POB Mission Statement:

Advancing Constitutional Policing & Accountability for APD and the Albuquerque Community

Community Outreach Subcommittee Purpose Statement:

The Community Outreach subcommittee's purpose is to assist in bridging the communication gaps between police oversight, law enforcement and the community by utilizing the strengths of the current Police Oversight Board.

Main Issue: Community doesn't feel like it has a voice in shaping the direction of the police department!

The Police Oversight Board supports and believes in the power of transparency. Monthly efforts are made by the POB to promote accountability through transparency as an effort to promote community engagement.

The Outreach subcommittee's goal is to engage, empower, and educate community members on how to navigate the City of Albuquerque's resources in order to better understand the Albuquerque police oversight and community-policing process.

Outreach should be available to help concerned citizen's navigate the following:

- CPOA/POB website
 - Complaint and Commendations options
 - Case Review Subcommittee
 - Policy and Procedure Subcommittee
 - CPOA Data Collection and CPOA Reports
 - Independent Monitor Reports
- APD website
 - Community Policing Council (CPC) information
 - Office of Policy Analysis (OPA) and their Policy Recommendation Forms
- Community Partners
 - APD Forward
 - ACLU
