COVID-19
Information, Resources, and Tips for Businesses, Organizations and Workers

Updated 03.24.2020

ABOUT COVID-19
The novel coronavirus (COVID-19) is a new virus strain spreading from person-to-person. The virus originated in China but is currently spreading in the United States and other countries. Symptoms of COVID-19 include fever, cough, or trouble breathing. These symptoms may appear 2 to 14 days after being exposed to the virus. For more information on the virus visit the CDC's website.

If you are experiencing symptoms of COVID-19, such as, fever, cough, or shortness of breath should call the NM Department of Health at (855) 600-3453 for guidance.

For all other non-health related inquiries call: 1-833-551-0518

- Take on our #SupportLocalABQ Challenge on social media. Follow us at @CABQConDev on Instagram, Twitter, or Facebook for details.
COVID-19 TIPS FOR BUSINESSES AND ORGANIZATIONS

Develop Business Continuity/Contingency Plan

1. Evaluate Expenses and Borrowing Capabilities
   a. Contact your financial institutions to understand current lending capabilities and make any necessary arrangements.
   b. Take inventory and understand your current monthly expenses. Consider prioritizing payments based on size, due date, and disaster assistance related support offerings.

2. Double Check Your Insurance Coverage
   a. You may have business interruption insurance coverage. Contact your insurance agent to review your policy and understand what you are covered for.

3. Anticipate Inventory and Supply Chain Disruptions
   a. Who are your key partners, suppliers, and contractors? Contact them to anticipate any delays or shortages.
   b. What raw materials does your business need to function? Ensure you have adequate supplies of inventory for a sustained period of 30 days.
   c. Diversify distributor sources.

4. Avoid Scams
   a. Verify the legitimacy of emails, phone messages, text messages, bills, etc.

5. Review Employment Policies and Procedures
   a. Review, update, and communicate your employment leave policies and procedures. Implement flexible workplace and leave policies.
   b. Do not require a healthcare provider’s note for employees who are sick to validate their illness or return to work, as healthcare provider offices and medical facilities may be extremely busy and not able to provide such documentation in a timely way.
   c. Anticipate absenteesm. How can you back fill positions if employees are absent? Cross-train employees to carry out essential functions.
   d. Unemployment will create an economic hardship. Consider alternative ways to keep employees employed, such as temporary reduced pay or permit flexible work hours like staggered shifts.
   e. Update all employee contact information and share with your team.

6. Marketing and Communication
   a. Minimize impact on your customers and business partners.
   b. Communicate with your customers about the status of your operations.
   c. Offer creative and incentivizing reasons for customers to patronize your business.
   d. Consider converting portions of your business to digital. Use ecommerce, promote tap and pay or digital payment methods, use delivery services, use booking and scheduling to stagger customer flow, offer discounts on shipping etc.

7. Maintain Facility Cleanliness
   a. Reduce spread of the disease among staff. Encourage hand hygiene at the entrance of your business or workplace by placing hand sanitizer containing at least 60% alcohol in a visible location
   b. Keep a supply of tissue, wipes, soap, and hand-sanitizer containing at least 60% alcohol in a visible location and routinely refill.
   c. Clean and disinfect frequently touched surfaces and objects.
   d. Check your maintenance contracts and supplies to ensure they meet the increased demand for cleanliness

8. Prepare for Social Distancing and Leverage Technology
   a. Opt for video or phone conferencing instead of in-person meetings. Check out these resources:
      i. Free Conference Call/Video Service
      ii. Zoom: Free Video Conference Service
      iii. Google Hangouts Meet
      iv. Microsoft Teams
   b. See our list to best practices for Teleconferencing and Video Conferencing at Economic Development Department
   c. Determine which employees are essential or non-essential for your business or organization to operate. How can you accomplish critical tasks? Consider allowing telecommuting where possible.
   d. Ensure you have the technology and infrastructure needed to support employees working from home.
9. Encourage and Practice Good Health and Hygiene
   a. Avoid all non-essential out-of-state travel.
   b. Take precautionary steps to stay healthy, such as:
      i. Washing your hands often with soap and water, for at least 20 seconds. If soap and water are not available, use a hand sanitizer containing at least 60% alcohol.
      ii. Clean and disinfect frequently touched surfaces and objects.
      iii. Actively encourage sick employees to stay home.
      iv. Help encourage positive mental health with these tips from the CDC.
   c. Call the Department of Health at 1.855.600.3453 if you are exhibiting any of the symptoms of COVID-19. Those symptoms include fever, cough, or trouble breathing. These symptoms may appear 2 to 14 days after being exposed to the virus.

10. Communicate Clear and Accurate Information and Stay Informed
    a. Establish a communication protocol. Keep your workforce and customers informed.
    b. For official information and updates on COVID-19 use the following resources:
       i. World Health Organization
       ii. Center for Disease Control and Prevention
       iii. Governor Michelle Lujan Gresham News
       iv. New Mexico Department of Health
       v. City of Albuquerque
       vi. Mayor Tim Keller News

**COVID-19 GUIDANCE FOR RESTAURANTS**

Any employee experiencing symptoms of COVID-19, such as, fever, cough, or shortness of breath should call the NM Department of Health at (855) 600-3453 for guidance.

Per the 2009 FDA Food Code, employees must be restricted from working in any food service establishment if they have a sore throat and fever.

In addition, the City of Albuquerque Consumer Health Protection Division recommends restaurants take the following steps:

- **Provide** food to-go or home delivery
- **Use single service items** such as silverware, condiments, etc. for take-out orders.
- **Limit individuals in establishments** picking up or placing food orders to no more than 10 people, including staff.
- **Provide online or telephone order and payment options** to limit cash handling and in person ordering of food. Promote tap and pay or payment transfer methods like Venmo.
- **Dedicate staff for in-person transactions**. This individual would not make or assist in foodservice operations.
- **Gloves must be worn** by individuals preparing or handling ready to eat food. If gloves are worn for additional activities, such as cash handling, these individuals must wash their hands before putting a new pair on or after taking a pair off.
- **Retrain employees on proper handwashing** and encourage them to wash their hands more frequently, especially after making contact with items used by guests.
- **Increase the frequency of cleaning and sanitizing** all common areas in your facility. Pay special attention to frequently touched surfaces such as door handles, workstations, tables, chairs, menus, condiments, credit card machines, etc.
- **Ensure the proper sanitizing concentration** are being used in all cleaning products. Make sure to follow all label guidelines or these products.
- **Make sure sick employees stay home**. If an employee suspects they might have COVID-19, please have them contact the NM Department of Health at (855) 600-3453 for further instruction. Ensure that all staff understand your facility’s sick leave policy.
- **Call 311** to report businesses in violation of the Governor’s public health orders

The New Mexico Department of Health is the lead agency for the statewide coronavirus response. Community members are encouraged to visit [https://cv.nmhealth.org](https://cv.nmhealth.org) or call (833) 551-0518 for general questions.
