- a) **APD Traffic Crash Data.** The POB previously requested APD traffic crash data from APD Internal Affairs. The APD Internal Affairs data analyst presented some data to the POB but the data was incomplete. As a result and in order to get this information to the POB and to the community, Chair Fine, Director Harness, Dr. Brown were invited to meet with RTCC Manager T.J. Wilham to discuss crash study data in order to make apples to apples comparison of the data. Mr. Wilham has crash data from Columbus, OH, Newport News, VA, Tuscon, AZ, El Paso, TX, Oklahoma City, OK, and Miami Dade, FL. Director Harness will discuss more about this topic in item VIII, b.
- b) **Albuquerque Police Officers Association (APOA) Contract.** The APD union contract is currently being negotiated. City Legal has asked the POB/CPOA to contribute their thoughts that should be discussed as part of the negotiations. Director Harness will discuss more about this topic in item VIII, a.
- c) **The Insertion of the POB into the Policy making process.** The POB and APD are at an impasse as to what meaningful civilian input is in regards to APD's policy making process. The POB will be sending a letter to Dr. James Ginger to ask for guidance in this matter.
- d) **Revision of CPOA's Findings letter.** Several citizens have suggested that the CPOA findings letter be improved in order for citizens to better understand the findings of the CPOA investigations. (See attachment "B").

**VII. Review and Approval of Minutes.** For more information about minutes from prior POB meetings, please visit our website here: <http://www.cabq.gov/cpoa/police-oversight-board/pob-agenda-meeting-minutes>

**a) Approval of the Minutes from June 8, 2017**

- 1. Copies of the draft minutes from June 8, 2017 POB meetings were distributed to each member in their packets.
- 2. A motion was made by Member Brown to approve the minutes as accepted. Vice Chair Garcia seconded the motion. The motion was carried by the following vote:  
For: 8 – Armijo, Brown, Cruz, Fine, Garcia, Kass, St. John, Waites
- 3. During discussion, Member Armijo made several suggested amendments to the June 8, 2017 minutes as follows:
  - i. As to item XI, a, 1: To add time of 7:00 p.m. to the meeting date of August 14, 2017 at Height's Community Center.
  - ii. As to item XI, a, 2: To change the next meeting date to June 18, 2017. **Note:** During the lunch break, Member Armijo stated that there was confusion to the meeting dates of June 20, 2017 and July 18, 2017. Therefore, this amendment was not made because the Community Outreach meeting "next date" was June

20, 2017 not June 18, 2017 as this date was a Sunday and a holiday. Member Armijo and Chair Fine agreed not to make the change.

4. After the motion and discussion, the motion was carried by the following vote:  
For: 8 – Armijo, Brown, Cruz, Fine, Garcia, Kass, St. John, Waites

#### **VIII. Discussion:**

Prior to the discussions, Director Harness wished the officer who was wounded last evening a speedy recovery and wishes the officer well.

##### **a) APOA Contract – *Edward Harness***

1. The City has reached out the CPOA/POB to ask if they had any items they wished to negotiate as part of the collective bargaining agreement and the deadline to submit the changes are Friday, July 14, 2017. Director Harness said there are some items in the bargaining agreement that need to be corrected and negotiated, they are:

##### **i. Items to be corrected to be consistent with the ordinance and the settlement agreement:**

- a. The appeal process for complaints is incorrectly described;
- b. The treatment of Garrity materials is now inconsistent with the ordinance and the agreement reached with the APOA;
- c. The CPOA no longer needs a signed complaint to investigate the complaint because they do investigate anonymous complaints.

##### **ii. Items to be negotiated:**

- a. Only police officers, not Sergeants and Lieutenants, are members of the APOA union. Supervisors should have their own association in order to avoid a conflict of interest.
  - b. That the department and the collective bargaining agreement reflect the settlement agreement in which officers only carry department issued weapons;
  - c. As to take-home vehicles, the department should consider the cost-savings of moving to fleet vehicles;
  - d. In order for the CPOA/POB to make recommendations for officer discipline and/or training, the CPOA would like to see the investigation timelines expanded from 90 days to 180 days and the review timeline expanded from 30 days to 60 days.
2. Members discussed that the CPOA/POB should be part of the negotiating team. Director Harness stated that he has asked the question but has not received a response.

3. Director Harness will forward the items to be negotiated and the necessary changes to the City Attorney. Mr. Harness will include Attorney Baker and reiterate their request that they are at the table negotiating those terms.
4. Discussed the Community policing promotional policy within the bargaining agreement, which has not been resolved with the Court.
  - i. Member Brown will be bringing the policy up to the POB at their next meeting.
5. Discussed the POB's passwords for their CABQ emails, which have to be updated every 90 days and they should contact City IT for assistance.
6. Chair Fine asked that someone in the City fix access to Safelink, Evidence.com and Sharepoint in order to make the POB's access to these programs more easily accessible.

**b) Traffic data update**

1. See item VI, a).

**IX. Consent Agenda Cases:** The CPOA's findings in each case listed on the consent agenda are reviewed and approved by the POB. The findings become part of the officer's file, if applicable. Copies of the full findings letters to the citizens can be located at <http://www.cabq.gov/cpoa/findings-letters/civilian-complaints-pob-findings>.

**a) Administrative Closed Cases**

019-17                      086-17                      112-17

2. During the discussion, Director Harness invited Member Kass and Member St. John to check with him next week regarding their access both Sharepoint and Safelink.
3. Discussed the vacancies on several subcommittees.
4. After the discussions, the motion was carried by the following vote:  
For: 7 – Armijo, Brown, Cruz, Fine, Garcia, St. John, Waites

**b) Cases Investigated**

131-15                      180-16                      182-16                      194-16                      196-16  
038-17                      111-17

1. A motion was made by Member Waites that *Cases Investigated* be accepted as presented. Member Garcia seconded the motion.

2. After the motion and second, there was a discussion about how police officers handle monolingual speakers, such as the woman in CPC 182-16. In this case, the officer who arrived at the scene of the accident did not speak Spanish but was able to facilitate conversation through a fire fighter who was at the scene.
    - i. Director Harness explained that there is a standard in APD's communication policy for how to facilitate a conversation through an interpreter telephone service and there is not a requirement for the field to assign an officer who speaks Spanish as staffing shortage does not allow it.
    - ii. Major Tyler to clarify if there is a requirement if the officer is to use the communication channel to try and facilitate a telephone conversation to interpret.
    - iii. Director Harness will look into how many Spanish speaking officers that are on the police department and will clarify the communication procedure.
    - iv. After the discussion, the motion was carried by the following vote:  
For: 7 – Armijo, Brown, Cruz, Fine, Garcia, St. John, Waites

- X. OIS – John O’Keefe I-10-17.** According to the Agreement between the APD Union and the City of Albuquerque, the POB is not allowed to know the identity of the police officer named in the complaint. In accordance with the bargaining agreement, the CPOA does not reveal the officer’s name to the Board.
- a) Director Harness read his findings summary of I-10-17. The Findings letter to Chief Eden, Jr. dated July 13, 2017 is posted on the CPOA’s website located here:

  - d) The motion was carried by the following vote:  
For: 7 – Armijo, Brown, Cruz, Fine, Garcia, St. John, Waites
- XI. (Previously listed on agenda as Item XII. a.) – Reports from City Staff**
- a) **APD** – Major Jessica Tyler gave a report for APD Internal Affairs. A copy of the document titled *Police Oversight Board, Internal Affairs; Statistical Data for the Month of June 2017* was distributed and discussed. See attachment “C.”
    1. Major Tyler gave an update on the officer who was shot the night before. She says that she and Assistant Chief Huntsman went to visit him at the hospital and he is

in very good spirits and is with his family. They wish him a speedy recovery and thank the POB/CPOA for the well wishes for the officer.

2. After her reading the monthly report, Major Tyler gave several updates to the POB's discussion regarding the following topics:
  - i. **APD Language Lines.** On the issue of the use of the language line used by the officers. A few years ago, APD spent a lot of man hours developing an LEP plan. Major Tyler will be working to reinforce this into a formalized policy. Officers can call the language line as well as 911 call center.
    - a. After the working group discussion in item XI, 2, iii., Major Tyler clarified for Members that if the officer needed an interpreter, they would call dispatch for assistance and dispatch will patch them through the language line and the phone would be passed back and forth from the officer to the citizen during the conversation.
    - b. As part of language certification, the officer must be able to read and write in the language.
  - ii. **HR promotional policy.** The HR Promotional policy is a City HR policy and it is subject to the city rules making ordinance, which means the policy would be posted for 14 days with a public hearing with an additional 14 days after the public hearing which would allow for public comment.
    - a. Major Tyler advised Member Brown that they submit their comment to the Chief of Police as well as comment during the public comment phase.
  - iii. **Working group.** Major Tyler suggested that they reconvene and make a small working group to work on the flow charts. Chair Fine will call Major Tyler to schedule a meeting.

1. **POB Ordinance Amendments.** A copy of the POB Ordinance with amendments was distributed to the POB members in their packets and discussed. (See attachment “D”) The following amendments were added to the ordinance:
    - i. That the following language from the Court Approved Settlement Agreement (CASA) paragraph 288 to be added to Page 7, paragraph (c): *The Chief of Police or designee shall present policy changes to the POB for review. The POB shall report any concerns it may have to the Chief regarding policy changes.*
    - ii. Subpoena power is added.
    - iii. Member Kass mentioned that there is a typo and to remove the “s” from the word “reports” to make singular.
    - iv. Mr. Julian Moya discussed the following:
      - a. Once the POB approves these changes, he will take the amended ordinance to Mr. Chris Melendrez, City Council’s legal analyst and Mr. Melendrez, who will draft the bills related to the POB/CPOA.
      - b. Mr. Moya encouraged POB members to start talking to City Councilor members to find sponsors of the bill.
      - c. The amended ordinance will go to the Finance & Government Operations Committee before it goes to City Council.
    - v. A motion was made by Member Armijo to accept the proposed changes to the ordinance with the spelling corrections as suggested by Member Kass. Member Waites seconded the motion. The motion was carried by the following vote:  
For: 8 – Armijo, Brown, Cruz, Fine, Garcia, Kass, St. John, Waites
    - vi. After the motion, a discussion was initiated by Member Kass regarding the approved addition to the policy and its effects of the change in the ordinance and the enforcement of that change.
      - a. Director Harness explained to Member Kass that the reasons for putting this language into the ordinance: 1) so that it’s enforceable and 2) that it places an obligation on APD to have us on the committees on which we

currently serve on, such as SOPRC, Policy Procedures review board and Office of Policy Analysis.

- b. Director Harness clarified for Member Kass that they have not yet crossed the bridge as to enforcing the requirements in the Ordinance. Currently, the POB/CPOA will use the avenue of the Federal Judge and the Monitoring team for enforcement. When the CASA and the Monitoring team are gone, they will use City Council to enforce, unless an enforcement mechanism inserted into the ordinance.
- c. From a City Council prospective, Mr. Moya explained that if there was any recourse, he would assume that there would be conversations between City Council and the Chief of Police to get answers why it was happening and to discuss ways to resolve the issue to make sure they are complying with the ordinance.

**2. OPA.**

- i. At the last OPA meeting, the new head of OPA was introduced and her name is Vicky Duran. Ms. Duran is retired from the Navy and had previously worked at the University of Texas as an auditor. She will be working part-time for APD.

**3. Domestic Violence Policy.**

- i. The Domestic Violence policy showed up at PPRB and they decided to work on this policy because it needed a lot of work.

For example, they met with Scott at the Family Resource Center, contacted the National Domestic Violence Network and were able to obtain two policies. Additionally, they contacted the Sex Crimes unit, Rape Crisis center, and APD Major Tyler.
- iii. After the research and data collection, Dr. Verploegh typed up the policy and it was presented to OPA. It was realized that the policy needed work and a task force was created. However, none of the changes that were proposed by POB/CPOA were incorporated into the policy.
- iv. Discussed that the role the McClendon lawsuit has played in APD's Domestic Violence policy.

- v. Member Brown would like to write a letter to Chief to make a formal request to see if any changes will be made to the policy. The changes they want to incorporate have to do with an investigation, which is not in the policy.
  - vi. Discussed the best practices for investigations to include the process of separating people and talking to children during a domestic dispute.
  - vii. Member Brown proposed that they write a letter to the Chief Eden and include all the background data and ask for his response. In the letter, Member Brown suggests that letter include language that the Chief come to a POB meeting and explain his responses to their suggestions.

1. **Errors in the July 11, 2017 Case Review Agenda and the June 5, 2017 Case Review Subcommittee minutes.**
    - i. As to the July 11, 2017 Case Review Subcommittee agenda, there was an error on the agenda to the day but not the actual date. The actual day was Tuesday and not Wednesday as stated on the agenda. This error was brought to the attention of the Case Review Subcommittee by Mr. Charles Arasim during his public comment.       - iii. Mr. Moya discussed that they are looking at keeping the application process open on a continuous basis.
      - iv. In their recruiting efforts, they will look into Member Cruz’s suggestion and get information out at the Police Academy.

#### **Police Oversight Ordinance**

The POB may subpoena such documents and witnesses as relevant to its audit function.

#### **Court-Approved Settlement Agreement**

"City shall grant the authority to subpoena such documents and witnesses as may be necessary to carry out the agency functions identified in this Agreement." (CASA paragraph 283)

#### **POB Policies and Procedures**

The POB may issue subpoenas on its own initiative in their Policies and Procedures that are approved by the City Council and the Monitor.

#### **Monitor's Reports**

The Monitor is of the opinion that the City Council's approval of CPOA policies and procedures that include issuance of subpoenas can be interpreted as "the City" granting the agency subpoena authority. However, those approved Policies and Procedures (also approved by the Monitor) granting the subpoena authority on the POB's "own initiative" are in conflict with the current City Council Police Oversight Ordinance. The Ordinance limits CPOA's subpoena use to its "audit function" and not for documents and witnesses as may be necessary to carry out the agency functions as required in the CASA.

#### **Summary**

The Monitor and City Council have failed to acknowledge the limitations of the phrase "as relevant to their audit function" on the CPOA subpoena authority. This impedes CPOA citizen complaint investigations. The POB is attempting to rectify this conflict and enable the CPOA to subpoena documents and witnesses as may be necessary to carry out the agency functions. The recommendation is consistent with language prescribed in the CASA.

The POB should better publicize their proposed amendments and the process to gain public support for this CASA required subpoena authority. After all, this conflict has existed since the CASA was signed on 10/3/2014 and the City Council nor the POB has yet to take any corrective action.

1 (the "POB") and an Administrative Office led by the CPOA Executive Director.  
2 In addition to any other duties, the Administrative Office, through the  
3 Executive Director and staff, shall investigate all civilian complaints relating to  
4 police conduct, monitor and report on police internal affairs matters, provide  
5 staffing to the POB, and manage the day to day operations of the CPOA. The  
6 POB shall provide policy guidance for, and civilian oversight of the  
7 Albuquerque Police Department and review and approve or amend the  
8 findings and conclusions of all investigations completed by the Administrative  
9 Office.

10 (A) Independence. The CPOA is independent of the Mayor's Office,  
11 the City Council, and the Albuquerque Police Department with respect to the  
12 performance of its oversight role and duties under §§ 9-4-1-1 through 9-4-1-14.

13 (1) Facility Location. The CPOA shall be housed in a facility  
14 that is separate from any police presence and is located outside of the  
15 Albuquerque/Bernalillo Government Center, the Police Department and/or all  
16 of the police substations.

17 (2) Budget. The CPOA shall have a dedicated and  
18 independent source of funding equal to, at a minimum, ~~[1/2 0.8]~~% of APD's  
19 annual operation budget, administer its own budget and supervise its own  
20 staff in compliance with the City's Merit Ordinance and contractual services  
21 policies and procedures. The CPOA shall recommend and propose its budget  
22 to the Mayor and City Council during the City's budget process to carry out  
23 the powers and duties under §§ 9-4-1-1 through 9-4-1-14, including the funding  
24 for staff, and all necessary operating expenses.

25 (3) Professional Legal Services. The CPOA may retain or  
26 employ independent legal counsel on a contractual basis to advise and  
27 represent the CPOA. If so retained, the CPOA's legal counsel shall represent  
28 the CPOA in the courts, and shall advise the CPOA as to any legal matters  
29 relating to §§ 9-4-1-1 through 9-4-1-14 and the CPOA's duties, responsibilities,  
30 and procedures except for CPOA personnel matters which shall remain under  
31 the authority of the City Attorney's Office.

32 (4) Applicability of City Policies and Ordinances. The CPOA  
33 shall comply with all City ordinances and policies dealing with administrative

1 functions including but not limited to those dealing with personnel, the merit  
2 system, and procurements.

3 (B) Staff. The CPOA shall employ such staff as necessary to carry  
4 out its functions as prescribed by this Article, including but not limited to an  
5 executive director, ~~data research analyst, community engagement specialist,~~  
6 ~~and~~ professional investigative staff and other staff as may be necessary,  
7 subject to budget sufficiency and City personnel policies and procedures.

8 (C) Responsibilities. The Civilian Police Oversight Agency is  
9 responsible for civilian police oversight and has the following powers and  
10 duties:

11 (1) Community Outreach. The CPOA shall develop,  
12 implement, and from time to time amend as necessary, a program of  
13 community outreach aimed at soliciting public input from the broadest  
14 segment of the community in terms of geography, culture, ethnicity, and  
15 socio-economics. The CPOA shall employ or designate a full time staff  
16 member within the Administrative Office dedicated to community outreach  
17 efforts. The CPOA shall report its community outreach efforts to the City  
18 Council on an annual basis.

19 (2) Promotion of Accountability. The CPOA shall promote a  
20 spirit of accountability and communication between the civilians and the  
21 Albuquerque Police Department while improving community relations and  
22 enhancing public confidence.

23 (3) Investigations. The Administrative Office shall  
24 independently investigate all civilian complaints; shall audit and monitor all  
25 incidences of use of force by police and all matters under investigation by  
26 APD's Internal Affairs (IA) or other APD personnel tasked with conducting

1 a shared interest in exercising care to avoid interfering with the criminal  
2 process while simultaneously maintaining the integrity of the disciplinary  
3 process for officers. Consistent with this shared interest, IA and the CPOA will  
4 regularly confer and take reasonable steps to coordinate the handling of  
5 investigations into matters that reasonably may lead to a criminal charge  
6 against an officer. Before taking action related to a serious use of force or  
7 officer involved shooting, the Director shall confer with the relevant  
8 prosecuting agency and/or federal law enforcement agency to assess the  
9 likelihood of an officer being criminally prosecuted based on the incident. The  
10 Director may delay or decline to proceed with any action related to a serious  
11 use of force or officer involved shooting until completion of the criminal  
12 investigation unless, after consultation with the prosecuting agency, the  
13 Director determines that proceeding is appropriate and will not compromise a  
14 criminal investigation. If the Director seeks to proceed with investigating or  
15 presenting to the POB a serious use of force or officer involved shooting  
16 despite a prosecuting agency or federal law enforcement agency indicating  
17 that doing so would interfere with a criminal investigation, the Director may  
18 proceed only after obtaining approval to do so through a 2/3 vote of the POB.  
19 The POB shall provide notice of any such vote permitting the Director to  
20 proceed in such circumstances to APD and the police officer involved.

21 (b) APD shall provide POB members, the Director,  
22 and CPOA staff with reasonable access to APD premises, files, documents,  
23 reports, data (including APD raw data), and any other materials that are  
24 reasonably necessary for the agency to perform thorough, independent  
25 investigations of civilian complaints and reviews of serious uses of force and  
26 officer-involved shootings. For purposes of this ordinance, "APD raw data"  
27 includes but is not limited to any facts and statistics or other data gathered,  
28 obtained, or otherwise within the possession of APD that has not yet been  
29 processed or analyzed. However, any material protected from disclosure by  
30 law shall remain within the custody and control of APD at all times and will be  
31 handled in accordance with the applicable legal restrictions.

32 (c) All complaints filed by police officers will be  
33 investigated by Internal Affairs. Internal Affairs shall provide a weekly update

1 to the Director on all open internal investigations. The Director's investigation  
2 report and findings shall indicate whether within the past year there were any  
3 IA investigations or supervisor generated complaints against the officer(s)  
4 involved in the incident being investigated or that are otherwise relevant to the  
5 subject matter of the investigation, the general nature of the prior  
6 investigations or complaints, and whether they resulted in any discipline.  
7 Redacted personnel records including those of the Internal Affairs Unit shall  
8 be made available to the POB on demand.  
9 (d) Information that is covered by Garrity will be  
10 treated as confidential to the extent permitted by law and may only be  
11 reviewed by members of the POB by application in writing, and by majority  
12 vote of the POB. If the POB votes to review Garrity material, members of the  
13 POB may only do so on APD property. The POB may not remove or make  
14 copies of such statements. If the POB desires to discuss the specific content  
15 of statements protected by Garrity, such discussion will occur only in closed  
16 session as permitted under the New Mexico Open Meetings Act, NMSA 1978, §  
17 10-15-1(H)(2). The POB shall only summarize conclusions reached after a  
18 review of a Garrity statement, but shall not disclose the statement. The POB  
19 shall maintain the confidentiality of any Garrity material or records that are  
20 made confidential to the extent permitted by law and is subject to the same  
21 penalties as the custodian of those records for violating confidentiality  
22 requirements. In addition to any other penalty, any POB member or other  
23 person who violates the confidentiality provisions of this section shall be  
24 removed from the POB, and shall be subject to prosecution for a misdemeanor  
25 subject to the penalty provisions set forth in § 1-1-99. This provision shall  
26 apply to all aspects of the POB's work.  
27 (e) Mediation First. Whenever possible, and as  
28 further described in § 9-4-1-6(C)(3) of this ordinance, mediation should be the  
29 first option for resolution of civilian police complaints.  
30 (f) POB Audits; Access to Files. The POB may, by  
31 majority vote, perform an annual audit, or direct that an audit be performed, on  
32 a random sample  
33 of up to 10% of individual civilian police complaint investigations involving

1 allegations of use of force, or in exceptional circumstances, for the purpose of  
2 promoting an enhanced measure of quality assurance in the most challenging  
3 cases the POB may, by a vote of two-thirds (2/3) of the members of the POB,  
4 perform an audit, or direct that an audit be performed, on any individual  
5 Citizen Police Complaint Investigation completed by the Administrative Office.  
6 For purposes of its audit function, the POB shall have full access to  
7 investigation files and may subpoena such documents and witnesses as  
8 relevant to its audit function.

9 (g) Disciplinary Recommendations. The POB may, in  
10 its discretion, recommend officer discipline from the Chart of Sanctions for  
11 investigations that result in sustained civilian police complaints; and may also  
12 recommend discipline based on any findings that result from review of  
13 internal affairs investigations of officer involved shootings and serious uses  
14 of force. Imposition of the recommended discipline is at the discretion of the  
15 Chief of Police~~[but- However,]~~ if the Chief of Police does not follow the  
16 disciplinary recommendation of the POB, the Chief of Police shall respond in  
17 writing, within 30 days, with la detailed explanation of the reason as to why  
18 the recommended discipline was not imposed. [The Chief shall identify the  
19 specific findings of the POB that with which the Chief disagrees, or any other  
20 basis upon which the Chief declined the POB's disciplinary recommendation.]

21 (4) Reports to Mayor & Council. The CPOA shall submit a  
22 semi-annual written report to the Mayor and City Council according to § 9-4-1-  
23 10 herein. The CPOA Executive Director shall provide a quarterly oral report to  
24 the City Council at a regular or special meeting.

25 (5) CPOA Policy Recommendations. The CPOA shall  
26 engage in a long-term planning process through which it identifies major  
27 problems or trends, evaluates the efficacy of existing law enforcement  
28 practices in dealing with the same, [analyzes and evaluates data (including  
29 APD raw data), national trends, and police best practices.] and establishes a  
30 program of resulting policy suggestions~~[, recommendations,]~~ and studies

4 suggestions, analysis, studies, and trend data collected or developed by the  
5 Administrative Office, and shall by majority vote recommend ~~polices~~ policies  
6 relating to training, programs and procedures or other matters relating to APD.  
7 [Any such policy recommendations shall be supported by specific, written  
8 findings of the POB in support of the proposed policies.] ~~(The POB's policy~~  
9 ~~recommendations shall be submitted to APD and to the City Council. [The POB~~  
10 ~~shall dedicate a majority (more than 50%) of its time to the functions described~~  
11 ~~in this subsection.~~  
12 (b) The Chief of Police shall respond in writing within  
13 45 days to any such policy recommendations by the CPOA, and indicate  
14 whether they will be followed through standard operating procedures or  
15 should be adopted as policy by the City Council, or [specifically] explain any  
16 reasons why such policy recommendations will not be followed or should not  
17 be adopted. [The Chief shall identify the specific findings of the POB that with  
18 which the Chief disagrees, or any other basis upon which the Chief declined  
19 to follow the POB's policy recommendation(s).]  
20 (c) [The Chief of Police or designee shall present  
21 policy changes to the POB for review. The POB shall reports any concerns it  
22 may have to the Chief regarding policy changes.]  
23 (d) Within six months of its appointment, the POB  
24 shall draft and approve policies, rules and procedures that ensure that the  
25 POB shall dedicate a majority of its time to the functions described in this  
26 subsection.

Comment [MCP]: You gave a few examples of the Chief not responding to policy recommendations. At the same time, I don't think the Council has received any of these. This requires the CPOA to give them to the Council at the same time you give them to APD. The purpose of this section was to keep the Council on notice about APD's responsiveness, and to give it the opportunity to adopt policies itself where appropriate. Following this process could help with the apparent log jam here.
