Seasonal Temporary Permits consist of food products such as honey with additives, eggs, meat, seafood, and non-potentially hazardous food. The following documentation is required when selling these food items:

- Eggs - Proof of listing with NMDA
All other Meats (including Jerky and Sausage - Proof of NMLB and USDA approval
Seafood - Proof of NMED approval
Seafood - Proof of NMED approval
* All Products are to be correctly labeled
* Proper Temperatures are to be maintained during transportation display, and service / sale.

All other foods- Proof of a permitted facility from the City of Albuquerque EHD, New Mexico ED, or Bernalillo County Office of Environmental Health.

Failure to submit supporting documentation with the application may result in permit issuing delays.

Please note that you must notify the Albuquerque Environmental Health Department prior to implementing any changes in your menu. Failure to do so will result in permit revocation until the new menu is approved.

I hereby agree to abide by all requirements of the Food Sanitation Ordinance as it relates to Growers' Markets and temporary food stands. I understand that the Enforcement Authority may impose additional requirements and may prohibit the sale of some or all potentially hazardous food to protect the public. I voluntarily agree to destroy any food deemed to be unfit for human consumption or hazardous to the public health. My failure to dispose of condemned food shall be grounds for immediate closure of the food operation and forfeiture of this permit.
