City of Albuquerque

Timothy M. Keller, Mayor

Memorandum

April 1, 2025

To: Brook Bassan, President, City Council

From: Timothy M. Keller, Mayor 

CC: Samantha Sengel, Chief Administrative Officer; Kevin Sourisseau,
Chief Financial Officer

Subject: Fiscal Year 2026 Proposed Operating Budget

The Proposed Operating Budget for Fiscal Year 2026 that will begin on July 1, 2025 is respectfully submitted in timely accordance with the City Charter. The overall budget is \$1.5 billion and is structurally balanced.

Preliminary revenue estimates as of January 2025 indicate that the City expects trailing revenue growth through the end of the forecast. We have carefully evaluated areas where we can reduce costs and achieve our goals while curbing spending. Although the proposed Fiscal Year 2026 General Fund budget is \$870.4 million, an increase of \$19.2 million or 2.3% above the original Fiscal Year 2025 budget, it maintains fundamental service efforts from previous years, with reasonable reductions in recurring expenses for projected savings from unfilled vacant positions. The proposed budget includes \$14.6 million for citywide and negotiated wage increases which are subject to negotiations for applicable union positions; \$1 million for the Fire Department's Station 23 coming-on-line; continued Community Safety support for 24/7 operations and Civilian Police Oversight Agency support for DOJ-CASA compliance efforts; \$30.1 million to support Transit Department operations; and \$8 million for supportive housing vouchers. Other significant cost drivers are the 0.5% retirement contribution increase at a cost of \$2.4 million and a slight increase for medical health care costs of 2% at a cost of \$1.1 million

The City is navigating significant uncertainty, attempting to keep up with rising inflation, economic disruptions, and bracing for federal funding cuts. With the real threat of the elimination of federal grants and subsequent impacts to essential programs serving Albuquerque families, this budget maintains flexibility, allowing funds to be shifted where they are needed most.

The proposed budget reflects our administration's ongoing commitment to ensure safe communities for Albuquerque families and meet our challenges with real solutions. We must prioritize continued investment in public safety, including the vital work of our police, fire, and community safety departments. This budget fully funds police, fire, and community safety response, optimizing our recruiting projections, demand forecasts, and overtime. Our budget

reinforces funding effective solutions to homelessness and provides expanded behavioral health and addiction treatment resources to address the needs of our community's most vulnerable residents. In addition to our core priorities—ensuring public safety and addressing homelessness—the City will continue to support small businesses, multigenerational centers, the Southwest Public Safety Center, other community infrastructure investments coming online, and programs that benefit working families.

Together with the City Council, we took brave steps to address the root causes of behavioral health and additional issues by investing in the Gateway Network. As Gateway services continue to come on line, now is not the time to fail in funding this effort. Recessions in City funding, in tandem with federal cuts, risk the lives of more than 1,000 men, women, and children who are currently receiving service. We cannot allow this to happen. We must ensure that available funding, designated to serve this vulnerable population, is fully utilized for these services. We must be intentional as we work to continue addressing our City's most pressing challenges and build a stronger city for our families.

Public Safety

Albuquerque Police Department

We continue making progress to recruit officers and are utilizing civilians and crime-fighting technology to support officers on the street, drive down crime, and investigate and solve cases. As a result of these strategic tactics, crime was down across the following major categories in 2024—aggravated assaults, down 11%; shootings with injuries, down 14%; and homicides down 3%. Arrests were also up—felony arrests increased 4% and felony warrant arrests increased 28%. APD is on track to achieve a homicide clearance rate above 90% for the third straight year. We are making important progress with crime trending in the right direction, and it is critical we stay the course. APD's budget continues the City's investment to support the aforementioned initiatives and includes the following:

- \$2.7 million to centralize critical safety technologies and improve officer training and reporting efficiencies. This investment ensures that APD remains at the forefront of officer safety, accountability, and operational effectiveness.
- \$2.1 million to support the retention of officers with 19+ years of service and keep effective personnel in the force.

Albuquerque Community Safety Department

Investments in Albuquerque Community Safety (ACS) are having a positive impact on our community. As our third branch of public safety, ACS provides the right response at the right time for behavioral and mental health calls, with trained professionals handling non-violent calls and freeing police and fire for acute emergencies. ACS recently marked 100,000 calls for service, allowing APD to focus on violent crimes, together enhancing overall public safety in Albuquerque. The forthcoming Southwest Public Safety Center shows our commitment to integrated emergency services. By co-locating APD, AFR, and ACS staff, we aim to streamline operations, improve

response times, and deliver more effective services across the city. ACS's budget continues to provide support for the department's success and includes the following.

- \$2.8 million to support the school-based violence intervention program and the taskforce on domestic violence.
- \$10.2 million to support the field response program that provides adequate response to the community to address non-violent mental and behavioral health emergencies with implementation of the bi-lateral split of the city into two area commands.

Albuquerque Fire Rescue

Albuquerque Fire Rescue (AFR) remains one of the busiest departments in the nation, with call volumes that dramatically exceed that of neighboring cities in the region. This budget includes funding for fully staffing field units to allow AFR to continue to meet both low and high acuity response times and provide numerous support services. Funding includes not only the direct services as first responders to fire, medical, and other emergencies, but also continues AFR's other programs that make our community safer including the Abandoned and Dilapidated Abatement Property Team (ADAPT) program for dangerous properties and the Home Engagement and Alternative Response Team (HEART) program for frequent 911 callers.

- \$1.1 million for the staffing and operating costs projected for Fire Station 23 in the Southwest quadrant of the city will be equipped with one four-person Advanced Life Support truck and will offer improved service for the area's growing population and needs.
- \$6.5 million for the collective bargaining agreement contract negotiated with IAFF.

Homelessness, Housing and Behavioral Health

We take a comprehensive approach to address homelessness, behavioral health challenges, and housing shortages in our City. Our priority is to focus on root causes such as substance abuse, mental health, domestic violence, and youth opportunity. We must continue to create pathways for people to get the support they need to get off the street and into housing. It is critical we continue to fund a network of care to reduce homelessness in Albuquerque. The Fiscal Year 2026 budget includes:

- Full funding for service contracts for mental health, substance abuse, early intervention and prevention programs, domestic violence shelters and services, sexual assault services, health and social service center providers, and services to abused, neglected and abandoned youth.
- Anticipates leveraging opioid settlement funding to get hundreds more people off our streets and connected to the treatment, housing, and services they need to recover throughout the Gateway Network.

- \$6.9 million for Gateway West, which has operated at close to full occupancy for much of the year.
- \$500 thousand to continue the funding for Albuquerque Street Connect, a highly effective program that focuses on people experiencing homelessness who use the most emergency services and care, to establish ongoing relationships that result in permanent supportive housing.

Community and Economic Development

The City will continue to support small businesses, community development, and programs that benefit working families while adjusting for the potential federal funding cuts to several programs that support these priorities.

Jobs and Economy

We're focused on building financial security and growing economic opportunity for hard-working Albuquerque families. We continue to invest in job readiness and career building resources that train Albuquerque workers for well-paying jobs, fully funding programs that give small businesses the tools and edge they need to thrive in our city, and bolstering initiatives that attract and retain new industries coming to Albuquerque.

Youth Development and Support

We are committed to making Albuquerque the best place for kids to live and thrive. This budget includes crucial funding for early childhood, before- and after-school and summer programs, as well as Kid's Cabinet, which brings together City departments, community leaders, and youth from across Albuquerque to tackle the challenges facing our young people. We must also fully fund the Head Start program families depend on, as well as our highly successful Youth Connect suite of programming.

Sustainability and Energy Efficiency

The City's successful sustainability strategy will continue to invest in green technologies and infrastructure. Our Fiscal Year 2026 budget continues sustainability efforts toward achieving the goals set out in the American Climate Cities Challenge and Climate Action Plan. This budget continues the General Services Department (GSD) and Transit Departments' phasing in of alternative fuel vehicles through replacement of depreciated vehicles and buses. Additionally, GSD will continue citywide efforts at energy efficiency and carbon reduction in City buildings.

Low Costs for Families and Businesses

Our budget reaffirms investments in core areas of City government and maintains low costs for families and businesses. Fees for most cultural attractions, pools and golf courses, as well as Planning permitting and licensing fees, will remain consistent. A nominal \$1 ticket price increase for in-state tickets to the BioPark will cover the rising costs of animal food and medical care to maintain excellent well-being for the animals at the Zoo. Last year, BioPark fees were raised by \$5 for out-of-state guests only.

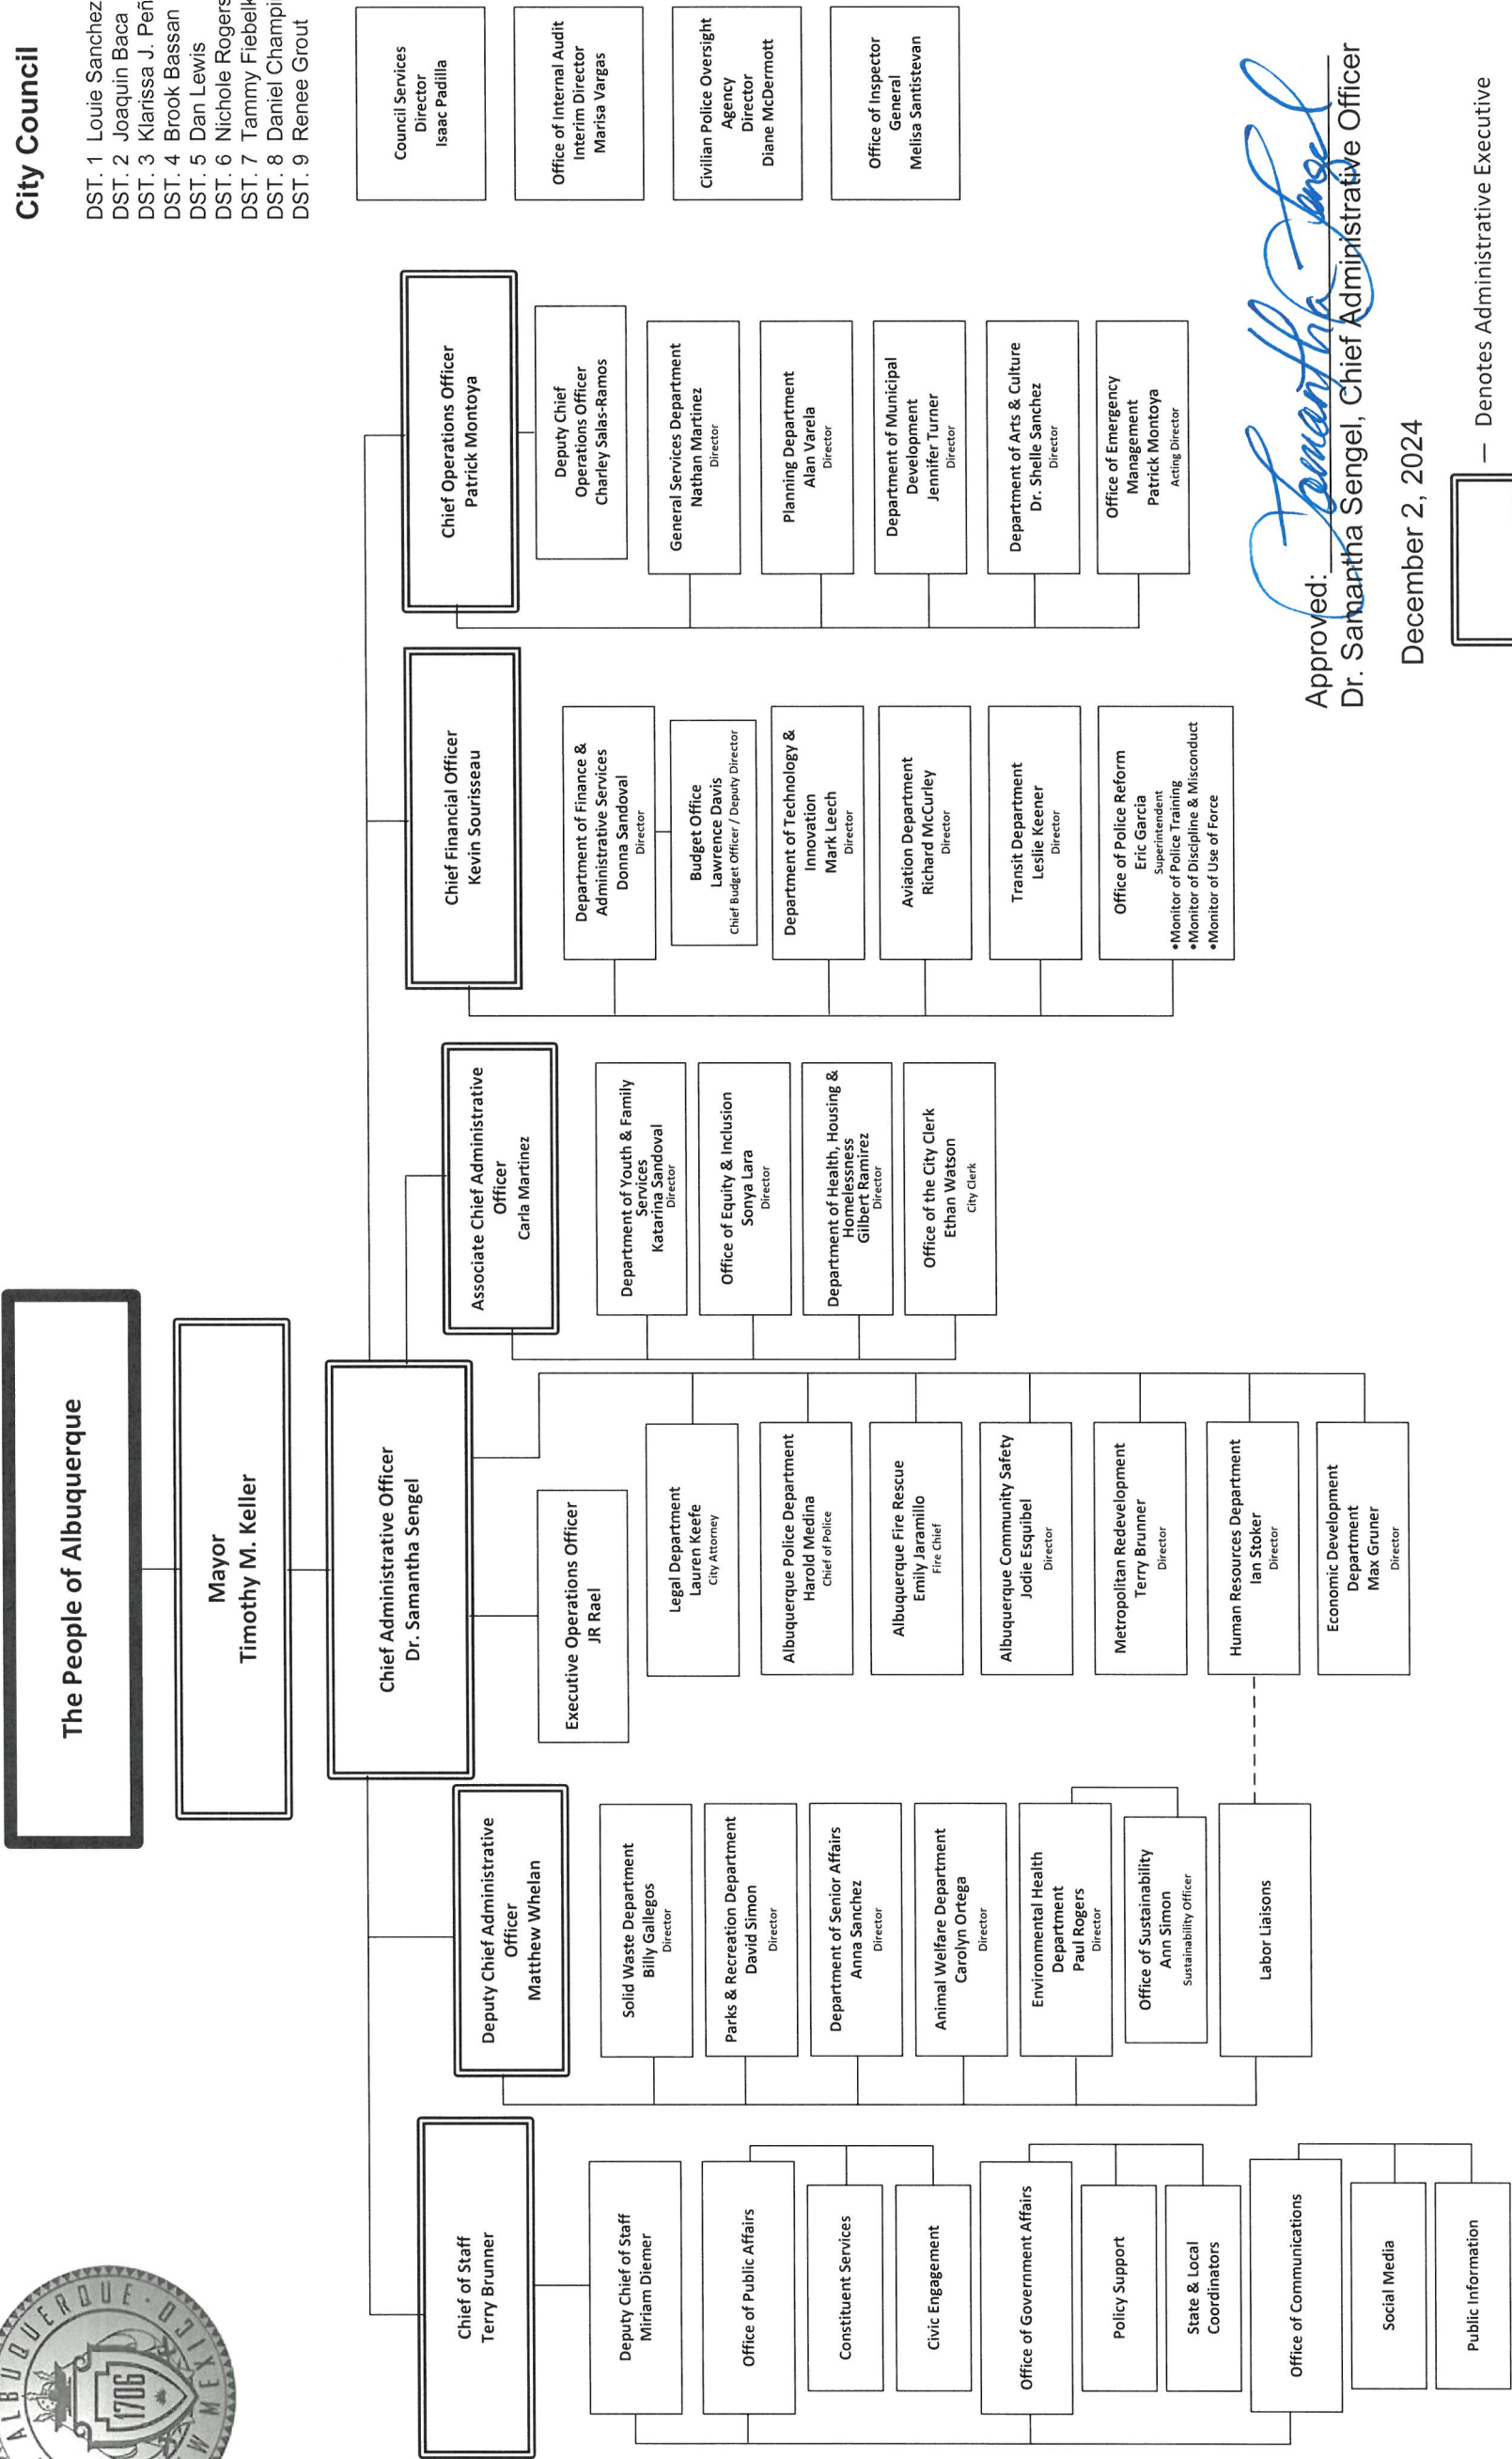

Our team is grateful to our Office of Management and Budget for crafting this budget, and to all the dedicated City employees who provide public service to the residents of Albuquerque. We welcome questions as you consider the Fiscal Year 2026 budget.

**FY/26 OPERATING BUDGET
PREFACE**

CITY OF ALBUQUERQUE FY/26 OPERATING BUDGET

PREFACE

Albuquerque's operating budget contains the executive budget proposal for the General Fund, special revenue, internal service, debt service, project, and enterprise funds. Performance measures are presented with financial information and are included in the department budget highlights.

The City of Albuquerque (City) Charter requires an operating budget to be formulated annually by the Mayor in consultation with the City Council. The budget process requires a financial plan along with a performance plan be delivered on April 1. Council holds at least three public hearings and approves the budget as proposed or amended by May 31.

Appropriations are at a program level, the level at which expenditures may not legally exceed appropriations. Budgetary control is maintained by a formal appropriation and encumbrance system. The Mayor has authority to move program appropriations by the lesser of five percent or \$100 thousand, provided the fund appropriation does not change. Additional appropriations may be approved or modified during the year by a legally adopted resolution(s). With the exception of project funds, appropriations revert to fund balance to the extent they have not been expended or encumbered at fiscal year end.

Budget data is prepared consistent with the City's basis of accounting. Governmental funds utilize the modified accrual basis of accounting, while proprietary funds (enterprise and internal service) and agency funds are on a full accrual basis. Transactions are recorded in individual funds and each is treated as a separate entity.

Albuquerque provides traditional services such as public safety, culture, recreation, highways and streets, and refuse collection. In addition, the City operates parking facilities, a transit system, and the State of New Mexico's (State) largest airport. This document has nine major sections and contains a summary of funding information by department, fund, goal, and program.

The Coronavirus Disease 2019 (COVID-19) public health emergency not only had a devastating impact on the health of individuals throughout the world and our community but has also had ripple effects on our economy and way of life. As a result of this public health emergency, the City reassessed the economic impacts for the latter part of FY/20 and future fiscal

years. The City's use of federal aid during the economic downturn is briefly discussed below.

In March 2020, the Coronavirus Aid, Relief and Economic Security (CARES) Act established a \$150 billion Coronavirus Relief Fund, from which the federal government provided economic relief to state and local governments for eligible COVID-19 related expenses. The City received \$150.3 million in direct federal aid in April 2020. The City fully used the CARES aid to mitigate and respond to COVID-19 in fiscal years FY/20 and FY/21.

In March 2021, the American Rescue Plan Act of 2021 (ARPA) established a \$350 billion fund to provide state and local governments additional relief to address the continued impact of COVID-19. The City received \$108.8 million in two \$54.4 million distributions. The City received the first distribution in May 2021 and received the second distribution in May 2022. In compliance with ARPA requirements, the City fully used or obligated ARPA funding by December 31, 2024.

The revenue estimate for FY/26 was updated with national and UNM BBER data available in January 2025. Since January, there have been a number of potentially negative federal policy impacts such as tariffs, cuts to federal jobs, cuts to grant funding, as well as international conflicts, which could negatively impact business investment and consumer confidence. These impacts increase the amount of uncertainty in the economy and in the revenue projection in this budget.

The **Executive Summary** is designed as an overview. This section discusses the policies underlying the budget proposal.

The **Goals** section presents the City's eight goals.

The **Financial Consolidations** section presents an elimination of interfund transactions in order to provide an accurate picture of the budget as a whole. Total proposed revenues and appropriations for all operating funds are included in the consolidation tables.

The **Economic Outlook** and **Revenue Analysis** sections contain detailed information on the projected revenues and economic issues to be addressed in the coming year.

The **Department Budget Highlights** section contains financial, performance measure, and other pertinent information on a department basis by fund, goal, and program level. The Fund Balance Tables or Working Capital Tables, where appropriate, are presented with estimated ending balances. These tables provide the detailed information for the consolidated tables in the Financial Consolidations section.

Performance measurement information is also included in this section. It contains information on the desired community conditions related to programs and the measurements required for a performance-based budgeting system.

The **Bonded Indebtedness** section provides a summary of outstanding bond indebtedness and summary information related to bond obligations.

The **Appendix** contains information that is useful to prepare or understand the budget, including definitions, a schedule of the functional grouping of funds and departments, and a budget calendar. There is also a brief explanation of the methodology used in budget preparation.

The **Appropriations Legislation** section contains copies of legislation that are submitted to the City Council along with this document. The legislation must be passed as submitted or amended by City Council and approved by the Mayor before the budget becomes law.

EXECUTIVE SUMMARY

FY/26 BUDGET SYNOPSIS (All Operating Funds)

Resources

Total operating resources for all funds is projected at \$1.5 billion in FY/26. This is \$102.5 million higher than the FY/25 original approved budget of \$1.39 billion. The increase is the result of estimated additional tax, service revenue, and use of fund balance. The following revenue categories continued to demonstrate slight economic growth from the FY/25 original budget as the City has normalized from the economic impacts of COVID-19.

Gross Receipt Tax (GRT), enterprise revenues, and property taxes together make up 64.3% of the City's total revenues. GRT is the City's major source of revenue and is estimated at \$603 million or 40.2% of total resources for FY/26. Property Tax comprises 13% of total revenue. The various enterprises operated by the City are estimated to generate 11.1% of total revenue in FY/26. Inter-fund transfers and the use of available fund balances make up the next category of revenue at 21.1%, while the other categories that include payments from other governmental entities, permits, fees, and other

charges, comprise 14.6% of overall remaining City revenue.

Revenue from City enterprise operations such as Solid Waste, Stadium (Isotopes Park), Parking Facilities, and Aviation is generated from fees charged to customers for specific services provided. Other revenue sources include intergovernmental (which includes grants), inter-fund transfers and use of fund balance, various charges (including admission fees to various City operated facilities such as pools, community centers, zoo and aquarium), and permits for building and inspection.

The following graphics illustrate the relative composition of total resources. Effective July 1, 2023, the gross receipts tax sourcing rules changed from point of origin-based sourcing to destination-based sourcing for most categories of gross receipts, allowing for the imposition of local taxes on remote sellers (internet sales).

RESOURCES FOR ALL FUNDS

After Inter-fund Eliminations

FY/26 (in \$000's)

	Total	Share
Gross Receipts Tax	603,003	40.2%
Property Tax	195,055	13.0%
Other Taxes	55,836	3.7%
Intergovernmental	81,994	5.5%
Enterprise	167,077	11.1%
Inter-fund & Fund Balance	316,879	21.1%
Charges, Fines, & Permits	65,402	4.4%
Miscellaneous	16,443	1.1%
Total Revenue	1,501,689	100%

Note: Resources are reflected after inter-fund eliminations to avoid double counting of inter-fund transfers.

FY/26 RESOURCES ALL FUNDS

Appropriations by Department

Public safety departments comprise approximately 30% of operating appropriations. Police, Fire, and ACS comprise 29.9% of the total fund appropriations of \$1.5 billion and 48.9% of the General Fund appropriations of \$870.4 million in FY/26. Other departments such as City Support, Finance and Administrative Services, and Human Resources have large appropriations because of the number and type of funds within their departments that support core services and citywide benefits.

The Department of Family and Community Services was separated into two departments in FY/25. The Departments of Health, Housing and Homelessness, and Youth and Family Services now serve the community with refined missions.

By department, the total appropriations after inter-fund eliminations are shown in alphabetical order in the following table. The overall budget is \$1.5 billion.

FY/26 PROPOSED BUDGETS - ALL FUNDS After Inter-fund Eliminations (\$000's)

<u>Department</u>	<u>Total</u>	<u>% Total</u>
Animal Welfare	16,547	1.10%
Arts and Culture	55,748	3.71%
Aviation	113,942	7.59%
Chief Administrative Office	4,252	0.28%
City Support	143,250	9.54%
Civilian Police Oversight	3,043	0.20%
Community Safety	23,288	1.55%
Council Services	8,793	0.59%
Economic Development	6,021	0.40%
Environmental Health	13,713	0.91%
Finance and Administrative Services	73,922	4.92%
Fire	139,019	9.26%
General Services	47,393	3.16%
Health, Housing, and Homelessness	59,895	3.99%
Human Resources	118,016	7.86%
Legal	7,137	0.48%
Mayor's Office	1,053	0.07%

Police	286,901	19.11%
Senior Affairs	20,738	1.38%
Solid Waste	83,609	5.57%
Technology and Innovation	31,614	2.11%
Transit	61,503	4.10%
Youth and Family Services	46,285	3.08%
Grand Total	1,501,689	100.00%

Note: Budgets are reflected after inter-fund eliminations to avoid double counting of inter-fund transfers.

Appropriations by Spending Category

Total City appropriations for FY/26 are proposed at \$1.5 billion after inter-fund eliminations. The total is \$102.5 million higher than the FY/25 original approved budget. The increase is the result of estimated additional tax, service revenue, and use of fund balance. Proposed appropriations include \$17.4 million for citywide wage increases, which is subject to negotiations for applicable union positions; \$29.3 million for the purchase of land by the Aviation Department; \$30.5 million for the retirement of general obligation debt; \$1 million for the Fire Department's Station 23 coming-on-line; and continued support for ACS's 24/7 operations, Civilian Police Oversight Agency's DOJ-CASA compliance efforts, and \$30.1 million subsidy to support the operations of the Transit Department. Another cost driver of the increase is health care premiums which rose by 2% for medical. In terms of routine government operations, personnel costs continue to be the primary City expense, comprising 49.1% of City operating expenditures in FY/26. General operating expenses comprise the next largest expense category at 36.1%. A significant portion of the operating category is debt service to be paid on both general obligation

bonds and gross receipts tax bonds. The remaining 14.7% consist of transfers to other City funds, capital, and grants within each department.

Appropriations by Fund Type

The City operating budget includes the General Fund which is the largest fund individually and by type. The operating budget also includes a total of 16 special revenue funds, 13 of which are included in the legislation accompanying this document. The Operating Grant, the Community Development, and the Local Government Abatement special revenue funds are reflected in this document but are appropriated under separate legislation and house most of the City's federal and state operating grants. The aforementioned grant appropriations are approved by City Council mid-year as the grants

are applied for and awarded. Special revenue funds account for revenue received that has restrictions on its use. Three non-enterprise debt service funds, ten enterprise and enterprise debt service funds, and five internal service funds are also appropriated and referenced throughout this document. This budget document presents fund tables and highlights in department sections. The following graph demonstrates the relative size of total appropriations by type of fund. The numbers shown reflect appropriations after inter-fund eliminations in order to avoid double counting.

FY/26 Net Appropriations by Fund Type in (\$000's)
(net of interfund transfers)

LONG-TERM FORECAST FOR THE GENERAL FUND

Five-Year Forecast

Each fall the Office of Management and Budget produces a long-term forecast of revenue and expense trends for the General Fund and subsidized funds called the Five-Year Forecast. (<https://www.cabq.gov/dfa/budget/five-year-forecast>).

The revenue forecast was compiled in October 2024 and continues to reflect considerable uncertainty about economic growth, inflation, employment and international conflict.

The baseline forecast reflects a negative available fund balance of \$49.5 million in FY/26, decreasing to an overall unmet need of \$179.9 million in FY/27 that compounds to a high of negative \$474.9 million in FY/29. The recurring deficit for FY/26 is \$22.1 million and peaks in FY/29 at \$126.3 million. Regardless of the financial outlook within the forecast, the City's Administration and Council must work together to manage the budget with the available resources for each fiscal year.

Hold Harmless

These revenues were elevated in the early months of the COVID-19 health crisis due to households being forced to eat out less and purchase more food from grocers. However, the payments have since largely stabilized to the "normal" variability the City has come to experience. The expected impacts to General Fund from the phase out of hold harmless revenues typically results in a decrease of

approximately 0.6% to 0.7% in the GRT growth rate per year. Additional information about hold harmless deductions is provided in the Appendix section of this budget.

The following graph illustrates how the budget and actual expenditure growth compare to inflation. During the recession and post-recession period, budget and actual growth stayed well below inflation growth. Growth in budget and actual expenditures from FY/14 through FY/17 was partially due to use of fund balance rather than growth in the local economy. Growth from FY/21 through FY/23 is the result of federal assistance following the impacts of COVID-19, as well as changes at the State level which allowed for local increments on internet sales, which significantly boosted revenues in FY/22. The decline in growth for FY/24 reflects the lower availability of fund balance now that nearly all of the COVID-19 federal assistance has been spent down.

The second graph shows the projected gap in recurring General Fund revenue compared to recurring expenditures as depicted in the Five-Year Forecast. CIP coming-on-line costs are excluded from the expense amount to provide a more realistic outlook for recurring costs. The CIP coming-on-line amounts depict the anticipated needs of each department but are often well above the funding capacity of the General Fund. As a result, the City funds the most critical CIP coming-on-line needs. Most CIP coming-on-line needs costs are absorbed by the respective departments through the realignment of existing resources.

3/8TH GROSS RECEIPTS TAX FORECAST

At its inception in fiscal year 2019, 60% of the new 3/8th Gross Receipts Tax increment was to be dedicated to improving public safety in the City for the first two years. Although the tax can now be used to support the general operations of the City, appropriations to the Albuquerque Police Department, Albuquerque Fire and Rescue Department, and Health, Housing and

Homelessness Department continue to support public safety, and homeless initiatives.

The estimated actual for FY/25 is \$85 million. For FY/26, the projection is \$88.3 million, and after considering the 1/12th state required reserve, this leaves \$80.9 million available for appropriation.

GENERAL FUND OPERATING BUDGET FOR FY/26

Revenues

For the FY/26 proposed budget, recurring revenues are estimated to be \$866 million, which is 4.4%, or \$36.9 million, above the FY/25 estimated actual. Total GRT is expected to grow 2.9%, or \$16.6 million, reflecting a cooling economy with growth closer to or slightly below historical averages. Existing growth is further impacted by the loss of hold harmless distributions. This budget includes an additional \$4.4 million in non-recurring revenue to account for the continued loss of hold harmless distributions in FY/26.

Property taxes return to more moderate growth, with yield control and the expansion of tax deductions for veterans as potential impacts requiring a conservative estimate. Additionally, franchise revenues, building permit revenue and IDOH are higher in FY/26. This is due to some updates to IDOH rates and Planning Department valuation tables, used to estimate construction costs. These tables have not been updated since 2009.

This latest revenue estimate was updated with national and UNM BBER data available in January 2025. Since January, there have been a number of potentially negative federal policy impacts such as tariffs, cuts to federal jobs, cuts to grant funding, as well as international conflicts, which could negatively impact business investment and consumer confidence. These impacts increase the amount of uncertainty in the economy and in the revenue projection in this budget.

Appropriations

The proposed General Fund budget for FY/26 is \$870.4 million reflecting a total increase of \$19.2 million or 2.3% from the original approved FY/25 budget, not including reserves. The increase includes \$14.6 million for citywide and negotiated wage increases which are subject to negotiations for applicable union positions; \$1 million for the Fire Department's Station 23 coming-on-line; continued support for ACS's 24/7 operations and Civilian Police Oversight Agency support for DOJ-CASA compliance efforts; \$30.1 million to support Transit Department operations; and \$1 million for risk recovery allocations. Other significant cost drivers are the 0.5% retirement contribution increase at a cost of \$2.4 million and medical costs which rose by 2% at a cost of \$1.1 million.

The amount of non-recurring appropriations at \$29.1 million is slightly lower as compared to the \$32.4 million in the original approved FY/25 budget. This decrease reflects the reduction of \$3.3 million in non-recurring funding that supported various one-time initiatives in FY/25.

Non-recurring appropriation highlights include: \$1.2 million for homeless shelter operations; \$8 million for affordable housing vouchers; \$1 million for risk recovery; \$1.9 million for Arts and Culture sponsored events; \$1 million for LEDA projects; \$2.6 million for Health, Housing and Homelessness sponsored initiatives and events; \$143 thousand for Youth and Family Services sponsored initiatives and events; and \$1.3 million to continue the Job Training program.

CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY (CARES) ACT – RELIEF FUND

The outbreak of COVID-19, a respiratory disease caused by a novel strain of coronavirus, was declared a global pandemic by the World Health Organization. The global COVID-19 pandemic brought about unprecedented public health and financial challenges to state and local governments. The City of Albuquerque met obligations to protect our citizens as well as to support our local economy to ensure short-term recovery and long-term resiliency. The Coronavirus Aid, Relief and Economic Security (CARES) Act established the \$150 billion Coronavirus Relief Fund, from which the federal government provided economic relief to state and

local governments for eligible COVID-19 related expenses. The City of Albuquerque was one of 32 large cities, with populations at or above 500,000, to receive direct aid from the US Department of the Treasury. The City received \$150.3 million in direct aid in April 2020. Per guidance issued by the US Department of the Treasury, payments from the fund may be used to cover eligible costs.

Total costs incurred against the Coronavirus Relief Fund were fully expended at the end of FY/21 and final reporting was completed at the end of FY/22.

AMERICAN RESCUE PLAN ACT OF 2021

The American Rescue Plan Act of 2021 (ARPA) established a \$350 billion Coronavirus State and Local Fiscal Recovery Fund (SLFRF) program to support the response and recovery from the COVID-19 public health emergency. The City received a total of \$108.8 million in direct aid from the SLFRF program.

The SLFRF disbursed two \$54.4 million payments to the City in May 2021 and May 2022. The SLFRF program provided governments the resources needed to continue the COVID-19

response, maintain vital public services, and build a strong recovery by providing the investments for long-term growth.

Eligible uses include revenue replacement, premium pay for eligible workers performing essential work during the pandemic, and water, sewer, and broadband infrastructure. Prohibited uses include tax cut offsetting and use for pension funds. In compliance with ARPA requirements, the City fully used or obligated ARPA funding by December 31, 2024.

GENERAL FUND REVENUE AND EXPENDITURE AGGREGATES

The following table provides a summary view of the structural balance in the General Fund by demonstrating recurring revenues are sufficient to cover recurring expenses in FY/26. The City continues the long-standing practice of proposing budgets that are balanced not only in terms of total revenue to expenditure, but also with recurring appropriations less than or equal to recurring revenue. One-time and unforeseen revenue, as well as estimated reversions are identified and used to support non-recurring appropriations.

Because the “Estimated Actual” reflects adjustments to the FY/25 base, the following table also includes FY/25 estimated actuals as compared to the “Original” FY/25. The

percentage increase of recurring revenues when comparing the estimated actuals for FY/25 to the original budget for FY/25 is approximately 0.1% and the increase in recurring expense is 2%. When comparing the FY/26 proposed budget to the FY/25 estimated actual, recurring revenues are estimated to increase by 4.4% and recurring appropriations grow by 0.8%. The moderate increases in recurring revenue and slight increase in expense from the FY/25 estimated actual compared to FY/26 proposed are mostly due to the normalization of the economy and standard expense technical adjustments such as a 2% medical increase, 0.5% retirement increase, mid-year position additions, and \$14.6 million for wage increases, which is subject to negotiations for applicable union positions.

AGGREGATE COMPARISON OF GENERAL FUND RECURRING/NON-RECURRING in (\$000's)					
(\$000's)	Original Budget FY/25	Estimated Actual FY/25	% Change Est. FY/25 to Original FY/25	Proposed Budget FY/26	% Change Est. FY/25 & Prop. FY/26
Revenue:					
Recurring	\$828,488	\$829,177	0.08%	\$865,941	4.43%
Non-recurring	\$4,205	\$4,207	0.05%	\$4,362	3.68%
TOTAL	\$832,693	\$833,384	0.08%	\$870,303	4.43%
Appropriations:					
Recurring	\$818,790	\$834,769	1.95%	\$841,296	0.78%
Non-recurring	\$32,403	\$32,597	0.60%	\$29,091	-10.76%
TOTAL	\$851,193	\$867,365	1.90%	\$870,387	0.35%
Recurring Balance	\$9,698	(\$5,592)		\$24,645	
			Operating Reserves	\$72,532	

NON-RECURRING REVENUE

General Fund non-recurring revenues for FY/26 are listed below. The City receives a food and medical "hold harmless" distribution from the State that previously generated about \$38 million per year. During the 2013 Legislative Session, H.B. 641 was passed which among other things, approved a 15-year phase-out of that distribution beginning in FY/16 and ending in FY/30. FY/26

marks the eleventh year of the phase out. For FY/26, the phase out drops from 35% to 28%. The annual phase-out amount is estimated at \$4.4 million in FY/26 and, therefore, is treated as one-time for the proposed FY/26 budget so that no recurring expenses may be appropriated against it.

FY/26 Non-Recurring Revenue (\$000's)

General Fund – 110

FY/26 Reduction of Food & Medical Hold Harmless Distribution	\$4,362
--	---------

Total Non-Recurring Revenue	\$4,362
------------------------------------	----------------

NON-RECURRING APPROPRIATIONS

General Fund non-recurring appropriations total \$29.1 million and are listed in the following table. Highlights include: \$1.2 million for homeless shelter operations; \$8 million for affordable housing vouchers; \$1 million for risk recovery; \$1.9 million for Arts and Culture sponsored

events; \$1 million for LEDA projects; \$2.6 million for Health, Housing and Homelessness sponsored initiatives; \$143 thousand for Youth and Family Services sponsored initiatives; and \$1.3 million to continue the Job Training program.

GENERAL FUND APPROPRIATIONS BY DEPARTMENT

The following table shows a comparison of General Fund appropriations by department for the FY/26 proposed budget as compared to the original FY/25 budget. The overall change is an increase of \$19.2 million or 2.3% from FY/25.

In FY/25, the Department of Family and Community Services was separated into two departments. The Departments of Health, Housing and Homelessness, and Youth and Family Services now serve the community with refined missions.

The Fire Department has the largest proposed budget increase of \$12.5 million or percentage increase of 10%. Negotiated contract wage increases and CIP coming-on-line for Station 23 account for the proposed increase.

City Support has the largest increase at 21% due to the transfer of \$8 million to the Grant Operating Fund (265) to support housing vouchers. The Environmental Health Department has the second largest proposed percentage increase at 18%. The large increase is primarily due to the transfer of six positions from the General Services Department's Sustainability Division.

The Transit operating subsidy is maintained at \$30.1 million in the proposed budget. The expiration of grant funds and reduced fund balance necessitate the need for the continued subsidy amount.

Proposed wage increases of \$8 million, excluding Fire Department negotiated wage increases, are the largest increase for the General Fund and are subject to negotiations for positions associated with a union.

General Fund Appropriations by Department (\$000's)

PUBLIC SAFETY QUARTER CENT TAX

In October 2003, voters approved the Public Safety Quarter Cent Gross Receipts Tax. The legislation specified that 34% of the tax is to be used for APD, 34% for emergency preparedness/AFR, 26% for crime prevention and intervention and 6% for corrections and detention. With the transition of the management of the Metropolitan Detention Center to the County, the final 6% is used for transport and processing of prisoners to the facility. The list

below details the General Fund appropriations totaling \$56.6 million. This is the available amount for appropriation after accounting for 1/12th held for reserve. It should be noted that previously given wage increases for Police and Fire exceeded available Public Safety Quarter Cent funds and the balance is currently absorbed by the General Fund.

Total Quarter Cent Appropriations	
Department	FY/26
Police	
On-going Recurring Costs	19,258,393
Prisoner Transport/processing	3,398,540
	22,656,933
Fire	
On-going Recurring Costs	19,258,393
Health, Housing & Homelessness	
Administrative Operating Costs	1,396,178
Affordable Housing Contracts	1,614,834
Emergency Shelter Contracts	5,658,470
Gibson Medical center	2,388,320
Health & Human Services	915,150
Homeless Support Services	580,750
Mental Health Contracts	448,030
Substance Use Contracts	1,015,649
Youth and Family Services	
Educational Initiatives	709,625
	14,727,006
Total	56,642,332

RESERVES

The proposed budget contains \$73.3 million in reserves. The City's policy is to maintain an operating reserve equal to 1/12th of the total appropriation. This standard is more conservative

than the State standard as the calculation includes additional line-items such as transfers to other funds and non-recurring appropriations.

General Fund Reserves (\$000's)

1/12th Operating Reserve	72,532
Runoff or Special Election	750
Total Reserves	73,282

CHANGES IN EMPLOYMENT

The table below gives an historical perspective of City positions. Among all operating funds, staffing levels increased by a net of 45 full-time equivalent positions which is 0.1% higher as compared to the original budget for FY/25.

The Grant Funds have the majority of the net new positions at 43. Of the additional 43 net new positions in the Grant Funds, 50 positions were created in the Police Department to support the funding received from the Community Oriented Policing Services grant. Six Grant Fund positions were eliminated in the Transit Department due to the expiration of the grant.

The net reduction in General Fund positions was the result of the proposed inactivation of 26 full-time positions and various position additions throughout departments during FY/25.

Of the five net new positions in Other Funds, four full-time positions were created from the elimination of six part-time positions in the Senior Services Provider Fund.

Details of changes in the level of employment are included in the respective department budget highlights and the schedule of full-time personnel complement by department contained in the Appendix.

GOALS

City of Albuquerque Community Vision, Goal Areas, Goal Statements and Desired Community Conditions		
VISION: Albuquerque is an active, thriving, inclusive, culturally rich, sustainable, high desert community.		
Goal Area	Goal Statement	Desired Community Conditions
HUMAN and FAMILY DEVELOPMENT	People of all ages have the opportunity to participate in the community and economy and are well sheltered, safe, healthy, and educated.	<ul style="list-style-type: none"> • Individuals of all ages are thriving • Housing is affordable, available and safe • Individuals experience food security • Institutions that support human development and family are resilient • Individuals are physically and mentally healthy • Individuals have access to quality educational opportunities
PUBLIC SAFETY	The public is safe and secure and shares responsibility for maintaining a safe environment.	<ul style="list-style-type: none"> • Institutions are trusted and effective • People are safe • All forms of transportation are safe • Property is safe • Public shares responsibility for maintaining a safe environment • Neighborhoods are clean and well maintained
PUBLIC INFRASTRUCTURE	The community is adequately and efficiently served with well-planned, coordinated and maintained infrastructure.	<ul style="list-style-type: none"> • Opportunities to use alternative forms of transportation exist • Personal mobility is supported and ADA-compliant • Public buildings, facilities and parks are well-maintained and meet changing community needs • Utilities are accessible, affordable and well maintained • Clean water is affordable and available • Renewable energy is prioritized • Public roads, sidewalks, bike lanes and other street infrastructure are available and well-maintained
SUSTAINABLE COMMUNITY DEVELOPMENT	Communities throughout Albuquerque are livable, sustainable and vital.	<ul style="list-style-type: none"> • Communities are diverse • Community is accessible • Equitable access to city amenities • Opportunities are available to live active and healthy lifestyles • People like where they live • People shape where they live • Urban sprawl and infrastructure stretch is managed
ENVIRONMENTAL PROTECTION	Protect Albuquerque's natural environments – its mountains, river, bosque, volcanoes, arroyos, air, and water.	<ul style="list-style-type: none"> • Air quality is preserved • Heat impacts are reduced • Man-made environmental impacts are minimized • Open space is preserved • Reliance on fossil fuels is minimized and renewable energy is maximized • Waste stream is reduced and recycling and composting are available and efficient • Water quality and quantity are protected • Wildlife is protected • Green spaces are included in community planning
ECONOMIC VITALITY	The economy is vital, diverse, inclusive, equitable, sustainable and works for all people.	<ul style="list-style-type: none"> • Businesses are thriving • Economic opportunity and mobility are supported • The economy is diverse • The workforce is thriving • Local businesses are supported
COMMUNITY and CULTURAL ENGAGEMENT	Residents are engaged in Albuquerque's community and culture.	<ul style="list-style-type: none"> • The community is engaged and empowered to influence policy • Cultural opportunities reflect the community and are available and accessible • Individuals in the community feel a sense of belonging • Community activities are available for people of all ages
GOVERNMENTAL EXCELLENCE and EFFECTIVENESS	Government is ethical, transparent, and responsive to its residents. Every element of government contributes effectively to meeting public needs.	<ul style="list-style-type: none"> • The City is innovative and solves problems proactively • Financial assets are protected • Services are efficient, effective and promoted broadly • The City is responsive and accessible • Government is trusted • Services are equitably distributed • Language access is provided

FINANCIAL CONSOLIDATIONS

FINANCIAL CONSOLIDATIONS

The City of Albuquerque's operating budget includes a total of 35 funds divided into six category types. Individual funds are established for specific purposes and operate as separate accounting entities; however, large numbers of financial transactions can occur between these funds.

Because the total dollars involved in such transactions are appropriated in more than one fund, they are counted twice, inflating the total expenses of the City. Just as the expenses are counted twice, so are revenues because the funds receiving the transfers treat such transfers as revenue. These entries distort the City's total appropriations and revenues by overstating them.

For example, Some transactions are at arm's length, such as payments in lieu of taxes (PILOT) and indirect overhead (IDOH) that enterprise and grant funds pay to the General Fund as a cost of doing business. The enterprise or grant fund will receive the initial revenue from fees or a grant award and transfer its PILOT or IDOH payment to the General Fund as a transfer expense. The General Fund records this entry as transfer revenue and can subsequently appropriate it as an expense in another department if necessary. Hence, the overstatement of revenues and appropriations.

Other transactions are more obvious such as reimbursement of CIP funded employees. City policy requires that all positions be funded in an operating fund. Thus, employees hired to do construction projects financed by General Obligation Bonds are expensed in the General Fund and then reimbursed through the capital program with a transfer.

Finally, transactions in the form of direct transfers between funds can occur for a wide variety of reasons. Funding for debt service is transferred from the appropriate operating fund to the corresponding debt service fund. A city match for a grant is budgeted in the General Fund as a transfer to the operating grant fund. Some operations such as Transit and Stadium require a subsidy from the General Fund done in the form of a transfer as well. Some funds are established to record financial

transactions that are shared between two separate government bodies. This entry requires a transfer to appropriate the money in the General Fund as well as in the resident fund. As originally stated, when counted with the non-transfer revenues and appropriations, all of these transfers distort the City's financial position by overstating them. The consolidation tables on the following pages prevent this distortion by eliminating such interfund transactions.

Consolidations are shown on the following pages for the current fiscal year. There are three types of consolidation tables: (1) combined revenues by fund group; (2) combined appropriations by fund group and department; and (3) consolidated revenues, appropriations and fund balances.

The first two sets of tables summarize the total City budget. The first column in both tables is the combined City total for all funds and fund groups after all eliminations. The second column shows the total amount that has been eliminated. The third column is the total appropriated prior to eliminations.

The third table covers the six different fund groups. The General Fund accounts for general government functions and is supported primarily by taxes. Special funds have specific revenue sources and limitations on their use. Some of these are grants from other governmental agencies. The City budget separates them based on whether it is possible to appropriate them in this document or if they are appropriated at a later time due to timing issues with the grantor. Debt Service funds provide for the reservation of monies for the payment of interest and principal on outstanding debt obligations. Enterprise funds account for services provided and paid for by rates and user fees. Internal service funds service the City and other governmental agencies and receive all revenue from those agencies.

Individual fund tables that support these financial consolidations are located in the department budget highlights section in this document.

ECONOMIC OUTLOOK

The national economy influences the Albuquerque and New Mexico economy in a variety of ways. Interest rates affect purchasing and construction; federal government spending affects the local economy through spending and employment at federal agencies, national labs and military bases. Inflation affects prices of local purchases as well as wages and employee salaries.

The following information is from the Five-Year Forecast prepared in October 2024 and reflects the best available data to assess the post COVID-19 recovery environment. The data uses October 2024 quarterly forecasts from IHS Global Insight (IHS) and the University of New Mexico Bureau of Business and Economic Research (BBER). Unless otherwise noted, all annual data has been adjusted for City fiscal years. Along with the baseline forecast, alternative forecasts are prepared with pessimistic and optimistic scenarios. The Five-Year Forecast is available on the City's website at

<http://www.cabq.gov/dfa/budget/five-year-forecast>.

Baseline Scenario

In the baseline forecast, assigned a probability of 55%, IHS Global Insight (IHS) projects annual Real GDP growth to decrease from 3.1% in FY/24 to 2.4% growth in FY/25 to 1.9% FY/26. Growth is expected to continue modestly at an average 1.7% through the end of the forecast. However, the IHS October forecast pre-dates, and therefore does not include, potential impacts of the incoming federal administration. This would be difficult anyway, given the uncertainty of potential policies intended to increase economic growth that could further stoke inflation.

The national unemployment rate in this scenario is projected to increase from 3.8% in FY/24 to 4.2% in FY/25. For FY/26, the rate increases further to 4.4%. The rate averages 4.5% throughout the remainder of the forecast.

Inflation (CPI-U) is projected to decrease from 3.3% in FY/24 to 2.1% in FY/25. However, in FY/26 and FY/27, the rate is projected to trend upward again, to 2.7%. Inflation then averages much closer to the federal government's target rate at 2.2% for the remainder of the forecast.

Wage growth is projected to decrease from 4.3% in FY/24 to 3.7% in FY/25, to 3.5% in FY/26. Wage growth averages 3.5% for the remainder of the forecast.

Average oil price (West Texas Intermediate) peaked at about \$87.8 per barrel in FY/22, dropping to just

under \$80 in FY/24. For FY/25, the price is projected to decline more dramatically, to \$70.4, then nearly flat growth at \$71.8 in FY/26. The price averages about \$79 for the remainder of the forecast.

Despite the avoidance, so far, of a recession as the economy cools, risks and uncertainties remain. International conflicts and slowdowns in major economies around the world still pose considerable uncertainties and risks.

Neither the October nor November IHS forecasts include consideration of the U.S. incoming presidential administration's policy proposals. If proposed tariffs are implemented, IHS notes future forecasts will likely show more inflation, higher interest rates, and weaker GDP growth in the near term than what is shown in the current available forecasts.

Year-to-date GRT revenues through October 2024 are tracking slightly higher than expectations, thanks in part to a \$1.3 million lump sum hold harmless distribution received earlier in the year, and also due to 6.5% growth for the month of October 2024. Cumulative growth for the year is 4.5%, or one percentage point above the forecasted growth for FY/25. Detailed revenue projections can be found in the Revenue Outlook section of the Five-Year Forecast.

Pessimistic Scenario

The pessimistic scenario is assigned a probability of 25%. In this scenario, both consumer spending and GDP growth are slower than in the baseline.

In this scenario, conflicts in the Middle East and Ukraine worsen, causing energy prices to climb well above the baseline. Capital markets struggle, leading to declining equity values and tighter lending conditions which hampers credit availability for consumers and businesses. The price of oil is expected to rise from \$80 per barrel in FY/24 to around \$89 from FY/25 through FY/27.

The unemployment rate spikes to 5% in FY/25 and just over 6% in FY/26 and FY/27.

Optimistic Scenario

The optimistic scenario is assigned a probability of 20%. In this scenario, fighting in the Russia-Ukraine conflict and in the Middle East subsides and equity markets perform better than in the baseline. This provides for robust credit availability and increased consumer spending, with lower energy prices, increased productivity and corporate profitability.

NATIONAL ECONOMY AND ECONOMIC OUTLOOK - IHS GLOBAL INSIGHT

The unemployment rate in the optimistic scenario tracks very closely to the baseline, rising slowly through FY/27 before leveling off at about 4.3% for the remainder of the forecast.

U.S. ECONOMIC VARIABLES AND FORECAST (FISCAL YEAR)
December 2024 Baseline Forecast

ALBUQUERQUE ECONOMY AND OUTLOOK

The employment outlook for the Albuquerque economy is developed by UNM BBER. They use national forecasts from Global Insights and local metrics to develop forecasts for the state and local economy. The UNM BBER forecasting model for October 2024 provides the forecast of the Albuquerque economy presented in the following section.

During the 2008 recession, Albuquerque's economy declined in sync with the national economy but lagged in its recovery. The Albuquerque economy lost over 27,000 jobs from FY/08 to FY/12, a 7% loss of total employment.

After 10 years of gains, employment in the Albuquerque Metropolitan Statistical Area (MSA) registered 380,079 jobs in FY/19, still shy of the 382,270 pre-recession peak reached in FY/08.

Overall, BBER estimates that the MSA lost about 18,492 jobs from FY/19 to FY/21 as a result of the COVID-19 pandemic. In April 2020, during the most severe portion of the economic shut-down to curb the spread of COVID-19, the Albuquerque MSA unemployment rate spiked to 12.8%. By the second half of FY/23 the City had exceeded the pre-pandemic high, rising to about 394,000 jobs.

As of October 2024, BBER estimated employment in the City reached about 400,252 jobs in FY/24, or about 1.5% growth over FY/23. Growth is expected to continue, but slowing to 1.3% and 0.5% in FY/25 and FY/26, respectively.

The Albuquerque MSA unemployment rate decreased to a low of about 3.3% in FY/23; however, as the economy continues to slow, the rate is expected to gradually increase to 4.4% in FY/24 and FY/25, and then average 4.6% for the remainder of the forecast period.

Economic alternatives will be discussed in more detail elsewhere in this document. However, in the pessimistic scenario, employment growth slows to 0.2% in FY/25, and -1.3% in FY/26. It then averages 0.4% for the remainder of the forecast.

What follows is a series of charts and tables providing comparisons of Albuquerque to the U.S. economy in addition to Albuquerque MSA employment numbers from FY/18 to FY/29 by major business sectors as categorized by the North American Industrial Classification System (NAICS) categories.

Retail and Wholesale Trade

This sector accounts for about 13.5% of employment in the MSA and is particularly important in terms of the Gross Receipts Tax (GRT), historically comprising about 25% of GRT. However, due to shifts in employment and business sectors following COVID-19 in FY/21, and tax changes in FY/22 which allowed for local tax increments on internet sales, this sector's share of GRT rose to about 31% in the past few years.

ALBUQUERQUE ECONOMY AND OUTLOOK

After the sharp -3.5% employment decline in FY/20 at the height of the pandemic, retail and wholesale trade rebounded an estimated 0.2% and 3.1% in FY/21 and FY/22, respectively. For FY/23, growth slowed less than expected to about 2.2%, but then was nearly flat in FY/24. Growth is nearly flat in FY/25 and then experiences a slight contraction for the remainder of the forecast. The expectation of slow to negative growth reflects continued inflationary pressures and tighter consumer spending due to reduced savings rates and ongoing caution about the state of the economy.

Transportation, Warehousing and Utilities

Transportation and warehousing, while important, accounts for just 3.2% of employment and 0.7% of GRT. In retrospect, the sector was impacted by COVID-19 later than other sectors. As the recovery took hold and supply chain issues occurred, this sector saw a significant increase in FY/22 with growth at an estimated 35%. In FY/23, supply chain issues resolved and the economy cooled somewhat, yet growth still continued at 8.5%. In FY/24 growth actually declined by about 4.1%. For FY/25, this sector rebounds by 2.4% and then cools for the remainder of the forecast.

Manufacturing

This sector accounts for about 4.2% of employment and 2.4% of GRT in the MSA. It is

an important sector as it creates relatively high paying jobs that bring revenue from outside the area. It also generates purchases of materials and services in the local economy, making this sector's impact greater than its employment share.

The sector experienced significant post-COVID-19 recovery growth at 4.6%. However, with the exception of modest growth in FY/25, this sector is expected to shrink, slightly through the remainder of the forecast reflecting ongoing efforts to slow inflation and the economy.

Educational and Health Services

This section represents two sectors, in line with the summary of jobs generally shown in the NAICS sectors. The majority of jobs are in health services and account for 15% of total employment. Albuquerque has a major regional medical center that attracts people into the area for services. Presbyterian Hospital and its HMO are one of the largest employers in the area.

While this was the only sector that increased through the 2008 recession, it did experience an initial decline during the most recent pandemic-caused recession of about 0.5% in FY/21 as elective procedures and routine medical care were put on hold to ensure capacity to treat COVID-19 cases. However, growth continued in FY/22 and reached nearly 4% in FY/23. In this forecast, growth slows, but remains positive in FY/24 and for the remainder of the forecast.

Educational services was also impacted by the pandemic as schools struggled with decisions about remote learning and lost revenues. However, in FY/22 and FY/23, the sector rebounded by nearly 15% and 11%, respectively, as students returned to campus in larger numbers. Additionally, in early calendar year 2022, lawmakers expanded the 2-year-old Opportunity Scholarship, which was intended to cover all tuition and fees for some students.

ALBUQUERQUE ECONOMY AND OUTLOOK

However, growth slowed dramatically in FY/24, at 1% and is expected to decline slightly in FY/25 and FY/26.

Accommodation and Food Services

This category includes eating and drinking establishments as well as hotels and other travel related facilities. It accounted for 9.9% of employment in the MSA in FY/24, which represents the first time this sector exceeded the pre-pandemic high, by about 480 jobs, and two years sooner than early projections. The sector is a major contributor to both GRT, at 10%, and Lodgers' Tax, and was a major contributor to employment growth since the 2008 recession.

This sector was one of the most severely impacted by COVID-19, dropping from steady pre-pandemic growth to a 13.6% decline in FY/21, representing a loss of more than 8,000 jobs. However, in FY/22 the sector rebounded even more than projected at nearly 18%. Yet despite the post-pandemic progress, in FY/24 growth slowed to 2.2%, and is expected to slow further, to 1.3%, in FY/25. Growth remains flat to slightly negative for the remainder of the forecast.

Real Estate & Financial Activities

This section includes two sectors, finance and insurance and real estate, including credit intermediation. It accounts for about 4.5% of

employment in the MSA. The 2008 financial crisis, consolidation of banking, and the collapse of real estate negatively impacted this sector; however, FY/14 to FY/19 growth was strong at above 2% each year. However, following the impact from COVID-19, the growth declined 2.5% in FY/21, with modest recovery of 1.5% and 2.5% in FY/22 and FY/23, respectively. As projected, this sector shrunk in FY/24 and is expected to decline again slightly in FY/25. However, by FY/26, growth returns, but at an anemic pace for the remainder of the forecast.

Professional and Other Services

This category is a grouping of four service sectors (Professional and Technical, Management of Companies, Administrative and Waste Services, and Other Services) and accounts for 18.8% of employment in the MSA and about 23% of GRT. It includes temporary employment agencies, some of Albuquerque's back-office operations, and architecture and engineering firms that are closely tied to construction. It also includes Sandia National Labs (SNL).

The sector as a whole remained weak until FY/16 when construction services (engineering and architecture) began adding jobs. The sector showed growth in FY/16 of less than 1%, growing to over 2% from FY/17 to FY/19. With many of these jobs allowing for work from home, the professional technical portion of this sector was not impacted as much by the COVID-19

ALBUQUERQUE ECONOMY AND OUTLOOK

pandemic; however, it did decline more than first expected, at -3.1% in FY/21, which is in stark contrast with the previous three years' 2.5% average growth. While the sector rebounded in FY/22 with 4.4% growth and has exceeded the pre-pandemic high, it is expected to gradually slow through FY/27 before leveling out for the remainder of the forecast.

Information

This sector includes businesses in telecom, broadcasting, publishing, internet service establishments, and film studios. It accounts for about 1.3% of employment in the MSA. This sector declined steadily since FY/16, with a pronounced decline of 12.8% and 12.5% in FY/20 and FY/21 with the onset of COVID-19 and the devastating impact it had on the burgeoning film industry. While the sector grew an estimated 10.5% in FY/22 and 5.4% in FY/23, the sector declined again in FY/24 by 6.7%. In FY/25, the projection is for continued, but less pronounced contraction by about 0.6%, before a slight bump of 1.2% in FY/26. Unfortunately, this sector is expected to continue to struggle for the remainder of the forecast.

Arts, Entertainment and Recreation

This is a relatively small sector with 1.4% of MSA employment, a slight increase from the pre-pandemic level of 1.2%. It includes artists, entertainers, spectator sports, and recreation facilities such as bowling alleys and fitness centers, most of which were significantly impacted by the pandemic. In FY/19, this sector showed strong growth of 6.3% but this was cut short during the pandemic, with declines of 11.9% and 27.5% in FY/20 and FY/21, respectively. Interestingly, unlike most other sectors, this sector is expected to continue growing, at an average of 2.5%, through the end of the forecast.

Construction

Construction is typically cyclical, with significant swings in building and employment. Construction is an important sector and has an impact on the economy larger than its employment share of 6.8%. After falling consistently from FY/07, employment in construction began increasing at the end of FY/13 and continued to grow rapidly through FY/18. The sector began to level off in FY/19, prior to the onset of the pandemic. However, this sector began FY/20 with 2.9% growth and stayed positive despite the health crisis as this sector was deemed essential during the peaks of the crisis. In the post-pandemic years, this sector did best in FY/23 when it hit 5% growth; however, growth has since declined and is expected to slip to 2.1% in FY/25, and then dip below 2% for the remainder of the forecast.

Construction permits typically show the trends in construction and the types of construction. The graph following this section shows the real values of building permits after adjusting for inflation. Construction is categorized as new construction or additions, alterations, and repairs.

Accounting for inflation, real construction growth peaked in FY/17 but slowed in FY/18 and FY/19. Then despite the impacts of the pandemic, including significant issues around supply chains and rising costs of materials, construction permits

ALBUQUERQUE ECONOMY AND OUTLOOK

increased again in FY/20 and stayed steady until falling again briefly in FY/23. UNM BBER projections for total housing permits in FY/25 increase by 25.3%, or to about 1,182 units, with about 60% of those as single-family housing units. The projection declines to 18% in FY/25, with growth roughly cut in half each subsequent year through the end of the forecast. This forecast is conservative and does not include construction employment or revenue that could result if the Maxeon or other significant projects come to fruition; however, recently updated information on Maxeon shows that if it does go forward it will likely be on a more modest scale than early projections.

Building permits only tell part of the construction story. Non-building construction such as roads and storm drainage are not captured in the permit numbers. Large construction projects for the State, such as University Hospital, are permitted by the State rather than the City. Employment in

the construction sector gives a picture of growth in the entire MSA. The rapid growth in construction employment in FY/17 coincides with a large increase in building permits. In FY/18, construction employment showed continued increases while building permit values declined substantially. This was due primarily to two factors: first, the City experienced a very large increase in commercial construction in FY/17, and as of FY/18, APS no longer obtains building permits from the City. Instead, APS now obtains permits from the State, as UNM does. Secondly, Facebook had a very large construction project in Los Lunas that employed 800 to 1,000 construction workers; however, this also does not generate building permits in the City.

As shown in the chart below, construction employment moves similarly to permit values, but differences occur. Some of this is due to projects outside the City as well as non-building projects.

Government

The government sector makes up 19.4% of the Albuquerque MSA employment, with the largest part of State and Local government being education. Local government includes public schools and State government includes the University of New Mexico and Central New Mexico Community College. The local sector also includes Native American enterprises. Federal government makes up 3.7% of Albuquerque MSA employment but only about 1.9% of national employment. Note this does not include military employment, which is counted separately, or

employment at the national labs which is included in professional and business services.

Active military is around 5,800 or about 1.4% of the total non-agricultural employment. Nationally, military is 1% of total non-agricultural employment.

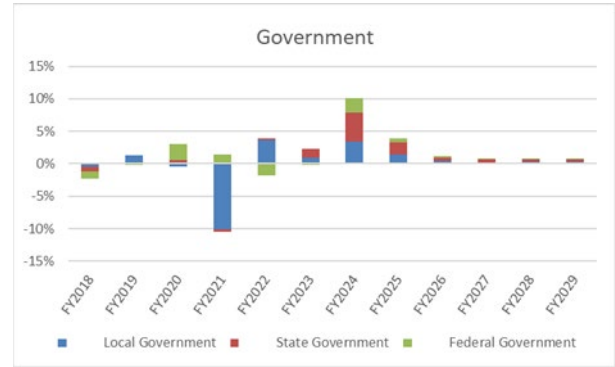

The major sources of state and local jobs are education, though the Labor Department does not keep individual counts for these jobs at the local level for Albuquerque. Local government declined in FY/14 through FY/18. It recovered slightly in FY/19, only to be impacted again with a decline of 10.1% due to the pandemic, largely

ALBUQUERQUE ECONOMY AND OUTLOOK

due to jobs associated with native businesses, such as casinos. Local government lost an estimated 4,272 jobs in FY/21 and isn't expected to recover all of those jobs until beyond the current forecast period.

Federal government increased in FY/20 and FY/21 despite the pandemic due to the U.S. Census. Consequently, in FY/22 there was a slight compensating decrease. Most growth was in the local sector for FY/22, while State growth provided most of the growth in FY/23.

In FY/24, all government grew at a modest rate; however, for FY/25, this drops dramatically, with virtually flat growth through the remainder of the forecast.

REVENUE ANALYSIS

REVISED FY/25 AND PROPOSED FY/26 REVENUE PROJECTIONS

The General Fund revenue projections are summarized in the two tables included in this section. The first table, General Fund Revenue Changes, presents growth rates with the most recent estimates. The second table, General Fund Revenue Estimates, presents comparisons of the current revenue estimates by major revenue source. For FY/24, the actual audited results are reported. FY/25 includes revenues from the approved budget, the revised estimate in the Five-Year Forecast, and the estimated actual for FY/25 prepared with the proposed FY/26 budget. Considerable uncertainties to the FY/25 and FY/26 projections remain.

Revised FY/25 Revenue Estimates. The estimated actual revenue for total FY/25 General Fund is \$833.4 million, which is \$691 thousand, or .08%, above the FY/25 approved budget. Gross Receipt Tax (GRT) revenues are projected to grow slightly faster than in the original budget due to more stable economic conditions than were present when the FY/25 budget was developed. However, these conditions have been put under stress in recent weeks following federal policy uncertainties signaled by the new administration. Consequently, FY/25 GRT revenues will be closely monitored and expectations will be adjusted if necessary. Increases in GRT are countered somewhat by some decreases in other revenue categories such as property taxes and permit revenue. In the case of permit revenue, the FY/25 amount is reduced \$4 million from the original budget due in part to lower expectations based on FY/24 actuals; however, \$1.5 million of the reduction is because fee increases City Council approved in the FY/25 budget were subsequently disapproved by the Council in the enabling ordinance O-24-60 that came later.

Non-recurring GRT revenue in FY/25 is \$4.2 million, which is the estimate for the phase out of food and medical hold harmless payments that will not be received in FY/26.

The following section on the FY/26 proposed budget includes some detail on FY/25.

Revenue Estimates for the Proposed FY/26. Total FY/26 revenues are estimated to be \$870.3 million, which is 4.4%, of \$36.9 million, above the FY/25 estimated actual. Non-recurring revenue reflecting continued loss of hold-harmless distributions is approximately \$4.4 million, as the share to municipalities decreases to 28% in FY/26.

Gross Receipts Tax Revenues. For the first seven months of FY/25, base GRT growth, as measured by the State shared revenue, showed gains of 2.3% cumulative growth. This growth is trending slightly higher than the 2.1% growth assumed in the approved FY/25 budget, but lower than the 4% growth assumed in the current FY/25 estimated actual.

For FY/26, base GRT as measured by the State shared 1.225% is expected to increase by 2.9% over the estimated actual for FY/25. Negative impacts to growth include reduced hold-harmless payments and the general consensus that slower growth is expected during the year. This latest estimate was calculated with national and UNM BBER data available in January 2025. Since January, there have been a number of potentially negative federal policy impacts such as tariffs, cuts to federal jobs and grant funding, as well as international conflicts, which could negatively impact business investment and consumer confidence. These impacts increase the amount of uncertainty in the economy and in the revenue projection in this budget.

The economic models used to forecast GRT use information about the economy from the national IHS Global Insight (IHS) forecast and the UNM BBER forecast of the local economy. Gross receipts from construction are estimated separately from gross receipts received from all other sources. This is designed to account for the volatile nature of construction and the different factors that affect it.

Property Tax. For the second quarter, FY/25 revenues were decreased by 0.6%, or about \$671 thousand, from the approved budget. In tax year 2024, the Bernalillo County Assessor reported taxable values for residential and non-residential properties increased 5.5% and 5.7%, respectively. However, for the 2024 tax year, the State imposed yield control by lowering the City's effective mill rate to keep in compliance with State statutes which restrict property tax revenues from increasing too rapidly. As of the second quarter estimate, year-to-date revenues at the County were tracking close to the City estimate of about 4% growth for the year. The City will continue monitoring these revenues closely to assess the potential negative impacts of yield control.

For FY/26, the expectation is for continued efforts at the County to address valuation discrepancies; however, the projection is for slower growth at

about 3%. Additionally, enabling legislation was passed during the 2025 New Mexico Legislative Session for two constitutional amendments, passed by voters in the November 2024 general election, to expand property tax exemptions for veteran homeowners. Preliminary State analysis indicates that if local governments have sufficient unused mill taxing authority, then most of the cost to local governments will be offset by raising the effective mill rate, shifting some of the tax burden to non-veteran home owners. The City will be monitoring revenues closely given the level of uncertainty regarding the impact of these constitutional amendments.

Franchise Taxes. FY/25 franchise tax revenues were reduced \$2.1 million, or about 6.1%, from the budget based on year-to-date revenues and FY/24 actuals, which finished below 4.4% below the previous year. The electricity and gas franchises were adjusted down \$1.4 million and \$1.7 million, respectively, while the water franchise was adjusted about \$1.1 million upward, reflecting the Water Authority's reported a 12% rate increase which should impact revenues in FY/25.

For FY/26, growth is expected at about 3.1% over FY/25 estimated actuals. The New Mexico Public Regulation Commission is considering a rate increase requested by PNM, which has proposed increasing rates in two phases to mitigate customer impact. The proposed increase is projected to raise the average residential bill \$11.12 per month in mid-2025 and \$12.48 per month in January 2026. Natural gas prices are projected to increase in FY/26; however, the forecasted revenue is still conservative, at 3.5%.

Payments-In-Lieu-Of-Taxes (PILOT). PILOT for FY/25 is generally left flat with the approved budget. FY/26 is decreased slightly by \$7 thousand from the estimated actual.

Building Permits. Valuations of permits issued by the City's Planning Department ended FY/24 31% above FY/23, with single and multi-family permits 29% and 666% above the previous year, respectively. The number of new multi-family permits were 69 compared with 5 in FY/23. Commercial permits ended 3% below FY/23. For FY/26, year-to-date permit valuations as of February 2024 are about 13.4% below the same time last year.

For FY/24, total building permit revenue, which also includes plumbing, mechanical and electrical permits, ended \$773 thousand, or about 8.1% below FY/23. For FY/25, building permit revenues are reduced 17.2%, or about \$2.1 million, from

the approved budget due to lower year-to-date actuals.

For FY/26, the estimate for building permit revenue is increased about \$1.4 million. The Planning Department will be updating the construction valuation tables used to estimate costs, which have not been updated since 2009.

As a note, major construction projects planned by the state, including Albuquerque Public Schools or the federal government, and road projects do not fall under the City of Albuquerque permitting process and the City receives no permit revenue. However, GRT is paid both by the state and federal governments on construction projects.

Other Licenses/Fees. Included in this category are revenues from permits and licenses for restaurant inspections, animal control, liquor establishments, business registrations, use of the City right of way, and other miscellaneous fees. FY/24 ended 1%, or about \$52 thousand below FY/23.

FY/25 revenues were adjusted about \$4 million below the approved budget, in part to be more in line with FY/24 actual revenues. However, about \$1.5 million of the reduction is because a change to the fee structure that was approved in the original budget was subsequently disapproved by City Council in the enabling legislation.

For FY/26, revenues are projected to increase about 11.4%, or about \$584 thousand over FY/25. This increase is partly related to an update to trade service fees, implemented in the second half of FY/25, which will impact FY/26 for the full year.

Other Intergovernmental Assistance. Other intergovernmental assistance includes State shared revenues (excluding GRT), grants and county shared revenues.

The other source of intergovernmental revenue is the State Shared Municipal Road Gas Tax. Growth for this category has been stubbornly slow due to relatively stable fuel prices, the expansion of fuel-efficient vehicles, and very slow population growth in Albuquerque. For FY/26, other intergovernmental revenue increases by about \$443 thousand.

Charges for Services. Charges for services include fees charged for entry into City venues and services provided to citizens and other entities. FY/24 revenues ended about 1%, or \$259 thousand, over the previous year.

FY/25 revenues are budgeted at just 0.2% growth, reflecting lower consumer demand as the economy cools, and absent any notable population growth. This is despite some modest BioPark, golf, and aquatic fee increases that were implemented in FY/25. Year-to-date revenues in this category as of February show a decline of 3.7%. The busier summer season is approaching which could improve growth; nevertheless, these revenues will need to be watched closely.

For FY/26, revenues are expected to increase an estimated 1.6%, or \$451 thousand. About half of this is due to a modest \$1 increase to in-State BioPark fees in the proposed budget for adults, children and seniors. This is the first update to the in-State fees since 2017, despite significant increases in costs in recent years. In FY/25, out-of-State BioPark fees for adults, children and seniors increased by \$5.

Internal Service Charges. These revenues are primarily for office services charges and engineering inspections. For FY/24, revenues increased just under \$3 thousand, or about 1.8% from the previous year. For FY/25, revenues are estimated at \$155 thousand, or about 8% above FY/24 due to slightly higher year-to-date actuals. For FY/26, the projection is flat with FY/25.

IDOH. Indirect overhead for FY/24 decreased about \$613 thousand, or about 3.2%. For FY/25, revenue was left at the budgeted amount. For FY/26, revenue increases a projected \$13 million due to an adjustment in rates to better capture actual IDOH costs, which have increased in recent years.

CIP-Funded Positions. For FY/24, this revenue, which is dependent on actual construction demand during the year, decreased by \$68 thousand, or about 0.8%. For FY/25, the estimate is flat with the approved budget. For FY/26, this revenue is projected to increase 3.5%, or \$487 thousand.

Interest Earnings. Investment earnings for FY/24 finished the year at \$2 million, or 111% over the previous year. These revenues are highly dependent on market conditions and fund balances, both of which were still favorable in FY/24. FY/25 revenue is projected to be just under \$2 million, or 48.4%, lower than the previous year. However, year-to-date revenues are tracking even less than the projection, and will be carefully monitored for a possible adjustment downward at the third quarter. For FY/26, the projection is currently flat with the FY/25 projection, at just under \$2 million.

Other Miscellaneous Revenues. This category includes fines, rental of City property and other miscellaneous revenues. For FY/24, revenue increased by 93%, or about \$6.1 million. The majority of the additional revenue was the result of two accounting adjustments that took place at the end of the year. The first was a \$2.3 million U.S. federal grant that was required to be recognized in the General Fund for FY/24. The second was for \$1.7 million in bond and lease proceeds also required to be recognized in FY/24. Both of these revenues are expected to be non-recurring, consequently, revenues for FY/25 are decreased 43.6% from the previous year. For FY/26, these are reduced another 12%, or about \$869 thousand.

Transfers from Other Funds. These transfers include internal service payments. In FY/24, these revenues finished 28.3%, or \$1.1 million, below FY/23. The decline was largely due to an accounting adjustment in FY/23 that closed Fund 715, the Supplies Inventory Management Fund, which increased revenue for FY/23. For FY/25, revenues are left flat with the budget and which includes a \$2.5 million transfer to the City from Aviation for City services provided such as Fire, Police and ambulance. For FY/26, revenues are increased 5.4%, or about \$289 thousand, part of which is due to a \$200 thousand transfer from Fund 705 to the City Clerk in support of IPRA requests.

DEPARTMENT BUDGET HIGHLIGHTS

ANIMAL WELFARE

The Animal Welfare Department strives to improve the health and well-being of Albuquerque pets through a variety of programs and initiatives. These initiatives include animal shelters; adoption centers; veterinary clinics; "We Care" Community Pet Services Unit (providing vaccinations, microchipping and free to low cost spay/neuter for those that qualify); a free dog training class with every adoption; Animal Protection Services (public-safety); foster program; a community-cat program; a public information initiative; dog house program; dog tag program; pet food bank; a volunteer program; and AWD's new "Reunite" Microchipping Scanner Program has started training with AFR, APD, and local businesses to help ensure more missing pets find their way home. The Animal Welfare Department also conducts shelter adoption events and adoption events at various offsite locations.

MISSION

The City of Albuquerque Animal Welfare Department's mission is to protect and serve the pets and people of Albuquerque by providing Caregiving, Awareness, Resources, Enforcement and Service Excellence "CARES". www.cabq.gov/pets

FISCAL YEAR 2026 HIGHLIGHTS

The FY/26 proposed General Fund budget for Animal Welfare totals \$16.5 million, a decrease of \$106 thousand, or 0.6%, from the FY/25 original budget.

In FY/26 proposed budget includes \$221 thousand for a COLA, subject to negotiations for positions associated with a union; \$57 thousand for the employer's share of the State mandated 0.5% PERA increase; \$29 thousand for medical; and a \$9 thousand increase for basic life (BLIF); and a decrease of \$11 thousand for group life. The proposed budget also applies an additional \$622 thousand in projected savings for FY/26.

Internal service allocations associated with telephone decrease \$39 thousand, network increases \$100 thousand, and fleet maintenance and fuel increase \$13 thousand. The department's workers compensation and tort risk assessments decrease by \$90 thousand.

Non-recurring funding of \$600 thousand is carried over from FY/25 to continue supporting the preventative Pet Care Clinic and the Street Cat Hub.

The Animal Welfare Department total full-time position count is 158 for FY/26.

NEW PERFORMANCE MEASURES STARTING IN FY25

CORE SERVICES

The Animal Welfare Department's core services align with the following outcome categories:

- Caregiving
- Awareness
- Resources
- Enforcement
- Service Excellence

Beginning in FY25, the Animal Welfare Department discontinued their previous suite of performance measures and replaced them with a new collection of metrics presented in the tables below.

Caregiving

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Disease prevention: Proactive shelter health protocol	% of companion animals vaccinated upon intake	NEW	NEW	1%	83%	80%
Shelter animals stay medically healthy	% of animals that get sick while in shelter	NEW	NEW	<10%	4.70%	<5%
Shelter animals stay behaviorally healthy	% of animals that are euthanized for behavior reasons as measured against live intake	NEW	NEW	<5%	2.80%	<5%

Awareness

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
AWD is engaged with the community	Number of outreach and adoption events	NEW	NEW	35	54	40
The community is engaged with AWD	Number of active shelter and foster volunteers	NEW	NEW	535	515	550
Community helps provide resources	Dollar amount of monetary donations made at the shelters	NEW	NEW	\$30K	\$22K	\$35K

Resources

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Community members have access to resources	# Active partners who provide resources to community members and their pets	NEW	NEW	80	97	85
	We Care Community Pet Services provided to community members' pets	NEW	NEW	10,750	3,571	10,750
	Number of doghouses provided	NEW	NEW	150	51	175
	Number of spay/neuter surgeries provided to privately owned pets	NEW	NEW	3,000	1,404	3,000
	Free identification tags provided to privately owned pets	NEW	NEW	5,500	2,530	5,750

Positive community perception	# of calls for services (Animal Protection Services)	26,695	22,739	Discont.	Discont.	Discont.

The Department of Arts and Culture is comprised of seven divisions. The Albuquerque Biological Park (BioPark) operates the Zoo, Aquarium, Botanic Gardens, Heritage Farm, Bugarium, and Tingley Beach. The Albuquerque Museum protects and displays the artwork and historical items of the middle Rio Grande valley and brings world renowned traveling exhibits to the City.

The City has a public-private partnership with Explora Science Center that provides interactive displays to educate and intrigue all ages in science, art, culture, and technology. The Anderson/Abruzzo International Balloon Museum celebrates and shares the history, science and art of lighter-than-air flight.

The Public Library of Albuquerque and Bernalillo County provides reading and research materials as well as access to electronically transferred information through 19 locations. The Community Events division operates the KiMo Theatre and the South Broadway Cultural Center providing stages for the interaction of performers, artists, and audiences.

The Community Events division also facilitates Special Event Permitting, the Old Town Portal Vendor Program, and organizes large and small outdoor, multi-cultural gatherings throughout the City including the Old Town Gazebo.

The Public Art Enhancement Program manages the 1% for Art Program and the Urban Enhancement Trust Fund program. Strategic Support provides central services to the divisions and includes the Media Resources/One Albuquerque Media team that manages the public access channels (GOV-TV, Public Access, and Local Origination) along with video streaming dissemination, and Public Access 519 Studio.

Mission

Enhance the quality of life in the City by celebrating Albuquerque's unique history and culture, and providing services, entertainment, programs, and collections that promote literacy, economic vitality and learning in state-of-the-art facilities that enrich city life and increase tourism to Albuquerque.

Fiscal Year 2026 Highlights

General Fund – 110

The FY/26 proposed General Fund budget for the Department of Arts and Culture totals \$52.8 million, a \$416 thousand, or 0.8%, decrease from the FY/25 original budget.

Adjustments to the personnel category include \$650 thousand for a COLA, subject to negotiations for positions associated with a union; \$153 thousand for a State-mandated 0.5% increase to the employer contribution for PERA; and \$76 thousand for a 2% medical premium increase. The budget also includes reductions of \$185 thousand to inactivate two full-time positions currently

vacant; \$9 thousand for life insurance premiums; and an additional \$2 million in projected savings.

Technical adjustments for operating costs and internal services allocations include \$318 thousand for IT network expenses and \$4 thousand for fleet maintenance and fuel, as well as reductions of \$301 thousand for risk insurance assessments and \$129 thousand for telephone.

The BioPark continues to experience considerable rising costs in essential dietary and pharmaceutical expenditures for animals at the zoo and the aquarium. The FY/26 proposed budget includes an increase of \$275 thousand in operations to support the rising cost.

The budget proposal maintains several cost-neutral reallocations of funding to the personnel category from the operating category to accommodate FY/25 mid-year position creations and reclassifications going forward. This includes \$104 thousand for the creation of a Route 66 Center Manager position as well as \$28 thousand for the net cost increase of four position reclassifications. In addition, the proposed budget reallocates \$93 thousand from the Department of Arts and Culture to the General Services Department for operations of the Albuquerque Rail Yards.

The recommended budget carries forward the majority of non-recurring funding at \$2.8 million for FY/26.

The Department's organizational structure contains 413 full time positions for FY/26, a reduction of one from the prior year.

Culture and Recreation Projects Fund – 225

The Culture and Recreation Projects Fund includes appropriations of \$330 thousand designated for City libraries, museums, and community events.

Albuquerque Biological Park Projects Fund - 235

The Albuquerque Biological Park Projects Fund includes appropriations of \$2.5 million earmarked for BioPark activities.

Operating Grants Fund - 265

The Department will receive \$118 thousand through the State Grant-in-Aid program for the public libraries.

PERFORMANCE MEASURES

CORE SERVICES

Arts and Culture provides seven core services:

- BioPark
- Libraries
- Community Events
- Albuquerque Museum
- Balloon Museum
- Public Art Urban Enhancement
- CABQ Media

The performance measures in the tables below capture Arts and Culture's ability to perform these services at a high level.

BioPark

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Attendance	Annual attendance at the BioPark	1,120,104	1,136,402	1,350,000	568,915	1,180,000

AVIATION

The Aviation Department operates two municipal airports: The Albuquerque International Sunport (Sunport), which covers approximately 2,200 acres on Albuquerque's east side; and Double Eagle II (DE II) Reliever Airport, which covers approximately 4,500 acres on Albuquerque's west side.

The Albuquerque International Sunport, known for its distinct southwestern architecture and cultural décor, is New Mexico's largest commercial airport, welcoming over 5 million passengers each year. The Sunport boasts a large art collection with rotating special exhibits, New Mexican cuisine, and many local artisanal gifts. Served by 8 major carriers, the Sunport offers non-stop service between Albuquerque and more than 20 destinations, all with worldwide connectivity. The Albuquerque International Sunport is the Gateway of New Mexico. The Sunport is more than just an airport – it is a cultural gateway that welcomes tourists from all over the world. It is home to distinctive architecture, outstanding collections of southwestern art, delicious local cuisine, and distinctive gift shops, with many amenities to offer passengers and visitors. The Sunport is owned and operated by the City of Albuquerque and is committed to providing a safe, clean, and passenger-friendly facility for business and leisure travelers alike.

DE II is an active general aviation facility on Albuquerque's west side. There are approximately 240 based aircraft and 120,000 annual operations comprising training military, air ambulance, charter, private and corporate flights. The airport sits at an elevation of 5,834 feet above sea level and is located approximately eight miles north of Interstate 40 at the top of Nine Mile Hill on Albuquerque's West Mesa.

MISSION

We strive to be a first-class airport connecting families, businesses and cultures while prioritizing safety, diversity, sustainability and accessibility.

FISCAL YEAR 2026 HIGHLIGHTS

Aviation Operating Fund - 611

The proposed FY/26 operating budget for the City's two airports, including transfers for capital and debt service needs, is \$121 million, or an increase of 41.1% from the FY/25 original budget of \$85.7 million. In FY/26, the budget includes a COLA increase of \$477 thousand, subject to negotiations for positions associated with a union; a State mandated 0.5% PERA increase of \$114 thousand for the employer's share; and medical and life insurance premium payments increase by a net of \$53 thousand. Two positions were reclassified to Construction Project Managers for \$136 thousand, and one position was reclassified to an Aviation Training Administrator for \$24 thousand. Additional technical adjustments include a decrease of \$60 thousand for contractual adjustments and a \$805 thousand increase for telephone and indirect overhead allocations. Internal service transfers for fleet, communications, and risk management decrease by \$123 thousand.

The budget proposes a \$983 thousand increase to pay for repairs and maintenance, security contracts, concessions and professional services; and one-time costs include \$2.5 million to purchase an EAMS system and \$29.3 million to purchase land. With \$466 thousand to create new custodial, media, and operations positions, the overall proposed personnel headcount increases to 306 FTE in FY/26. Proposed enterprise revenues for the upcoming fiscal year are \$74.4 million, representing 2.5% increase over the FY/25 original budget amount of \$72.6 million.

Aviation Debt Service Fund - 615

Since all debt has been paid in the aviation debt service fund, a transfer to the debt service fund from the enterprise fund is not required in FY/26.

PERFORMANCE MEASURES

CORE SERVICES

Aviation provides three core services:

- Sustain and Improve Facilities and Infrastructure
- Facilitate Business Activity and Passenger Experience
- Foster a Safe and Secure Environment

The performance measures in the tables below capture Aviation's ability to perform these services at a high level.

AVIATION

Sustain and Improve Facilities and Infrastructure

** Annual report is released in September of each year for the period covering August-July of each year. Mid-year reports are not available for this measure.

CHIEF ADMINISTRATIVE OFFICE

The Department of the Chief Administrative Office supports the Mayor of the City of Albuquerque and general city functions. The Chief Administrative Officer (CAO) is appointed by the Mayor with the consent of the City Council to provide day-to-day management of the City. Together, the Mayor and CAO provide the leadership and direction to execute policies of the Mayor and those legislated by the City Council. The department oversees the provision of municipal goods, services, facilities, and infrastructure required of a modern city.

FISCAL YEAR 2026 HIGHLIGHTS

The proposed FY/26 General Fund budget for the Department of the Chief Administrative Office is \$4.3 million, a decrease of 36.2% or \$2.4 million from the FY/25 original level. The decrease is largely due to the budget realignment of \$3.5 million to align positions with their reporting City Department.

The FY/26 proposed budget contains funding of \$66 thousand for a COLA, subject to negotiations for positions

associated with a union, along with \$19 thousand for the employer's share of the State mandated PERA 0.5% increase.

Technical adjustments in FY/26 include an increase of \$3 thousand for medical, while group and basic life (BLIF) incur a net decrease of \$2 thousand.

Internal service costs associated with telephone, network, and fleet decrease \$5 thousand, whereas risk assessments related to workers compensation and tort increase \$2 thousand.

The FY/26 proposed budget adds \$338 thousand for three field representative positions which move from Legal to the Chief Administrative Office to support community outreach on behalf of the Administration. Additionally, two positions, a civic engagement manager and senior constituent service rep, move from the Mayor's Office to the Chief Administrative Office at a combined cost of \$220 thousand. Operating funding increases \$16 thousand earmarked for Leidos IQ software.

CITY SUPPORT

City Support functions as a division of City government that operates as a virtual department consisting of a number of diverse, city-wide, financial programs. Although the department maintains appropriations in the General Fund for debt service payments and salaries and benefits in the early retirement program and city-match funds for operating grants, it does not have a director or positions.

FISCAL YEAR 2026 HIGHLIGHTS

General Fund - 110

The proposed FY/26 General Fund budget for City Support is \$36.71 million, a 0.7% decrease from the FY/25 original budget of \$36.96 million. It includes a \$293 thousand increase for GRT administration fees due to the State, a net increase of \$13 thousand for contractual and professional services and dues and memberships, an increase of \$96 thousand for transfers to the Sales Tax Refunding Debt Service Fund, and an increase of \$25 thousand for Open and Ethical elections. Early retirement

increases by \$1.3. Transfers to the Operating Grants Fund for IDOH and City matching funds decreases by \$2 million.

Sales Tax Refunding Debt Service Fund – 405

FY/26 proposed funding for the Sales Tax Refunding Debt Service Fund is \$29.3 million. Debt service requirements increase the budget 1.2% from the FY/25 original budget of \$29 million.

General Obligation Bond Debt Service Fund – 415

The proposed budget for the FY/26 General Obligation Bond Debt Service Fund is \$97.5 million. The 44.5% increase from FY/25 is the result of planned Series 2025 bond issuances after foregoing a bond refunding in FY/24 because of high interest rates.

CIVILIAN POLICE OVERSIGHT AGENCY

The Civilian Police Oversight Agency (CPOA) receives and investigates complaints and compliments about the Albuquerque Police Department (APD) from community members. The CPOA also reviews APD practices and policies in order to make policy recommendations to the Chief of Police, the Mayor and City Council. City Ordinance mandates that the CPOA function as independently as possible from City Administration and City Council in order to carry out the Agency's mission free of any perceived or actual bias. The CPOA seeks to foster and perpetuate policing policies and practices that effectively maintain social order and which at the same time foster mutual trust and cooperation between police and community members.

MISSION

The mission of the Civilian Police Oversight Agency (CPOA) is to provide a means for receiving complaints and compliments about Albuquerque Police Department (APD) employees; to conduct prompt, impartial, and fair investigation of all complaints from the community against APD; and to provide for community participation in setting and reviewing APD policies, practices, and procedures.

FISCAL YEAR 2026 HIGHLIGHTS

The proposed FY/26 General Fund budget is \$3 million, an increase of 7.7%, or \$218 thousand, above the FY/25

original budget. The budget contains funding of \$42 thousand for a COLA, subject to negotiations for positions associated with a union, and \$14 thousand for the employer's share of the State mandated PERA increase of 0.5%.

Personnel adjustments in FY/26 include a net increase of \$3 thousand for medical, basic life (BLIF), and group life insurance.

Other personnel technical adjustments include a reduction in operations at a total cost of \$30 thousand, which was used to fund wage adjustments and the reclassification of positions to support the daily operations and objectives.

Additional technical adjustments associated with internal services for communication and risk increased by \$7 thousand.

The proposed budget removed one-time funding of \$10 thousand; however, \$45 thousand remains to cover costs associated with branding materials for the CPC, mediation, and translation services.

Also included in the proposed budget is \$159 thousand for the 501 Tijeras lease and janitorial services.

The full-time headcount for the proposed FY/26 budget is 21.

COMMUNITY SAFETY

The Albuquerque Community Safety Department (ACS) dispatches first responders to 911 calls with or without other first responders from the police and fire departments. ACS responders may have backgrounds as social workers, peer-to-peer support, clinicians, counselors, or in similar fields. It is a first-of-its-kind cabinet-level department responding to calls on inebriation, homelessness, addiction, and mental health. It works alongside APD and AFR as a third option for 911 dispatch. It was created from a unique, Albuquerque idea based on programs the City developed and tested with the community.

MISSION

To create a new model for community safety through a first-of-its-kind cabinet-level department that will respond to calls and do outreach for inebriation, homelessness, addiction, and other issues that do not require police or EMT response.

FISCAL YEAR 2026 HIGHLIGHTS

The FY/26 proposed General Fund budget for Community Safety is \$17.9 million, a \$38 thousand or 0.2% decrease from the FY/25 original budget.

In FY/26, the budget includes a COLA increase of \$250 thousand, subject to negotiations for positions associated with a union; a State mandated 0.5% PERA increase of \$81 thousand for the employer's share; and a net increase of \$20 thousand for medical and active life insurance premium payments.

Other technical adjustments include an increase of \$9 thousand to the telephone allocation budget, an increase of \$13 thousand in the fleet allocation budget, an increase of \$111 thousand for network and radio expenses, and a \$25 thousand increase for workers' compensation and tort claims.

Non-personnel adjustments include the carryforward of one-time funding of \$100 thousand for the Mayor's Taskforce on Domestic Violence Housing Vouchers and \$15 thousand for the New Mexico Center of Black Excellence. Additional non-recurring carryforwards include \$80 thousand for School based VIP Case Management and \$15 thousand for Vizionz-Sankofa.

Personnel changes include the mid-year creation of positions for 3 field operations program managers and a community outreach manager at \$527 thousand and budget neutral reclassifications of a mental and behavioral health division manager to an associate director and a violence intervention program special projects manager to a violence intervention manager. A grant accountant position and two tier 1 behavioral health responder positions will be created by inactivating a public outreach and performance manager position costing \$138 thousand and reallocating operating budget of \$165 thousand. The budget also includes \$1 million in projected savings.

These personnel changes increase the department's headcount by 6 FTE. With grant funding the department has 8 more FTE, bringing the overall FY/26 total headcount to 140 FTE.

COMMUNITY SAFETY

PERFORMANCE MEASURES

CORE SERVICES

Community Safety provides two core services:

- Safety Intervention
- Prevention and Outreach

The performance measures in the following tables capture ACS's ability to perform these services at a high level:

Safety Intervention

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Diversion	# total calls for service	23,382	36,094	50,000	21,287	55,000
	# calls diverted from police intervention	16,393	31,754	40,000	19,658	40,000

COUNCIL SERVICES

Council Services provides support services to the Albuquerque City Council. City Council is the governing body charged with setting long-term goals and short-term objectives, enacting policy, adopting a budget for the operations of city government, and coordinating with other agencies. Albuquerque is divided into nine districts. Each district is represented by one councilor elected by district residents. Councilors serve a four-year term and may succeed themselves in office. Each candidate for Councilor must be a resident of the District prior to the date of filing of the declaration of candidacy and a qualified voter of the City.

The Council has the power to adopt all ordinances, resolutions or other legislation conducive to the welfare of the people of the City and not inconsistent with the City charter, and shall not perform any executive functions except those functions assigned to the Council by the charter.

Council meetings are open to the public and are conducted on a regular basis. Council establishes and

adopts by ordinance and resolution five-year goals and one-year objectives. These goals and objectives are reviewed and revised annually by the Council. They also review and approve or amend all budgets of the City and adopt policies, plans, programs, and legislation consistent with established goals and objectives.

FISCAL YEAR 2026 HIGHLIGHTS

The proposed FY/26 General Fund budget is \$8.8 million, a 1.1% or \$99 thousand increase from the FY/25 original budget. Technical adjustments include funding of \$99 thousand for councilor required salary adjustments; \$41 thousand for the employer's share of the State mandated PERA increase of 0.5%; \$80 thousand decrease for telephone costs; an increase of \$8 thousand for medical, and other benefits; an increase of \$26 thousand for internal service costs associated with communication and risk; and \$112 thousand for a COLA, subject to negotiations for positions associated with a union.

ECONOMIC DEVELOPMENT

The Economic Development Department provides services intended to bring long term economic vitality to the City. Included in the department are the economic development division, the film and music offices, the international trade division, the management of contracts for tourism and the program for economic development investments.

MISSION

Develop a more diversified and equitable economy that works for everyone by growing and retaining local businesses and jobs; eliminating barriers to success in underserved communities; recruiting businesses in key industries; increasing Albuquerque's competitiveness in the global market; and fostering a healthful built environment.

FISCAL YEAR 2026 HIGHLIGHTS

The FY/26 proposed General Fund budget is \$5.1 million, a \$72 thousand or 1.4% increase over the FY/25 original budget.

Funding of \$36 thousand is included for a COLA, subject to negotiations for positions associated with a union. In

addition, \$12 thousand for the employer's share of the State mandated PERA 0.5% increase is included.

Technical adjustments in FY/26 include a \$3 thousand increase for medical, whereas group life decreases \$2 thousand and basic life (BLIF) incurred a minimal increase.

Internal service allocations associated with telephone decrease \$37 thousand, while network increases \$6 thousand. There was a minimal increase to fleet maintenance and fuel. The department's workers compensation and tort risk assessments have a decrease of \$3 thousand.

The proposed budget includes \$170 thousand in projected savings.

FY/25 one-time funding of \$50 thousand was removed; however, \$2.2 million remains to support initiatives such as Marketing, Retention, and Expansion for Economic Development, Asian Business Collaborative, African American Chamber of Commerce, Job Training Albuquerque, Barelás, Downtown and San Pedro Mainstreet, and Top Golf, to name a few.

PERFORMANCE MEASURES

CORE SERVICES

The Economic Development Department provides five core services:

- Bring Companies to Albuquerque
- Help Local Companies Stay and Grow
- Help Local Businesses Grow and Develop Workers
- Help Businesses and Entrepreneurs Navigate City Government
- Market Albuquerque as a Live, Work, and Play Destination

The performance measures in the following tables capture Economic Development's ability to perform these services at a high level.

Bring Companies to Albuquerque

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26

ENVIRONMENTAL HEALTH

The Environmental Health Department leads the City of Albuquerque in protecting the immediate and long-term health, safety and well-being of all citizens. Multiple department programs and divisions focus on public health and environmental threat prevention such as infectious diseases, climate change, environmental contamination, and air pollution. Accordingly, the department provides services such as restaurant inspections, mosquito control, regional air and groundwater monitoring, landfill remediation, and climate change mitigation and adaptation efforts.

In addition to actively monitoring and safeguarding against health risks, the department seeks to educate on and promote public health throughout the Albuquerque community. The department actively seeks to connect science to citizens' lived experiences to achieve solutions that result in a healthier Albuquerque. Engagement activities include cultivating community partnerships, developing public and environmental health guidelines and regulations, policy planning, and compliance assistance.

MISSION

To responsively and professionally serve the people of Albuquerque by promoting and protecting public health, by preventing disease, and by preserving the integrity and quality of our environment through sustainable management and responsible stewardship.

FISCAL YEAR 2026 HIGHLIGHTS

General Fund - 110

The proposed FY/26 General Fund budget totals \$6.2 million, an increase of \$942 thousand, or 18%, above the FY/25 original budget.

The FY/26 proposed budget includes an increase of \$94 thousand for a COLA, subject to negotiations for positions associated with a union, along with \$23 thousand for the employer's share of the State mandated 0.5% PERA increase.

Additional personnel technical adjustments include increases of \$8 thousand for medical and \$2 thousand for basic life (BLIF), whereas group life incurred a decrease of \$4 thousand.

Internal service allocations include a \$7 thousand decrease to telephone, an increase of \$5 thousand for

fleet maintenance and fuel, and a net increase of \$4 thousand for risk.

The proposed budget includes \$158 thousand in projected savings.

In addition, the City's sustainability division moves from the General Services Department (GSD) to Environmental Health Department (EHD) in FY/26 at a total cost of \$887 thousand. This reorganization includes six full-time positions and associated operating expenses, of which \$90 thousand is non-recurring, to support sustainability contracts and prosperity works.

Air Quality Fund - 242

The Air Quality Fund was established per section 9-5-1-13 ROA 1994 to comply with the Federal Clean Air Act Amendments of 1990. The fund is comprised of two programs, operating permits and vehicle pollution. The operating permits program monitors and administers permitting for air quality and the vehicle pollution program monitors and administers motor vehicle inspections and maintenance of oxygenated fuels.

The proposed FY/26 budget totals \$5.2 million, an increase of \$601 thousand, or 13.1%, above the FY/25 original budget.

Personnel technical adjustments include \$68.5 thousand for a COLA, subject to negotiations for positions associated with a union; \$20 thousand for the State mandated 0.5% PERA increase to the employer's share; and \$4 thousand for medical, basic life (BLIF) and group life. The proposed budget includes \$168 thousand for an Associate Director created mid-year FY/25.

Internal service rates associated with telephone, network, radio, fleet and risk have a combined decrease of \$22 thousand. Indirect overhead increases by \$271 thousand.

Operating Grants - 265

Operating grants for FY/26, appropriated in separate legislation, total \$3.4 million and include several Environmental Protection Agency (EPA) grants.

The department's total full-time position count is 91 comprised of 43 in General Fund, 33 in the Air Quality Fund and 15 in the Operating Grants Fund.

PERFORMANCE MEASURES

CORE SERVICES

The Environmental Health Department provides three core services:

- Environmental Protection and Improvement
- Public Health
- Community Outreach and Stakeholder Engagement

The performance measures in the following tables capture Environmental Health's ability to perform these services at a high level.

Environmental Protection and Improvement

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Reduce Greenhouse Gas Emissions	metric tons of carbon dioxide equivalent reduced	20,000	46,075	20,000	20,000	44,000
	# of pounds of methane gas destroyed from LA Landfill	1,424,202	1,221,203	1,200,000	744,018	1,200,000

FINANCE AND ADMINISTRATIVE SERVICES

The Finance and Administrative Services Department provides internal services including accounting, budget, purchasing, risk management, treasury, investment management, emergency management, metropolitan redevelopment, and equity and inclusion oversight.

MISSION

To provide quality and trustworthy service with a focus on our customers and continuous improvement.

FISCAL YEAR 2026 HIGHLIGHTS

General Fund - 110

The proposed FY/26 General Fund appropriation of \$17.1 million, an increase of 5.1%, or \$827 thousand above the FY/25 original budget.

Technical adjustments include an increase of \$253 thousand for COLA, subject to negotiations for positions associated with a union. There is a State mandated 0.5% PERA increase of \$78 thousand for the employer's share. Other personnel technical adjustments include \$23 thousand increase for medical, \$6 thousand increase for basic life (BLIF) and a \$12 thousand decrease for group life.

Intra-year, five new positions were created, increasing personnel costs by \$683 thousand. Two more positions will be deactivated in FY/26, resulting a saving of \$127 thousand. The non-recurring funding of \$75 thousand for MRA legal services has been carried over from FY/25 to FY/26.

Internal service costs associated with communication, risk and fleet increases by a \$92 thousand. The lease and janitorial services at 501 Tijeras increase the operating budget by \$56 thousand.

The proposed budget includes \$1.6 million in projected savings.

Local Government Abatement Fund - 201

The Local Government (LG) Abatement Fund was created in FY/23 by City council resolution R-2023-040 to account for opioid settlement proceeds and related expenditures. Twenty-six billion dollars was distributed to litigating local governments nationwide from global opioid settlements finalized with three drug distributors, AmerisourceBergen, Cardinal Health and McKesson, and opioid manufacturer Johnson & Johnson. The settlements require that 85% of funds be allocated to programs that will help address the ongoing opioid crisis through treatment and education and prevention efforts. Allowable opioid related expenditures are those consistent with categories enumerated to the Distributor Master Settlement Agreement and the J&J Master Settlement Agreement found at <https://nationalopioidsettlement.com>. The City of Albuquerque has entered into the New Mexico Opioid Allocation Agreement with the State of New Mexico which dictates how funds will be distributed between participating

state agencies and local governments. A total of \$30 million has been received in the fund to date.

Marijuana Equity Community Reinvestment Fund – 202

The Marijuana Equity Community Reinvestment Fund was created in FY/24 by City Council ordinance O-2023-027 to account for tax proceeds to the City from legalized marijuana sales. The Fund may be used for the administration and provision of any or all of the following purposes and related programs: evidence-based drug education, awareness, and prevention programs for youth; evidence-based substance use treatment for youth, including but not limited to inpatient detoxification; Recovery Housing and supportive aftercare; Supplemental income programs; Workforce development and job training; Technical assistance for small marijuana business owners in impacted communities; Programs for people re-entering society after incarceration; Programs operated by Equity and Inclusion for the benefit of populations disproportionately impacted by the historical criminalization of marijuana.

The ordinance requires the Finance and Administrative Services Department to oversee and administer the fund, coordinating with OEI, to facilitate a marijuana social equity program to ensure equitable community reinvestment and access.

The proposed FY/26 appropriation for Marijuana Social Equity Community Reinvestment Fund is \$3.9 million.

Lodgers' Tax Fund - 220

The FY/26 proposed appropriation for Lodgers' Tax Fund is \$17 million. After the calculation of a 1/12th reserve, at least 50% of the estimated total resources are identified for promotions and 50% is identified for debt service and administrative costs. The transfer to General Fund remains at \$513 thousand and funds the ABQ ToDo Program of \$85 thousand in the Arts and Culture Department, \$395 thousand in support of the SMG marketing contract in the proposed General Services Department and \$33 thousand in support of the audit and short rental platform costs budgeted in the treasury division. FY/26 estimated Lodgers' Tax revenues are sufficient to meet its portion of debt obligations. The transfer to the Sales Tax Debt Service Fund is \$7.7 million for FY/26.

Hospitality Fee Fund - 221

The proposed FY/26 Hospitality Fee Fund appropriation of \$3.7 million remains the same as the FY/25 original budget. As in the Lodgers' Tax Fund, at least 50% of resources are identified for promotions and 50% is identified for debt service/capital in FY/26. The promotion appropriation is proposed to increase by \$28 thousand. The transfer to the Sales Tax Debt Service Fund decreases by \$4 thousand, while the transfer to the Capital Acquisition Fund for tourism related capital needs in City facilities increases by \$32 thousand.

FINANCE AND ADMINISTRATIVE SERVICES

Risk Management Fund - 705

The Risk Management Fund is divided between two City departments, Finance and Administrative Services and Human Resources. Workers' compensation, tort and other, safety, administration, and the transfer to General Fund reside in Finance and Administrative Services. The FY/26 proposed budget is \$41.8 million, an increase of \$267 thousand from the FY/25 original budget. The budget

includes an increase of \$73 thousand for COLA, subject to negotiations for positions associated with a union. There is a State mandated 0.5% PERA increase of \$22 thousand for the employer's share and \$5 thousand of net increase for medical and life premiums

Internal service costs associated with communication, risk and fleet decreases by a \$11 thousand.

PERFORMANCE MEASURES

CORE SERVICES

The Department of Finance and Administrative Services provides nine core services:

- Procure goods and services
- Pay and collect money owed
- Protect City resources
- Plan and manage City finances
- Provide operating support to city departments
- Revitalize downtown, central avenue corridor, and other disinvested areas
- Assist developers with catalytic projects
- Develop and implement community-based plans for revitalization
- Emergency management

The performance measures in the following tables capture DFA's ability to perform these services at a high level.

FINANCE AND ADMINISTRATIVE SERVICES

Procure Goods and Services

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Buy goods and services in a timely manner	% of City spend off existing contracts (includes punch outs)	N/A	70%	70%	40%	70%

Albuquerque Fire Rescue (AFR) was established as a paid municipal fire department in 1900 and has since evolved into an all-hazard, public safety entity. The nature of the operations and service includes E-911 emergency dispatch, the provision of fire prevention, structural and wildland fire suppression, emergency medical services, community paramedicine, hazardous materials containment and control, specialized technical rescue, arson investigation and response to and control of all manner of emergency situations.

Albuquerque Fire Rescue provides diverse, superior emergency service response in a timely, consistent, and professional manner. Firefighters in suppression and rescue services provide service to the community 24 hours a day and are assigned to 22 engine companies, 21 rescue companies, two medic companies, nine ladder companies, one heavy technical rescue (HTR), two hazardous materials response units, and when needed, five brush trucks used as wildland response units.

MISSION

Albuquerque Fire Rescue is a diverse organization that proudly serves the changing needs of our community by providing all-hazards planning, prevention, public education, community involvement, and emergency response. Albuquerque Fire Rescue instills trust while ensuring the safety and well-being of our community and our members.

FISCAL YEAR 2026 HIGHLIGHTS

General Fund - 110

The proposed FY/26 General Fund budget of \$132.4 million reflects an increase of 10.4% or \$12.5 million above the FY/25 original budget.

The budget contains funding of \$6.5 million for an IAFF negotiated COLA, along with \$3.8 million for the FY/25 negotiated COLA. The overtime appropriation was increased \$833 thousand in proportion to IAFF wage adjustments.

For non-IAFF employees, \$113 thousand is added for COLA, subject to negotiations for union positions. Funding of \$352 thousand is included for the employer's share of the State mandated PERA 0.5% increase.

Other technical adjustments include \$207 thousand for medical and \$43 thousand for basic life (BLIF), whereas group life decreased \$91 thousand.

An FY/25 intra-year personnel adjustment deletes one vacant civilian position to support the reclass of a construction worker to a construction fabricator/installer.

The proposed budget restores \$27 thousand for the FY/25 projected savings.

Technical adjustments associated with internal services decrease telephone appropriation by \$83 thousand, network by \$2 thousand and radio by \$225 thousand. Fleet maintenance and fuel have a minimal increase. Risk assessments related to workers compensation and tort increase by \$432 thousand. Operating funding of \$69 thousand is transferred from the Department of Technology and Innovations to Albuquerque Fire Rescue earmarked for the Motorola Agreement for Lifecycle Management.

The FY/26 proposed budget includes funding of \$815 thousand to add four sworn positions and establish appropriate rank for the purpose of staffing the new Fire Station 23, located in the SW Mesa. Operational funding of \$271 thousand is also included for equipment, personal protective gear, and utilities. Fire Station 23 is anticipated to come-on-line Fiscal Year 2026.

Non-recurring funding of \$110 thousand is carried over from FY/25 to cover costs associated with fleet operations and the behavioral health initiative.

State Fire Fund - 210

FY/26 funding for the State Fire Fund is proposed at \$3.3 million, an increase of .8% or \$28 thousand above the FY/25 original budget. The primary use of the fund is for general operations, including training and equipment needs of the Fire department. The State Fire Fund is also used as collateral for loans and is responsible for payments in the debt service fund.

Fire Debt Service Fund - 410

The FY/26 budget will transfer \$279 thousand from the State Fire Fund (210) to the Fire Debt Service Fund (410) to cover existing as well as the new debt which was used to purchase and make improvements to a new fleet building.

Operating Grants Fund – 265

Operating grants for FY/26, appropriated in separate legislation, total \$3.7 million and includes applying for rescue equipment, training, and general equipment needs. Indirect overhead and cash match are included in the transfer to the operating grants fund in City Support. Intra-year FY/25 personnel changes, approved in R-24-86, R-2024-075, adds three firefighter positions, which will support in staffing the new Fire Station 23.

PERFORMANCE MEASURES

CORE SERVICES

Albuquerque Fire Rescue provides seven core services:

- Fire Suppression
- Emergency Medical Response
- Special Operations
- Dispatch
- Fire Prevention
- Community Risk Reduction
- Support Services

The performance measures in the following tables capture AFR's ability to perform these services at a high level.

Fire Suppression

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Top Industry Rating	Insurance Services Office (ISO) Public Protection Classification (PPC) rating (1-10)	1	1	1	1	1
Response Time	% 1st engine arrives at fires within 5 min 20 sec from dispatch	82%	84%	86%	84%	85%
Firefighter Training	Total training hours per firefighter	218	218	218	218	218
	# of cadets trained	63	46	50	16	60

Emergency Medical Response

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Response Time	% Life-threatening event, unit arrives in 8 minutes	90%	88%	91%	89%	90%
	% Non-life-threatening event, unit arrives in 8 minutes	81%	79%	82%	79%	82%
Efficacy	LUCAS deployments	529	451	440	174	365
Responder Training	# of trained paramedics	213	218	230	218	230
	# of paramedics trained	11	19	20	15	20
	Minimum hours of EMS training	30	32	30	15	30

FIRE

Special Operations

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Workload	# hazardous materials incidents	663	643	680	318	668

	# of PM's completed	450	428	482	241	453

GENERAL SERVICES

The General Services Department (GSD) was created in FY/23 with the key responsibility of centralizing maintenance of major City facilities such as the Albuquerque Government Center, the Baseball Stadium and the Convention Center, which includes contract management. This department assumes responsibility for the facilitation of security and fleet operations throughout the City. GSD also includes Energy and Sustainability as well as the Law Enforcement Center.

FISCAL YEAR 2026 HIGHLIGHTS

General Fund - 110

The FY/26 proposed General Services budget is \$22.9 million, a decrease of 0.5% or \$119 thousand below the FY/25 original budget.

The proposed budget includes an increase of \$257 thousand for COLA, subject to negotiations for positions associated with a union. There is a State mandated 0.5% PERA increase of \$63 thousand for the employer's share.

Other technical adjustments include \$35 thousand increase for medical, \$10 thousand increase for basic life (BLIF) and a \$13 thousand decrease for group life.

Intra-year, one senior project coordinator was transferred from the Municipal Development Department, and one system analyst was created and the costs should be recovered by CIP fund 3% Energy Project. The wage adjustment and reclassification for various positions increase personnel costs by \$7 thousand.

Internal service costs associated with communication, risk and fleet decreased by a \$197 thousand.

The sustainability division will move to the Environmental Health Department in FY/26. The transfer of four positions and operating costs decreases the budget by \$631 thousand. Also included in the budget is a \$45 thousand operating transfer from the Arts & Culture Department to GSD for Railyard. The lease and janitorial services at 501 Tijeras increase operating budget by \$56 thousand.

The proposed budget includes \$535 thousand in projected savings and funds a total of 183 full-time positions.

City/County Facilities Fund - 290

The FY/26 proposed budget for the City/County Facilities Fund which consists solely of the Law Enforcement Center is \$661 thousand.

Revenues include rent collected from Bernalillo County in the amount of \$313 thousand. The proposed budget funds a total of three full-time positions.

Stadium Operating and Debt Service Funds – 691/695

The proposed FY/26 budget for the Stadium Operating Fund reflects \$2.2 million, an increase of \$11 thousand above the FY/25 original budget. The proposed budget funds two full-time positions.

Enterprise revenue for FY/26 is estimated at \$2.1 million.

The FY/26 proposed budget for the Stadium Debt Service Fund is \$976 thousand.

Fleet Management Fund – 725

The fleet management fund has a FY/26 proposed budget of \$14.8 million, a decrease of \$45 thousand below the FY/25 original budget.

Technical adjustments include funding of \$12 thousand for the employer's share of the State mandated PERA increase of 0.5%, and a combined increase of \$7 thousand for medical, basic life (BLIF) and group life.

Other technical adjustments include a net decrease of \$4 thousand for internal service costs associated with fleet, communications, and risk assessments.

The proposed budget funds a total of 35 full-time positions.

GENERAL SERVICES

PERFORMANCE MEASURES

Core Services

The Department of General Services provides four core services:

- Ensure safety and welfare in public areas and at public events
- Manage City's consumption of utilities
- Maintain public buildings that are safe, functional, and operational
- Maintain City fleet

The performance measures in the tables below capture the Transit Department's ability to perform these services at a high level.

Ensure safety and welfare in public areas and at public events

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Public spaces are safe	# of parks and bus stops patrolled	2,750	2,750	3,106	3,075	3,080*
	# of City-operated CCTV cameras	1,237	3,474	2,750	3,765	4,165

Manage City's consumption of utilities

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
City Utility Consumption is Efficient	Dollars implemented with "3% for Energy" projects	0	939,668	4,000	0	6,000,000

HEALTH, HOUSING AND HOMELESSNESS

The Health, Housing and Homelessness Department (HHH) became a new department beginning in FY/25. Effective July 1, 2024, the Family and Community Services Department split to create two departments, Health, Housing and Homelessness and Youth and Family Services.

Health, Housing and Homelessness provides a range of services designed to support people in need, improve neighborhoods, and enhance the quality of life for all members of the community in all stages of life.

The services offered by the department directly or by contract with community providers include: behavioral health services, which encompass mental health and substance abuse treatment and prevention; homeless services; domestic violence support; health care; gang/violence intervention and prevention; public health services; rental assistance; and affordable housing developments. HHH also operates four Health and Social Service Centers. Services are incorporated within programs to allow for performance measures and to align specifically to city goals and desired community conditions.

MISSION

To improve the quality of life for everyone in Albuquerque by supporting behavioral health, public health initiatives, affordable housing, and homeless services.

FISCAL YEAR 2026 HIGHLIGHTS

General Fund – 110

The proposed FY/26 General Fund budget for HHH totals \$53.3 million, including \$8 million for housing vouchers budgeted in City Support for the transfer to Operating Grant Fund (265), an increase of \$2.1 million above the FY/25 original budget.

The FY/26 proposed budget includes \$156 thousand for a COLA, subject to negotiations for positions associated with a union. The budget also contains an increase of \$46 thousand for the employer's share of the State-mandated 0.5% PERA increase.

Other personnel technical adjustments include an \$18 thousand increase for medical insurance, a \$4 thousand increase for basic life (BLIF) and a \$7 thousand decrease for group life.

Wage adjustments and reclassifications for several positions increase personnel costs by \$81 thousand, offset by corresponding reductions to the operating appropriation. Two positions will be deactivated in FY/26 with savings of \$179 thousand.

Other adjustments include \$364 thousand to realign four Health and Social Service Center (HSSC) positions from the Operating Grants Fund to the General Fund; \$91 thousand for the creation of an additional community services program specialist; and \$19 thousand to increase temp wages. Additionally, the FY/26 proposed budget reallocates \$2 million from YFS to HHH and carries forward \$13.7 million in non-recurring funding for the Department.

Adjustments for operating costs and internal allocations include increases of \$322 thousand for IT network expenses and \$3 thousand for fleet maintenance and fuel, as well as reductions of \$245 thousand in mental health and homeless support services contracts, \$62 thousand for risk insurance assessments, and \$99 thousand for telephone provider rates. The proposed budget includes \$484 thousand in projected savings.

The department's total full-time position count from all funding sources remains at 100 for FY/26. The General Fund full-time position count increases from 77 in FY/25 to 80 for FY/26.

Operating Grants Fund – 265 & Community Development Fund – 205

The FY/26 proposed budget for the department's grants are estimated at \$4.2 million in the Community Development Fund and \$2.5 million in the Operating Grants Fund.

PERFORMANCE MEASURES

CORE SERVICES

The Health, Housing and Homelessness Department has established an outcome-guided social services delivery process. Core services fit in these outcome categories:

- Increase Housing Stability

HEALTH, HOUSING AND HOMELESSNESS

- Increase Behavioral Health Stability
- Increase Individual and Family Resilience
- Increase Public Safety

The performance measures in the following tables capture HHH's ability to perform these services at a high level.

Increase Housing Stability

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Emergency Housing	# of homeless people provided emergency shelter	6,103	7,420	7,257	3,576	8,439
Supportive Housing	# of formerly homeless households provided with supportive housing (rental assistance plus supportive services)	1,004	1,233	1,114	853	998
	% formerly homeless who are still in housing program or who have exited to permanent housing by the end of the contract year	92%	93%	81%	93%	80%
Prevention of Homelessness	# of people served with eviction prevention assistance	3,613	1,529	1,867	628	208
	% of families still housed 3 months after eviction prevention assistance	45%	77%	80%	72%	80%
Affordable Housing	# of affordable housing units added to the existing housing inventory (new construction and rehabilitation)	0	75	196	90	152

Increase Behavioral Health Stability

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Substance Use Treatment	# of youth and adults who receive substance use treatment services	562	1,120	655	692	1,270
Intensive Case Management and Treatment	# of people with a serious mental illness diagnosis or a demonstrated need for intensive level of services who receive Intensive Case Management or Assertive Community Treatment services	341	287	409	219	332

Increase Individual and Family Resilience

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Food Security	# of food boxes provided through HSCCs	16,575	22,349	20,000	10,737	20,000
Domestic Violence and Sexual Assault	# of domestic violence survivors who receive support services	894	1,062	867	344	677
	# of people who receive sexual assault services	1,127	871	1,217	537	845

HUMAN RESOURCES

The Human Resources Department provides personnel management and employment services to the City of Albuquerque.

MISSION

To provide leadership in the management and development of quality employment services to the general public and city departments; to provide effective personnel administration in compliance with City mandates and State and Federal laws; to provide for and encourage employee personal and professional development; to work to ensure employee equity; and to minimize City liability. HR will serve as a change agent for direction setting to meet demands placed on City departments by changing Community Desired Outcomes and available resources.

Key focuses are: equitable classification; competitive compensation and benefits programs; training and promotional opportunities for all employees; and dissemination, maintenance and interpretation of the Personnel Rules & Regulations to ensure consistency and compliance with the Merit System Ordinance.

FISCAL YEAR 2026 HIGHLIGHTS

General Fund - 110

The proposed General Fund FY/26 budget for Human Resources is \$5.9 million, a decrease of 3.2%, or \$194 thousand below the FY/25 original budget.

In FY/26, technical adjustments include funding of \$20 thousand for the employer's share of the State mandated PERA increase of 0.5%, and funding of \$59 thousand for a COLA, subject to negotiations for positions associated with a union. A net increase of \$4 thousand for medical, basic life (BLIF) and group life is also included.

Mid-year FY/25, two positions were deactivated to offset the costs of wage adjustment and reclassification for multiple various positions. The net total is a decrease of \$137 thousand.

Internal service costs associated with communication, risk and fleet decreases by a \$323 thousand.

One-time funding of \$80 thousand from FY/25 has been carried forward to promote employment opportunities with the City, bilingual testing, and the labor negotiations contract.

The proposed budget includes \$59 thousand in projected savings.

Risk Management Fund - 705

The department's portion of the Risk Management Fund is budgeted at \$2.6 million and increases by \$25 thousand from the FY/25 original budget.

In FY/26, technical adjustments for personnel include funding of \$6 thousand for the employer's share of the State mandated PERA increase of 0.5% and funding of \$19 thousand for a COLA, subject to negotiations for positions associated with a union.

Group Self-Insurance Fund - 710

The Group Self-Insurance Fund FY/26 budget is \$101.7 million, an increase of 2.1% or \$2.1 million above FY/25 original appropriation.

Coverage for medical claims increases by \$2 million, and funding for stop loss insurance increases by \$201 thousand. The budget realignment results in a decrease of \$3.9 million in the budget for health insurance and an increase of \$3.8 million for the prescription claims payment. The City continues to contribute 80% towards employee insurance costs.

Employee Insurance Fund - 735

The FY/26 proposed Employee Insurance budget is \$8.1 million, an increase of 4.2% or \$323 thousand from FY/25 original budget.

The proposed budget includes an increase of \$24 thousand for COLA, subject to negotiations for positions associated with a union. Technical adjustments include an net increase of \$10 thousand for the employer's share of the State mandated PERA increase of 0.5%, as well as the net increase in medical, basic life (BLIF) and group life.

It should be noted that the Governmental Accounting Standards Board (GASB) requires the City to report the liability for post-employment life insurance benefits. The City collects and transfers this amount and it is held in an irrevocable trust account.

The department's full-time equivalent count for FY/26 is 47 positions

LEGAL

The Legal Department advises the City in all legal matters, and consists of six main divisions: the Litigation Division; the Employment Law Division; the Municipal Affairs Division; the Division of Property, Finance, Development and Public Information; the Policy Division; and the Compliance Division.

The Litigation Division appears on behalf of the City in all courts in New Mexico and before administrative and legislative bodies and is responsible for managing and defending the City, its elected and appointed officials, and departments before all federal and state courts in relation to civil rights and tort-related claims. The Employment Division advises on discrimination complaints, represents the City in all employment matters in court cases and administrative hearings, and assists in resolving employment issues at the department level. The Municipal Affairs Division provides a broad range of legal services, including serving as general counsel to a number of departments, drafting legal opinions, and analyzing, reviewing, and drafting contracts. The Division of Property, Finance, Development and Public Information advises and litigates land use and planning issues, real estate and contractual disputes in all venues, as well as provide counsel on hundreds of Inspection of Public Records Act (IPRA) requests per year. This division also oversees the Metropolitan Court Traffic Arraignment Program and provides legal counsel to the Office of the City Clerk regarding elections. The Legal Department's Policy Division evaluates and helps develop the City's public policy initiatives, and oversees the Offices of Civil Rights, Alternative Dispute Resolution, and Consumer Financial Protection. The Office of Civil Rights works to protect the community by prohibiting discrimination in areas of housing, public accommodation and employment, and provides access to resources and community education. The Office of Alternative Dispute Resolution provides a professionally facilitated venue that allows disputing parties to discuss and develop their own resolutions to almost all civil matters related to public services. The Consumer Financial Protection Division supports enforcement actions against businesses that engage in unfair or deceptive practices, educates businesses and consumers and coordinates with other City Departments such as Senior Affairs to train staff and in-home helpers about scams that target the elderly. The Compliance Division works with APD to craft policies, training programs, and standard operating practices that meet the legal requirements of Court Approved Settlement Agreement in United States v. City of Albuquerque, No. 1:2014cv1025.

MISSION

The Legal Department's mission is to provide timely and quality legal advice to the Mayor's Office, City Council, and all City departments; to effectively represent the City of Albuquerque in litigation in state and federal courts and administrative hearings; and how to legally bring about effective policy changes.

FISCAL YEAR 2026 HIGHLIGHTS

General Fund - 110

The proposed FY/26 General Fund budget is \$7.1 million, an increase of \$453 thousand over the FY/25 original budget.

Technical adjustments include funding of \$135 thousand for a COLA increase, subject to negotiations for positions associated with a union; a state-mandated 0.5% PERA increase of \$47 thousand for the employer's share; and a net increase of \$9 thousand for medical, group life insurance, and basic life (BLIF).

Other personnel adjustments include the mid-year addition of one full-time field representative for \$105 thousand in FY/25, the deactivation of three positions at a total cost of \$113 thousand, which was used to fund wage increases and positions reclassification, and an increase of \$69 in contractual services to support the department's daily operations and objectives.

Transferred three field representative positions to the CAO at a cost of \$329 thousand. Additional transfer of two positions, a Policy Advisor and Administrative Assistant to EHD, for a net of \$241 thousand.

Other technical adjustments include a \$2 thousand reduction in one-time funding, a \$28 thousand decrease in telephone appropriation, \$60 thousand decrease for risk assessment, and an increase of \$5 thousand for the network.

The proposed budget includes \$656 thousand in projected savings.

The proposed FY/26 budget includes 53 full-time employees, a seven-position reduction from the FY/25 full-time employee count of 60.

MAYOR'S OFFICE

The Mayor's Office supports the elected chief executive and ceremonial head of the City pursuant to the City Charter. The office is comprised of support staff and constituent services that keep the Mayor in touch with residents of Albuquerque and their concerns. The Mayor provides the leadership and direction to execute policies and those legislated by the City Council to provide municipal goods, services, facilities, and infrastructure required of a modern city.

FISCAL YEAR 2026 HIGHLIGHTS

The proposed FY/26 General Fund budget for the Mayor's Office is \$1.1 million, a decrease of 15.6% or \$195 thousand from the FY/25 original budget.

Funding of \$10 thousand is included for a COLA, subject to negotiations for positions associated with a union, along

with \$6 thousand for the employer's share of the State mandated PERA 0.5% increase.

Technical adjustments in FY/26 include a \$2 thousand increase for medical, whereas group and basic life (BLIF) incurred a minimal change.

Internal service costs associated with telephone, network and fleet decrease \$17 thousand and risk assessments related to workers compensation and tort have a minimal increase of \$1 thousand.

In order to align positions with the reporting City Department, the FY/26 proposed budget transfers two positions, a civic engagement manager and a senior constituent services representative, to the Chief Administrative Office, reducing the budget by \$220 thousand.

MUNICIPAL DEVELOPMENT

The Department of Municipal Development (DMD) operates and maintains City streets, storm drains, traffic signals, street lighting, parking operations, and the development and design of capital public buildings.

Program initiatives include strategic support; capital improvement projects; design funding for transportation and storm drains; street CIP/transportation infrastructure tax; storm drainage; General Fund Street services; special events parking; street services; Plaza del Sol building; parking services; and gas tax.

MISSION

The Department of Municipal Development (DMD) ensures that capital projects are completed efficiently, timely, and with high-quality standards. DMD also provides the operation and maintenance of City streets, storm drains, and traffic signals, as well as the development and design of capital infrastructure for streets and storm drainage.

FISCAL YEAR 2026 HIGHLIGHTS

General Fund - 110

The FY/26 proposed General Fund budget totals \$37.6 million, a decrease of \$57 thousand, or 0.2%, below the FY/25 original budget.

Technical adjustments include funding of \$415 thousand for a COLA, which is subject to negotiations for positions associated with a union along with \$109 thousand for the employer's share of the State mandated 0.5% PERA increase. Medical increases \$48 thousand and basic life (BLIF) increases \$12 thousand, whereas group life decreases \$21 thousand.

Internal service allocations associated with telephone decrease \$86 thousand, network and radio combine for a decrease of \$6 thousand, and fleet fuel and maintenance increase \$17 thousand. The department's risk assessments incur a net decrease of \$1.4 million.

A contract specialist was inactivated to support multiple reclassifications within the department. The proposed budget includes \$586 thousand in projected savings. Furthermore, one position will be inactivated at a total cost of \$73 thousand.

Additional funding of \$159 thousand is allocated for the lease agreement and janitorial services at 501 Tijeras.

General Fund full-time position count is 227.

Gas Tax Road Fund – 282

The FY/26 Gasoline Tax Road Fund proposed budget is \$5.4 million, a decrease of 23.5% or \$1.7 million from FY/25.

Technical adjustments include an increase of \$80 thousand for a COLA, which is subject to negotiations for positions associated with a union and \$17 thousand for the employer's share of the State-mandated 0.5% PERA increase. Additionally, medical increases \$12 thousand, while basic (BLIF) and group life have a combined decrease of \$1 thousand.

Internal service allocations associated with telephone increase \$21 thousand, fleet fuel and maintenance decrease \$10 thousand, and network and radio combine for an increase of \$6 thousand. Risk assessments related to workers compensation decrease \$49 thousand. The proposed budget also includes \$1.9 million in projected savings.

The transfer in from the General Fund is \$1 million. State-shared revenues are estimated at \$4.2 million.

Gas Tax Road Fund full-time position count is 59.

Automated Speed Enforcement Fund - 289

The FY/26 Automated Speed Enforcement Fund proposed budget is \$2.8 million, an increase of 11.4% or \$285 thousand from the FY/25 original budget.

Technical adjustments include a net increase to risk assessments of \$116 thousand.

Funding of \$170 thousand is added for two Automated Speed Enforcement positions in APD who will support and be charged to the Automated Speed Enforcement Fund.

Parking Facilities Operating Fund - 641

The parking enterprise FY/26 proposed budget of \$5.9 million reflects an increase of 4.6%, or \$263 thousand, from the FY/25 original budget.

Technical adjustments include \$14 thousand for the employer's share of the State-mandated 0.5% PERA increase, \$63 thousand for a COLA, subject to negotiations for positions associated with a union, and \$9 thousand for medical.

Internal service allocations associated with communications decrease \$13 thousand, while risk assessments increase \$7 thousand. Indirect overhead increases \$109 thousand, whereas PILOT decreases \$11 thousand.

Personnel adjustments include the inactivation of one part-time position for the purpose of reclassifying various full-time positions.

Parking Facilities funds 49 full-time positions.

Parking Facilities Debt Service Fund - 645

There is no outstanding debt in Fund 645 debt service.

MUNICIPAL DEVELOPMENT

PERFORMANCE MEASURES

CORE SERVICES

The Department of Municipal Development provides four core services:

- Manage and Control Public Parking
- Manage City's Real Estate Portfolio
- Oversee the Design, Construction, and Rehabilitation of Public Buildings
- Oversee the Design, Construction, and Maintenance of Transportation and Storm Drainage Infrastructure

The performance measures in the tables below capture Municipal Development's ability to perform these services at a high level.

Manage and Control Public Parking

OFFICE OF CITY CLERK

The Office of the City Clerk maintains official records for the City of Albuquerque, administers the public financing program for municipal elections, accepts bids from the general public, as well as accepts service of process for summons, subpoenas and tort claims on behalf of the City of Albuquerque. The City Clerk is the chief records custodian for the City of Albuquerque and processes requests for public records pursuant to the New Mexico Inspection of Public Records Act (IPRA). The Office of the City Clerk also manages the Office of Administrative Hearings and is responsible for conducting all hearings specifically assigned by City of Albuquerque ordinance, including animal appeals, handicap parking and personnel matters. The Clerk and staff are honored to assist citizens and fellow public servants in all aspects of the office.

MISSION

The Office of the City Clerk is responsible for the preservation, maintenance and provision of public records. The Office also prepares and administers the City's Municipal elections public financing program in a fair, equitable, and ethical manner. The Office of the City Clerk provides an impartial forum for administrative hearings and support for the Board of Ethics, the Personnel Board and the Labor Board.

VISION

The vision of the Office of the City Clerk is to fulfill the trust of the citizens of Albuquerque through exemplary service, integrity, efficiency, accuracy, and transparency of local government.

FISCAL YEAR 2026 HIGHLIGHTS

The proposed FY/26 General Fund budget is \$5.2 million, a decrease of 12%, or \$702 thousand, below the FY/25 original budget.

In FY/26, the budget includes an increase of \$62 thousand for a COLA, subject to negotiations for positions associated with a union. There is a State mandated 0.5% PERA increase of \$19 thousand for the employer's share and an increase of \$6 thousand for medical benefits. The basic life (BLIF) increased by \$2 thousand. The proposed budget also includes projected savings of \$339 thousand.

Technical adjustments for operating costs and internal rate allocations include reductions of \$948 thousand for risk insurance assessments, \$5 thousand for telephone, and \$2 thousand for network expenses.

One-time funding of \$400 thousand remains in the FY/26 proposed budget for contractual temporary staff to assist with IPRA requests.

The department's full-time employee count for the FY/26 proposed budget increases from 36 to 38, with the mid-year FY/25 addition of the Deputy City Clerk and Senior Office Assistant.

OFFICE OF INSPECTOR GENERAL

The Office of Inspector General is an independent office of City Government and does not report to the City's executive branch or the City Council. The Office of Inspector General reports directly to the Accountability in Government Oversight Committee, which provides oversight to the Office of Inspector General and reviews and approves all investigatory reports.

MISSION

To provide independent and objective insight, oversight, and foresight in promoting integrity, efficiency, overall effectiveness, accountability, and transparency in government to safeguard and preserve the public trust.

The Office of Inspector General will accomplish this mission by preventing, detecting, deterring and investigating fraud, waste and abuse in City activities including all City contracts and partnerships, and to deter criminal activity through independence in fact and appearance, investigation and interdiction, and to investigate all allegations of violations of the Code of Ethics and the Elections Code when requested by the Board of Ethics and Campaign Practices.

VISION

The Office of Inspector General serves to "Protect the Public Trust" and does so by encouraging positive change

and ethical behavior in City government; exemplifying efficiency, stewardship, and accountability; and strengthening community confidence and public trust.

FISCAL YEAR 2026 HIGHLIGHTS

The FY/26 proposed budget for the Office of Inspector General is \$899 thousand, an increase of \$86 thousand from the FY/25 original budget. Technical adjustments for personnel include a COLA increase of \$10 thousand, subject to negotiations for positions associated with a union an increase of \$3 thousand for the employer's share of the State mandated PERA increase of 0.5%; and a minimal net increase in health and life insurance premiums.

Funding of \$77 thousand has been allocated for lease payment and janitorial services related to OIG's move to 501 Tijeras.

Non-recurring funding of \$110 thousand is maintained for investigation services, supplies, and ancillary operating costs.

The staffing level remains at four positions in the FY/26 budget.

OFFICE OF INTERNAL AUDIT

The Office of Internal Audit is an independent and nonpartisan office of City Government. The office is not part of the City's executive branch or the City Council and strictly adheres to government auditing standards while exercising the highest standards of ethics. The Office of Internal Audit reports directly to the Accountability in Government Oversight Committee, which is comprised of five community members at large, who are responsible for reviewing and approving all audit reports.

The goals of the department are to:

- Provide independent and objective value-added audits, reviews, and advisory services.
- Proactively identify risks, evaluate controls, and make recommendations that will strengthen City operations.

MISSION

To provide objective and independent evaluations and effective solutions that promote transparency, accountability, efficiency, and effectiveness of City government for the citizens of Albuquerque.

FISCAL YEAR 2026 HIGHLIGHTS

The FY/26 proposed budget for the Office of Internal Audit totals \$1.1 million, a decrease of \$55 thousand, or 4.8%, from the original FY/25 budget.

Personnel technical adjustments include increases of \$18 thousand for a COLA, subject to negotiations for positions associated with a union; \$6 thousand for the employer's share of the State mandated PERA increase of 0.5%; and \$2 thousand for medical insurance premiums. The budget also applies a reduction of \$103 thousand in projected savings.

The FY/26 proposal includes several cost-neutral rearrangements, moving \$17 thousand from the operating category to the personnel category, to fund the upward reclassification of an administrative coordinator position to an executive coordinator as well as the creation of two short-term internships that will provide temporary support for audits and other projects to help meet the Office's critical deadlines.

Non-recurring funding totals \$23 thousand for FY/26, an increase of \$7 thousand over FY/25 appropriations for peer review activities.

OIA staffing remains at eight positions.

* Funding assurance is the finite dollar amount of assurance derived from the performance of Internal Audit services.

* The Peer Review occurs every three years and is scheduled to take place in the third quarter of fiscal year 2026.

PARKS AND RECREATION

The Parks and Recreation Department serves the recreational needs of Albuquerque and the surrounding metropolitan area. The department is organized into the following divisions: park management, recreation, aquatics, open space, golf, design & development, construction, and administration

MISSION

QUALITY PARKS & RECREATION FOR A QUALITY LIFE!

In order to achieve this, the department will:

- Plan, develop, protect, maintain, and enhance Parks, Recreation facilities, Major Public Open Space, and the off-street multi-use Trails System that support community quality-of-life, provide equitable access to parks and green space, and contribute to Albuquerque's sense of place.
- Provide high quality, affordable facilities and programs for all ages to encourage positive personal development and active, healthy lifestyles.
- Promote conservation/environmental education and values, and connect families and children to nature.
- Support economic development and tourism based on sports and outdoor recreation.
- Maintain a safe and supportive workplace, a commitment to ethical management practices, and a spirit of teamwork for all Parks & Recreation employees.

FISCAL YEAR 2026 HIGHLIGHTS

The FY/26 proposed General Fund budget is \$50.2 million, an increase of 1.2%, or \$616 thousand from the FY/25 original budget.

The FY/26 proposed budget includes an increase of \$453 thousand for a COLA, subject to negotiations for positions associated with a union along with \$197 thousand for the employer's share of the State mandated 0.5% PERA increase.

Personnel funding of \$80 thousand is added for one intra-year position which will be offset with a reimbursement from the Albuquerque Bernalillo County Water Utility

Authority. Temporary wage funding of \$108 thousand is added to support mid-year minimum wage adjustments.

Additional personnel technical adjustments include an increase of \$73 thousand for medical and \$18 thousand for basic life (BLIF), whereas group life incurred a \$23 thousand decrease.

Internal service allocations associated with telephone decrease \$347 thousand, network and radio have a combined increase of \$114 thousand, and fleet maintenance and fuel increase \$39 thousand. The department's risk assessments associated with workers compensation and tort decrease \$117 thousand.

Non-recurring FY/25 funding of \$100 thousand was removed; however, \$1.7 million remains in the FY/26 proposed budget to continue supporting a variety of initiatives such as bee sponsorship, 4H Park, Hawks, cycling USAC master's championship, Dakota Tree project, encampments crews, firework for freedom 4th, the Mondo indoor track, park, trails and park maintenance, umpire and other sport referee's pay increase, youth connect summer recreation programs and urban forestry to name a few.

The proposed budget includes \$823 thousand in projected savings. Furthermore, three positions will be inactivated at a total cost of \$225 thousand.

Operating Grants Fund – 265

Operating grants for FY/26, appropriated in separate legislation, total \$5.7 million and includes applying for an Urban Tree canopy cover grant and a transportation alternative program grant to operate the bicycle and pedestrian safety program. Indirect overhead and cash match are included in the transfer to operating grants fund in City Support.

The department's FTE position count for the FY/26 proposed budget is 343, of which three are grant funded youth bicycle educator positions.

PLANNING

The Planning Department provides leadership to facilitate high quality growth and development in our City. The department enforces zoning, building, land use codes and regulations so buildings and neighborhoods are safe and protected. It also creates and deploys development plans and strategies to ensure that growth conforms to adopted plans, policies and regulations. Albuquerque Geographic Information Systems (AGIS) moved back to Planning from Technology and Innovation in FY/23 to enhance efficiencies, and provides up-to-date and innovative online mapping capabilities and information concerning property within the City of Albuquerque.

MISSION

The Planning Department facilitates and manages the sustainable growth of Albuquerque, and enforces regulations to promote the health, safety, and welfare of the public.

FISCAL YEAR 2026 HIGHLIGHTS

The FY/26 proposed General Fund budget for the Planning Department is \$23.6 million, a \$1.3 million or 6% increase over the FY/25 original budget. Funding of \$366 thousand is included for a COLA, subject to negotiations for union positions as well as \$92 thousand for the employer's share of the State mandated PERA 0.5% increase.

Other technical adjustments include a medical increase of \$40 thousand, a group life decrease of \$18 thousand and a basic life (BLIF) increase of \$11 thousand. An additional

\$99 thousand is included for Certified Building Official (CBO) specialty pay per approved Memorandum of Agreement.

Intra-year FY/25, a personnel officer was inactivated to support the reclassification of a GIS coordinator to a systems analyst. In addition, funding of \$621 thousand is included for trade classification wage adjustments. Funding of \$103 thousand supports the addition of a legislated code enforcement officer.

Internal service allocations associated with telephone decrease \$45 thousand, network increases \$11 thousand, and fleet maintenance and fuel increase \$20 thousand. The department's workers compensation and tort risk assessments decrease by \$134 thousand.

Non-recurring funding of \$300 thousand is carried over from FY/25 to continue supporting property abatement. Of that amount, \$178 thousand will be transferred to the Refuse Disposal Operating Fund for after hour board up activities.

The proposed budget includes \$1.4 million in projected savings. Furthermore, a plans analyst and a plans checker will be inactivated at a total cost of \$160 thousand.

The department's full-time position count for the FY/26 proposed budget is 198.

The Albuquerque Police Department (APD) provides quality law enforcement services to the citizens of Albuquerque by working with neighborhoods to identify and abate conditions in the community that contribute to the occurrence of crime; by providing rapid dispatch and officer response to requests for emergency assistance; by conducting effective investigation of crimes through specialized investigation units supported by the City's crime laboratory; by operating crime prevention and community awareness programs; by cooperating with other law enforcement agencies and with other entities in the criminal justice system; and by providing strong internal support functions.

Neighborhood policing is the largest program, supporting six area commands: the special operations division, the open space unit, the metro traffic division, and data management. Investigative services consist of specialized divisions. The criminal investigations division investigates armed robberies, homicides and crimes against children. This division also includes the Family Advocacy Center which investigates domestic violence and sexual abuse and co-partners with other social agencies in providing assistance to these victims. The investigative services division targets narcotics offenders and career criminals (gangs, vice, fugitives). The scientific evidence division is comprised of the Metropolitan Forensic Science Center which performs the department's criminalistics, identification and evidence functions. The real time crime center assists police officers in tracking and responding to crime in the City. The violence intervention program is a critical component in the mission to reduce violent gun crime in the City. The professional accountability program is comprised of the office of the chief, compliance and oversight division, communications division and behavioral health. The office of the superintendent program oversees the internal affairs professional standards division, internal affairs force division and the APD Academy. The administrative support program provides long-range planning, problem solving, records management, human resources, and fiscal support. The off-duty police overtime program provides a mechanism to allow businesses and other external entities to employ sworn officers during their off-duty hours. The final program is the prisoner transport program which funds the transport of prisoners to the Metropolitan Detention Center.

MISSION

The mission of the Albuquerque Police Department is to build relationships through community policing that will lead to reduced crime and increase safety.

VISION

The Albuquerque Police Department envisions an Albuquerque where citizens and the police department work together through mutual trust to build a thriving community.

FISCAL YEAR 2026 HIGHLIGHTS

General Fund - 110

The FY/26 proposed General Fund budget is \$275 million, representing an increase of 1.8% or \$4.8 million above the FY/25 original budget.

Technical adjustments include funding of \$3.6 million for a COLA increase, subject to negotiations for positions associated with a union, and \$775 thousand for the employer's share of the state-mandated 0.5% PERA increase. Personnel adjustments in FY/26 include a net increase of \$307 thousand for medical, group life insurance, and basic life insurance (BLIF).

In FY/25, two full-time civilian positions were added intra-year at a total cost of \$241 thousand, including benefits. Additionally, two Automated Speed Enforcement positions were created, with funding allocated to the Automated Speed Enforcement Fund 289.

Additionally, a reduction in operations at a total cost of \$417 thousand and the deletion of three full-time positions were used to fund wage adjustments and the reclassification of positions to support the police department's daily operations and objectives for a net cost of \$298 thousand.

An additional adjustment in the personnel category reduces \$2 million, offset by the funds awarded from the COPs grant and an increase of \$2.1 million for the retention of police officers with 19+ years of service.

Technical adjustments associated with the internal services allocations include an increase in the telephone appropriation by \$46 thousand, fleet maintenance and fuel by \$123 thousand, and a net increase of \$535 thousand for network and radio. Risk assessments related to workers' compensation and tort decreased by \$1.6 million. FY/26 also includes \$1 million non-recurring for risk recovery for APD.

The proposed budget reduces one-time funding by \$550 thousand. However, \$1.4 million is carried over in FY/26 to cover costs associated with the student loan forgiveness program, the independent DOJ monitor, electronic control weapons, crimes against children unit, risk youth programs, and the APD drag racing tactical plans. Other technical adjustments include an increase of \$200 thousand for barricade services, which APD will transfer to the Parking Facilities Operating Fund 641 to provide support. The budget also includes projected savings of \$5.4 million.

The proposed FY/26 General Fund civilian count is 722, and the sworn count is 1,100 for 1,822 full-time positions. This includes funding to support 1,000 of the 1,100 sworn positions.

POLICE

Law Enforcement Protection Fund - 280

The FY/26 proposed budget is \$1.5 million and comprises two components: the \$1.5 million law enforcement protection project, of which \$100 thousand will be transferred to the General Fund for the debt service payment of police vehicles, and a minimal appropriation of \$2 thousand for the crime lab.

Operating Grants – 265

The FY/26 proposed budget for the department's grants, appropriated in separate legislation, is \$12 million and includes 65 full-time grant-funded positions. Three victim crime liaison positions are funded through the STOP Violence Against Women Grant; two civilian positions are funded through the High-Intensity Drug Trafficking Area (HIDTA) grant; three positions are funded through the Sexual Assault Kit Initiative (SAKI) grant, and two civilian positions are funded through the VOCA Victim Assistance grant. Also accounted for in the Operating Grants Funds are five DNA grant positions and fifty police officers added for the COPS Grant.

POLICE

PERFORMANCE MEASURES

CORE SERVICES

Albuquerque Police Department provides six core services:

- Patrol
- Community Policing
- Special Operations
- Dispatch
- Investigations
- Support Services

The performance measures in the following tables capture the APD's ability to perform these services at a high level.

Patrol

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Officers arrive quickly	% of Priority 1 calls responded to within 10 minutes	74%	72%	85%	73%	85%

SENIOR AFFAIRS

The Department of Senior Affairs offers a broad range of programs and services responsive to the needs of senior citizens in Albuquerque/Bernalillo County. The department provides services through three program strategies: well-being, access to basic services, and volunteerism. The well-being program strategy provides activities and services for seniors to prevent social isolation and includes socialization, nutrition, health and education. Access to basic services supports independent living and provides intervention services that support primarily frail, low-income elders. Services include information, home delivered meals, transportation, in-home services and senior center support services. Volunteerism promotes community involvement, awareness and opportunities to get involved. The department maintains six senior centers, two multigenerational centers, two stand-alone fitness centers and 23 meal sites where seniors may gather for organized activities, socializing and services.

MISSION

The Department of Senior Affairs is committed to providing resources with care and compassion that help our community thrive while embracing age.

FISCAL YEAR 2026 HIGHLIGHTS

General Fund - 110

The FY/26 proposed budget is \$11.5 million, which reflects an increase of 4.1% or \$450 thousand above the FY/25 original budget.

Technical adjustments include funding of \$36 thousand for the employer's share of the State mandated PERA increase of 0.5%, an increase of \$17 thousand for medical, basic life (BLIF), and group insurance, and \$142 thousand for a COLA, which is subject to negotiations for positions associated with a union. Personnel adjustments include the mid-year addition of a Deputy Director for a total cost of \$197 thousand.

Other technical adjustments include a net decrease in risk assessment of \$10 thousand. Internal service allocations include an increase in fleet maintenance and fuel by \$2

thousand, a reduction in the telephone appropriation by \$155 thousand, and a net increase of \$43 thousand for network and radio. Non-recurring funding of \$630 thousand is carried forward into FY/26 to cover the increasing food cost, security, Manana De Oro, and Trade de Oro.

The proposed budget includes \$279 thousand in projected savings and 76 full-time General Fund positions.

Senior Services Provider Fund - 250

AAA Grant Fund 250 was created in FY/15 and renamed to Senior Services Provider in FY/18. The funding is from two grants, the New Mexico Aging and Long-Term Service Department (Area Plan Grant) and the Community Development Block Grant (CDBG). Both are managed by the Family and Community Services Department and contract with Senior Affairs.

The FY/26 proposed budget is \$9.4 million, a 5.7% increase or \$511 thousand over the FY/25 original budget.

Technical adjustments include a net decrease in risk assessments of \$63 thousand. Internal service allocations include a net increase in fleet maintenance and fuel appropriation by \$11 thousand. An increase of \$14 thousand for network, and \$3 thousand for telephone. The transfer for IDOH increases by \$134 thousand.

Personnel adjustments include reducing \$34 thousand to covert six part-time vacant positions to four full-time positions and reclassifying a vacant full-time position to a Community Service Program Coordinator.

The proposed budget includes \$585 thousand in projected savings.

There are 66 full-time positions in fund 250.

Operating Grants Fund - 265

The FY/26 proposed budget for the department's operating grants, appropriated in separate legislation, is \$878 thousand. For FY/26, grants fund nine full-time positions.

SOLID WASTE MANAGEMENT

The Solid Waste Management Department provides residential and commercial trash collection, disposal, and the collection of residential recycling. The department oversees large-item disposal, graffiti removal, weed and litter abatement, median maintenance, convenience centers, and neighborhood cleanup support. Other services include operating the City landfill in compliance with State and Federal regulations and educating the public about recycling and responsible waste disposal.

MISSION

The mission of the City of Albuquerque Solid Waste Management Department is to develop and implement an integrated plan to manage waste disposal, recycling services, weed and litter, and anti-graffiti efforts. In keeping with this mission, each program or activity conducted by this department will strive to direct human and financial resources to those areas where goals and objectives can be achieved - guided by common sense, accountability, and compassion to assist residents and businesses of the City of Albuquerque to improve the environment and our quality of life.

VISION

The Solid Waste Management Department team is committed to becoming the most efficient and effective department in the City of Albuquerque, invaluable and respected by all residents. The department is further dedicated to becoming the leader and model for other cities in the nation in solid waste collection, recycling, anti-graffiti, and weed and litter clean up and enhancing community partnerships. The City of Albuquerque, through its Solid Waste Management Department, will convert this resource into sustainable energy production.

Commitment to our employees: The department is committed to providing its employees exceptional compensation and benefits coupled with a safe work environment and a satisfying personal and professional challenge.

FISCAL YEAR 2026 HIGHLIGHTS

Refuse Disposal Operating Fund – 651

The FY/26 proposed operating budget for the Solid Waste Management Department totals \$92.1 million, a decrease

of \$4.5 million, or 4.6%, from the FY/25 original budget. The reduction is largely due to the decrease in transfers out to debt service fund 655 and to the capital fund 653.

Technical adjustments for FY/26 include a \$101 thousand increase for medical, a \$28 thousand increase for basic life (BLIF) and a \$36 thousand decrease to group life. Funding of \$153 thousand is included for the State-mandated 0.5% employer contribution to PERA and \$718 thousand for a COLA, subject to negotiations for positions associated with a union.

Internal service allocations associated with telephone decrease \$8 thousand; network and radio increase \$215 thousand; fleet maintenance and fuel increase \$36 thousand; and risk assessments related to workers compensation and tort decrease \$148 thousand.

The FY/26 transfer from the department's operating fund to the debt service fund was removed. The debt service fund has sufficient cash balance to support the principal and interest appropriation. The transfer to capital decreases by \$3.9 million. The transfer to the General Fund for Animal Welfare, Planning, Purchasing and General Services increases \$65 thousand and includes the \$225 thousand transfer to Environmental Health for sustainability office expansion. Indirect overhead and transfers for PILOT increase by a net of \$1.4 million.

Total revenues, including miscellaneous and enterprise, are estimated at \$88.8 million for the Solid Waste Management Department. This is an increase of 2% or \$1.3 million from the original FY/25 budget level.

The department updates the "cost of service" analysis annually to determine if a rate adjustment is needed. As in prior budget proposals, the FY/26 proposed budget resolution includes a contingency appropriation for the cost of fuel when it exceeds \$2.30 per gallon [ref Ordinance §9-10-1-11(K)]. This will allow the department to appropriate funding in the fuel line only when and as needed.

Refuse Disposal Debt Service Fund - 655

The FY/26 appropriation for the Refuse Disposal System Debt Service Fund remains at \$2.8 million.

PERFORMANCE MEASURES

CORE SERVICES

The Solid Waste Management Department provides five core services:

- Collect Commercial and Residential Refuse and Recycling
- Process and Dispose of Refuse and Recycling
- Clean Community Spaces
- Community Education and Outreach
- Support Services

The performance measures in the following tables capture the Department's ability to perform these services at a high level.

Collect Commercial and Residential Refuse and Recycling

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Effectiveness	% of residential refuse missed pick-ups	0.18%	0.14%	0.15%	0.16%	0.16%
Recycling Contamination	Recycling contamination rate	35.48%	34.67%	34.94%	34.67%	34.94%

Process and Dispose of Refuse and Recycling

TECHNOLOGY AND INNOVATION

The Department of Technology and Innovation provides technology services and resources to support City departments, employees, and community members with innovative engagement (online, 311, WiFi), applications, communication (voice, data, and radio), and infrastructure capabilities.

MISSION

To engage constituents with digital services through the smart use of technology which will improve and facilitate community interaction and engagement through a more efficient, effective and transparent government.

FISCAL YEAR 2026 HIGHLIGHTS

General Fund - 110

The FY/26 proposed General Fund budget is \$18.3 million, a 2.3% increase from the original FY/25 budget of \$17.9 million. Technical adjustments include a COLA increase of \$277 thousand, subject to negotiations for positions associated with a union; a State mandated 0.5% PERA increase of \$92 thousand for the employer's share; and medical and active life insurance premium payments increase by a net of \$17 thousand.

Additional technical adjustments include a neutral reallocation of \$13 thousand from the operating budget to personnel to reclassify a systems analyst position to a smart cities specialist position, a \$16 thousand decrease for the transfer of the Leidos IQ software contract to the Chief Administrative Office, and a decrease of \$211 thousand for the inactivation of a business technical specialist position and another systems analyst position.

The telephone allocation decreases by \$103 thousand; and internal service transfers for fleet, communications, and risk management decrease by \$132 thousand. The proposed budget includes non-recurring carryforwards totaling \$333 thousand for software licenses and subscriptions. It also includes \$1.4 million in projected savings.

Equipment Replacement Fund - 730

The FY/26 proposed budget for this fund is \$500 thousand for annual PC refreshes.

Communications Management Fund - 745

The Communications Management Fund budget is \$13.1 million for FY/26, increasing 10.9% from the FY/25 original budget. Technical adjustments include a COLA increase of \$37 thousand, subject to negotiations for positions associated with a union; a State mandated 0.5% PERA increase of \$12 thousand for the employer's share; medical, dental and active life insurance premium payment increases by a net of \$3 thousand; a \$786 thousand increase for Microsoft Exchange licenses and to realign funding for other licenses and subscriptions within the department; and a net increase of \$307 thousand in telephone expenses for additional cellphones for APD and Cradlepoint technology.

Internal service transfers for fleet, communications, risk management and indirect overhead increase by \$79 thousand.

PERFORMANCE MEASURES

CORE SERVICES

The Department of Technology and Innovation provides four core services:

- Support Emergency and Public Safety Readiness and Response through Technology
- Provide and Promote Community-Oriented Technologies
- Support Engagement with the City
- Provide High Quality Technology and Innovation Services

The performance measures in the tables below capture the Department of Technology and Innovation's ability to perform these services at a high level.

Support Emergency and Public Safety Readiness and Response through Technology

TRANSIT

The Transit Department provides fixed route (ABQ Ride) and rapid transit (ART) bus service for the Albuquerque community and Para-Transit (SunVan) service for the mobility impaired population.

The department provides connection routes with the New Mexico Rail Runner commuter train throughout the City, to the airport, and to the City of Rio Rancho. Additional services, such as special events park and ride that might include the New Mexico State Fair and luminaria tours, are also made available in an effort to offer a broad range of alternative transportation services.

Through its marketing section, the department is aggressively promoting and encouraging alternative transportation to the community. These include the "Strive-Not-To-Drive" and "Clean Air Challenge" campaigns encouraging commuters to use alternative forms of transportation.

MISSION

Be the first choice in transportation services for the Albuquerque metropolitan area.

FISCAL YEAR 2026 HIGHLIGHTS

General Fund - 110

The General Fund subsidy for the FY/26 proposed budget is \$30.1 million and decreased by \$17 thousand from the FY/25 original budget. All the subsidy funding is recurring.

Transit Operating Fund - 661

The FY/26 proposed budget for the Transit Department Operating Fund is \$67.9 million, an increase of 3.8%, or \$2.5 million above the FY/25 original budget.

In FY/26, the budget includes an increase of \$698 thousand for COLA, subject to negotiations for positions associated with a union. There is a State mandated 0.5% PERA increase of \$146 thousand for the employer's share. Other personnel technical adjustments include \$115 thousand increase for medical, \$29 thousand

increase for basic life (BLIF) and a \$35 thousand decrease for group life. Intra-year, two full-time motorcoach operators, and one part-time motorcoach operator were deactivated to cover the cost of wage adjustments, which decreases personnel costs by \$181 thousand in total. The wage adjustment and reclassification for various positions increases personnel costs by \$127 thousand.

Internal service costs associated with communication, risk and fleet decreases by a \$177 thousand.

As a result of purchasing alternative fuel buses, Transit will save an estimated \$1.7 million in fuel and lubricant costs. The savings of \$1.7 million will be used to meet the department's operational bus security needs.

Due to the loss of grant funding, six positions for marketing will be moved from the Operating Grant Fund (265) to the Transit Operating Fund (661) at a cost of \$558 thousand in personnel and \$75 thousand in operating. Additional budget realignment includes \$93 thousand for a new Sr. Buyer position, \$22 thousand decrease in repair and maintenance, and \$704 thousand decrease in personnel for deactivating 10 motorcoach positions to accomplish the previously mentioned budget adjustments.

Funding for IDOH decreases by \$210 thousand while PILOT decreases by \$17 thousand. The transfer from the operating fund to Fund 663 and to Fund 665 remains at \$463 thousand and \$2.6 million respectively as in FY/25 original budget.

The proposed budget adjusts program appropriations by \$2.7 million in FY/26 based on projected savings.

For FY/26 total revenues are projected at \$61.8 million. This amount consists of \$350 thousand in enterprise advertising revenues, \$23.3 million in Transportation Infrastructure Tax, \$8.2 million from inter-governmental and miscellaneous sources and \$30.1 million from the General Fund subsidy.

Transit Debt Service Fund - 667

There is currently no outstanding debt.

PERFORMANCE MEASURES

CORE SERVICES

The Transit Department provides three core services:

- Bus Services
- Van Services
- Support Services

The performance measures in the tables below capture the Transit Department's ability to perform these services at a high level.

Bus Services

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Ridership	Fixed route boardings	6,656,730	6,713,151	7,500,000	3,790,000	7,875,000

	Maintenance cost per mile – Vans	\$0.10	\$0.12	\$0.15	\$0.15	\$0.15

YOUTH AND FAMILY SERVICES

Effective July 1, 2024, the former Family and Community Services Department (FCS) was restructured into two separate departments: the Health, Housing and Homelessness Department (HHH) and the Youth and Family Services Department (YFS).

YFS provides a variety of programs focused on early childhood education, out-of-school time opportunities, community recreation, and support for seniors to promote aging with dignity and independence. The Department operates nearly two dozen community centers, offering public access to gymnasiums, meeting rooms, kitchens, multipurpose activity rooms, computer labs, weight/fitness rooms, athletic fields, and multipurpose courts. YFS also manages 18 child and family development centers in a collaborative effort of Federal, State, and City funding to provide quality early learning opportunities for children from birth to 5 years old.

MISSION

To provide quality early learning, education, youth services, and recreation to promote healthy aging and improved quality of life for the entire Albuquerque community.

FISCAL YEAR 2026 HIGHLIGHTS

General Fund - 110

The proposed FY/26 General Fund budget totals \$25.8 million, a decrease of \$1.2 million, or 4.3%, from the FY/25 original budget.

Adjustments to personnel include increases of \$246 thousand for a COLA, subject to negotiations for positions associated with a union; \$57 thousand for the State-mandated 0.5% employer contribution increase for PERA; and \$39 thousand for a 2% medical premium increase. The proposed budget includes projected savings of \$2.8 million and a reduction of \$348 thousand for the deactivation of five vacant positions.

Adjustments to operating costs and internal rate allocations include an increase of \$235 thousand for IT network expenses as well as reductions of \$122 thousand for risk insurance assessments and \$252 thousand for telephone services.

In addition, the FY/26 budget maintains a \$2 million reallocation from YFS to HHH and carries over \$648 thousand in non-recurring appropriations, down slightly from \$728 thousand in FY/25.

The proposal also supports a neutral budget rearrange, removing \$1.2 million from temporary labor in community recreation and reallocating these funds toward facility maintenance, administrative operations, and crossing guard services.

Operating Grants Fund - 265

The FY/26 proposed budget for the Department's grants are estimated at \$21 million in the Operating Grants Fund.

The Department's full-time position count totals 255 for FY/26. The General Fund position count is 186 and the Operating Grants Fund position count is 69.

PERFORMANCE MEASURES

CORE SERVICES

The Youth and Family Services Department provides the following core services:

- Early childhood education
- Out of school time opportunities
- Community recreation
- Supports for seniors to enhance quality of life

The performance measures in the following tables capture YFS's ability to perform these services at a high level.

Early childhood education

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Early Childhood Education	# of children served through the City's early childhood education programs	497	467	650	376	650
	% of enrolled children meeting or exceeding widely held expectations across the six learning and development domains by age: Social-Emotional, Physical, Language, Cognitive, Literacy and Mathematics	92%	93%	95%	76%	97%
Health and Nutrition	% of enrolled children up-to-date on a schedule of age-appropriate preventive and primary health care according to the State's EPSDT schedule	96%	88%	95%	89%	97%
	% of children who are up to date with immunization or received all possible	93%	88%	95%	89%	97%
	Total # of meals served to children in early childhood education programs	147,623	115,306	175,000	67,653	175,000

Out of school time opportunities

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Participation	# of teens participating in Teen Nights at Community Centers	448	438	700	373	700
	# of youth participating in programs during the summer	43,257	41,563	60,000	N/A	60,000
	# of youth participating in programs during the school year	175,406	134,594	125,000	66,998	130,000

YOUTH AND FAMILY SERVICES

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Career Readiness	# of students enrolled in the Job Mentor Program	1,353	645	1,000	567	1,000
	# of Job Mentor Program participants with paid summer internships	132	131	100	N/A	100

Community recreation

Attribute	Measures	Actual FY/23	Actual FY/24	Approved FY/25	Mid-Year FY/25	Proposed FY/26
Recreation	# of adults attending (registered and guest) community centers	168,894	178,859	100,000	111,858	160,000

BONDED INDEBTEDNESS

BONDED INDEBTEDNESS

The City finances a substantial portion of its traditional municipal capital improvements with General Obligation (GO) bonds. However, certain capital improvements are financed with revenue bonds. The City's Capital Implementation Program (CIP) consists of a ten-year program, with a general obligation bond election held every odd-numbered year to approve the two-year capital budget portion of the program. It was the policy of the City for more than 10 years to maintain a stable tax rate of approximately 20 mills for general obligation bond debt service. Capacity to issue bonds in future years was calculated by using a tax production at 20 mills and assumed new issues would have level annual principal payments for a ten-year retirement. Beginning in 1986, successive Statewide reassessments to bring locally assessed property values up to the statutory requirement of "current and correct" resulted in large increases in net taxable value and substantially reduced the debt service mill levy required to meet debt service on outstanding general obligation bonds.

In FY/10, the City shifted two mills from debt service to operations. This decreased the mill rate for debt service from 6.976 mills to 4.976 mills and increased the operating levy by two mills. The total tax rate (operations and debt service) will remain at the same level for taxpayers at approximately 11.52 mills for residential and non-residential taxpayers. The transfer of two mills from debt service to operations will not affect the ability to provide sufficient revenues to support the entire \$140 million bond package that was passed in November 2021. The impact to the program was limited by extending bond life to 13 years.

Enterprise projects are funded directly out of revenues or with revenue bonds supported by net revenues. To the extent that net revenues of the enterprise projects produce minimal coverage or fall short in the startup years for discrete projects, Gross Receipts Taxes have been pledged as additional security. Gross Receipts Taxes have been used to secure parking structure revenue bonds, airport

revenue bonds and Lodgers' Tax bonds that financed the construction of the Convention Center, a municipal office building and the acquisition of another office building. The City issued GRT bonds for the I-25/Paseo Del Norte Interchange project that was funded in conjunction with the State and County and completed in Spring of 2015. Bonds were issued in May of 2015 for several projects: a visitor center, sports complex, public pool, library, rapid transit project, broadband phone service (Voice over Internet Protocol), and taxable bonds in support of Local Economic Development Act projects. In 2016 GRT/Lodger's Tax Bonds were issued for purchasing a parking structure for the Entertainment District, improvements for the Convention Center, Civic Plaza and City Parking Structures. In 2020, the City issued GRT & GRT/Lodgers Tax/Hospitality Fee refunding taxable and tax-exempt bonds to refinance outstanding bonds in order to achieve debt service savings. In June 2024, the City issued \$19.83 million in Gross Receipt Tax Revenue Bonds, Series 2024 for various capital projects throughout the city. The Series 2024 Gross Receipts Tax Bonds closed on July 17, 2024.

The total outstanding general obligation indebtedness of the City as of April 1, 2025 is \$420 million shown in the table on the next page. The City does not have any short-term tax revenue anticipation notes outstanding. The amount of general-purpose general obligation debt of the City is limited to 4% of assessed valuation. As of April 1, 2025, the 4% statutory limit is \$698 million with outstanding general-purpose debt of \$366 million. This leaves \$332 million available for future issues. In the regular municipal election held in November 2023, the voters approved the issuance of \$191 million of general-purpose general obligation bonds and \$9 million of storm sewer system general obligation bonds. The City issued \$112 million of general obligation bonds on April 18, 2024. The City plans to issue the remaining authorization of \$88 million in April 2025. The City is scheduled to have the next general obligation bond election in November 2025 in the estimated amount of \$180 million.

FISCAL YEAR 2026 BUDGET CALENDAR OF EVENTS

Dec 13	Budget Call - message and instructions to departments
Dec-Jan	<p>Departmental preparation of FY/26 budget request. Meetings between budget staff and department staff to answer questions on instructions and procedures.</p> <p>Departments prepare detail information forms and supporting schedules, and submit one copy to the Office of Management and Budget for all Operating Funds by January 10, 2025.</p>
Jan 20–Jan 31	Budget Technical Review Meetings
Feb	Submission of Five-Year Forecast
Feb 6/7 & Feb 13/14	CAO Budget Hearings
Feb - Mar	Preparation of Proposed Budget and Budget Document
Apr 1	Proposed Budget Document Submitted to Council
May	City Council Committee of the Whole meetings to consider the Budget Proposal
May 19	Scheduled Final Action by Full Council

ANALYSIS METHODOLOGY FOR COMPUTING LINE ITEM ADJUSTMENTS

Numerical Rounding

Budgets are developed using whole numbers. When programs are summarized, each is rounded down to the nearest thousand. Rounding makes for ease of reading when reviewing the document.

Personnel

- The wage and salary base is established for each filled or authorized-to-be-filled position.
- Employee benefits are calculated on wage and salary costs at the following rates: FICA 7.65% regular, 1.45% for police and fire hired after April 1, 1986; PERA 21.66% for bus drivers, security and animal control officers, blue and white collar and professional, 22.79% management, 37.93% for fire, 33.38% for police, 30.16% for transport officers and 9.65% for temporary employees and some seasonal employees. Other employee benefits (group life, unemployment compensation and insurance administrative fees) is 0.59%; retiree health insurance is 2% for all employees, except sworn police, transport officers and fire, which is 2.5%.
- The City's contribution for medical, dental, and vision insurance premiums are loaded initially at FY/25 levels - based on what coverage level an employee elects. For FY/26, premiums for dental and vision coverage did not change. Medical premiums increased by 2%.
- An average vacancy savings rate of 3.5% for City departments is calculated into employee salaries. There is no vacancy savings rate calculated for CIP recovered positions.

Operating

Department managers were required to provide detailed information supporting FY/26 budget requests for professional services, contractual services and repairs and maintenance. Other FY/26 operating expenses were budgeted equal to FY/25 appropriated amounts. A non-recurring baseline of \$28.3 million is carried forward from FY/25 and an additional \$950 thousand is included for a total of \$29.3 million in FY/26.

- Inflationary adjustments were not granted as automatic across-the-board adjustments.
- Capital coming-on-line such as improvements/additions at Senior Centers or the Adult Day Care facility are funded based on an annualized cost.
- Beyond those stated above, line item increases needing special justification include extraordinary price increases, increased workload, or a special need not previously funded.

Capital

New and replacement property items are included in the appropriate program appropriations within each of the funds.

Transfers

- Workers' compensation, tort and other and risk recovery transfers are treated as direct transfers to the Risk Management Fund in each program for FY/26. These transfers are identified by the Finance and Administrative Services Department, and Risk Management Division based on the historical experience and exposure factors relative to each program.
- Outside of Solid Waste, cost estimates for fuel are based on a combination of gallons and price. Gallons are estimated using 12 months of historical data. The FY/26 budget assumes usage of 3.1 million gallons of fuel at an average price of \$3.20 per gallon for Transit and \$3.45 per gallon for most remaining departments after including taxes and mark-up. For the Solid Waste Management budget, the legislation includes a contingent appropriation for fuel exceeding \$2.30 per gallon. When fuel costs go above \$2.30 per gallon, a fuel surcharge is billed to customers.
- Vehicle maintenance charges are estimated for FY/26 according to the class of vehicle and historical cost of maintaining that class. These charges are designed to recover the costs of normal maintenance including a preventive maintenance program which schedules vehicles for periodic checks and needed repairs.
- Communication transfers for FY/26 include radio maintenance costs which are based on historical average prices during an 18-month period ending December 2024 and \$20 per radio for payment to the State of New Mexico; network costs which are based on actual data ports in each City department; and cellular/wireless device costs. As in FY/25, the State of New Mexico will not impose a \$20 per radio charge for local governments in FY/26 to help defray these costs.

REVENUE FORECASTING METHODOLOGIES

Revenue estimates are prepared using methodology appropriate for the sources of revenue. The methodologies range from simple trend analysis to more complicated regression models linking revenues with economic and demographic factors. In general, the revenues can be broken into five main categories.

- Tax Revenues - Sources include Gross Receipts Tax (GRT), property tax, franchise fees and payments in lieu of taxes (PILOT).
- Charges for Services - Services provided by the City generate this source of General Fund revenue. These include but are not limited to entrance fees to City venues, street repair and inspections related to construction and right-of-way use, and police services, etc. For enterprise and other funds, this includes fees charged for refuse disposal, transit, aviation and parking.
- Permits and Licenses - Revenue is primarily generated through the construction industry for building and construction permits. Other permit and license revenues include: animal licenses, business registrations, restaurant and food processing inspection permits, etc.
- Sources Internal to the City - Revenue is generated through indirect overhead, funding of employees to manage capital projects, and inter-department / intra-department transfers.
- Other Miscellaneous Charges - Interest earnings is the main source of revenue for this category.

Discussion is presented by fund but discussions of similar revenue sources are applicable to all funds.

General Fund

The City economist prepares General Fund revenue estimates using various models and inputs from the department staff familiar with a particular revenue source. The forecast is presented to and reviewed by the Forecast Advisory Committee as provided in the City Ordinance. The committee includes members from City administration and Council staff, the University of New Mexico, and other governmental agencies.

The FY/26 revenue stream for Gross Receipts Tax (GRT) is estimated to be 68.9% of the General Fund budget. These estimates are detailed and monitored regularly. The GRT base is forecasted using multiple regression analysis that utilizes estimates of future economic activity locally and nationally as provided and described in the section titled Economic Outlook. Known tax rates are then applied to this estimated base to get an estimate of the expected tax revenue. The Transportation Infrastructure Tax is a GRT tax and forecasts are based on this methodology. Effective in FY/22, State tax changes allowed for local GRT increments to be applied to internet sales, State-shared excise tax on recreational cannabis, and other changes to the tax base.

Property taxes are estimated based on trend analysis of the tax base. The County Assessor provides information on the tax base and its structure. The tax base forecast uses historical growth rates, known expansions in building activity and limitations in the growth of the existing tax base as set in State law. The forecasted tax revenue is then based on the current tax rates and expected collection rate by the County for the tax.

Franchise fees are imposed on utilities providing electricity, natural gas, communications (telephone and cable TV), and water. The tax base is the gross revenue of the utility. Forecasts are based on the historic growth in these revenues with adjustments based on known changes in rates and expected changes that will impact consumption or increase revenues. Seasonality and weather have a substantial impact on usage and forecasts for natural gas, water and electricity. Average weather is generally assumed. As many of these companies are regulated, information on forecasted revenues may be readily available from the company. Examples of specifics that have changed recent forecasts are increases in the franchise fee for electricity and continued expansion of cell phones that has eroded the tax base for the land-based telephone utilities.

Forecasts of charges for service are usually based on trend analysis of any changes in the charges or rates for entry into City facilities or for provision of services. The departments that supply these services provide expert knowledge in preparation of revenue estimates for their facilities.

Permit and license revenues are estimated by the departments and reviewed by the City economist. The largest source of permit revenue is associated with construction, and these estimates are tied to forecasts of construction activity provided by the Bureau of Business and Economic Research (BBER) at the University of New Mexico and input from City and outside experts in the construction industry.

Revenues internal to the City are based on budget estimates of expenses for funds and estimates of inflation from the National Economic Forecast for out years.

Historically, a major source of miscellaneous revenue is interest earnings on investment. Forecasts of interest earnings are based on expected interest rates from national economic forecasts, market activity and the size of interest earning balances.

REVENUE FORECASTING METHODOLOGIES

Other Funds

Revenue estimates for other funds are based on historical trends, legislative action, economic factors and other information available to the department staff and OMB budget analysts.

Enterprise Revenues

Enterprise revenues are prepared by the departments based on trend analysis of growth, the rate structure that is in place, and any proposed changes in rates or changes in services. These revenue estimates are reviewed by the City Economist and OMB Budget Analysts.

Lodger's Tax and Hospitality Fee

Estimates of these taxes are based on trend analysis. These revenues are quite volatile and there are no prospective measures for tourism and business travel to Albuquerque; therefore, the forecasts are always quite conservative.

CITY OF ALBUQUERQUE TAX IMPOSITIONS¹
(millions of dollars)
(Rates as of July 1, 2025)

	IMPOSITION	Maximum Allowed	Currently Imposed	USE Limitations²	FY/26 FULL-YEAR IMPACT
Gross Receipts Tax Distribution					
State Shared GRT	State imposed levy in lieu of earlier local sales tax and remitted to local jurisdictions	3.725%	2.7875%		\$686.0
Compensating Tax Interstate Telecom	Share based on imposed local option Share based on imposed local option	1.225%	1.225%	Pledged to outstanding bonds	\$299.1
Municipal GRT (w/o Referendum)	No referendum required	2.05%	1.4375%		
Public Safety	Historical municipal tax increments were consolidated and de-earmarked effective July 1, 2019	0.2500%	0.2500%	Public Safety	\$349.1
General Purposes		0.5000%	0.5000%	General Purposes	
Transportation		0.2500%	0.2500%	Roads, transit, trails	
Municipal Hold Harmless GRT		0.3750%	0.3750%	General Purposes	
Municipal Infrastructure GRT		0.0625%	0.0625%	General Purposes	
Municipal GRT (w/ Referendum)	Referendum required	0.45%	0.1250%	Dedicated to infrastructure and bonds to pay for infrastructure	
BioPark Infrastructure Tax	Effective July 1, 2016 with sunset of 15 years, June 30, 2031		0.1250%	BioPark	\$29.0
Gasoline Taxes	Imposed in one cent increments				
2 Cent Gasoline Tax	Positive Referendum Required	\$0.02	\$0.00	Restricted by statute to roads and transit	\$0.00
Property Taxes					
Operating Levy	Vote of governing body (DFA-LGD informed by Sept. 1); blended residential and non-residential rate includes P&I	(In mills) 7.65	(In mills) 6.54	Any lawful purpose. Limited constitutionally to 20 mills total (all jurisdictions). Yield Controlled. Judgments in excess of \$100K may be placed on tax rolls.	\$111.7
Debt Service	Positive referendum by G.O. bond election every two years; includes P&I		4.976	Pay debt service. Not Yield Controlled. Debt limited to 4% of assessed valuation, except where debt has been issued for water and sewer purposes	\$85.0
Effective July 1, 2019, NM House Bill 479 consolidated and de-earmarked most municipal GRT increments; however, for FY/26, the City of Albuquerque continues to allocate historical increment amounts to existing purposes. Note: All local options of GRT are subject to a 3% administrative fee (except hold harmless distributions, beginning in FY/20).					

TAX AUTHORITY AUTHORIZED AND UNIMPOSED FY/26

MUNICIPAL GROSS RECEIPTS TAX (Section 7-19D-9 NMSA 1978)

Effective July 1, 2019, New Mexico House Bill 479 repealed several restricted local option rates in favor of increasing the unrestricted municipal local option rate from 1.5% to 2.5%. For municipalities, any new local option that exceeds 2.5% minus 0.45%, or 2.05%, would have to go to the voters for approval.

As of the approved FY/26 budget, the City has imposed 1.4375% of the total 2.05% cap not requiring voter approval, leaving 0.6125% of remaining municipal gross receipts tax capacity that does not require voter approval. **The remaining municipal GRT increment not requiring a referendum would generate approximately \$149.55 million.**

Despite the legislation lifting prior use restrictions, in FY/26, the City continues to allocate revenues as per historic reporting categories. Imposed are (listed by pre-FY/20 tax increment categories): a 1/2 cent to fund general government; a 1/4 cent transportation tax that was renewed by voters in the November 2019 election and became effective July 1, 2020; and a 1/4 cent public safety tax that was passed by the voters October 28, 2003. The City has also imposed a 1/16th cent municipal infrastructure gross receipts and a 3/8ths hold harmless distribution tax, both also dedicated to general government.

House Bill 479 allows any voter-approved local option rates in place before the effective date of the 2019 act to be "grandfathered," and not be subject to voter approval. For Albuquerque, the 0.125% BioPark Infrastructure tax was passed by the voters in October 2015. It became effective July 1, 2016 and has a sunset date of June 30, 2031. This leaves 0.325% remaining of the 0.45% municipal GRT increment that requires a referendum. **The remaining municipal GRT increment requiring a referendum would generate approximately \$79.4 million.**

Any additional tax increments imposed will not include the food and medical hold harmless distribution. All taxes except for hold harmless food and medical distributions are also reduced by a 3% administrative fee paid to the State; however, beginning in FY/27, the fee will be phased out over two years and eliminated by FY/29. In January 2013, the State passed legislation that phases out the hold harmless distribution from FY/16 to FY/30. In FY/15, the last year prior to the beginning of the phase out, the hold harmless distribution to all City funds was approximately \$38 million.

GASOLINE TAX

The City may impose up to two cents in one-cent increments. Purposes are restricted by statute, and must be approved by the voters.

Revenue available \$5,600,000

PROPERTY TAX

The City has authority to impose an Operational Levy of up to 7.65 mills. The City, with this budget, has imposed a mill levy of 6.54. The governing body may increase the imposed levy up to the statutory maximum, but the actual tax rates are set by the Local Government Division of the New Mexico Department of Finance and Administration and are subject to statutory yield control provisions.

Revenue available \$19,000,000

The Debt Service Levy is imposed to meet debt service on General Obligation bond issues approved by the voters. There is a constitutional limit that outstanding General Obligation debt may be no more than 4% of assessed valuation, except where the debt has been issued for water and sewer purposes. There is statutory authority to impose a judgment levy and put judgments over \$100,000 on the tax rolls. In FY/10 this levy was lowered from 6.976 to 4.976 shifting two mills to operations.

FRANCHISE FEES

The City has statutory authority to negotiate franchise fees for use of City right-of-way by utility companies. Current fees are 3% of specified electric revenues, 5% for Cable TV, 3% for local exchange telecommunications franchises and 3% for the natural gas franchise. The franchise fee with the Albuquerque/Bernalillo County Water Utility Authority is 4%.

LODGERS TAX

Within the City limits, hotels and other lodging facilities pay the statutory maximum of a 5% tax on room rentals. By State law, a minimum of 50% of the proceeds must be spent on promotion; the other 50% is pledged for debt service.

HOSPITALITY FEE

In addition to the lodger's tax, a hospitality fee of 1% is collected by the City. By State law, a minimum of 50% of the proceeds must be spent on promotion; the other 50% is pledged for debt service/capital. The fee has a sunset date of July 1, 2028.

TOTAL UNUSED TAX AUTHORITY AVAILABLE \$ 253,600,000

HOLD HARMLESS DISTRIBUTIONS

Loss of Hold Harmless Distribution. The State exempted food and some medical services from gross receipts taxes in 2004. To compensate local governments for the lost revenue, the State implemented a food and medical "hold harmless distribution." The hold harmless distribution for Albuquerque averaged \$38 million per year. Beginning in Fiscal Year 2016, the State began a 15-year "phase-out" of the hold harmless distribution. The annual cost to the City began at \$2.5 million, which represented a loss in revenue growth of nearly one full percentage point. As demonstrated in the following table, the annual loss to the General and Transit Tax Funds over the course of the "phase out" will be \$38 million on a recurring basis and over \$300 million cumulatively.

The first year of the phased-out reduction in food and medical hold harmless distributions was FY/16. The distribution is reduced by 6% in FY/16 and an additional 6% in each of the

following years through FY/20. From FY/21 through the complete phase out, the additional phase out is 7%. The estimated total revenue for phase out is based on the total estimate before phase out in FY/18. The total before phase out calculations actually shrunk in FY/17 and FY/18, making the impact to the City smaller than originally estimated. In FY/20, food hold harmless revenue increased in the early months of the COVID-19 health crisis due to changes in household food purchases. Additionally, the State began waiving the administrative fee on hold harmless distributions in FY/20 which increased the net distribution, slowing the perceived reduction by about a year. The actual impact to the General Fund in terms of growth continues to be a decrease of approximately 0.6% to 0.7% in the GRT growth rate. It is estimated that in FY/26, the City will lose an additional \$4.4 million due to this phase out.

Fiscal Year	Loss of Hold Harmless in 2016 Dollars		
	General Fund \$2.3M/Year	Transit Tax \$233k/Year	Total \$ Loss
2016	2,300,000	233,333	2,533,333

GLOSSARY OF TERMS

ACCRUED EXPENSES: An expense recognized as incurred, but not yet paid.

ADJUSTMENTS FOR POLICY DIRECTION CHANGES: Proposed adjustment to the maintenance-of-effort budget, both positive and negative, which is considered major policy issue.

AMERICAN RESCUE PLAN ACT OF 2021: A federal aid program, also called the American Rescue Plan, is a 1.9 trillion economic stimulus bill to provide additional relief to address the continued impact of COVID-19 on the economy, public health, state and local governments, individuals, and businesses.

ANNUALIZED COSTS: Costs to provide full-year funding for services initiated and partially funded in the prior year.

APPROPRIATION: Legal authorization granted by City Council to make expenditures and to incur obligations for specific purposes within specified time and amount limits.

APPROPRIATIONS RESOLUTION: Legal means to enact an appropriation request, e.g., annual operating budget.

ASPCA SAFER: American Society for the Prevention of Cruelty to Animals developed a training course 'Safety Assessment for Evaluating Rehoming' which is used to determine the aggressiveness of canines.

AUDIT: Official examination of financial transactions and records to determine results of operations and establish the City's financial condition.

BASE BUDGET: Portion of an annual budget providing for financing of existing personnel, replacement of existing equipment, and other continuing expenses without regard for price changes.

BONDED INDEBTEDNESS / BONDED DEBT: That portion of indebtedness represented by outstanding general obligation or revenue bonds.

CAPITAL BUDGET: Plan of proposed capital outlays and the means of financing them.

CARES ACT: A federal aid program under the US Department of the Treasury establishing the \$150 billion Coronavirus Relief Fund to provide economic relief to state and local governments during the Coronavirus Disease 2019 (COVID-19) public health emergency.

COMMUNITY POLICING: A pro-active partnership between the Albuquerque Police Department, the citizens of Albuquerque, other agencies within the City of Albuquerque and other levels of State Government, Federal Government and the private sector. This partnership seeks to expose the root causes of crime and disorder and to eradicate such conditions through the aggressive enforcement of laws, ordinances, and City policies and through positive community collaboration.

DEBT SERVICE FUND: Fund for the accumulation of resources to pay principal, interest, and fiscal agent fees on long-term debt.

DEPARTMENT ID: A financial term for a cost center. The DeptID is required on all transactions to identify a responsible entity. DeptIDs are managed below the program strategy level and are the smallest cost center for budgetary accountability and control.

DESIRED COMMUNITY CONDITION: A condition that describes in detail what future achievement of a particular Five-Year Goal would look like.

ENCUMBRANCES: Commitments of appropriated monies for goods and services to be delivered in the future.

ENTERPRISE FUND: Fund established to account for services financed and operated similar to private businesses and with costs recovered entirely through user charges.

FISCAL YEAR: For the City of Albuquerque, a period from July 1 to June 30 where the financial plan (budget) begins the period and an audit ends the period.

FUND: Fiscal and accounting entity with self-balancing set of books to accommodate all assets and liabilities while conforming to designated parameters.

FUND BALANCE: The difference between assets and liabilities. Total assets which include cash, accounts receivable and inventory less total liabilities which include accounts payable and deferred revenue equals fund balance. Fund balance is affected by beginning fund balance, revenues, expenses, fund additions and fund deductions. Fund balances less required reserves are generally available for appropriation. Fund balance available for appropriation is treated as a non-recurring resource.

GENERAL FUND: Fund which accounts for all assets and liabilities associated with operating City government which are not required to be accounted for in other funds.

GENERAL OBLIGATION BONDS: Bonds with payment pledged on full faith and credit of issuing government.

GOALS: General ends toward which the City directs its efforts in terms of meeting desired community conditions. The Mayor and City Council with input from the community, establish Five-Year Goals for the City.

IGA: An intergovernmental agreement that defines terms, conditions, responsibilities, participation and interactions between agreeing parties.

IMPACT FEES: Fees assessed by the City to compensate for additional costs associated with the type and location of new development.

INDIRECT OVERHEAD (IDOH): Cost of central services allocated back to a fund through a cost allocation plan.

INTERFUND TRANSFER: Legally authorized transfers from one fund to another fund.

INTERGOVERNMENTAL REVENUES: Revenues from other governments in the form of grants, entitlements, shared revenues, MOU's etc.

GLOSSARY OF TERMS

JOINT POWERS AGREEMENT (JPA): A contract between a city, a county, and/or a special district in which the city or county agrees to perform services, cooperate with, or lend its powers to, the special district.

MAINTENANCE-OF-EFFORT: Base budget plus allowances for cost-of-living wage adjustments and inflationary price increases.

NON-RECURRING: Expenditure or revenue occurring only once, or within a limited time frame.

OBJECTIVES: Specific steps taken to achieve Goals in specific and measurable terms; the results a program is expected to achieve; proposed by the Mayor and adopted by City Council annually via resolution.

OPERATING BUDGET: The annual budget of an entity stated in terms of classification, functional categories, and accounts. It contains estimates of the total value of resources required for the performance of the operation and is used to keep track of day to day expenditures.

OPERATING REVENUES: Proprietary (enterprise service) fund revenues directly related to the fund's primary service activities and derived from user charges for services.

PAYMENT IN LIEU OF TAXES (PILOT): Equivalent of private sector's property and other taxes paid to General Fund by enterprise funds.

PERFORMANCE MEASURES: A means of assessing progress toward achieving predetermined goals and quantifying the effectiveness of department activities.

PROGRAM: The unit of appropriations and expenditure that ties related department ID's together to address a desired community condition(s) that pertains to one of the City's Five-Year Goals.

PUBLIC SAFETY QUARTER CENT TAX: A gross receipts tax passed by the voters in October of 2003 with revenue dedicated to the Police (34%), Fire (34%), a central processing facility (6%) and Family & Community Services (26%) for crime prevention and intervention. With the transition of operations of the Metropolitan Detention Center (MDC) to the County, funds identified for a central processing facility are utilized for transport of prisoners to the MDC.

RECURRING EXPENDITURES: Expenditures generally arising from the continued operations of City government in a manner and at a level of service that prevailed in the last budget, or new and/or increased services expected to be provided throughout the foreseeable future.

RECURRING REVENUES: Revenues generated each and every year.

RESERVE: Portion of fund balance earmarked to indicate its unavailability or to indicate portion of fund equity as legally segregated for a specific future use.

RETAINED EARNINGS: Revenue and reversions in excess of expense that fall to fund balance or working capital balance at the end of a fiscal year.

REVENUES: Amounts received from taxes, fees, and other sources during the fiscal year.

REVERSIONS: The return of the unused portion of an appropriation to the fund from which the appropriation was made, normally after the last day of an appropriation's availability period.

TRANSPORTATION INFRASTRUCTURE TAX: A quarter cent gross receipts tax designated to fund improvements of transportation systems for the benefit of the City.

UNALLOCATED / UNRESERVED / UNRESTRICTED FUND BALANCE: Fund equity of governmental funds and trust funds not set aside for any specific purpose.

WORKING CAPITAL: The excess of current assets over current liabilities at any time.

NUMERIC LIST OF FUND NAMES BY CATEGORY

GENERAL FUNDS:

110 General

SPECIAL REVENUE/GRANT/PROJECT FUNDS:

201 Local Government Abatement
205 Community Development Block Grants
225 Culture and Recreation Projects
235 Albuquerque Biological Park Projects
265 Operating Grants

APPROPRIATIONS LEGISLATION

CITY of ALBUQUERQUE

TWENTY-SIXTH COUNCIL

COUNCIL BILL NO. _____ ENACTMENT NO. _____

SPONSORED BY:

1 RESOLUTION

2 APPROPRIATING FUNDS FOR OPERATING THE GOVERNMENT OF THE CITY OF
3 ALBUQUERQUE FOR FISCAL YEAR 2026, BEGINNING JULY 1, 2025 AND
4 ENDING JUNE 30, 2026; ADJUSTING FISCAL YEAR 2025 APPROPRIATIONS;
5 AND APPROPRIATING CAPITAL FUNDS.

6 WHEREAS, the Charter of the City of Albuquerque requires the Mayor to
7 formulate the annual operating budget for the City of Albuquerque; and

8 WHEREAS, the Charter of the City of Albuquerque requires the Council to
9 approve or amend and approve the Mayor's budget; and

10 WHEREAS, the Fiscal Year 2026 budget is predicated on the appropriation
11 of Local Government Abatement funding (Fund 201), also known as the Opioid
12 Settlement Fund; and

13 WHEREAS, these funds are intended to support CIP Coming-On-Line
14 initiatives identified in the Strategic Plan for Opioid Settlement Funds, prepared
15 by Vital Strategies and affirmed by the Local Government Coordinating
16 Commission (LGCC), prior to the end of Fiscal Year 2025, including:

17 (1) Connecting Disconnected Youth

18 (2) Comprehensive Education

19 (3) Peer Support Expansion

20 (4) Recovery Housing

21 (5) Community-Based Treatment Access and Quality

22 (6) Leveraging the Sobering Center

23 (7) Naloxone Access Expansion

24 (8) Expanding Mobile Crisis Response Services; and

25 WHEREAS, to prepare for possible economic downturns and to maintain
26 fiscal stability, the City Administration has enacted current cost-savings

1 measures to include managing vacancies and reducing non-essential spending
2 to meet the fiscal year 2025 budget target or revert sufficient budget at year end;
3 and

4 WHEREAS, these measures are designed to safeguard essential services
5 and the well-being of the community while bolstering financial resilience; and

6 WHEREAS, the governing body of the City of Albuquerque, State of New
7 Mexico has developed a budget for Fiscal Year 2026 and respectfully requests
8 approval from the State of New Mexico, Local Government Division of the
9 Department of Finance and Administration; and

10 WHEREAS, appropriations for the operation of the City government must be
11 approved by the Council;

12 BE IT RESOLVED BY THE COUNCIL, THE GOVERNING BODY OF THE CITY
13 OF ALBUQUERQUE:

14 Section 1. That the amount of \$72,532,000 is hereby reserved in the
15 Operating Reserve Fund for the City of Albuquerque for Fiscal Year 2026. In
16 addition, the amount of \$750,000 is reserved for a potential runoff election. In the
17 event that the runoff is necessary, \$750,000 is hereby unreserved and a
18 contingent appropriation is made to the Office of the City Clerk Program to pay
19 for the expenses of the runoff election. In the event that the runoff election does
20 not happen, \$750,000 is hereby unreserved and will fall to fund balance.

21 Section 2. That the following amounts are hereby appropriated to the
22 following programs for operating City government during Fiscal Year 2026:

23 GENERAL FUND – 110
