- Seven recommended changes to the current ordinance were made that would restore power held by POB and CPOA prior to 2015 but changed in the Ordinance in the last revision. In order to have as big as an impact on the process as possible, we would like to recommend that these issues be corrected in order to restore power that has traditionally been held by the CPOA and the POB.

- Addition of language requiring POB and CPOA to have access to raw unanalyzed data [Page 1 (D)], Page 2 (B), and Page 3 (B)]
- Addition of language requiring APD to provide input from CPOA and POB on Policy, including seats on the policy writing bodies [Page 3 (E), Page 4 (B)]
- Increase of the CPOA budget from 3% to 0.8% [Page 2 (I)]
- Addition of the Data Analyst and Community Engagement Specialist positions to the Ordinance [Page 2 (B)]
- Requirement of APD to participate in a hearing on non-concordances for policy and investigation findings [Page 4 (H), and Page 10 (C)]
- Change allowing POB to have subpoena power [Page 6 (J)]
- Addition of language requiring the Chief of Police to notify the CPOA and the Complainant of final findings and discipline. [Page 9 (G)]
