CPOA Board – Outreach Subcommittee Report

The Outreach committee met via Zoom on December 15, 2020. Director Harness provided an update on the following topics:

- CPC Liaison and Assistant positions.
 - o Kelly Mensah is scheduled to come on board in the CPC liaison position on January 2nd.
 - o Mr. Mensah will hire the CPC Admin Assistant position.
- The CPOA is looking at the need for a separate Zoom license for the CPCs
- Valley CPC is struggling the most with recruiting voting members

Other items of interest include:

- Member Nixon continues to work on a Media Policy for the Board.
- No new meetings have occurred or been scheduled with City Council members and CPOAB members. The CPOA office will work on getting some more on the calendar.
- Ed has added a folder in SharePoint called “Outreach Board Orientation Expectations”. We are asking all Board members to review those materials and provide feedback as to how we might improve the onboarding process for new members.

The next meeting of the Outreach Subcommittee will be held via Zoom on January 26th, 2021 at 3:00 PM unless anything urgent comes up between now and then necessitating a meeting of the committee.

Policy and Procedure Review Subcommittee (PnP) Report

Deputy Commander Sean Waite attended the January 7 meeting of the PnP. He has been recently assigned to oversee the Office of Policy Analysis – among other related CASA compliance tasks. He expressed interest in continuing to interact with the PnP. His immediate goals are to shorten the SOP review timeline (CASA related policies are in compliance with the review cycle but non-CASA policies are behind); adopt a standard format for SOPs and involve city legal earlier in the process. The PnP looks forward to an ongoing collaborative relationship with OPA.

Deputy Commander Waite also discussed the status of SOP 3-52 Policy Development. This SOP is due for review and has been modified by OPA and submitted to city legal who have furnished extensive comments that OPA is working through in response. This policy should be ready for presentation or discussion with the PnP in the next two weeks.

SOP 3-52 Policy Development

The PnP submitted a white paper several months ago that makes extensive suggestions for changes to SOP 3-52. Ali Abbasi has created a template example that guides the Chief's reply to each recommendation the Board makes. His example, using the Board's OBRD recommendations, was sent to OPA. The PnP indicated the desire to consider incorporating this into SOP 3-52.

Member Olivas presented a memo describing his concerns about this SOP. Discussion of this SOP will continue at the next meeting and we will invite the appropriate APD representative to present additional information about the SOP at that time.

2-47 Crashes Involving Police Vehicles PPRB Draft 12-16-20

No PnP recommendations were made at this time.

SOP 1-64 K-9 unit and SOP 2-23 Use of Canine (K-9) Unit

These policies are both CASA related SOPs and are in various stages of review at OPA and PPRB. Two recent articles published by the Marshall Project which describe the use and misuse of canines in law enforcement situations and raise liability and ethical issues were submitted for the PnP review. After a brief discussion, the PnP decided to further review these policies at the next meeting and invite the appropriate APD policy owners to attend and discuss these SOPs.

CPOA Board recommended CASA changes

Approximately two months ago, the PnP was tasked with receiving Board recommendations for changes to the CASA paragraphs that affect the CPOA Board. None has been received. This project, initiated by APD, also appears to have lost momentum due to other more pressing matters at APD. The PnP will withdraw this item from future meeting discussions until the situation changes.

SOP 3-20 Overtime Policy Recommendations

The rewritten overtime policy was presented at OPA on October 21, 2020. The PnP has been monitoring the policy in anticipation of its presentation at PPRB. Given the complexity of the policy and the degree of public scrutiny it may be some time before this policy advances for review. Until that occurs, it is suggested that Board members keep themselves apprised of the policy developments.

Next meeting: February 4, 2021 at 4:30 pm

CPOA Board – Case Review Subcommittee Report

The Case Review Committee met via Zoom on October 27, 2020. The 3rd Quarter Audit was discussed and the Audit Report finalized for full Board approval at the November Board meeting.

We also elected member Eric Nixon as chair of the CRC committee for the remainder of this term. He takes over for Member Galloway who has been the interim chair following Member Leonard Waites resignation from the Board earlier this year.

The Case Review Subcommittee is scheduled to meet next via Zoom on January 26, 2020 at 4:30 PM.

Personnel Subcommittee Report

December Report- Meeting Date: 12/28/20

The subcommittee met on 12/28/20. The committee received a report from staff on implementation of 2020 evaluation. The evaluation was reported to be ready to begin collection on 1/4/21. The committee finalized its plans to meet with the CPC Council of Chairs at its next meeting and members agreed to familiarize themselves with the CPC Ordinance. The committee received a report from Director Harness on staffing and other requests made of the Director by the board. The Director reported that two new investigator positions are being advertised. The committee met in closed session to discuss personnel matters relating to the 2019 Executive Director's evaluation. The 2019 evaluation was finalized and members agreed to present the results and a proposed letter to the Director at the January board meeting. Members also agreed to a tentative meeting schedule for 2021 and agreed to move the standard start time of meetings to 4PM starting in February.
