Sandra Begay, Director

REQUEST FOR OPERATIONAL POOL INSPECTION

Requests for a pre-opening seasonal pool inspection must be completed by the Certified Pool Operator of the facility.

Instructions: To request a pre-opening operational inspection, complete form and call your health inspector or call 505-768-2716 and ask to schedule an appointment. Please have form available for the inspection.

Hours of Operation:	Hours of Operation:

List the date and time you are “requesting” to be inspected: _____

REMINDER:

As you are aware, the CHPD inspectors are extremely busy during pool season. Every effort will be made to complete your pre-opening inspection at your “requested time”. Upon receipt of this completed form, the inspector WILL CALL YOU TO FINALIZE AND CONFIRM YOUR “OFFICIAL INSPECTION DATE AND TIME”. PLEASE WAIT FOR THE INSPECTOR TO CALL YOU. If after 1 WEEK, you do not receive a call from the inspector, please call 311 or 768-2738.

Make absolutely certain your facility is in order and fully operational BEFORE even requesting the inspection. All failed inspections will be placed at the bottom of the request list, and will only be reinspected AFTER ALL OTHER INITIALLY SCHEDULED INSPECTIONS HAVE BEEN COMPLETED.
