will continue when additional information (job description and old contract) from Melissa Kountz is available at our next meeting. Changes to the 2021 Executive Director's Evaluation were discussed to clarify wording and remove unnecessary questions. The proposed modifications will move to the Board. A discussion was held on various issues/concerns raised in the 2020 evaluation. Several matters will be revisited in the future while others will be brought before the full board (ie SUOF Reports, Long-term planning) and others will be referred to the outreach committee such as: the possibility of developing a Board Evaluation survey and quarterly Agency Outreach reports. A closed session was held to discuss personnel matters related to the Executive Director, follow-up on this item will occur at the April Board meeting.

Re: CPOAB Request for Training

Dear Michelle Melendez, Director Office of Equity & Inclusion:

Per Civilian Police Oversight Agency Board (CPOAB) Ordinance, the City of Albuquerque is required to provide and all board members are required to attend Equity and Cultural Sensitivity training annually (9-4-1-5 (F) (2)(k)). Many members of the current board have never been offered this training, while others that have been offered training have indicated that the training was generic and generally not useful or applicable to the work of Civilian Police Oversight.

CPOAB members have a unique need for specialized Equity and Cultural Sensitivity training. Board members operate in a different environment than a standard workplace for which most of this type of training is designed. Board members are volunteers that represent the diversity of our community. The CPOAB reviews: Citizen Police Complaint Findings, Appeals to Civilian Complaint Findings, Serious Use of Force Investigations, APD Policies, and APD Statistics among other items. The CPOAB interacts with members of the public, members of law enforcement, and civilian complainants. The unique role of the Board in reviewing what are in many cases life and death matters as well as matters of constitutional rights and civil rights makes high-quality diversity, equity, cultural sensitivity, and inclusion training perhaps the most important training need of the CPOAB at this time.

PO Box 1293

Albuquerque

NM 87103

www.cabq.gov

We the members of the CPOAB hereby request that a specialized Diversity, Equity, Cultural Sensitivity and Inclusion training program be designed to meet the specific needs of the board. Such training must include matters we frequently see in police complaints such as, but not limited to: implicit bias, racial bias, gender bias, sexual orientation, gender identity bias, homeless status, mental health status, employment status, criminal record, past police interactions, veteran status, age, political affiliation, religion, and socioeconomic status. We request a summary of the proposed training(s) be presented to the board no later than the June 2021 meeting of the CPOAB. The Board shall reserve the right to refuse the training proposed and request a new proposal if it is not deemed to be adequate to meet the specific needs of the board.

Sincerely,

Eric C. Olivas, Chair

On behalf of the Civilian Police Oversight Board

CPOAB Meeting Ideas and Changes:

Please read through this entire message carefully and please contact me with any questions or comments you may have. In an effort to improve the flow of our Board meetings and respect the time and contributions of all our Board Members, Staff, and other presenters I plan to implement the following changes to Board meetings/Agendas:

1. Each meeting will have an agenda item focusing on board member responsibilities and board development. Please note that members always have a responsibility to regularly check email (every 3 days minimum) and it is each member's responsibility to review agendas, minutes, and other materials distributed prior to each meeting (including subcommittees). Errors and omissions need to be reported to the chair or subcommittee chair prior to the agenda being officially posted. After the agenda has been posted (as required by OMA) any error located by a member or any change to the agenda requested will be considered to be late and the agenda item will either be removed by amendment or the issue will be considered on the next meeting agenda.
2. All requests for agenda items and materials to be included in board meeting packets shall be delivered to the board chair no later than 6PM on the Tuesday of the week before a board meeting. Be sure to include the chair in these requests as staff does not have the authority to make changes or additions to the agenda. Board members will see a draft agenda distributed on the Wednesday the week before each meeting by 4PM. Members will have until 5PM the Friday before a meeting to review the draft agenda and materials for errors and omissions. Any errors or omissions must be reported to the chair prior to the 5PM deadline for consideration. After 5PM on Friday the week before a meeting, the agenda will be considered final.
3. All roll call votes will be performed and reported by our administrative assistant (this is similar to how other boards/legislative bodies operate such as the City Council and APS Board). I will ask Ms. Barela to call the roll for all votes moving forward. Roll call votes will be performed in alphabetical order.
4. All committee reports should continue to be submitted in writing. Committee representatives are encouraged to only discuss highlights in their report time and keep their report brief, but informative.
5. Please review meeting minutes using the web link that will be provided in the draft agenda email. Please note that in general, minutes are available for review on the website within 10 days of a meeting per OMA requirements.
6. Please work cooperatively with Staff to answer simple questions prior to meetings. Staff generally require 3 working days to adequately respond to most questions. Issues relating to the website, city processes, and OMA issues are generally best directed to Board Staff. When emailing Board Staff please always include both Valerie Barela and Katrina Sigala.

7. I will screen and limit discussion/action agenda items requested by individual Board members. Preference will be given to items which have been vetted in a committee. This ensures that all items on the Board agenda have some minimal level of support already and have advanced to an intermediate draft stage after being vetted in committee. Preference will also be given to discussion items and/or action items that include a written component. Motions should be submitted in writing prior to the meeting where they will be debated so that members may review text in advance. This will also assist our staff in properly recording motions in the record. I will refer items to committee(s) as requested by sponsors or if in my judgement I feel a committee assignment is warranted. Please note that a committee referral may occur outside of a meeting, but I will report these referrals at each meeting. Committee chairs should keep me apprised of items which their committee is working on and further preference will be given to items requested by subcommittee chairs after they have completed vetting in committee.
8. All presentations will be separately noted on the agenda with relevant APD Policies also noted on the agenda ie. policies that pertain to an agenda item/presentation. This will help with tracking the amount of time the board spends on policy work, and will allow board members to better prepare for presentations by reviewing relevant policies. Presenters and sponsors will be asked to provide the relevant policy(s) for their presentations and/or items.
9. One substantial presentation limit per board meeting. Preference will be given to novel presentations and presenters that have not recently appeared before the board.
10. All question/answer sessions will begin with a call for comment or question. I will recognize the first person to indicate interest in holding the floor. After this I will continue to recognize individuals seeking the floor in the order they were observed seeking to hold the floor, except for those who have already had a substantive opportunity to hold the floor. After all members seeking to hold the floor have had a chance to do so, I will return to other members asking for the floor in the order they petitioned for the floor. QnA may be limited or discontinued after the first round for time management purposes. Two rounds of QnA maximum. If members are unable to complete their questioning in the allotted time they are encouraged to submit questions to the presenter in writing.
11. All discussion items will begin with the sponsor introducing the item. After sponsor introduction the order will proceed as listed below (with the exception of the sponsor). The sponsor is free to take questions and make corrections as needed. For each discussion item the order will rotate as shown in the iterations below. The order will repeat as needed within a given discussion item until discussion is cutoff by the board or the chair. No more than 2 rounds of discussion on each topic.

12. An agenda item will be placed on the April agenda to discuss and possibly direct agency staff/legal counsel are requested to explore the option of moving meetings to zoom full time after the PHO expires or allows in-person meetings to resume. This includes regular board meetings as well as committee meetings. All meetings will remain remote until the PHO allows.

* Please note that per Robert's Rules of Order, the Board can always overrule any decision of the Chair through a "Motion to Appeal the Decision of the Chair". This motion can interrupt, must be seconded, is debatable, and ends with a roll call vote where a vote in the affirmative is the sustain the decision of the Chair.

4/8/21

We the Civilian Police Oversight Agency Board hereby request and authorize the use of Board Legal Counsel to pursue the option of continuing the use of a virtual meeting platform upon the expiration and/or modification of the public health order prohibiting in-person public meetings of this type. As an all volunteer Civilian Board, the members of this board have found the virtual platform to be efficient, convenient and most importantly, highly accessible to the public. The Board would like to retain the option of continuing to use virtual meetings even when in-person meetings are again permissible.

On behalf of the Civilian Police Oversight Agency Board,

Eric C. Olivas
Chair

PR Policy for Board Approval

The Outreach Subcommittee recommends and asks the Board to vote in favor of the following changes:

Insert the following language into the Board's Policy and Procedures (Page 4):

Article III, 2, C: [The Chairperson shall...] Designate one Board member to work with the CPOA Executive Director and serve as the point of contact (POC) for official communication to the public, including email communication sent to the pob@cabq.gov email account, regarding CPOA board business and information. At any time, if approached for dialogue, any board member can refer members of the public to the POC.

Amend the Board's Policy and Procedures Conduct and Ethics Considerations "Public Statements" (Page 6) to read:

- Individual board members should feel free to speak with the public but should use discretion when determining what scenarios warrant speaking to the public as a member of the Board.
- Public statements must be presented as the view of the individual when they touch on Board activities and responsibilities.
- It is not appropriate to publicly comment on cases before the Board.
- Factual, informative public presentations on police policy are part of a Board member's duties.
- Social media posts must be considered in light of their ability to undermine trust in the oversight process or the impartiality of members.
- For both the PR POC and individual board members, the guidelines for information deemed confidential and not for public knowledge should be always adhered to while serving on the CPOA board.

2021 CIVILIAN POLICE OVERSIGHT AGENCY BOARD SUBCOMMITTEES

POLICY AND PROCEDURE (PNP): Meetings are held on the 1st Thursday of every month.
Board Members: W. Kass, Chair, T. Armijo-Prewitt, E. Olivas

CASE REVIEW COMMITTEE (CRC): Meetings are held quarterly on the 4th Tuesday during the months of January, April, July and October. Board Members: E. Nixon, Chair, W. Kass, C. Galloway

OUTREACH: Meetings are held on the 4th Tuesday of every month.
Board Members: C. Galloway, Chair, D. Mitchell, E. Nixon

PERSONNEL: Meetings are held on the last Monday of every month as needed.
Board Members: E. Olivas, T. Armijo-Prewitt, D. Mitchell

MOTION: To adopt the following process for review of SUOF/OIS cases.

Process for CPOA Board Review of SUOF/OIS Cases.

I. APD Posts Force Review Board Decided Cases

II. Case Screening

A Board member designated by the Board Chairperson screens posted cases to determine whether sufficient information exists to perform a full Board review. Cases are flagged that may need more information. OIS cases will normally require OBRD video or more information. SUOF cases, depending on the nature of case may need more OBRD video or other evidence.

III. CPOA Board Meeting - 1

The designated Board Screener presents a list of cases received from APD which may require more information before Board review. All Officer Involved Shooting cases that do not include adequate OBRD video will be included in this category. Other Serious Use-of-force cases will be included on the basis of the Board Screener's initial assessment of the available evidence.

The Board will be asked to vote to approve the request to receive additional case information. Board reviews will then be conducted after this information is made available.

The Board Screener presents a list of SUOF/OIS cases which will be ready to be ready for Board review at the next POB meeting. These cases must already include information deemed necessary to conduct a Board review.

The Board will be asked to approve this list of cases for review at the next Board meeting.

IV. Between CPOA Board meetings

Board members have four to five weeks between board meetings to individually review designated cases with the available Force Review Board furnished material.

The Executive Director prepares his written case findings for those selected OIS/SUOF cases derived from his observations of the FRB proceedings.

The Executive Director posts his FRB findings for individual member consideration with the other case materials from FRB one week prior to the Board meeting.

Board members have one week to review the Executive Directors findings and recommendations and incorporate them into their full case review.

V. CPOA Board Meeting - 2

SUOF/OIS cases identified at the CPOAB-1 for review are placed on the agenda and reviewed at this meeting.

The Board Screener repeats the process conducted at CPOAB-1 by presenting a new slate of cases in which additional information is required and the slate of cases which will be placed on the next Board meeting agenda.
