**Monitor's Third
Report
7/1/2016**

...is silent on subpoena power or the authority to compel the presence of witnesses. The CPOA's authority to subpoena documents and witnesses is contained in the CPOA Policies and Procedures, currently under review. It is expected that upon approval of the Policies and Procedures by the monitor, the CPOA will be in primary compliance of this paragraph.

**Monitor's Fourth
Report
7/1/2016**

....is silent on subpoena power or the authority to compel the presence of witnesses. The CPOA's authority to subpoena documents and witnesses is contained in the CPOA Policies and Procedures, approved by City Council and the monitor. We are of the opinion that this can be interpreted as "the City" granting the agency that authority, as the City must also approve CPOS's and IAB's policies and procedures.

**Monitor's Fifth
Report
7/1/2016**

Interviews with the Executive Director and CPOA staff indicate there were no issues with access to City premises experienced this reporting period. Note: No reference to the subpoena authority status.

I have high regard for the CPOA Director, staff and volunteer members of of the POB. I respect and admire your willingness to undertake civilian oversight of APD. Since 1988 such efforts have largely proven unsuccessful. In fact, in April 2014 the DOJ found external oversight contributed to overall systemic problems with APD's use of force in encounters with civilians.

POB members have expressed concerns regarding the City of Albuquerque and APD's continuing actions to exclude, ignore, and directly thwart attempts to contribute to APD policy; as well as APD's lack of responsiveness to civilian complaint investigation findings, and other substantive policy recommendations. APD's actions not only obstruct your efforts to achieve the purpose of the ordinance but also leave you feeling your time is being wasted with few results and little impact.

It is my belief that many citizens share your frustrations and disappointments. At the last POB meeting there were four public members present.

This committee is deliberating amendments to the Police Oversight Ordinance. I provided some written comments regarding the proposals discussed at the last POB as well as a new suggested amendment. The new suggestion is intended address the continuing failure of the Chief of Police to comply with the ordinance. He is to notify the POB and the original civilian complainant of his or her final disciplinary decision in writing, by certified mail within 30 days of receipt of the decision of the POB.

Pg. 1

Attachment "A"

I understand there is disagreement regarding the actual requirement in the current ordinance and the ordinance may be confusing.

However, Rather than passively await some future resolution that the POB may or may not agree with, I suggest including a clarification revision be included in your deliberations. I am not an attorney and therefore the suggested language may not be adequate.

However, I do not think the POB should continue to accept the claims from APD command staff and the city attorney that they are working on these issues or that Dr. Ginger is aware of the issues. Transparency is an essential element of civilian police oversight and it has been over two years since the inception of the ordinance. This is a transparency issue and should not continue in abeyance.

Today, the CPOA website section: Chief of Police: Non-Concurrence Letters for 2016 has only three responses to complaint investigations and response to two recommendations.

The website section: Officer Involved Shootings (OIS) has only two cases and the Chief has responded to both (although his response to I-37-15 is acknowledged but has not been uploaded.)

The website section: Serious Use of Force – Interoffice memorandum's to the Chief of Police identifies two cases, both of which are letters from CPOA to the Chief with recommendations, one dated July 7, 2016 and the other dated June 30, 2016. The website identified no reply from the Chief.

Attachment "A"

This data may not be current or accurate but I suspect the Chief has not replied to the vast majority of findings and recommendation letters with sustained findings.

I also have submitted a draft Oversight Process Flowchart. I included the Chief's response requirement that was omitted from the current flow chart.

Thank you.

PART 1: CIVILIAN POLICE OVERSIGHT AGENCY

§ 9-4-1-1 SHORT TITLE.

Sections 9-4-1-1 through 9-4-1-14 may be cited as the Police Oversight Ordinance.

(Ord. 2014-019)

§ 9-4-1-2 PURPOSE.

The purpose of §§ 9-4-1-1 through 9-4-1-14 is to:

- (A) Foster and perpetuate policing policies and practices that effectively maintain social order and which at the same time foster mutual trust and cooperation between police and civilians;
- (B) Ensure that the civilian police oversight body functions as independently as possible from the executive and legislative branches of government of the City of Albuquerque;
- (C) Provide civilians and police officers a fair and impartial system for the investigations and determinations on civilian police complaints;
- (D) Gather and analyze raw data to analyze trends and potential issues concerning police conduct and practices and the related impacts on the community and individuals.
- (E) Provide City Council, Mayor, and Chief of Police input, guidance, and transparency for policy development.

(Ord. 2014-019)

§ 9-4-1-3 LEGISLATIVE FINDINGS.

- (A) The City of Albuquerque deserves a highly professional well trained Police Department; however, an effective oversight function has not yet evolved to the satisfaction of the community's needs.
- (B) In 1996 the City Council initiated a process to independently review the City's mechanisms of police oversight since the system had not been independently evaluated since 1988. As a result of that process, the City Council abolished the then existing Public Safety Advisory Board, and in lieu thereof established the current Police Oversight Commission (POC).
- (C) In 2013 the City Council initiated a new process aimed at evaluating potential improvements to the POC and its processes by establishing an Ad Hoc Police Oversight Task Force (POTF). The POTF evaluated the City's current system, studied oversight options, held three Town Hall Meetings to receive input from the public, and presented their final recommendations.
- (D) On April 10, 2014, the City also received findings from the United States Department of Justice that in part concluded that the City's external oversight system contributed to overall systemic problems with the Police Department's use of force in encounters with civilians.
- (E) The Council understands that a properly conceived and functioning police oversight system is necessary to promote accountability of the police officers and protect the rights of civilians, and finds that adopting the recommendations of the POTF will advance these goals and will help respond to the shortcomings identified by the Department of Justice,
- (F) The Council hereby abolishes the POC and replaces it with a Civilian Police Oversight Agency as prescribed by this Article.

(Ord. 2014-019)

§ 9-4-1-4 CIVILIAN POLICE OVERSIGHT AGENCY.

There is hereby created a Civilian Police Oversight Agency (the "CPOA") as an independent agency of City Government, not part of either the City Administration or City Council that consists of a Police Oversight Board (the "POB") and an Administrative Office led by the CPOA Executive Director. In addition to any other duties, the Administrative Office, through the Executive Director and staff, shall

Investigate all civilian complaints relating to police conduct, monitor and report on police internal affairs matters, provide staffing to the POB, and manage the day to day operations of the CPOA. The POB shall provide policy guidance for, and civilian oversight of the Albuquerque Police Department and review and approve or amend the findings and conclusions of all investigations completed by the Administrative Office.

(A) Independence. The CPOA is independent of the Mayor's Office, the City Council, and the Albuquerque Police Department with respect to the performance of its oversight role and duties under §§ 9-4-1-1 through 9-4-1-14.

(1) Facility Location. The CPOA shall be housed in a facility that is separate from any police presence and is located outside of the Albuquerque/Bernalillo Government Center, the Police Department and/or all of the police substations.

(2) Budget. The CPOA shall have a dedicated and independent source of funding equal to, at a minimum, 8% of APD's annual operation budget, administer its own budget and supervise its own staff in compliance with the City's Merit Ordinance and contractual services policies and procedures. The CPOA shall recommend and propose its budget to the Mayor and City Council during the City's budget process to carry out the powers and duties under §§ 9-4-1-1 through 9-4-1-14, including the funding for staff, and all necessary operating expenses.

(3) Professional Legal Services. The CPOA may retain or employ independent legal counsel on a contractual basis to advise and represent the CPOA. If so retained, the CPOA's legal counsel shall represent the CPOA in the courts, and shall advise the CPOA as to any legal matters relating to §§ 9-4-1-1 through 9-4-1-14 and the CPOA's duties, responsibilities, and procedures except for CPOA personnel matters which shall remain under the authority of the City Attorney's Office.

(4) Applicability of City Policies and Ordinances. The CPOA shall comply with all City ordinances and policies dealing with administrative functions including but not limited to those dealing with personnel, the merit system, and procurements.

(B) Staff. The CPOA shall employ such staff as necessary to carry out its functions as prescribed by this Article, including but not limited to an executive director, professional investigative staff, and other staff as may be necessary, subject to budget sufficiency and City personnel policies and procedures.

(C) Responsibilities. The Civilian Police Oversight Agency is responsible for civilian police oversight and has the following powers and duties:

(1) Community Outreach. The CPOA shall develop, implement, and from time to time amend as necessary, a program of community outreach aimed at soliciting public input from the broadest segment of the community in terms of geography, culture, ethnicity, and socio-economics. The CPOA shall employ or designate a full time staff member within the Administrative Office dedicated to community outreach efforts. The CPOA shall report its community outreach efforts to the City Council on an annual basis.

(2) Promotion of Accountability. The CPOA shall promote a spirit of accountability and communication between the civilians and the Albuquerque Police Department while improving community relations and enhancing public confidence.

(3) Investigations. The Administrative Office shall independently investigate all civilian complaints; shall audit and monitor all incidences of use of force by police and all matters under investigation by APD's Internal Affairs (IA) or other APD personnel tasked with conducting administrative investigations related to a use of force incident; and shall prepare proposed findings and recommendations on all officer involved shootings and serious uses of force as defined by Article III, Paragraph 12, Subsection (qq) of the court-approved DOJ Settlement Agreement with the City of Albuquerque ("Serious Uses of Force").

Attachment "B"

(4) Provide thorough evaluation of data to support new and revised APD policies using APD raw data, national trends, and best practices.

(a) Where an officer has engaged in conduct that may reasonably lead to a criminal charge against the officer, IA and the CPOA have a shared interest in exercising care to avoid interfering with the criminal process while simultaneously maintaining the integrity of the disciplinary process for officers. Consistent with this shared interest, IA and the CPOA will regularly confer and take reasonable steps to coordinate the handling of investigations into matters that reasonably may lead to a criminal charge against an officer. Before taking action related to a serious use of force or officer involved shooting, the Director shall confer with the relevant prosecuting agency and/or federal law enforcement agency to assess the likelihood of an officer being criminally prosecuted based on the incident. The Director may delay or decline to proceed with any action related to a serious use of force or officer involved shooting until completion of the criminal investigation unless, after consultation with the prosecuting agency, the Director determines that proceeding is appropriate and will not compromise a criminal investigation. If the Director seeks to proceed with investigating or presenting to the POB a serious use of force or officer involved shooting despite a prosecuting agency or federal law enforcement agency indicating that doing so would interfere with a criminal investigation, the Director may proceed only after obtaining approval to do so through a 2/3 vote of the POB. The POB shall provide notice of any such vote permitting the Director to proceed in such circumstances to APD and the police officer involved.

(b) APD shall provide POB members, the Director, and CPOA staff with reasonable access to APD premises, files, documents, reports, raw data and other materials that are reasonably necessary for the agency to perform thorough, independent investigations of civilian complaints and reviews of serious uses of force and officer-involved shootings. However, any material protected from disclosure by law shall remain within the custody and control of APD at all times and will be handled in accordance with the applicable legal restrictions.

(c) All complaints filed by police officers will be investigated by Internal Affairs. Internal Affairs shall provide a weekly update to the Director on all open internal investigations. The Director's investigation report and findings shall indicate whether within the past year there were any IA investigations or supervisor generated complaints against the officer(s) involved in the incident being investigated or that are otherwise relevant to the subject matter of the investigation, the general nature of the prior investigations or complaints, and whether they resulted in any discipline. Redacted personnel records including those of the Internal Affairs Unit shall be made available to the POB on demand.

(d) Information that is covered by Garrity will be treated as confidential to the extent permitted by law and may only be reviewed by members of the POB by application in writing, and by majority vote of the POB. If the POB votes to review Garrity material, members of the POB may only do so on APD property. The POB may not remove or make copies of such statements. If the POB desires to discuss the specific content of statements protected by Garrity, such discussion will occur only in closed session as permitted under the New Mexico Open Meetings Act, NMSA 1978, § 10-15-1(H)(2). The POB shall only summarize conclusions reached after a review of a Garrity statement, but shall not disclose the statement. The POB shall maintain the confidentiality of any Garrity material or records that are made confidential to the extent permitted by law and is subject to the same penalties as the custodian of those records for violating confidentiality requirements. In addition to any other penalty, any POB member or other person who violates the confidentiality provisions of this section shall be removed from the POB, and shall be subject to prosecution for a misdemeanor subject to the penalty provisions set forth in § 1-1-99. This provision shall apply to all aspects of the POB's work.

(e) Mediation First. Whenever possible, and as further described in § 9-4-1-6(C)(3) of this ordinance, mediation should be the first option for resolution of civilian police complaints.

Draft

(f) **POB Audits; Access to Files.** The POB may, by majority vote, perform an annual audit, or direct that an audit be performed, on a random sample of up to 10% of individual civilian police complaint investigations involving allegations of use of force, or in exceptional circumstances, for the purpose of promoting an enhanced measure of quality assurance in the most challenging cases the POB may, by a vote of two-thirds (2/3) of the members of the POB, perform an audit, or direct that an audit be performed, on any individual Citizen Police Complaint Investigation completed by the Administrative Office. For purposes of its audit function, the POB shall have full access to investigation files and may subpoena such documents and witnesses as relevant to its audit function.

(g) **Disciplinary Recommendations.** The POB may, in its discretion, recommend officer discipline from the Chart of Sanctions for investigations that result in sustained civilian police complaints; and may also recommend discipline based on any findings that result from review of internal affairs investigations of officer involved shootings and serious uses of force. Imposition of the recommended discipline is at the discretion of the Chief of Police, but if the Chief of Police does not follow the disciplinary recommendation of the POB, the Chief of Police shall respond in writing, within 30 days, with the reason as to why the recommended discipline was not imposed.

(4) **Reports to Mayor & Council.** The CPOA shall submit a semi-annual written report to the Mayor and City Council according to § 9-4-1-10 herein. The CPOA Executive Director shall provide a quarterly oral report to the City Council at a regular or special meeting.

(5) **CPOA Policy Recommendations.** The CPOA shall engage in a long-term planning process through which it identifies major problems, trends, and best practices to evaluate the efficacy of existing law enforcement practices in dealing with the same, and establishes a program of resulting policy suggestions and studies each year. The CPOA's policy recommendation process shall be as follows:

(a) The POB shall review and analyze policy suggestions, analysis, studies, and trend data collected or developed by the Administrative Office, and shall by majority vote recommend policies relating to training, programs and procedures or other matters relating to APD. The POB's policy recommendations shall be submitted to APD and to the City Council. The POB shall dedicate a majority (more than 50%) of its time to the functions described in this subsection.

(b) The Chief of Police shall respond in writing within 45 days to any such policy recommendations by the CPOA, and indicate whether they will be followed through standard operating procedures or should be adopted as policy by the City Council, or explain any reasons why such policy recommendations will not be followed or should not be adopted.

(c) Within six months of its appointment, the POB shall draft and approve policies, rules and procedures that ensure that the POB shall dedicate a majority of its time to the functions described in this subsection.

(d) **POB and CPOA shall be voting members for all APD policy committees.**

Should the Director not be reconfirmed, the current Director may continue to serve in the same capacity until a new Director is selected and approved by the City Council. If for any reason there is a period of time during which there is no Director, the City Council may appoint a temporary Director of its choosing by a majority vote. A temporary Director shall serve in that capacity only for a period not to exceed six months.

(3) The term of the Director shall be for three years. Once confirmed, the Director may be removed only upon: 1) a recommendation of removal to the City Council by the affirmative vote of two-thirds of the members of the POB; and 2) acceptance of the POB's recommendation by a simple majority vote of the City Council.

PART 1: CIVILIAN POLICE OVERSIGHT AGENCY

§ 9-4-1-1 SHORT TITLE.

Sections 9-4-1-1 through 9-4-1-14 may be cited as the Police Oversight Ordinance.

(Ord. 2014-019)

§ 9-4-1-2 PURPOSE.

The purpose of §§ 9-4-1-1 through 9-4-1-14 is to:

- (A) Foster and perpetuate policing policies and practices that effectively maintain social order and which at the same time foster mutual trust and cooperation between police and civilians;
- (B) Ensure that the civilian police oversight body functions as independently as possible from the executive and legislative branches of government of the City of Albuquerque;
- (C) Provide civilians and police officers a fair and impartial system for the investigations and determinations on civilian police complaints;

(D) [REDACTED] to analyze trends and potential issues concerning police conduct and practices and the related impacts on the community and individuals.

(E) [REDACTED]

(Ord. 2014-019)

§ 9-4-1-3 LEGISLATIVE FINDINGS.

(A) The City of Albuquerque deserves a highly professional well trained Police Department; however, an effective oversight function has not yet evolved to the satisfaction of the community's needs.

(B) In 1996 the City Council initiated a process to independently review the City's mechanisms of police oversight since the system had not been independently evaluated since 1988. As a result of that process, the City Council abolished the then existing Public Safety Advisory Board, and in lieu thereof established the current Police Oversight Commission (POC).

(C) In 2013 the City Council initiated a new process aimed at evaluating potential improvements to the POC and its processes by establishing an Ad Hoc Police Oversight Task Force (POTF). The POTF evaluated the City's current system, studied oversight options, held three Town Hall Meetings to receive input from the public, and presented their final recommendations.

(D) On April 10, 2014, the City also received findings from the United States Department of Justice that in part concluded that the City's external oversight system contributed to overall systemic problems with the Police Department's use of force in encounters with civilians.

(E) The Council understands that a properly conceived and functioning police oversight system is necessary to promote accountability of the police officers and protect the rights of civilians, and finds that adopting the recommendations of the POTF will advance these goals and will help respond to the shortcomings identified by the Department of Justice.

(F) The Council hereby abolishes the POC and replaces it with a Civilian Police Oversight Agency as prescribed by this Article.

(Ord. 2014-019)

§ 9-4-1-4 CIVILIAN POLICE OVERSIGHT AGENCY.

There is hereby created a Civilian Police Oversight Agency (the "CPOA") as an independent agency of City Government, not part of either the City Administration or City Council that consists of a Police Oversight Board (the "POB") and an Administrative Office led by the CPOA Executive Director. In

addition to any other duties, the Administrative Office, through the Executive Director and staff, shall investigate all civilian complaints relating to police conduct, monitor and report on police internal affairs matters, provide staffing to the POB, and manage the day to day operations of the CPOA. The POB shall provide policy guidance for, and civilian oversight of the Albuquerque Police Department (APD) and review and approve or amend the findings and conclusions of all investigations completed by the Administrative Office.

(A) Independence. The CPOA is independent of the Mayor's Office, the City Council, and the APD with respect to the performance of its oversight role and duties under §§ 9-4-1-1 through 9-4-1-14.

(1) Facility Location. The CPOA shall be housed in a facility that is separate from any police presence and is located outside of the Albuquerque/Bernalillo Government Center, the Police Department and/or all of the police substations.

(2) Budget. The CPOA shall have a dedicated and independent source of funding equal to, at a minimum, [REDACTED] of APD's annual operation budget, administer its own budget and supervise its own staff in compliance with the City's Merit Ordinance and contractual services policies and procedures. The CPOA shall recommend and propose its budget to the Mayor and City Council during the City's budget process to carry out the powers and duties under §§ 9-4-1-1 through 9-4-1-14, including the funding for staff, and all necessary operating expenses.

(3) Professional Legal Services. The CPOA may retain or employ independent legal counsel on a contractual basis to advise and represent the CPOA. If so retained, the CPOA's legal counsel shall represent the CPOA in the courts, and shall advise the CPOA as to any legal matters relating to §§ 9-4-1-1 through 9-4-1-14 and the CPOA's duties, responsibilities, and procedures except for CPOA personnel matters which shall remain under the authority of the City Attorney's Office.

(4) Applicability of City Policies and Ordinances. The CPOA shall comply with all City ordinances and policies dealing with administrative functions including but not limited to those dealing with personnel, the merit system, and procurements.

(B) Staff. The CPOA shall employ such staff as necessary to carry out its functions as prescribed by this Article, including but not limited to an executive director, professional investigative staff, [REDACTED] and other staff as may be necessary, subject to budget sufficiency and City personnel policies and procedures.

(C) Responsibilities. The CPOA is responsible for civilian police oversight and has the following powers and duties:

(1) Community Outreach. The CPOA shall develop, implement, and from time to time amend as necessary, a program of community outreach aimed at soliciting public input from the broadest segment of the community in terms of geography, culture, ethnicity, and socio-economics. The CPOA shall employ or designate a full time staff member within the Administrative Office dedicated to community outreach efforts. The CPOA shall report its community outreach efforts to the City Council on an annual basis.

(2) Promotion of Accountability. The CPOA shall promote a spirit of accountability and communication between the civilians and the APD improving community relations and enhancing public confidence.

[REDACTED]

(4) Investigations. The Administrative Office shall independently investigate all civilian complaints; shall audit and monitor all incidences of use of force by police and all matters under investigation by APD's Internal Affairs (IA) or other APD personnel tasked with conducting administrative

investigations related to a use of force incident; and shall prepare proposed findings and recommendations on all officer involved shootings and serious uses of force as defined by Article III, Paragraph 12, Subsection (qq) of the court-approved DOJ Settlement Agreement with the City of Albuquerque ("Serious Uses of Force").

(a) Where an officer has engaged in conduct that may reasonably lead to a criminal charge against the officer, IA and the CPOA have a shared interest in exercising care to avoid interfering with the criminal process while simultaneously maintaining the integrity of the disciplinary process for officers. Consistent with this shared interest, IA and the CPOA will regularly confer and take reasonable steps to coordinate the handling of investigations into matters that reasonably may lead to a criminal charge against an officer. Before taking action related to a serious use of force or officer involved shooting, the Director shall confer with the relevant prosecuting agency and/or federal law enforcement agency to assess the likelihood of an officer being criminally prosecuted based on the incident. The Director may delay or decline to proceed with any action related to a serious use of force or officer involved shooting until completion of the criminal investigation unless, after consultation with the prosecuting agency, the Director determines that proceeding is appropriate and will not compromise a criminal investigation. If the Director seeks to proceed with investigating or presenting to the POB a serious use of force or officer involved shooting despite a prosecuting agency or federal law enforcement agency indicating that doing so would interfere with a criminal investigation, the Director may proceed only after obtaining approval to do so through a 2/3 vote of the POB. The POB shall provide notice of any such vote permitting the Director to proceed in such circumstances to APD and the police officer involved.

(b) APD shall provide POB members, the Director, and CPOA staff with reasonable access to APD premises, files, documents, reports, [REDACTED] and other materials that are reasonably necessary for the agency to perform thorough, independent investigations of civilian complaints and reviews of serious uses of force and officer-involved shootings. However, any material protected from disclosure by law shall remain within the custody and control of APD at all times and will be handled in accordance with the applicable legal restrictions.

(c) All complaints filed by police officers will be investigated by IA. IA shall provide a weekly update to the Director on all open internal investigations. The Director's investigation report and findings shall indicate whether within the past year there were any IA investigations or supervisor generated complaints against the officer(s) involved in the incident being investigated or that are otherwise relevant to the subject matter of the investigation, the general nature of the prior investigations or complaints, and whether they resulted in any discipline. Redacted personnel records including those of the IA Unit shall be made available to the POB on demand.

(d) Information that is covered by Garrity will be treated as confidential to the extent permitted by law and may only be reviewed by members of the POB by application in writing, and by majority vote of the POB. If the POB votes to review Garrity material, members of the POB may only do so on APD property. The POB may not remove or make copies of such statements. If the POB desires to discuss the specific content of statements protected by Garrity, such discussion will occur only in closed session as permitted under the New Mexico Open Meetings Act, NMSA 1978, § 10-15-1(H)(2). The POB shall only summarize conclusions reached after a review of a Garrity statement, but shall not disclose the statement. The POB shall maintain the confidentiality of any Garrity material or records that are made confidential to the extent permitted by law and is subject to the same penalties as the custodian of those records for violating confidentiality requirements. In addition to any other penalty, any POB member or other person who violates the confidentiality provisions of this section shall be removed from the POB, and shall be subject to prosecution for a misdemeanor subject to the penalty provisions set forth in § 1-1-99. This provision shall apply to all aspects of the POB's work.

Attachment "C"

(e) Mediation First. Whenever possible, and as further described in § 9-4-1-6(C)(3) of this ordinance, mediation should be the first option for resolution of civilian police complaints.

(f) POB Audits; Access to Files. The POB may, by majority vote, perform an annual audit, or direct that an audit be performed, on a random sample of up to 10% of individual civilian police complaint investigations involving allegations of use of force, or in exceptional circumstances, for the purpose of promoting an enhanced measure of quality assurance in the most challenging cases the POB may, by a vote of two-thirds (2/3) of the members of the POB, perform an audit, or direct that an audit be performed, on any individual Citizen Police Complaint Investigation completed by the Administrative Office. For purposes of its audit function, the POB shall have full access to investigation files and may subpoena such documents and witnesses as relevant to its audit function.

(g) Disciplinary Recommendations. The POB may, in its discretion, recommend officer discipline from the Chart of Sanctions for investigations that result in sustained civilian police complaints; and may also recommend discipline based on any findings that result from review of IA investigations of officer involved shootings and serious uses of force. Imposition of the recommended discipline is at the discretion of the Chief of Police, but if the Chief of Police does not follow the disciplinary recommendation of the POB, the Chief of Police shall respond in writing, within 30 days, with the reason as to why the recommended discipline was not imposed.

(5) Reports to Mayor & Council. The CPOA shall submit a semi-annual written report to the Mayor and City Council according to § 9-4-1-10 herein. The CPOA Executive Director shall provide a quarterly oral report to the City Council at a regular or special meeting.

(6) CPOA Policy Recommendations. The CPOA shall engage in a long-term planning process through which it identifies major problems, trends, and best practices to evaluate the efficacy of existing law enforcement practices in dealing with the same, and establishes a program of resulting policy suggestions and studies each year. The CPOA's policy recommendation process shall be as follows:

(a) The POB shall review and analyze policy suggestions, analysis, studies, and trend data collected or developed by the Administrative Office, and shall by majority vote recommend policies relating to training, programs and procedures or other matters relating to APD. The POB's policy recommendations shall be submitted to APD and to the City Council. The POB shall dedicate a majority (more than 50%) of its time to the functions described in this subsection.

(b) The Chief of Police shall respond in writing within 45 days to any such policy recommendations by the CPOA, and indicate whether they will be followed through standard operating procedures or should be adopted as policy by the City Council, or explain any reasons why such policy recommendations will not be followed or should not be adopted.

(c) Within six months of its appointment, the POB shall draft and approve policies, rules and procedures that ensure that the POB shall dedicate a majority of its time to the functions described in this subsection.

PART 1. CIVILIAN POLICE OVERSIGHT AGENCY

§ 9-4-1-1 SHORT TITLE.

Sections 9-4-1-1 through 9-4-1-14 may be cited as the Police Oversight Ordinance.

(Ord. 2014-019)

§ 9-4-1-2 PURPOSE.

The purpose of §§ 9-4-1-1 through 9-4-1-14 is to:

(A) Foster and perpetuate policing policies and practices that effectively maintain social order and which at the same time foster mutual trust and cooperation between police and civilians;

(B) Ensure that the civilian police oversight body functions as independently as possible from the executive and legislative branches of government of the City of Albuquerque;

(C) Provide civilians and police officers a fair and impartial system for the investigations and determinations on civilian police complaints;

(D) Gather and analyze information, reports, and raw data (thereafter defined as "links and statistics" or other data that has not been processed or analyzed)

(E) Provide City Council, Mayor, and Chief of Police input, guidance, and transparency for policy development.

(Ord. 2014-019)

§ 9-4-1-3 LEGISLATIVE FINDINGS.

(A) The City of Albuquerque deserves a highly professional well trained Police Department; however, an effective oversight function has not yet evolved to the satisfaction of the community's needs.

(B) In 1996 the City Council initiated a process to independently review the City's mechanisms of police oversight since the system had not been independently evaluated since 1988. As a result of that process, the City Council abolished the then existing Public Safety Advisory Board, and in lieu thereof established the current Police Oversight Commission (POC).

(C) In 2013 the City Council initiated a new process aimed at evaluating potential improvements to the POC and its processes by establishing an Ad Hoc Police Oversight Task Force (POTF). The POTF evaluated the City's current system, studied oversight options, held three Town Hall Meetings to receive input from the public, and presented their final recommendations.

(D) On April 10, 2014, the City also received findings from the United States Department of Justice that in part concluded that the City's external oversight system contributed to overall systemic problems with the Police Department's use of force in encounters with civilians.

(E) The Council understands that a properly conceived and functioning police oversight system is necessary to promote accountability of the police officers and protect the rights of civilians, and finds that adopting the recommendations of the POTF will advance these goals and will help respond to the shortcomings identified by the Department of Justice.

(F) The Council hereby abolishes the POC and replaces it with a Civilian Police Oversight Agency as prescribed by this Article.

(Ord. 2014-019)

§ 9-4-1-4 CIVILIAN POLICE OVERSIGHT AGENCY.

In addition to any other duties, the Administrative Office, through the Executive Director and staff, shall investigate all civilian complaints relating to police conduct, monitor and report on police internal affairs matters, provide staffing to the POB, and manage the day to day operations of the CPDA. The POB shall provide policy guidance for, and civilian oversight of the Albuquerque Police Department and review and

(2) Budget. The CPOA shall have a dedicated and independent source of funding equal to, at a minimum, .8% of APD's annual operation budget, administer its own budget and supervise its own staff in compliance with the City's Merit Ordinance and contractual services policies and procedures. The CPOA shall recommend and propose its budget to the Mayor and City Council during the City's budget process to carry out the powers and duties under §§ 9-4-1-1 through 9-4-1-14, including the funding for staff, and all necessary operating expenses.

(3) Professional Legal Services. The CPOA may retain or employ independent legal counsel on a contractual basis to advise and represent the CPOA. If so retained, the CPOA's legal counsel shall represent the CPOA in the courts, and shall advise the CPOA as to any legal matters relating to §§ 9-4-1-1 through 9-4-1-14 and the CPOA's duties, responsibilities, and procedures except for CPOA personnel matters which shall remain under the authority of the City Attorney's Office.

(4) Applicability of City Policies and Ordinances. The CPOA shall comply with all City ordinances and policies dealing with administrative functions including but not limited to those dealing with personnel, the merit system, and procurements.

(B) Staff. The CPOA shall employ such staff as necessary to carry out its functions as prescribed by this Article, including but not limited to an executive director, professional investigative staff, ~~data research analysts~~ and other staff as may be necessary, subject to budget sufficiency and City personnel policies and procedures.

(C) Responsibilities. The Civilian Police Oversight Agency is responsible for civilian police oversight and has the following powers and duties:

court-approved DOJ Settlement Agreement with the City of Albuquerque ("Serious Uses of Force").

(a) Where an officer has engaged in conduct that may reasonably lead to a criminal charge against the officer, IA and the CPOA have a shared interest in exercising care to avoid interfering with the criminal process while simultaneously maintaining the integrity of the disciplinary process for officers. Consistent with this shared interest, IA and the CPOA will regularly confer and take reasonable steps to coordinate the handling of investigations into matters that reasonably may lead to a criminal charge against an officer. Before taking action related to a serious use of force or officer involved shooting, the Director shall confer with the relevant prosecuting agency and/or federal law enforcement agency to assess the likelihood of an officer being criminally prosecuted based on the incident. The Director may delay or decline to proceed with any action related to a serious use of force or officer involved shooting until completion of the criminal investigation unless, after consultation with the prosecuting agency, the Director determines that proceeding is appropriate and will not compromise a criminal investigation. If the Director seeks to proceed with investigating or presenting to the POB a serious use of force or officer involved shooting despite a prosecuting agency or federal law enforcement agency indicating that doing so would interfere with a criminal investigation, the Director may proceed only after obtaining approval to do so through a 2/3 vote of the POB. The POB shall provide notice of any such vote permitting the Director to proceed in such circumstances to APD and the police officer involved.

(b) APD shall provide POB members, the Director, and CPOA staff with reasonable access to APD premises, files, documents, reports, raw data and other materials that are reasonably necessary for the agency to perform thorough, independent investigations of civilian complaints and reviews of serious uses of force and officer-involved shootings. However, any material protected from disclosure by law shall remain within the custody and control of APD at all times and will be handled in accordance with the applicable legal restrictions.

(c) All complaints filed by police officers will be investigated by Internal Affairs. Internal Affairs shall provide a weekly update to the Director on all open internal investigations. The Director's investigation report and findings shall indicate whether within the past year there were any IA investigations or supervisor generated complaints against the officer(s) involved in the incident being investigated or that are otherwise relevant to the subject matter of the investigation, the general nature of the prior investigations or complaints, and whether they resulted in any discipline. Redacted personnel records including those of the Internal Affairs Unit shall be made available to the POB on demand.

(d) Information that is covered by Garrity will be treated as confidential to the extent permitted by law and may only be reviewed by members of the POB by application in writing, and by majority vote of the POB. If the POB votes to review Garrity material, members of the POB may only do so on APD property. The POB may not remove or make copies of such statements. If the POB desires to discuss the specific content of statements protected by Garrity, such discussion will occur only in closed session as permitted under the New Mexico Open Meetings Act, NMSA 1978, § 10-15-1(H)(2). The POB shall only summarize conclusions reached after a review of a Garrity statement, but shall not disclose the statement. The POB shall maintain the confidentiality of any Garrity material or records that are made confidential to the extent permitted by law and is subject to the same penalties as the custodian of those records for violating confidentiality requirements. In addition to any other penalty, any POB member or other person who violates the confidentiality provisions of this section shall be removed from the POB, and shall be subject to prosecution for a misdemeanor subject to the penalty provisions set forth in § 1-1-99. This provision shall apply to all aspects of the POB's work.

Revised up [1]: [a] Provide thorough evaluation of data to support how and revised APD policies using APD raw data, national trends, and best practices.

(e) Mediation First. Whenever possible, and as further described in § 9-4-1-6(C)(3) of this ordinance, mediation should be the first option for resolution of civilian police complaints.

(f) POB Audits; Access to Files. The POB may, by majority vote, perform an annual audit, or direct that an audit be performed, on a random sample of up to 10% of individual civilian police complaint investigations involving allegations of use of force, or in exceptional circumstances, for the purpose of promoting an enhanced measure of quality assurance in the most challenging cases the POB may, by a vote of two-thirds (2/3) of the members of the POB, perform an audit, or direct that an audit be performed, on any individual Citizen Police Complaint Investigation completed by the Administrative Office. For purposes of its audit function, the POB shall have full access to investigation files and may subpoena such documents and witnesses as relevant to its audit function.

(g) Disciplinary Recommendations. The POB may, in its discretion, recommend officer discipline from the Chart of Sanctions for investigations that result in sustained civilian police complaints; and may also recommend discipline based on any findings that result from review of internal affairs investigations of officer involved shootings and serious uses of force. Imposition of the recommended discipline is at the discretion of the Chief of Police, but if the Chief of Police does not follow the disciplinary recommendation of the POB, the Chief of Police shall respond in writing, within 30 days, with the reason as to why the recommended discipline was not imposed.

The CPOA shall engage in a long-term planning process through which it identifies major problems, trends, and best practices to evaluate the efficacy of existing law enforcement practices in dealing with the same, and establishes a program of resulting policy suggestions and studies each year. The CPOA's policy recommendation process shall be as follows:

(a) The POB shall review and analyze policy suggestions, analysis, studies, and trend data collected or developed by the Administrative Office, and shall by majority vote recommend policies relating to training, programs and procedures or other matters relating to APD. The POB's policy recommendations shall be submitted to APD and to the City Council. The POB shall dedicate a majority (more than 50%) of its time to the functions described in this subsection.

(b) The Chief of Police shall respond in writing within 45 days to any such policy recommendations by the CPOA, and indicate whether they will be followed through standard operating procedures or should be adopted as policy by the City Council, or explain any reasons why such policy recommendations will not be followed or should not be adopted.

(c) Within six months of its appointment, the POB shall draft and approve policies, rules and procedures that ensure that the POB shall dedicate a majority of its time to the functions described in this subsection.

(d) ~~One POB member and the CPOA Executive Director or his/her designee shall be voting members for all APD policy committees.~~

(7) If at any point during an investigation the investigator determines that there may have been criminal conduct by any APD personnel, the investigator shall immediately notify the APD Internal Affairs Bureau commanding officer and transfer the administrative investigation to the Internal Affairs Bureau. The CPOA may review the IA investigation and continue processing the complaint at any time upon the conclusion of any criminal proceeding.

A temporary Director shall serve in that capacity only for a period not to exceed six months.
