MY BACKGROUND

After retiring here at KAFB in 1983 after serving 22 years as an USAF officer-one in Vietnam where I saw too many lives taken, I served for nine years as President of a District 8 Neighborhood Association President caring for 525 homes.

After my good neighbor Chris Hinz was murdered by Schultz's repeat killer cop Anthony Sedler and his partner Eric Brown on June 10, 2010 both of whom were never punished and months later another neighbor-a Navy SEAL with PTSD who just returned from Iraq would also have been murdered by APD had I not intervened, I stepped away from that President's job and dedicated myself to working with others to reform APD.

This included helping Jewel Hall President of the MLK Jr. Memorial Center to bring the DOJ here. I have been threatened by Chief Schultz and Chief Eden's deputy Chief Bob Huntsman.

I often volunteered to serve on the former POC and also on the POB but was always rejected as APD deemed me too much of a threat to the status quo where both were kept toothless as you six are now. After Geier overruled you and kept Drobik in APD, you should have resigned in protest but you never did.

Like the old POC, you too are not allowed to do any oversight-only there to rubberstamp what Harness and his real boss-Chief Geier does

TONIGHT'S POB MEETING ON CHRISTIAN ARIAS SANCHEZ

I look forward to addressing you this evening regarding APD's blatant cover-up at Chief Geier's direction of the criminal actions of Councilor Ken Sanchez's stepson last June 13 and Ken and his wife and other stepson-APD cop Steve Arias. It was leaked to me last July by an honest APD cop who are among the many here disgusted with their corrupt leadership that begins with the Mayor.

After CPOA's corrupt Director Ed Harness claimed to me last November that it would take him five months to investigate the Sanchez crime and cover-up, this investigation was never done last month. All of the likely incriminating information in the few pages given me were redacted.

Even before you make a decision on my CPC, Geier already said that he supports the corrupt Harness' opinion that nobody in his APD or any in the Sanchez family did anything wrong. See letter to me attached.

I don't know how many of the documents sent you that I obtained last year from the clerk or took the time to review the three incriminating APD evidence.com recordings but I'll play the one of the telephone call between Detective Tamas Nadas and Ken

Sanchez's wife. See attached August 30 e-mail from Nadas exposing the lies that both Ken Sanchez and his wife told to Harness' investigator denying any request by Ken was made to meet privately with Nadas.

Geier once again-as he did with Drobik and his supervisor Lt. McElroy, is giving all six of you the middle finger.

DROBIK

See the attached 5-3-2019 posting by the Eye on Albuquerque <https://eyeonalbuquerque.blogspot.com/> with reader comments and earlier April postings on Drobik, his corrupt APD Chief Geier, his minions like Sgt Hilger in APD and City leaders. The equally damning 4-30 Eye posting is also attached. Geier is viewed as just another corrupt Ray Schultz.

Honest cops who provided inputs to the Eye cited Drobik's criminal misconduct that includes him even being paid for screwing around with a former KOB TV anchor and also discusses Geier's disgraceful record as Rio Rancho Police Department Chief before he was called back by Keller and made permanent Chief in a rigged selection process.

THE COMPLICIT ABQ URINAL

Yet today's ABQ Journal's/Urinal's editorial chooses to praise the corrupt Geier, Drobik and the latest disgraceful Ginger reform progress report on APD likely written with the help of Mayor Keller's likely racist scumbag hire Damon Martinez. <https://www.abqjournal.com/1313139/civilian-police-board-clocks-in-vital-overtime-reforms.html>.

The Urinal assumes we readers are too stupid to see through its lies. The investigation of Drobik's crime/fraud in 2018 was not initiated by the CPOA just this year as the editorial says but instead started last October by the office of the IG based on a series of ABQReport blog postings.

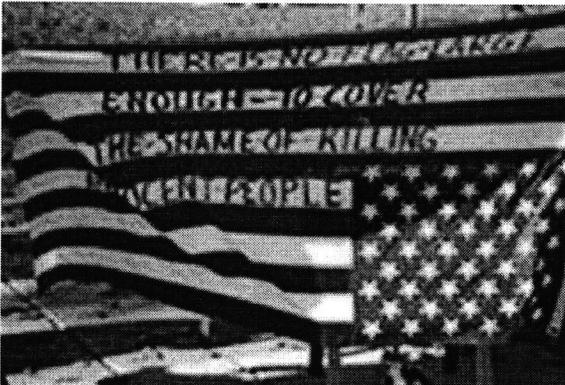

When the new IG Ken Bramlett finally arrived, Mayor Keller-likely fearing an honest investigation by the IG with recommendations for criminal charges against Drobik and his co-conspirators in APD that would include Chief Geier, Bramlett likely was told that if wanted to keep his job, he should make up some phony excuse to transfer it over to Ed Harness. As expected, Ken obeyed.

A HELLHOLE OF CORRUPTION AND LACK OF ACCOUNTABILITY

As I and the Eye said using even more descriptive terms, APD is a Hellhole under Geier and Keller. Do you six even care? Will you all finally say enough is enough and resign in protest?

Regards

Silvio

Subject: Re: IPRA REQUEST - NR # 18-4944 - Case # 18-0063592

Good Afternoon,

In response to your request, unfortunately, I do not have that conversation recorded when I spoke with Christian's mother initially, and she told me that Councilman Ken Sanchez wanted to talk to me in his office the next day. When I spoke with her that time, I told her that I would have to ask my Sgt's advise on this and will call her back. I told Sgt. Hilger immediately that I did not record that conversation. He said "it's ok". Additionally, right after the conversation, I advised Sgt. Hilger about what Christian's mother had told me about Mr. Sanchez wanting me to go to his office the next day to talk about this case. After telling Sgt. Hilger this, he told me to tell her I cannot meet with Mr. Ken Sanchez.

I called Christian's mother back, and at this point, I recorded the conversation and told her that while I appreciated the invite but I have to deny that request, and cannot go to Councilman Sanchez's office to talk about the case. To the best of my recollection, Christian's mother understood this decision over the phone.

Furthermore when I wrote my original report on this matter, Sgt. Hilger advised me to delete a paragraph from my original report because he said it would just piss off the chain of command if I left it there. I deleted that paragraph and sent the report in without it. However, I kept a copy of the original report with the deleted paragraph in it. The same day, mysteriously, the case was taken away from me by Sgt. Hilger. I never spoke to Councilman Sanchez and I don't have any other material but for my original draft report.

Respectfully,

Good Morning Detective Nadas,

Can you please advise if you have any record of the phone call for Item 1 (highlighted) in the below request? Please advise whom it was that you spoke to or if the correspondence was in some other format, such as email or text?

Thank you for your time and assistance with this request.
