- B. Subcommittee Chair Armijo explained that there is little risk of duplicated efforts and summarized the POB's purpose. Chair Armijo added that the goal of this particular meeting is to clarify the subcommittee's mission statement, goals, and objectives.

VI. Review Mission Statement Submissions from the Committee:

A. Discuss Committee's Ideas and Suggestions

1. Chair Armijo distributed a document that presented all of the members' suggested mission statements as well as two mission statements Chair Armijo created based on the common themes in the proposed statements. See attachment "A."
2. **Committee Members.** Member Galloway noted that they should talk about who will be in the subcommittee. Member Kass said that will leave the Community Outreach Subcommittee so it will not be a problem. Member Kass also thought they should discuss this topic at the next POB meeting so that every board member has a chance to be part of one or two committees.
3. **Mission Statement.** Member Galloway noted that of the composite mission statements Chair Armijo wrote, she liked the second option better but recommended switching the words "present" and "gather" for better flow.
4. Member Kass noted that they cannot ignore the role of presenting to the community as well because Outreach's communication flows both ways. Member Kass added that individual members will slightly customize the message because the subcommittee members are, first and foremost, members of the community. Chair Armijo replied that he still thinks they need to have a basic message.
5. **Core Message.** Chair Armijo suggested they figure out what the core message is that they will take back to the community. Mrs. Bustos explained the staff receives a lot of calls asking what the POB is and what it can do for the community so it is important to make that clear in the mission statement.
6. Member Kass explained to Ms. Rogers how the Outreach Subcommittee's purpose is very different from that of the CPCs; rather than addressing crime, the POB builds community trust by making APD better. He added that the CPCs are going through significant changes, which is good because they no longer fulfill their original intent.

7. Chair Armijo stated that it is helpful to explain the POB's structure to people and what the different branches (subcommittees) do. He added that, in his mind, the purpose of outreach is to understand and educate.
 8. **Outreach Tools.** Member Galloway suggested that it is easier to educate when they have tools, like handouts, so they should work on that. Chair Armijo agreed and noted that Director Harness has an informative presentation.
 9. **Liaison.** Member Galloway mentioned she will attend her first CPC meeting soon and hoped she will be able to act as a consistent presence who can work between the community and the POB. The members agreed that would be great. Director Harness suggested she report back at the next meeting and help facilitate follow-ups.
 10. **Education.** Mrs. Bustos noted that one key aspect of education should be helping people figure out how they can be engaged in the process and where they can get more information. For example, they could let citizens know where they can find meeting minutes online.
 11. **Events.** Director Harness asked if the subcommittee would consider having its own event.
 12. **CPCs.** Director Harness explained that the CPCs are now crime-focused but were originally started by the City of Albuquerque after the Boyd shooting to discuss policing practices and training.
 13. **Events.** Mrs. Bustos suggested Outreach attend several of fairs. The subcommittee discussed funding and Director Harness said it wouldn't be an issue to allocate resources toward event planning.
 14. **Mission Statement.** Mrs. Bustos suggested the mission statement could read, "POB Outreach will attend community events, gather public concerns, and present information to the Police Oversight Board."
 15. Member Galloway suggested they change the wording to, "host and attend" and add, "promote and educate the community."
 16. Director Harness suggested they take out the first "POB."
 17. In order to make it explicit that the communication is bidirectional, they added a section about the subcommittee's role as a conduit.
 18. Member St. John asked if "conduit" is the best word to use. Mrs. Bustos suggested they use "bridge" instead of "conduit" in order to be more easily understood by the wider community.
- B. Approve Outreach Mission Statement for POB Meeting**
1. **Final draft.** The mission statement was changed to read, "*Outreach will promote the mission of the POB and be the bridge for communication with the community.*"

2. **Motion.** Member Galloway motioned to accept the mission statement as written above. Member Kass seconded the motion. The motion was carried by the following vote:

For: 4 - Armijo, Galloway, Kass, St. John

VII. Review Goals and Objectives

- A. **Events.** Director Harness suggested Outreach host one large event per year.
- B. **Conference.** Mrs. Bustos suggested they look at what other oversight bodies do in terms of events and outreach, using their NACOLE (National Association for Civilian Oversight of Law Enforcement) connections to do so. The subcommittee discussed the upcoming NACOLE conference.
- C. Member St. John suggested they look at the City website to find other events they might attend.
- D. **Police Events.** Member Kass asked if it would be a good idea to attend police events. Director Harness explained outreach with APD is better done through APD's mandatory training events. Member Kass added that more POB involvement in that training would help enforce the POB's existence and oversight to the officers in a more tangible way.
- E. **Event Frequency.** Member St. John clarified that one goal would be to host one event per year and attend one smaller event per quarter.
- F. **TV Exposure.** Chair Armijo brought up the prospect of doing outreach with GOV TV and suggested having Director Harness's presentation on the air. Member Galloway added that getting exposure on KOB and local radio stations would be very beneficial.
- G. **Brochures.** Mrs. Bustos explained that they have brochures in 57 locations around the Albuquerque area but that the brochure is outdated and needs to be replaced (see attachment "B"). Director Harness agreed that the committee needs to prioritize making the new brochures. Mrs. Bustos suggested finalizing the new brochure at the next Outreach meeting so that the board can approve it as soon as possible.
- H. **Objectives.** Chair Armijo suggested that he will review these goals with Mrs. Bustos and work out some objectives before the next meeting.

VIII. Discuss 2018 Outreach Committee Schedule

- A. The subcommittee discussed their schedules.
- B. Member St. John motioned to hold the rest of the Outreach meetings in 2018 on the fourth Tuesday of every month at 5:30 p.m. Chair Armijo seconded the motion. The motion was carried by the following vote:

For: 4 - Armijo, Galloway, Kass, St. John

IX. Next Meeting. The next Community Outreach Subcommittee meeting will be held on Tuesday, March 27, 2018 at 5:30 p.m.

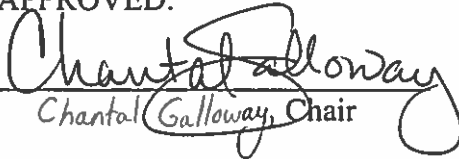

X. Other Business. None.

XI. Adjournment. A motion was made by Subcommittee Member St. John to adjourn the meeting. Subcommittee Member Galloway seconded the motion. The motion was carried by the following vote:
