## 2014 Special Events

### Food and Artisan Vendor Letter of Interest

The City of Albuquerque is excited to present its lineup of 2014 Special Events. This letter is to offer food and artisan vendors the opportunity to express interest participating in some or all of our events.

If you are interested in being a vendor at any or all of our events, please provide your business information and indicate which events you would like to participate in. We will then send you an application for each event, approximately two months before the event. Vendors will be chosen from the applications received. Note that this is only a letter of interest. Vendor space is not guaranteed at any specific event.
