### 2013 Pool Operators Certification and Re-Certification Training Opportunities:

The Pool Operators Certification training is required of individuals responsible for the structural and operational maintenance of pools, wading pools, diving tanks and spas located at apartments, hotels, health-care facilities, home-owners associations, water parks, fitness facilities, or any public and semi-private pool within the City of Albuquerque. Once the operator attends an approved training class and successfully passes the certification exam, their certification is valid for three years. The following are training course providers approved by the City of Albuquerque Environmental Health Department/Consumer Health Protection Division:
