Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

As a U.S. Department of Housing and Urban Development (HUD) Entitlement City, the City of Albuquerque must submit to HUD a Consolidated Plan and an Annual Action Plan. Submission of both Plans is necessary to secure Federal Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), and Emergency Solutions Grants (ESG) funds. The Consolidated Plan provides HUD with a comprehensive assessment of the City’s housing and community development needs and outlines the City’s priorities, objectives and strategies for the investment of CDBG, HOME, and ESG funds to address these needs over a five year period, July 1, 2018 and ending June 30, 2023. The 2019 Action Plan is the second Action Plan to be submitted under the City’s 2018 - 2022 Consolidated Plan, outlining the City's goals from July 1, 2019 – June 30, 2020. The Action Plan follows the priorities set out in the Consolidated Plan which were developed after extensive community input and analysis of the existing data at the time.

The 2019 Action Plan will carry on the idea of a forward-looking programmatic concept intended to foster stability and mobility, helping vulnerable communities become stable communities, places where all residents may advance toward a better quality of life.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

In consideration of community input, available data and the results of the approved Assessment of Fair Housing (AFH), the priority needs listed below were established.

1. AFH Factor 1: Location and type of affordable housing
2. AFH Factor 2: Availability of affordable units in a range of sizes

3. AFH Factor 3: Availability, type, frequency and reliability of public transportation

4. AFH Factor 4: Availability of affordable, accessible units in a range of unit sizes

5. AFH Factor 5: Location of employment

6. AFH Factor 6: Location of proficient schools

7. AFH Factor 7: Access to safe neighborhoods

8. AFH Factor 8: Access to low poverty neighborhoods

9. AFH Factor 9: Community opposition

10. AFH Factor 10: Lack of private investment in specific neighborhoods

11. AFH Factor 11: Lack of assistance for housing accessibility modifications

12. AFH Factor 12: Private discrimination

13. AFH Factor 13: Lack of affordable integrated housing for individuals in need of supportive services

14. Need for homeownership assistance

15. Need for new/improved public facilities and infrastructure

16. Need for public services

17. Need for economic opportunity for Low Income Residents

Consistent with HUD’s national goals for the CDBG, HOME and ESG programs to provide decent housing opportunities, maintain a suitable living environment and expand economic opportunities for low- and moderate-income residents, the priority needs listed above will continue to be addressed through this Action Plan.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.
The City chose projects for the 2019 Action Plan based upon past performance and priorities that were determined when developing the 2018 - 2022 Consolidated Plan. Projects were evaluated to ensure that performance on goal attainment was met according to the agreement and in line with federal and local requirements. During the development of the current Consolidated Plan, 2018 - 2022, many focus groups were held to gain public input on priorities. Requests for Proposals (RFP) were then issued and contracts were awarded for those projects that met the priorities. The contracts are renewable for potentially a 3 year period depending upon performance. These projects have been evaluated to ensure that the priorities of the Consolidated Plan are being met through the projects.

4. **Summary of Citizen Participation Process and consultation process**

Summary from citizen participation section of plan.

On March 19, 2019 at 5:00 pm, the Community Development Division presented the 2019 Action Plan at the Los Griegos Health & Social Services Center. Details about the meeting, including location, funding amounts and proposed funded projects were advertised in the Albuquerque Journal on March 5, 2019. Notices containing the information were also posted, in both English and Spanish, on the City's website, City Health & Social Service Centers, City Community Centers, City Senior Centers and the Albuquerque Housing Authority. The notices were also sent out to an email list serve that consists of members of non-profit organizations throughout the City, as well as neighborhood associations. Notification was given at the Public Hearing and on the website of the 30-day Comment Period for the Action Plan; which began on March 20, 2019 and ended on April 19, 2019.

5. **Summary of public comments**

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

The City did not receive any public comments during the Public Hearing on March 19, 2019. There were four (4) comments received during the 30-day comment period via email. One of the comments offered assistance as appropriate in operations, resources and/or strategies for senior meal programs. The second comment received was regarding the Tenant Based Rental Assistance (TBRA) Program and the importance of case management support services for those clients participating in the TBRA Program. The comment requests funding for service providers to provide referrals and case management services. The third comment was also in regards to the TBRA Program and the importance of providing funding for case management services to the Program to ensure participants’ success. The 4th comment was a request for additional funding for the Motel Voucher program and the Dental Services program administered by Albuquerque Healthcare for the Homeless.

6. **Summary of comments or views not accepted and the reasons for not accepting them**
The comment offering assistance for senior meals programs was not accepted because the Department currently has a Memorandum of Understanding with the City's Department of Senior Affairs to provide a senior meals program for qualified seniors.

7. **Summary**

Community input for the 2019 Action Plan was solicited in many ways. The City held a public presentation of the 2019 Draft Action Plan on March 19, 2019, which began a 30-day public comment period. A mass email was sent out inviting community members to the Public Hearing, as well as the notice being posted in the Albuquerque Journal. The Action Plan was posted on the City's website during the 30-day comment period along with information on how to submit comments.

Consolidated Plan Public Contact Information

Monica Montoya

Community Development Division Manager/Department of Family and Community Services

400 Marquette NW, Suite 504, Albuquerque, NM 87102

Office: 505-768-2734/mtmontoya@cabq.gov
1. Introduction

The City regularly engages and consults with representatives from multiple agencies, groups and organizations involved in the development of affordable housing, the creation of job opportunities for low- and moderate-income residents, those that provide services to children, elderly persons, persons with disabilities, persons with HIV/AIDS and their families, homeless persons and low to moderate income individuals.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

The City recognizes the importance of coordination and alignment among various service providers to maximize the effectiveness of the CDBG, HOME, and ESG programs. Knowing this the City will continue to strengthen relationships and alignment among organizations in the implementation of projects using CDBG, HOME, and ESG funds. The City regularly engages with a wide variety of agencies, groups and organizations concerning the housing, community and economic development needs of the most vulnerable populations. By having its housing and community development programs and functions, as well as oversight of the homeless initiative in the Department of Family and Community Services the City is able to target, plan and implement programs more seamlessly and with greater impact. It is also able to be more efficient in delivering resources and services, monitoring service providers, and creating working relationships with other City departments. For example, the Affordable Housing Committee has representation from the private lending industry, the affordable housing industry, the Department of Family and Community Services, the Planning Department, the Albuquerque Housing Authority, homeless/low income populations, and the New Mexico Mortgage Finance Authority. The purpose of the Committee is to advise the City on its affordable housing strategies.

In the area of behavioral health services, a 2014 Settlement Agreement with the Department of Justice itself provides numerous mechanisms that promote ongoing coordination among various health and social service entities that treat the most severely mentally ill, those with severe alcohol and drug addictions, and others most critically in need of intervention to stay permanently housed and out of the custody of law enforcement. The Agreement includes the development and implementation of a Civilian Police Oversight Agency, Mental Health Response Advisory Committee, Community Policing Councils, community policing partnerships, periodic community meetings, and public reports on the City's progress toward compliance. The communication and coordination mandated under the Agreement between the Albuquerque Police Department and the behavioral health community attempts to ensure that law enforcement is sensitive to the specific needs of at-risk individuals. In addition to addressing dangerous escalations of force in stress situations involving such individuals, these efforts at
coordination are intended to reduce other unwanted consequences, such as death from narcotic withdrawal or overdose immediately following incarceration or release.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City partners with the New Mexico Coalition to End Homelessness in the administration and delivery of Continuum of Care (CoC) services. In addition to the leadership provided by the CoC Board of Directors, the Albuquerque Strategic Collaborative to End Homelessness, which formerly served as the steering committee for the Continuum of Care, holds monthly meetings at which members develop and vote on CoC related issues, such as the CoC Governance Charter and Common Standards.

Albuquerque has a homeless system of care that is comprised of a network of public, private, faith-based, for-profit, and nonprofit service providers that utilizes several federal, state and local resources to provide services for homeless people. The City itself also provides general fund resources for services that assist the homeless and those at risk of becoming homeless. The City's nonprofit community plays a key role in the Continuum of Care system. Numerous agencies throughout the City administer programs ranging from providing meals to the homeless to creating permanent supportive housing opportunities. These services are available to homeless families with children, and single men and women. The City's nonprofit community also serves special needs populations, such as victims of domestic violence, veterans, the disabled, persons with HIV/AIDS, and youth.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS.

The City of Albuquerque is the Collaborative Applicant for the CoC. The City contracts with the New Mexico Coalition to End Homelessness (NMCEH) to manage and coordinate the CoC. Under the CoC Governance Charter, each year NMCEH will work with the City to develop performance standards for evaluating the effectiveness of ESG program funded activities. These performance standards will be presented to the Albuquerque CoC at monthly meetings for discussion and feedback. Based on feedback from the Albuquerque CoC, the City will use the performance standard data to determine if the current allocation strategy is effectively meeting the City's goals for reducing and preventing homelessness.

The City has pledged its own resources, as well as CDBG, HOME, ESG and CoC funds to increase services for at-risk populations and increase affordable housing opportunities for its most vulnerable populations. These funding sources were augmented by a ballot initiative in 2015, when Albuquerque residents approved an increase in the gross receipts tax to provide services to the mentally ill, particularly the homeless mentally ill. Allocation of all of these funding sources, as well as the
development of performance standards to evaluate outcomes of those expenditures, were devised in close consultation with the lead agency responsible for the coordination and management of the Albuquerque Continuum of Care Homeless Program, the NMCEH.

NMCEH provides coordination and management of the local HMIS and is responsible for maintaining policies and procedures for the use of HMIS throughout the CoC. NMCEH worked collaboratively with CoC member organizations to develop the local HMIS system.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities

|   | **13** | **New Mexico Department of Health** |
|   | Agency/Group/Organization Type | Other government - State |
|   | What section of the Plan was addressed by Consultation? | Lead-based Paint Strategy |
Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?

The City consulted with the State Epidemiologist about the incidents of lead based paint poisoning within Albuquerque which is very low. The addresses of the housing units in which children have been identified as lead poisoned is not considered public information by the State Department of Health and will not release that information. Although specific addresses are not available, Reuters published a map on lead poisoning among children for Albuquerque by zip code. The results of tested children indicated that low levels of lead poisoning are present in Albuquerque. When lead poisoning is identified, the State will provide contact information for the City's Minor Home Repair Program. If the homeowner meets the qualifications, their home would be tested for lead based paint and if present would be remediated.

Identify any Agency Types not consulted and provide rationale for not consulting

The City did not consult with other local governments, or participating jurisdictions, which work with similar grants. This was not done because Albuquerque, being the largest City in New Mexico, has very different issues and programs that are not directly comparable to other cities in the state.

Summarize citizen participation process and how it impacted goal-setting

The City presented the 2019 Action Plan on March 19, 2019 at 5:00 pm to the public. The public presentation marked the beginning of the 30-day comment period which ran through April 19, 2019. The details, time, location and purpose, of the public hearing were posted in the Albuquerque Journal on March 5, 2019, two weeks prior to the meeting. The Notice, in English and Spanish, was posted at City Community Centers, City Health & Social Service Centers, City Senior Centers, Albuquerque Housing Authority and was posted on the City website. An email was also sent out to the City email list.

### Expected Resources

**AP-15 Expected Resources – 91.220(c)(1,2)**

**Introduction**

For the 2019 Action Plan, the City anticipates the availability of the following resources listed by fund type, inclusive of HUD funds, program income, prior year(s) HUD funds and local resources: CDBG - $6,143,079.20; HOME - $6,422,827.27; ESG - $378,448; General Fund - $7,274,664; Workforce Housing Trust Fund - $1,868,126.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

Depending on the financing structure of a given project, it may be advantageous for the City to use CDBG and HOME funds to leverage appropriate state, local and private resources, including but not limited to those listed below.
State Resources

- New Mexico State Low-Income Housing Tax Credit Program

Local Resources

The City’s Workforce Housing Trust Fund (WFHTF) is a source of revenue used to support the preservation and production of affordable housing. These funds can be leveraged with additional resources, including HOME and CDBG, and have a long term affordability requirement. The WFHTF is funded by a biannual voter approved City bond. As described in § 14-9-4 CREATION AND ADMINISTRATION OF THE WORKFORCE HOUSING TRUST FUND, “Projects receiving funding or land under the Workforce Housing Opportunity act shall leverage non-city funds by at least a 4:1 ratio (non-city to city resources). The Plan may make exception to this ratio for certain hard to develop projects to be defined. Federal and state funds flowing through the city are not considered city funds for purposes of this requirement.” For these purposes, “hard to develop projects” include those projects where:

- At least a portion serves vulnerable or extremely low income populations.
- The developer is able to adequately justify to the City that the physical condition, shape or location of the property make the property difficult to develop.
- The project is being developed on land contributed by the City of Albuquerque as the City aims to acquire land for affordable housing development if the land is difficult to develop.

Private Resources

- Federal Home Loan Bank Affordable Housing Program (AHP)
- Community Reinvestment Act Programs
- Private Developer Contributions

Matching Requirements

The City of Albuquerque provides a dollar for dollar cash match from the City’s General Fund for the ESG program. The City of Albuquerque leverages HOME funds with other local and private non-federal resources in order to meet its HOME program 25 percent matching requirement.
Eligible forms of HOME match are documented by the City and reported to HUD as part of the Consolidated Annual Performance and Evaluation Report (CAPER) each year.
If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

According to data compiled by the Planning Department in February 2019, the City owns 10 vacant properties zoned for multi-family use located outside of a floodplain and near a principal arterial or major collector street. These properties, if suitable in terms of site and neighborhood standards, may be used for affordable housing development. Alternatively, these properties may be used for other civic purposes such as public facilities to benefit area residents. The City plans to purchase a vacant piece of property to develop affordable housing.

Discussion

Assuming continued level funding of the CDBG, HOME and ESG programs, the City expects to utilize approximately $30.8 million of CDBG, $16.5 million of HOME, $1.8 million of ESG, $15.2 million of General Fund and $11.6 million of Workforce Housing Trust Funds during the five-year period beginning July 1, 2018 and ending June 30, 2023 to achieve the goals of the Strategic Plan. The City is a recipient of $489,104 in Housing Opportunities for Persons with Aids (HOPWA) and has an agreement with the State of New Mexico to administer.

<tr>
<td>---</td>
<td>-----------</td>
<td>------------------------------------</td>
</tr>
<tr>
<td><strong>Goal Description</strong></td>
<td>Address homeownership rates in older neighborhoods that have experienced disinvestment and provide financial mechanisms to support homeownership for low and moderate-income families. Such mechanisms include down payment assistance in the form of silent second mortgages with favorable deferred terms that have the effect of reducing the principal balance of the primary mortgage in order to create an affordable payment. Programs funded under this goal may connect prospective buyers with community partner financial institutions that are able to offer favorable financing terms. Prospective homebuyers will also receive services including counseling and financial literacy to impart budgeting skills and to encourage savings for home maintenance and emergency repairs.</td>

Projects

AP-35 Projects – 91.220(d)

Introduction

To address the high priority needs identified in the Strategic Plan, the City of Albuquerque will invest CDBG, HOME, ESG, Workforce Housing Trust Fund and General funds in projects that develop new rental housing units, preserve affordable housing, promote homeownership, provide fair housing services, provide services to low-and moderate-income residents including youth and seniors, address and prevent homelessness and improve public facilities and infrastructure. Together, these projects will address the needs of low-and moderate-income Albuquerque residents.

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Based on the Strategic Plan, the City is allocating 100% of its non-administrative CDBG, HOME and ESG investments for Program Year 2019 to projects that benefit low-and moderate-income persons.

The primary obstacles to meeting the underserved needs of low-and moderate-income persons include
lack of funding from federal, state and other local sources and the high cost of housing that is not affordable to low-income residents. To address these obstacles, the City will continue to allocate its available resources to develop new rental housing units, preserve affordable housing, promote homeownership, provide fair housing services, provide services to low-and moderate-income residents including youth and seniors, address and prevent homelessness and improve public facilities and infrastructure.

<tr>
<td><strong>Location Description</strong></td>
<td>City-wide</td>
</tr>
<tr>
<td><strong>Planned Activities</strong></td>
<td>Address homeownership rates in older neighborhoods that have experienced disinvestment and provide financial mechanisms to support homeownership for low and moderate-income families. Such mechanisms include mortgage reduction assistance in the form of silent second mortgages with favorable deferred terms that have the effect of reducing the principal balance of the primary mortgage in order to create an affordable payment. Programs funded under this goal may connect prospective buyers with community partner financial institutions that are able to offer favorable financing terms. Prospective homebuyers will also receive services including counseling and financial literacy to impart budgeting skills and to encourage savings for home maintenance and emergency repairs.</td>

</table>
| **Funding** | CDBG: $229,760  
General Fund: $67,400 |
| **Description** | Albuquerque Healthcare for the Homeless will provide a full range of dental services to medically indigent, low and moderate income persons in the City of Albuquerque who are experiencing homelessness. |
| **Target Date** | 7/31/2020 |
| **Estimate the number and type of families that will benefit from the proposed activities** | 545 persons experiencing homelessness will benefit from this activity. |
| **Location Description** | Services are available to persons experiencing homelessness City-wide but the service will take place at 1217 1st St. NW. |
| **Planned Activities** | Provide a range of health and dental services to low and moderate-income homeless residents. |

---

**Estimate the number and type of families that will benefit from the proposed activities**

120 persons experiencing homelessness will benefit from this activity.

**Location Description**

City-wide

**Planned Activities**

Increase housing available to the City's most vulnerable residents, including people with severe mental illness, bad credit ratings, eviction histories and criminal records through Supportive Services and Tenant Based Rental Assistance.
| Funding          | CDBG: $169,086  
|                 | General Fund: $56,180 |
| Description     | Funds will be provided to four agencies to provide emergency motel vouchers to homeless individuals and families, persons with medical and/or mental health conditions, women, and women with children. The following agencies will be receiving funding: Albuquerque Healthcare for the Homeless; Hopeworks; Barrett House; and First Nations. |
| Target Date     | 7/31/2019 |
| Estimate the number and type of families that will benefit from the proposed activities | Approximately 633 persons experiencing homelessness will be provided with motel vouchers. |
| Location Description | City-wide |
| Planned Activities | Activities will provide emergency motel vouchers to populations experiencing homelessness. |
| 10 | Project Name | Senior Meals |
| Target Area | Citywide Investment |
| Goals Supported | Services for Senior Citizens |
| Needs Addressed | Need for Public Services |
| Funding | CDBG: $119,300 |
| Description | Provide seniors, including the frail elderly, with quality supportive services so elderly residents can live as independently as possible. Projects to be funded under this goal include, but are not limited to, nutrition services such as congregate meals for ambulatory seniors and/or home-delivered meals for homebound seniors. |
| Target Date | 7/31/2020 |
| Estimate the number and type of families that will benefit from the proposed activities | Approximately 1700 seniors will benefit from this activity. |
| Location Description | City-wide |
### Planned Activities
The Department of Senior Affairs will receive funds to assist with the program costs to provide meals to low income seniors.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Informed by the contributing factors and goals of the Assessment of Fair Housing and the priority needs of the Consolidated Plan, the goals of this Action Plan are established to focus investment in one of four geographic categories that were identified in the 2018-2022 Consolidated Plan. These include Investment Areas, Investment and Reinvestment Areas, Reinvestment Areas, and Citywide Investments. The City has updated its Affordable Housing Ranking Matrix to include the applicable target areas.

Funding from the 2019 Action Plan will be used to improve sustainable housing opportunities in programs that are citywide, such as the Minor Home Repair Program and the Senior Retrofit Program. Although these programs are not targeted to specific areas, they are targeted at low to moderate income homeowners, therefore, the majority of funds will be spent in the above referenced areas.

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The current Consolidated Plan seeks above all to address the most pressing need among low and moderate-income Albuquerque residents, namely, housing instability. All other investments, including those directed toward public service programs, and infrastructure improvements, are intended to engender the self-sufficiency and mobility that can only be the outgrowth of a safe, affordable, stable, and accessible living environment.

Through its integrated Anti-Poverty Strategy, the Plan attempts to balance the need for mobility to areas of greater opportunity with the need for place-based assistance, a distinction that may be characterized in terms of the need for investment in some areas versus reinvestment in others. The City places a high priority on non-housing community development needs, including those associated with public facilities/infrastructure, fire protection equipment, ADA improvements, and services for low- and moderate-income people. These non-housing community development investments will be made on a citywide basis. During the implementation of the Plan, the City will use CDBG funds to address these needs and provide a suitable living environment for low- and moderate-income people. Improvements
to streets and sidewalks along corridors and in centers already targeted for redevelopment and investment will accomplish many goals. First, these improvements will increase accessibility for special needs and low-income residents to transportation and business corridors, improving their ability to access jobs, health care, and community services, and to participate in all aspects of civic life. Second, these investments will have economic benefit in terms of increasing walkability along these neighborhoods and corridors, thereby stimulating business growth and opportunity. Third, lighting, curb retrofit, and crossing signal upgrades will benefit all City residents through increased personal safety and security.

In the last decade, the City has aggressively pursued opportunities to add to its inventory of 1,198 affordable rental housing units and continues to pursue affordable housing development. The Metropolitan Redevelopment Agency promotes redevelopment (both housing and commercial) in distressed neighborhoods.

**Discussion**

To expand economic opportunities for low and moderate-income people and provide a pathway out of poverty, the Strategic Plan enumerates twelve specific goals, and the attendant spending priorities outlined in the 2019 Action Plan advance those goals through targeted investment. These investment activities include public service programs, infrastructure improvements, housing and economic opportunity programs that support family self-sufficiency and access to transportation, employment and other community resources. Carefully targeting these investments not only addresses housing stability and other needs in the community, but also ensures that all residents have the access to areas where they and their children can thrive without regard to family economic status.
Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

As the Market Analysis makes clear, the City's inventory of affordable housing is vastly inadequate to meet the needs of cost-burdened households. To help address this shortfall, the City will prioritize the development of additional affordable rental housing units, affordable home ownership housing units and the preservation of both rental and ownership units that are currently affordable to low and moderate-income households.

Activities will provide HOME: $2,648,440.02, HOME Match: $599,683.54 and Workforce Housing Trust Fund: $1,868,126 assistance to promote the development of affordable housing units for low and moderate-income households, through development and/or through acquisition and rehabilitation. The City will also provide $96,221.96 of HOME funds for operating assistance to Community Housing Development Organizations to assist with operating costs incurred implementing housing activities. Tenant-Based Rental Assistance activities will serve approximately 120 households including those who are homeless or at-risk of homelessness and residents with special needs. Second program-year activities will provide for replacement of roofs for Public Housing units through the investment of $831,355.88 of CDBG funds. Funds for rehabilitation and/or preservation will be incentivized in areas in need of reinvestment that have an existing concentration of affordable housing. The City will also provide approximately $1,007,134 of CDBG funds for minor home repairs and disability retrofit modifications to approximately 260 low income owner-occupied dwellings to sustain existing affordable ownership housing opportunities. In addition, $726,840 of CDBG funds will provide 36 low- and moderate-income households with deferred loans in order to make purchasing a home in Albuquerque affordable. Finally, $2,355,996.79 of HOME funds will be included in a Request for Proposals to incentivize development of homeownership units on the City-owned, Cibola Loop property in northwest Albuquerque. This multi-part strategy will increase the supply of affordable housing and preserve existing affordable housing in the City, in addition to creating more housing stability for vulnerable Albuquerque residents.

| One Year Goals for the Number of Households to be Supported |
|-----------------------------|--------|
| Homeless                    | 120    |
| Non-Homeless                | 510    |
| Special-Needs               | 0      |
| Total                       | 630    |

**Table 10 - One Year Goals for Affordable Housing by Support Type**

### Discussion

The City is committed to partnering with local non-profit developers to construct new affordable rental housing in high opportunity areas. This goal is set annually based on the hopes that the City will successfully select and fund at least one Affordable Housing development, in response to an RFP. However, due to the nature of financing construction projects and the multi-year timelines for development, the City only has 12 units planned to be completed during PY19.

There is a definite need for rental housing rehabilitation city wide. Approximately 28,239 or 32 percent of the 88,906 rental housing units in Albuquerque were built between 18 and 37 years ago (built between 1980 and 1999), with another 40,904 or 46 percent having been built 37 or more years ago (built prior to 1980). Eight percent, or 6,743 units, predate 1950. The Plan calls for the funding of activities targeted to families who own their residences but lack the resources to address minor repairs or maintain their properties in compliance with City codes and standards.
AP-60 Public Housing – 91.220(h)

Introduction

Public housing and other assisted housing programs are part of the City of Albuquerque’s efforts to address the affordable housing needs of low and moderate-income families. The Albuquerque Housing Authority (AHA) oversees public housing programs for the City. In 2016, the AHA completed its first 3-year Strategic Plan as part of its transition from a department of the City of Albuquerque to an independent agency, adopting a new mission: “Empowering people in our community through affordable housing and self-sufficiency opportunities.” AHA is currently in the process of working on their next 5 Year Strategic Plan and Annual Plan.

Given the extremely large quantity of aging housing stock within both the AHA’s supervision and that of various private and non-profit entities, the need for maintenance and rehabilitation of the rental housing stock is significant, a fact that has been stressed by not only Housing Authority leadership and staff but other community members as well. That being said AHA has addressed this concern in their upcoming 2020 Annual Plan and 5 Year Strategic Plan.

Actions planned during the next year to address the needs to public housing

The AHA is currently working on their 2020 – 2024 Strategic Plan and FY 2020 Annual Plan. The 2020 Annual Plan includes activities such as the modernization of the current 953 public housing units, the submission of an application for the conversion of housing units to the Rental Assistance Demonstration (RAD) Program - replacement of existing units with a larger number of new units in order to utilize Tenant Protection Vouchers, issue project based vouchers and commit to improving safety and security at several public housing sites. The plans of the AHA are to improve and begin to expand housing stock.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The AHA will continue to implement the Family Self Sufficiency (FSS) program which is aimed at empowering families so that they may create lives of greater dignity and independence. The FSS program combines AHA’s housing assistance programs with various support services. Families selected to participate are assigned a family advocate who helps them target specific goals for success and plan strategies to reach these goals over a five year period. Participants have the opportunity to attend seminars held by the AHA on such topics as preparing a household budget and credit repair. These combined elements assist residents on their path to self-sufficiency.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

N/A
Discussion

Under the current Action Plan the City is partnering with AHA to provide Tenant Based Rental Assistance Vouchers (TBRA) to homeless persons, as well as, the preservation of Public Housing properties by replacing roofs. This partnership is also in line with the AHA’s Plan to improve the quality of affordable housing for households at or below 80% area median income (AMI) and improve the quality of affordable housing for those households.
AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The ultimate solution to ending homelessness is the stewarding of homeless persons through the transition to permanent housing closely aligned with supportive services that ensure housing stability. However, because the demand for affordable housing far outpaces the supply, the CoC continues to rely on its emergency and transitional housing system in order to address the immediate needs of Albuquerque’s homeless population.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City is allocating $430,000 to provide outreach services for unsheltered people with behavioral health challenges. Forty (40) unsheltered people will benefit from the ABQ Street Connect Program. The ABQ Street Connect Program provides coordinated, intensive street outreach services to 40 individuals experiencing homelessness with significant behavioral health disabilities that are living on the streets and are high utilizers of public resources to connect them to stable housing, behavioral health services and other supportive services. Services are provided by a team of navigators, case managers and a clinician. 1300 unsheltered people will also benefit from the City’s Outreach Program. The Outreach Program provides direct outreach services to unsheltered people who have mental health and/or substance abuse issues through teams of mental health & homeless service professionals. Services include linkage to housing, behavioral health services, medical health services and other supportive services.

The City is allocating $434,684 of CDBG funds, $1,613,023 of HOME funds, $352,956 of ESG funds, and $6,081,189.20 of its General Funds to address homelessness. Three hundred (300) extremely low-income people will benefit from homelessness prevention and rapid rehousing services. The City plans to provide Tenant Based Rental Assistance to 120 extremely low-income families, who are among its most vulnerable residents, including those with severe mental illness, bad credit ratings, eviction histories and criminal records. 475 additional extremely low-income people will benefit from a range of health and dental services. Projects under this category work to increase services for “at-risk” populations by providing public services for homeless persons, such as child care services, emergency shelter services, transitional housing opportunities and permanent supportive housing opportunities, along with integrated services to maintain housing stability, including but not limited to health care, mental health care, counseling, case management, and meal assistance. Annual Action Plan Goal #5 is Homeless Intervention and Rapid Re-Housing. Under this goal, the City will invest in eviction prevention assistance for households at risk of being evicted and becoming homeless. The eviction prevention funds are administered by the City’s 4 Health and Social Service Centers, located in each quadrant of the City.
These Centers provide services to extremely low neighborhood residents, including food boxes, emergency diapers, a clothing bank and referrals to other services located in the community. When residents access these services, they can also apply for eviction prevention assistance if needed. By locating the eviction prevention program in the Health and Social Services Centers, the City will address the prevention of homelessness for those in greatest need, because these Centers are already providing critical resources to people who are struggling to meet basic needs such as food and clothing.

During the most recent PIT Count, held on January 28, 2019, the City collected data directly from emergency shelters or transitional housing programs for the sheltered count component. This information was obtained through an agency-wide report generated through the Homeless Management Information System (HMIS) database. The New Mexico Coalition to End Homelessness (NMCEH) provides coordination and management of the local HMIS.

**Addressing the emergency shelter and transitional housing needs of homeless persons**

Once assessed, vulnerable individuals are assisted by the Albuquerque Heading Home homeless initiative, which has become a national leader in the field concentrating on wraparound services, crisis intervention and permanent supportive housing.

Activities will provide emergency motel vouchers, emergency shelter services, transitional housing opportunities and permanent supportive housing opportunities to populations experiencing homelessness. Activities further include rental and utility assistance for a period up to 3 consecutive months in order to prevent homelessness as well as providing a range of health and dental services to low- and moderate-income homeless residents.

Tenant-Based Rental Assistance activities will serve approximately 120 households including those who are homeless or at-risk of homelessness and residents with special needs.

The Winter Shelter, which operated from mid-November to mid-March and provides overnight shelter during the coldest time of the year, has been transitioned to a year round emergency housing center, the Westside Emergency Housing Center.

**Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

In support of CoC efforts, the Strategic Plan provides for the use of CDBG, HOME, ESG and General funds to support activities implemented by local nonprofit organizations that provide services to help prevent
and eliminate homelessness, including families at risk of homelessness, veterans, victims of domestic violence and emancipated foster youth. The City will also leverage CDBG, HOME and WHTF funds to expand the supply of affordable housing in Albuquerque.

Additional efforts are underway to shorten the period of time during which individuals and families are experiencing homelessness and to prevent individuals and families who were recently homeless from becoming homeless again. The Rapid Rehousing Program provides assistance that targets and prioritizes homeless families who are in most need of temporary assistance and are most likely to achieve and maintain stable housing, whether subsidized or unsubsidized, after the Program concludes. All sub-recipients are required to select program participants through the New Mexico Coordinated Entry System (NMCES), in accordance with the prioritization system outlined in the Albuquerque CoC RRH written standards. The Rapid Rehousing program strives to assist program participants to be self-sufficient by obtaining permanent housing and sustainable employment as quickly as possible. For those facing immediate eviction from their homes, motel vouchers are provided to prevent homelessness. Motel vouchers are also available to the homeless while they await housing and services.

Albuquerque Heading Home and Barrett Foundation, two local homeless service providers serving chronically homeless households, have partnered with the Albuquerque Housing Authority to refer households to the HOME TBRA program. Annual Action Plan Goal 5 is Homelessness Intervention and Rapid Rehousing. Under Goal 5, the City has included funding for Tenant-Based rental assistance/Rapid Rehousing. In addition, the Albuquerque CoC Permanent Supportive Housing Standards will continue to require CoC Permanent Supportive Housing providers to prioritize chronically homeless individuals or families when there is an opening. The City currently funds over 230 Permanent Supportive Housing Housing First vouchers. These vouchers will continue to be targeted to chronically homeless individuals and families experiencing homelessness.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

In Albuquerque, vacancy rates have remained steady since 2008. It is expected that rents will continue to increase over the 5 year period of the Consolidated Plan. Therefore, TBRA assistance is necessary to address the needs of cost burdened renter households until these households are able to access other resources such as Section 8 Housing Choice Vouchers or placement in an affordable rental housing unit. The City plans to target its TBRA program to homeless and near homeless special needs populations. The TBRA Program will help ensure that near homeless and homeless populations are able to obtain and sustain safe affordable housing under these difficult economic conditions.
Members of the behavioral health community meet regularly with local law enforcement as part of the Mental Health Response Advisory Committee, a coordinated follow-up care management mechanism, established by a Settlement Agreement with the US Department of Justice in 2014.

The City partners with the County and provides housing and case management funding for people that have been released from the Metropolitan Detention Center. The program, Community Connections, provides housing vouchers, intensive case management services and other supportive services. The City contracts with two providers, one provides the housing and the other provides case management. The City also collaborates with a youth homeless provider that provides shelter services for youth that are being transitioned from CYFD’s foster care program by providing funding for the shelter services.

Very low income households that are about to be evicted can receive eviction prevention assistance (funded through CDBG) through the City’s Health and Social Services Centers (HSSC). Many of these families are already receiving public benefits, as well as services through the HSSC’s. In the PY20 Action Plan, the City will provide funding to the Albuquerque Housing Authority to repair public housing units, thereby ensuring that the very low income residents in these units continue to have a safe, decent and affordable place to live. The City funds both the Rapid ReHousing and Permanent Supportive Housing programs with a mix of HUD and General Fund dollars. Case managers connected to these programs work to connect participants with social services, employment, education and other needs to ensure that they do not become homeless again. The City funds a range of substance abuse programs for low income Albuquerque residents, many of whom are receiving other types of public and private assistance, to ensure that residents have access to the substance abuse treatment they need to maintain housing and employment.

**Discussion**

In Albuquerque, there are many low income people who are who are not homeless but require supportive housing, including the elderly, frail elderly, persons with disabilities, persons with alcohol or other drug addiction, persons with HIV/AIDS and their families and public housing residents. Many of these households are housing cost burdened and/or are living in housing that is substandard or overcrowded. These residents need safe, high quality housing that is affordable for extremely low income residents. Many of these residents are disconnected from services, and would benefit greatly from housing that comes with case management services that can help them connect to community resources, such as meal services, mental health and substance abuse services and benefits such as SNAP, SSI or Section 8 Housing Vouchers.

Albuquerque will continue to implement policies and programs aimed at ensuring homeless persons in the City are rapidly housed and offered an appropriate level of support services to meet their circumstances and keep them stably housed. Homeless service providers continue to gear their programs and maintain their focus upon moving people quickly into permanent housing. The goal of these Housing First and Rapid Rehousing policies is to significantly reduce homelessness and improve the quality of life for City residents, especially those precariously housed.
Introduction:

The primary barriers to affordable housing in Albuquerque are housing affordability and the lack of monetary resources necessary to develop new housing stock and maintain existing affordable housing units. The two barriers are related in the sense that demand for affordable housing among households earning 0-50% of AMI exceeds the supply of affordable units, and resources to address this shortfall have historically been insufficient, as have resources for retrofit, repairs, and regular maintenance of existing units. To a more limited degree, there exist some zoning, regulatory, and political obstacles to affordable housing development.

Zoning requirements that were numerous, complex, and geographically inconsistent, have also historically created impediments to affordable housing development and rehabilitation within the City. To simplify these requirements and to encourage investment and redevelopment, the City’s Planning Department spearheaded a new Integrated Development Ordinance (IDO). The IDO vastly simplifies the City’s complex web of zoning ordinances, reducing the number of zoning classifications to twenty. Emphasis is placed on urban planning “Centers” as well as on “Corridors.” Mixed use incentives, such as bonuses for development that includes workforce housing, are also contained in the legislation, as are variable height requirements for such projects. In response to anti-gentrification concerns of particular communities, the IDO incorporates language respecting the preservation of a “Sense of Place.” Moving forward, beyond the delayed implementation of the IDO, possible issues of compliance with and enforcement of these new regulations will necessitate careful cooperation and coordination between the City’s Planning Department and private and non-profit developers. It is anticipated that with proper coordination, the new Ordinance will remove barriers to development and preservation of affordable housing.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

To address housing affordability and the lack of monetary resources for affordable housing, the 2019 Action Plan invests $2,648,440 of HOME and $1,868,126 of WFHTF proceeds for the development of new affordable rental housing units. Further, $831,355 of CDBG funds are allocated to rehabilitate rental housing units. In addition, the City will assist 260 homeowners with CDBG funds for the rehabilitation of owner-occupied housing units. It will also provide 36 prospective homeowner households with affordable homeownership assistance.

To ameliorate barriers further, the City of Albuquerque Community Development Division’s Policy Based Ranking Matrix has been modified to “prioritize housing investment near transit, proficient elementary
schools, and employment opportunities and for residents at or below 30 percent AMI.” During the 2019 Program Year, the City will make the necessary revisions to the matrix, consult with the Affordable Housing Committee and Affordable Housing Developers, and implement a revised evaluation matrix to review and score projects under the City's Affordable Housing RFP's.

Additionally, the City has identified a need to amend its Workforce Housing Ordinance/Affordable Housing Ordinance in an effort to resolve conflicting City policies within the documents. The City has worked closely with its Affordable Housing Committee, the Affordable Housing Coalition and the New Mexico Finance Authority to identify the specific issues contained within both and also other City policies which may have prevented the furthering of affordable housing development. The result is two separate ordinances; the first is the City’s “Workforce Housing Opportunity Act” which is its local policy on affordable housing and the second is the “Implementing Ordinance” which ensures compliance with the State Affordable Housing Act. Both documents are currently being reviewed by the New Mexico Mortgage Finance Authority. As a result of approval, State and City policies will align and developers will have increased opportunities to access affordable housing development opportunities.

The City’s Housing and Economic Development Fund (HNEDF) Committee has been inactive for several years. Recently the Committee has reconvened and is currently working to procure a consultant to develop a ten (10) year plan to utilize the funds within the represented neighborhoods. The funds are restricted to the following neighborhoods: Barelas, Wells Park, South Broadway, Santa Barbara/Martineztown, San Jose, Near North Valley, Sawmill, Old Town, Kirtland, University Heights, Silver Hill, Sycamore and Huning/HIGHLAND. Once a plan is in place the City will explore new opportunities to provide housing and economic development utilizing these funds.

**Discussion:**

Through the investment of CDBG, HOME and WFHTF resources, implementation of the AFH goals focused on the Policy Based Ranking Matrix for affordable housing, the Integrated Development Ordinance and the Workforce Housing Opportunity Act/Implementing Ordinance, the City will take significant steps toward addressing barriers to affordable housing.
AP-85 Other Actions – 91.220(k)

Introduction:

Focus group participants involved in affordable housing development emphasized the tying of community-based services to housing in order to produce best outcomes for long-term housing security and stability.

The same participants advocated the use of CDBG monies to fund necessary off-parcel improvements, including ADA compliant sidewalks and utility connections, as means of lowering development costs, especially in areas of high opportunity with higher building costs. Such utility connections should include broadband infrastructure improvements to improve access to online connectivity, increase internet capacity, and deliver faster internet speed to consumers.

Actions planned to address obstacles to meeting underserved needs

After Caucasians, the next largest group of unsheltered homeless residents in the City is American Indians, who make up 43 percent of the unsheltered population within the City. While they make up 18% of the entire homeless population in the City, American Indians comprise only 3.75% of the City's population overall. This group was mentioned by focus group participants as being particularly difficult to assess and to help with adherence to housing and treatment programs.

To combat the vast over-representation of this underserved group, the City formed a Native American Homeless Task Force, and hired a Native American Tribal Liaison to help coordinate services between social service agencies and Albuquerque's homeless Native American population. The Task Force issued 14 recommendations, including the permanent appointment of a Tribal Liaison. The City is currently in transition in regards to Native American affairs. The Tribal Liaison, who will manage Native American Affairs, is now a full-time City position under the Office of Equity and Inclusion. This position will work closely with the Native American Homelessness Liaison, who is with the Department of Family & Community Services and will continue to coordinate services.

Other participants in focus groups mentioned challenges with respect to reintegration of at-risk individuals after their release from institutions. Metropolitan Detention Center (MDC) officials and Discharge Planners must be kept in the treatment loop, and medication for mental health and addiction issues should be conditions of parole. Members of the behavioral health community meet regularly with local law enforcement as part of the Mental Health Response Advisory Committee, a coordinated follow-up care management mechanism, established by a Settlement Agreement with the US Department of Justice in 2014. Executive leaders of service organizations report that law enforcement entities and county government entities are both amenable to participation in monitoring activities provided that proper consent is obtained. They also pointed out that the HIPAA Code allows communication among providers for purposes of case management. One service provider suggested the utilization of contact management software developed for the sales industry as a valuable tool to assist...
with conducting case management services and monitoring adherence to care, especially for those suffering from chronic conditions.

The Community Development Division will work with the City’s Office of Civil Rights (OCR) to provide language access services to housing providers and members of the public who speak other languages other than English in order to have improved access to services. In addition, the City’s Office of Equity and Inclusion will update the Limited English Proficiency (LEP)/Language Access Plan (LAP) for the City of Albuquerque and ensure that it meets all federal guidelines and requirements. The OCR will ensure that funded agencies and the public have access to the LAP if necessary to receive services.

**Actions planned to foster and maintain affordable housing**

The Affordable Housing Committee continues to meet regularly and serves as an advocacy group for affordable housing. The Workforce Housing Trust Fund is presented to the City's voters every two years for renewal. To ensure the electorate is educated as to the importance of affordable housing to the City's quality of life, the Affordable Housing Committee serves as an ad hoc committee that advocates on behalf of ongoing support for the Fund.

The Assessment of Fair Housing makes a specific proposal to modify the City of Albuquerque Community Development Division’s Policy Based Ranking Matrix to “prioritize housing investment near transit, proficient elementary schools, and employment opportunities, and for residents at or below 30 percent AMI.” For Program Year 2019 the City will implement an updated Policy Based Ranking Matrix for both Rental and Homeownership Request for Proposals in order to address the fair housing issues identified in the AFH.

With regard to addressing rehabilitation needs of aging housing stock, developers report many challenges, including a regulatory requirement that units be brought entirely up to code when repairs are made under HUD supported programs. Frequently, many repair issues are not apparent until rehab activities are well underway, and can cause costs to soar to $50 to $60K per unit. In order to revitalize reinvestment areas, the City recognizes the need to continue to fund rehabilitation projects with the understanding that costs may soar during the course of the project. The City values the preservation of affordable housing and/or combatting disinvestment by keeping rehabilitation a priority.

Vacancy rates within low-income neighborhoods are factors contributing to vandalism and other crime issues, and need to be addressed. Developers see an opportunity as well as a problem, in that acquisition and rehabilitation of foreclosed and abandoned units create means of increasing affordable housing inventory.

**Actions planned to reduce lead-based paint hazards**

To reduce lead-based paint hazards, the City of Albuquerque takes the following actions:
• Include lead testing and abatement procedures if necessary for residential rehabilitation activities for units built prior to January 1, 1978.
• Educate residents on the health hazards of lead-based paint through the use of brochures and encourage screening children for elevated blood-lead levels.
• Disseminate brochures about lead hazards through the City’s residential rehabilitation programs.

HUD requires the dissemination of brochures provided by the U.S. Environmental Protection Agency to all applicants as part of the transmittal of the program application. Units receiving CDBG or HOME assistance that were built prior to January 1, 1978 are addressed in accordance with the Lead-Safe Housing Rule. If testing is required and lead-based paint is present, appropriate abatement procedures are implemented as part of the rehabilitation contract consistent with the requirements of 24 CFR Part 35.

**Actions planned to reduce the number of poverty-level families**

In an effort to meaningfully address the challenge of families living in poverty, all 12 goals of the 2018-2022 Consolidated Plan are aligned to support activities that promote the availability of affordable housing and that provide essential services directly benefitting low- and moderate-income residents. In the implementation of the Plan, the City will prioritize funding for activities that most effectively address those goals over the next four years. This strategy will emphasize using CDBG, HOME, and ESG funds to help individuals and families rise out of poverty to reach long-term self-sufficiency.

In alignment with the current Consolidated Plan, the 2019 Action Plan seeks to address the most pressing need among low and moderate-income Albuquerque residents, namely, housing instability. All other investments, including those directed toward public service programs, and infrastructure improvements are intended to promote self-sufficiency and mobility that can only be the outgrowth of a safe, affordable, stable, and accessible living environment.

**Actions planned to develop institutional structure**

To overcome identified gaps, the City of Albuquerque is committed to several endeavors. To expand and improve the institutional structure for affordable housing development that meets the needs of persons with behavioral health issues and/or those experiencing chronic homelessness, the 2018 – 2022 Consolidated Plan calls for efforts to increase partnerships to identify potential sources of funding for the development and operation of new permanent supportive housing with on-site wrap-around services. The City is partnering with Bernalillo County to develop a single site permanent supportive housing project targeting individuals with behavioral health issues. A development team has been chosen to develop the single site project. Currently an RFP has been issued for a contractor to provide supportive services and housing vouchers. Once the contractor has been selected, development of the single site project will begin. Next, the City is funding a Minor Home Repair program utilizing CDBG funds...
in order to address the institutional gap of a lack of resources to rehabilitate the City’s aging housing stock. Finally, to address vacancy rates in the City’s low-income neighborhoods, the City will prioritize funding rehabilitation projects of older housing in the City’s Reinvestment Areas.

During the 2019 Program Year, the City will continue to collaborate with its affordable housing partners to provide permanent supportive housing with wraparound services to individuals who were exiting from correctional institutions and others challenged by behavioral health conditions or chronic homelessness.

The Affordable Housing Committee is anticipated to continue to meet regularly to advocate for affordable housing. The Workforce Housing Trust Fund is presented to the City's voters every two years for renewal.

**Actions planned to enhance coordination between public and private housing and social service agencies**

Preventing and ending homelessness is a HUD priority addressed nationally through coordination of regional strategies carried out locally by government agencies and a wide variety of community-based organizations and faith-based groups. Consistent with this approach, the City of Albuquerque supports the efforts of the New Mexico Coalition to End Homelessness, the State's lead agency for the Continuum of Care (CoC), and its member organizations that address homelessness throughout the City. In alignment with this strategy, the City will use CDBG, HOME, WFHTF, ESG, and General funds to support local service providers with programs to prevent homelessness and to expand the supply of affordable housing in Albuquerque for low and moderate-income residents.

Members of the behavioral health community also meet regularly with local law enforcement as part of the Mental Health Response Advisory Committee, a coordinated follow-up care management mechanism, established by a Settlement Agreement with the US Department of Justice in 2014. The communication and coordination mandated under the Agreement between the Albuquerque Police Department and the behavioral health community attempt to ensure that law enforcement is sensitive to the specific needs of at-risk individuals. In addition to addressing dangerous escalations of force in stress situations involving such individuals, these efforts at coordination are intended to reduce other unwanted consequences, such as death from narcotic withdrawal or overdose immediately following incarceration or release.

To enhance coordination for economic development, the City of Albuquerque aims to stay involved with a number of groups, including Albuquerque Economic Development, the Greater Albuquerque Chamber of Commerce, the Hispano Chamber of Commerce, the Affordable Housing Committee, the Affordable Housing Coalition and the New Mexico Coalition to End Homelessness. These groups represent the interests of private industry, businesses, developers and social services agencies, and the City hopes to encourage joint efforts to encourage economic development in the Albuquerque community.
Discussion:

According to focus group participants involved in the delivery of services to at-risk communities, the goal of all programs and services should always be *permanent supportive housing*. The Coordinated Entry System (CES) administered by the New Mexico Coalition to End Homelessness is an effective monitoring tool to comprehensively assess homeless individuals and place them into appropriate services across full spectrum of service offerings. According to executive leadership of one organization, Community Service Workers are the "aces in the hole" within the infrastructure of services and programs targeted to the vulnerably housed. Their daily contact with service program constituents is invaluable in terms of direct facilitation of successful transitions to permanent supportive housing.
Program Specific Requirements
AP-90 Program Specific Requirements – 91.220(l)(1,2,4)

Introduction:

In the implementation of programs and activities under the 2018-2019 Action Plan, the City of Albuquerque will follow all HUD regulations concerning the use of program income, forms of investment, overall low and moderate-income benefit for the CDBG program, recapture requirements for the HOME program and ESG performance standards.

The City certifies that it will pursue all resources indicated in this Plan and will not willingly or knowingly hinder the implementation of any planned activities. The City will continue to abide by the definitions of eligible applicants for funding as described in the Department of Family and Community Services’ Administrative Requirements, as amended. These Requirements are located on the Department’s website at http://www.cabq.gov/family/our-department/request-for-proposals. The City will continue to use a Request for Proposal Process (RFP) to solicit projects from eligible applicants and abide by the RFP process outlined in the Department’s Social Services Contracts Procurement Rules and Regulations. This document is also located on the Department’s website.

Grant-specific CDBG, HOME and ESG requirements are addressed on the following pages.

Community Development Block Grant Program (CDBG)
Reference 24 CFR 91.220(l)(1)
Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed 0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan. 0
3. The amount of surplus funds from urban renewal settlements 0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan 0
5. The amount of income from float-funded activities 0

Total Program Income: 0

Other CDBG Requirements

1. The amount of urgent need activities 0

Annual Action Plan 2019

OMB Control No: 2506-0117 (exp. 06/30/2018)
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan. 100.00%

HOME Investment Partnership Program (HOME)
Reference 24 CFR 91.220(l)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

In accord with HOME regulations, the City of Albuquerque uses the following forms of investment and no others:

   a. Equity investments;

   b. Interest bearing loans or advances;

   c. Non-interest-bearing loans or advances;

   d. Interest subsidies;

   e. Deferred payment loans;

   f. Grants; and

   g. Loan guarantees.
2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

The City will not fund homebuyer assistance under the recapture guidelines using HOME funds for Program Year 2019.

The City will develop Recapture Guidelines and submit for HUD approval during Program Year 2019, in anticipation of utilizing the Recapture Guidelines for homebuyer activities in Program Year 2020.

Resale Guidelines attached in Appendix B due to space limitation.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

The City will not acquire units with HOME funds during Program Year 2019 that will need to follow the resale or recapture guidelines.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

During the 2019 program year, the City will not use HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds.

**Emergency Solutions Grant (ESG)**  
**Reference 91.220(l)(4)**

1. Include written standards for providing ESG assistance (may include as attachment)

The City and NMCEH updated administrative standards for ESG in December of 2018 which were subsequently approved by the Albuquerque Strategic Collaborative. Refer to Appendix B.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

The Albuquerque Continuum of Care and the Balance of State Continuum of Care (the rest of New Mexico) have developed a centralized or coordinated assessment system. The City will collaborate with both Continuums of Care and the MFA in the implementation of the system. The VI-SPDAT (Vulnerability Index Service Prioritization Decision Assistance Tool) has been used for all City homeless programs since 2017.
3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

In addition to the City’s “Standards for Providing Emergency Solutions Grant Assistance” that was approved by the Albuquerque Strategic Collaborative in December of 2018, the City’s Department of Family and Community Services, under the Purchasing Ordinances, is allowed to procure their own social services. The City’s ESG projects are considered social services. The procurement process is governed by the Social Services Contracts Procurement Rules and Regulations promulgated by the Department. According to the Department Procurement Guidelines, “An RFP is required for the procurement of Social Services unless exempted or an alternate competitive process applies.” Department staff review submitted offers to ensure technical compliance prior to review by the Ad Hoc Committee. An Ad Hoc Committee reviews the proposal. The Ad Hoc Committee consists of a minimum of three persons and is approved by the Department Director. Offers submitted in response to an RFP are reviewed, and scored by the committee, for areas stated in the RFP. The Ad Hoc Committee provides the Director with a recommendation of award. If the Director concurs with the Ad Hoc Committee recommendation, the Director notifies the Offeror in writing and instructs staff to begin contract negotiations. If the Director does not concur with the Ad Hoc Committee recommendations he/she may request reconsideration by the Ad Hoc Committee.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

The City meets the homeless participation requirement in 24 CFR 576.405(a). The Continuum of Care Steering Committee and the Albuquerque Strategic Collaborative both have formerly homeless individual members who participate in policies and funding decisions regarding City programs and services funded under ESG.

5. Describe performance standards for evaluating ESG.

The City and NMCEH updated the ESG Performance Standards for evaluating ESG projects in December of 2018 and are attached as part of Appendix C.

During the 2019 Program Year, the City of Albuquerque will continue to work closely with the Albuquerque Strategic Collaborative which serves as the Continuum of Care Steering Committee.

The 2019 Action Plan includes proposals for the following projects:

- **CDU Administration**
  - Funding: $1,067,149
  - Responsible Agency: CDU

- **Emergency Shelter and Rapid Rehousing**
  - Funding: $625,000
  - Responsible Agency: CDU

- **Rental Program**
  - Funding: $1,000,000
  - Responsible Agency: CDU

- **Temporary Housing and Rental Assistance**
  - Funding: $1,000,000
  - Responsible Agency: CDU

- **Special Populations**
  - Funding: $1,000,000
  - Responsible Agency: CDU

- **Emergency Preparedness**
  - Funding: $1,000,000
  - Responsible Agency: CDU

- **Voucher Program**
  - Funding: $1,000,000
  - Responsible Agency: CDU

The Action Plan aims to support community development projects, emergency shelter and rapid rehousing initiatives, and rental assistance programs. The plan is designed to address the needs of special populations and enhance emergency preparedness efforts.
Fair Housing Education/Training - Funding: GP $10,000

This City will implement activities that promote fair housing education and training for housing service providers and members of the public.

Mayo Park Improvements - Funding: CDBG $815,000

Funds will be used to fund the Park's Department to improve and renovate Mayo Park.

Bay Park Planning - Funding: CDBG $80,000

Funds will be used to fund the Park's Department for the planning phase of improvements at Bay Park.

ADA Boat Ramp Improvements - Funding: CDBG $150,000

This project will provide the accessibility for the City's residents to enjoy the waterway facilities throughout the City.

Fire Engine - Funding: CDBG $200,000

An additional fire engine will be purchased to increase the fire engine's capacity to serve the community better.

Affordable Housing Preservation - Baseline - Funding: CDBG $300,000

Funds will be provided to the Housing Authority for the rehabilitation of public housing developments affected by site-specific income limitations.

Affordable Housing Development - Baseline - Funding: HOME $8,760,000, HOME Match $3,860,000

Provisions under this category are intended assistance in developing affordable housing units for low and moderate income families, either through development or acquisition and rehabilitation.

Cable Legacy Homeownership Development - Funding: HOME $2,010,000, HOME Match $1,005,000

HOME funds will be provided for the development of affordable housing units to be sold to low and moderate income families.

All recipients, project owners, persons, and intended beneficiaries, lenders, and other parties shall ensure that any action taken is in accordance with the City's planning and development regulations and any other applicable laws. The City's Public Access Plan was approved by the City Council on May 14, 2015, and is subject to a cookie drop as defined by the City of Anaheim. Pursuant to the City of Anaheim Public Access Plan, $500,000 will be allocated to the Public Access Plan. Pursuant to this action plan, the Public Access Plan requirements were satisfied. Pursuant to this action plan, the Public Access Plan requirements were satisfied. Pursuant to this action plan, the Public Access Plan requirements were satisfied. cabq.gov/family
CITY OF ALBUQUERQUE
NOTICE OF PUBLIC HEARING AND 30-DAY PUBLIC COMMENT PERIOD
FOR THE DRAFT 2019 ACTION PLAN
FUNDING FROM THE U.S. DEPARTMENT OF HOUSING AND URBAN
DEVELOPMENT (HUD)

Notice is hereby given that the City of Albuquerque (COA), New Mexico, Department of Family & Community Services has prepared its draft 2019 Action Plan. A public hearing to present the draft 2019 Action Plan will be held on Tuesday, March 19, 2019 at 5:00 p.m. The public hearing will be held at Los Griegos Health & Social Services Center, 1231 Candelaria Rd. NW, 87107. The hearing site is accessible to persons with disabilities. Auxiliary aids and language interpreters can be made available during the hearing upon prior request. For individuals with disabilities who need assistance to benefit from the public hearing, please call Tammy Jo Sisneros at (505) 768-2837 or (TTY) 1-800-669-8131.

The Action Plan serves as the COA’s grant application to HUD. This document includes specific activities to be undertaken with Community Development Block Grant (CDBG) funds, HOME Investment Partnerships (HOME) funds, Emergency Solutions Grant (ESG) funds from HUD and other local funds in furtherance of the Consolidated Plan strategies during the program year beginning July 1, 2019 and ending June 30, 2020. Estimated funding from HUD includes $4,460,921.00 of CDBG funding; $115,000 of CDBG program income; $1,548,500.20 of prior year (a) CDBG funding; $2,147,996.00 of HOME funding; $300,000 of HOME program income; $5,639,437.99 of prior year(s) HOME funding; $1,886,165.66 of HOME Match; $350,052.00 of ESG funding; and $350,052.00 of ESG Match. The Action Plan will also include $3,245,022.00 in General Funds (GF) and $1,575,154.00 in Workforce Housing Trust Funds (WHTF).

The draft 2019 Action Plan includes proposed funding for the following projects:

COA Administration- Funding: CDBG $892,016.18, HOME $214,799.60, ESG $26,239.82, ESG Match $26,239.82

Funds will be used for administrative costs to support the implementation of the COA’s 2019 Action Plan.

CHDO Operating – Funding: HOME $107,399.16

Funds will be provided to two Community Housing Development Organizations (CHDO’s) to assist with operating costs incurred implementing housing activities. The two CHDO’s receiving
funds are: Sawmill Community Land Trust and Greater Albuquerque Housing Partnership. Each CHDO will receive $53,699.58.

**Homeless Intervention and Rapid Re-housing** - Funding: ESG $323,812.18, ESG Match $323,812.18, GF $3,016,442.00

Projects under this category will provide services to populations experiencing homelessness by providing emergency shelter services, transitional housing opportunities and permanent supportive housing opportunities.

**Emergency Minor Home Repair Program** - Funding: CDBG $500,000

Funds will be provided to the COA Planning Department to increase sustainable housing by providing emergency minor home repairs for low to moderate income homeowners within the City of Albuquerque limits.

**Retrofit Program** - Funding: CDBG $500,000

Funds will be provided to the COA’s Department of Senior Affairs to provide handicap accessibility modifications for low to moderate income seniors and persons with disabilities.

**Affordable Homeownership Assistance** - Funding: CDBG $720,000

Funds will be provided to Homewise to assist low to moderate income first time homebuyers purchase an affordable home.

**TBRA** - Funding: Home $1,625,535.54, HOME Match $499,613.20

Funds will be provided to three agencies for Tenant Based Rental Assistance Projects. Specific high priority populations will be served with these funds. The following agencies will be receiving funding: Albuquerque Housing Authority - $1,095,004.98, St. Martin’s Hospitality Center (Hopeworks) - $490,394.04 and Enlace - $539,549.72.

**Homeless Dental** - Funding: CDBG $197,880, GF $67,400

Albuquerque Healthcare for the Homeless will provide a full range of dental services to medically indigent, low and moderate income persons in the City of Albuquerque who are experiencing homelessness with these funds.

**Emergency Motel Vouchers** - Funding: CDBG $197,210, GF $56,180

Funds will be provided to four agencies to provide emergency motel vouchers to homeless individuals and families, persons with medical and/or mental health conditions, women, and women with children. The following agencies will be receiving funding: Albuquerque Healthcare for the Homeless - $83,440; St. Martin’s Hospitality Center (Hopeworks) - $96,850; Barrett House - $16,850; and First Nations - $56,150.
Senior Meals - Funding: CDBG $118,175

The Department of Senior Affairs will receive funds to assist with the program costs to provide congregate meals to low income seniors.

Eviction Prevention - Funding: CDBG $119,900

Funds will be provided to the City's Health and Social Services Centers to provide emergency rental and utility assistance for low to moderate income persons residing within the Albuquerque city limits.

Early Childhood Services - Funding: CDBG $35,500 GF $20,000

Cuidando Los Ninos will provide child development services, as well as case management to homeless children and their families with this funding.

Tenant/Landlord Hotline - Funding: GF $75,000

Funds will be used to provide services for a landlord tenant hotline that will support landlords and tenants to resolve housing related legal issues.

Fair Housing Education/Training - Funding: GF $10,000

The City will administer activities that provide fair housing education and training to housing service providers and member of the public.

Wilson Park Improvements - Funding: CDBG $810,000

Funds will be provided to the Parks Department to improve/renovate Wilson Park.

Barelas Park Planning - Funding: CDBG $80,000

Funds will be provided to the Parks Department for the planning phase of improvements at Barelas Park.

ADA Sidewalk/Ramp Improvements - Funding: CDBG $300,000

Funds will be provided to Municipal Development for accessibility improvements. The project will improve street/sidewalk accessibility for disabled persons at locations throughout the City.

Fire Engine - Funding: CDBG $800,000

Albuquerque Fire Rescue will be provided funds to purchase a fire engine to serve low and moderate income neighborhoods.

Affordable Housing Preservation - Rental - Funding: CDBG $830,000

Funding will be provided to the Albuquerque Housing Authority for roof replacements at public housing developments occupied by low to moderate income residents.
Affordable Housing Development - Rental - Funding: HOME $1,981,949.07, HOME Match $993,751.36. WHDF $1,575,154.

Projects funded under this category will be provided assistance to develop affordable housing units for low and moderate income households, either through development or acquisition and rehabilitation.

Cibola Loop Homeownership Development - Funding: HOME $2,016,700.00, HOME Match $483,299.10.

HOME funds will be provided for the development of affordable housing units to be sold to low and moderate income households.

All residents, property owners, persons with disabilities, immigrants, seniors, low-income persons, children and youth, homeless persons, and other stakeholders in Albuquerque are invited to review the draft plan and comment on it in writing until 5:00 PM on Friday, April 19, 2019. After receipt of public comments from the 30-day public comment period, the City of Albuquerque will address each comment in writing and will submit all comments and responses in its formal application for funding to HUD on May 17, 2019 or at a later date as directed by HUD. Final funding levels for projects included in the Action Plan that is submitted to HUD may differ from the proposed funding listed above, which are based on estimates of the 2019 grant amounts to be awarded by HUD. Funding levels will be adjusted proportionally among projects to account for any increase or decrease in funding availability. The final Action Plan submission to HUD will be posted to the City of Albuquerque Department of Family and Community Service's website under the “Publications” heading at: http://www.cabq.gov/family/documents/publications.

For more information, please email rick.giron@cabq.gov.

Albuquerque Journal: March 5, 2019
CIUDAD DE ALBUQUERQUE
AVISO DE AUDIENCIA PÚBLICA Y PERÍODO DE COMENTARIOS PÚBLICOS DE
30 DÍAS PARA EL PROYECTO DE PLAN DE ACCIÓN 2019
FINANCIAMIENTO DEL DEPARTAMENTO DE VIVIENDA Y DESARROLLO
URBANO DE EE.UU. (HUD, por sus siglas en inglés)

Por la presente se da aviso de que el Departamento de Servicios para la Familia y la Comunidad de la Ciudad de Albuquerque (COA, por sus siglas en inglés), Nuevo México, ha preparado su proyecto de Plan de Acción 2019. Una audiencia pública para presentar el proyecto de Plan de Acción 2019 se llevará a cabo el martes 19 de marzo de 2019 a las 5:00 p.m. La audiencia pública se llevará a cabo en el Centro de Salud y Servicios Sociales de Los Griegos, 1231 Candelaria Rd. NW, 87107. El sitio de la audiencia es accesible para personas con discapacidad. Servicios auxiliares e intérpretes de idiomas pueden estar disponibles durante la audiencia, previa solicitud. Para las personas con discapacidades que necesitan asistencia para beneficiarse de la audiencia pública, llame a Tammy Jo Sistemas al (505) 768-2837 o (TTY) 1-800-659-8331.

El Plan de Acción sirve como la solicitud de subvención de COA o HUD. Este documento incluye actividades específicas que se realizarán con fondos de Subvención Global para el Desarrollo de la Comunidad (CDBG), fondos del programa de Subsidios de Inversión HOME (HOME), fondos del Subsidio para Soluciones de Emergencia (ESG) de HUD y otros fondos locales para promover las estrategias del Plan Consolidado durante el año del programa, comenzando el 1 de julio de 2019 y terminando el 30 de junio de 2020. El financiamiento estimado de HUD incluye $4,460,081.00 de fondos del CDBG; $115,000 de ingresos del CDBG; $1,548,600.20 de fondos del CDBG de años anteriores; $2,147,996.00 de fondos de HOME; $300,000 de ingresos de HOME; $5,639,437.99 de fondos de HOME de años anteriores; $1,386,165.66 del programa HOME Match; $250,052.00 de fondos del ESG; y $350,052.03 del programa ESG Match. El Plan de Acción también incluirá $3,245,022.00 en Fondos Generales (GF) y $1,575,154.00 en Fondos Fiduciarios para la Vivienda de la Fuerza Laboral (Workforce Housing Trust Funds o WHTF).

El proyecto de Plan de Acción 2019 incluye el financiamiento propuesto para los siguientes proyectos:

Administración de COA – Fondos: CDBG $892,016.18, HOME $214,799.60, ESG $26,239.82, ESG Match $26,239.82

Los fondos se utilizarán para cubrir los costos administrativos para apoyar la implementación del Plan de Acción 2019 de COA.
CHDO Operativo – Fondos: HOME $107,399.16

Se proporcionarán fondos a dos Organizaciones de Desarrollo Comunitario y de Viviendas (CHDO, que sus siglas en inglés) para ayudar con los costos operativos incurridos en la implementación de actividades de vivienda. Las dos CHDO que recibirán fondos son: el Fideicomiso de Tierras Comunitarias de Sawmill (Sawmill Community Land Trust) y la Asociación de Vivienda del Área Metropolitana de Albuquerque (Greater Albuquerque Housing Partnership). Cada CHDO recibirá $33,699.58.

Intervención para personas sin hogar y reemplazo rápido – Fondos: ESG $323,812.18, ESG Match $323,812.18, GF $3,016,442.00

Los proyectos de esta categoría brindarán servicios a las poblaciones sin hogar al proveer servicios de refugio de emergencia, oportunidades de alojamiento provisional y oportunidades de vivienda permanente con servicios auxiliares.

Programa de reparaciones menores de emergencia en el hogar – Fondos: CDBG $400,000

Se proporcionarán fondos al Departamento de Planificación de COA para aumentar las viviendas sostenibles al proporcionar reparaciones de emergencia menores a viviendas para propietarios de ingresos bajos a moderados dentro de las límites de la Ciudad de Albuquerque.

Programa de reconstrucción – Fondos: CDBG $500,000

Se proporcionarán fondos al Departamento de Asuntos Relativos a Personas Mayores de COA para proporcionar modificaciones de accesibilidad para personas con discapacidades y de edad avanzada con ingresos bajos a moderados.

Asistencia para la compra de vivienda asequible – Fondos: CDBG $720,000

Se proporcionarán fondos a Homewise para ayudar a personas de bajos a moderados ingresos que están comprando una vivienda por primera vez a comprar una casa asequible.

TBRA – Fondos: HOME $1,625,311.54, HOME Match $499,613.29

Se proporcionarán fondos a tres agencias para Proyectos de Asistencia Inmobiliaria para el Inquilino. Poblaciones específicas de alta prioridad recibirán estos fondos. Las siguientes agencias recibirán fondos: Autoridad de Vivienda de Albuquerque: $1,095,004.98, Centro de Hospitalidad de San Martín (St. Martin’s Hospitality Center - Hopeworks): $490,594.04 y Enlace: $539,549.72.

Servicios dentales para personas sin hogar – Fondos: CDBG $197,880, GF $67,400

Con estos fondos, Albuquerque Healthcare for the Homeless (atención médica para personas sin hogar) brindará una gama completa de servicios dentales a la población indigente con ingresos bajos y moderados en la ciudad de Albuquerque que se encuentran sin hogar.

Vales de emergencia para mascota – Fondos: CDBG $197,210, GF $56,180
Se proporcionarán fondos a cuatro agencias para proveer cupones de emergencia para moteles a individuos y familias sin hogar, personas con problemas médicos y/o de salud mental, mujeres y mujeres con hijos. Las siguientes agencias recibirán fondos: Albuquerque Healthcare for the Homeless - $83,440; Centro de Hospitalidad de San Martín (St. Martin’s Hospitality Center - Hopeworks) - $96,950; Casa de Barrett (Barrett House); $16,850; y Primera Naciones (First Nations); $56,150.

Comidas para personas mayores – Fondos: CDBG $118,175

El Departamento de Asuntos Relativos a Personas Mayores recibirá fondos para ayudar con los costos del programa para proporcionar comidas colectivas a personas de edad avanzada de bajos ingresos.

Prevención de desalojo – Fondos: CDBG $119,960

Se proporcionarán fondos a los Centros de Servicios Sociales y de Salud de la Ciudad, para proporcionar asistencia de emergencia para alquiler y servicios públicos a personas de bajos a moderados ingresos residenciales dentro de los límites de la ciudad de Albuquerque.

Servicios para la primera infancia – Fondos: CDBG $35,500, GF $20,000

Con estos fondos, Cuidando Los Ninos proporcionará servicios de desarrollo infantil, así como manejo de casos a niños sin hogar y sus familias.

Línea directa para inquilinos/propietarios – Fondos: GF $75,000

Los fondos se utilizarán para proporcionar servicios de una línea directa para propietarios e inquilinos, que brindará asistencia a propietarios e inquilinos para resolver problemas legales relacionados con la vivienda.

Educación/capacitación en vivienda justa – Fondos: GF $10,000

La Ciudad administrará actividades que brinden educación y capacitación sobre vivienda justa a proveedores de servicios de vivienda y miembros del público.

Mejoras del parque Wilson – Fondos: CDBG $810,000

Se proporcionarán fondos al Departamento de Parques para mejorar/renovar el parque Wilson.

Planificación del parque Barelas – Fondos: CDBG $80,000

Se proporcionarán fondos al Departamento de Parques para la fase de planificación de mejoras en el parque Barelas.

Mejoras ADA a ascensas/rampas – Fondos: CDBG $300,000
Se proporcionarán fondos a Desarrollo Municipal para mejorar de accesibilidad. El proyecto mejorará el acceso a calles/acecas para personas discapacitadas diferentes lugares en el largo de la ciudad.

**Camión de bomberos — Fondos: CDBG $800,000**

El Departamento de Rescate de Incendios de Albuquerque recibirá fondos para comprar un camión de bomberos para servir a vecindarios de ingresos bajos y moderados.

**Preservación de vivienda asequible — Alquiler — Fondos: CDBG $530,000**

Se proporcionará financiamiento a la Autoridad de Vivienda de Albuquerque para reemplazar de techos en desarrollos de vivienda pública ocupados por residentes de ingresos bajos a moderados.

**Desarrollo de vivienda asequible — Alquiler — Fondos: HOME $3,981,249.07, HOME Match $503,533.36, WHITF $2,065,154**

Los proyectos financiados en esta categoría recibirán asistencia para desarrollar unidades de vivienda asequibles para hogares de ingresos bajos y moderados, ya sea a través del desarrollo o la adquisición y rehabilitación.

**Desarrollo de propiedad de vivienda en Cibola Lapp — Fondos: HOME $2,016,799.99, HOME Match $483,200.10**

Se proporcionarán fondos de HOME para el desarrollo de unidades de vivienda asequibles para ser vendidas a hogares de ingresos bajos y moderados.

Todos los residentes, propietarios de inmuebles, personas con discapacidades, inmigrantes, adultos mayores, personas de bajos ingresos, niños y jóvenes, personas sin hogar y otras partes interesadas en Albuquerque están invitados a revisar el proyecto del plan y comentarlo por escrito hasta las 5:00 p.m. del viernes 19 de abril de 2019. Después de recibir los comentarios públicos del periodo de comentarios públicos de 30 días, la Ciudad de Albuquerque abordará cada comentario por escrito y presentará todos los comentarios y respuestas en su solicitud formal de financiamiento a HUD el 17 de mayo de 2019 o en una fecha posterior, según lo dirigido por HUD. Los niveles finales de financiamiento para los proyectos incluidos en el Plan de Acción que se presenta a HUD pueden diferir de los fondos propuestos enumerados anteriormente, que se basan en estimaciones de los montos de la subvención de 2019 que otorgará HUD. Los niveles de financiamiento se ajustarán proporcionalmente entre los proyectos para dar cuenta de cualquier aumento o disminución en la disponibilidad de fondos. La presentación final del Plan de Acción a HUD se publicará en el sitio web del Departamento de Servicios para la Familia y la Comunidad de la Ciudad de Albuquerque, bajo el encabezado “Publicaciones” en: [http://www.cabq.gov/family/documents/publications](http://www.cabq.gov/family/documents/publications).

Para más información, envíe un correo electrónico a [direccion@cabq.gov](mailto:direccion@cabq.gov).

Albuquerque Journal: 5 de marzo, 2019
Comment Regarding Goal 5:
“Increase housing available to the City’s most vulnerable residents, including people with severe mental illness, bad credit ratings, eviction histories and criminal records through Tenant Based Rental Assistance.”

Public Comment:
As a sub-recipient for the Tenant Based Rental Assistance program, we have been providing case management services without financial support. With the population described as the City’s most vulnerable residents, the need for case management services is high. Allowing agencies access to direct funds for supportive services can ensure that program participants are secure in housing placement, maintain housing stability throughout the entire program and develop successful exit strategies.

Rick Giron
Community Services Project Manager
Department of Family and Community Services
City of Albuquerque
Via Email: rickgiron@abq.gov

Dear Mr. Giron,

On behalf of the Albuquerque Housing Authority, I am respectfully submitting the below comments for your consideration regarding the 2019 Action Plan.

Thank you for including in the Action Plan funding for the Albuquerque Housing Authority, including $830,000 in CDBG funding and $1,095,004.98 in TBRA funding. The CDBG funding is instrumental in making much needed capital improvements to public housing. The TBRA funding helps transition more households into permanent housing. These programs have been successful in the past and we look forward to continuing this partnership with the City.

The AHA TBRA program is designed to issue vouchers to households that are referred to Albuquerque Housing Authority as clients of service providers serving precariously housed or persons experiencing homelessness and are presently in the AHA Section 8 Housing Choice Voucher Lottery or on the Public Housing waiting list. The Albuquerque Housing Authority partners with the service provider providing temporary assistance through TBRA as they develop a permanent housing solution for those households. Each client follows a housing plan to achieve a permanent housing solution within 24 months of receiving a voucher. The role of the service provider is essential to provide the case management support for the households to help insure success in the intake, housing, and transition process.

We ask that the City consider providing funding in the 2019 Action Plan for service providers to provide the referrals and case management support services. Our success in meeting our goals in the TBRA program is reliant on the partner agencies to have the funding and staff they need to not only provide the referrals but also support the clients through the process. Additionally, this funding helps insure the success of the households seeking permanent housing solutions.

We appreciate the opportunity to comment on the draft 2019 Action Plan. Please feel free to contact me if you have any questions regarding any of the above comments.

Sincerely,

Linda Bridge
Executive Director

Attn: Rick Giron II

Dear Mr. Giron,

This letter serves as a formal request for Fiscal Year 2020 additional CDBG funding. AHCH would like to request an additional $100,000 in CDBG funding for our Dental Program, with this funding we would be able to serve an additional 150 clients through approximately 500 encounters. Additionally, we would like to request an additional $20,000 in CDBG funding for Medical Respite Motel Vouchers, with this funding we would be able to serve an addition 176 medically fragile clients.

Thank you in advance for your assistance with this request.

Respectfully,

[Signature]

Annual Action Plan
2019
Hello Mr. Ammerman,

Thank you for your offer to assist the department based on Adelante's experience with food service programs. Currently, the City operates its own Senior Meals Program through its Department of Senior Affairs, which provides meals at 5 senior centers and 17 meal sites. However, we will be mindful of your offer to discuss operations, resources, and/or strategies for senior food programs, should the needs arise.

Again, thank you for your interest in our 2019 Action Plan and its activities!

RICK GIRON II
Community Services Project Manager

Mr. Giron,

Good afternoon. We read the public hearing notice and wanted to offer our assistance, as appropriate. Adelante Development Center has managed Storehouse NM food pantry in Albuquerque and the Senior Meals program in Doña County for several years. We have a great deal of knowledge of both programs and would be willing to discuss operations, resources, and/or strategies for the programs as they apply to senior programs in New Mexico.

The City of Albuquerque’s Family and Community Services Department is holding a public hearing to discuss its draft 2019 Action Plan. The Action Plan is the annual plan required by the U.S. Department of Housing and Urban Development (HUD). The Action Plan serves as the City’s grant application to HUD and includes activities to be undertaken with the Community Development Block Grant (CDBG) funds, HOME Investment Partnership (HOME) funds and Emergency Solutions Grant (ESG) funds from HUD, as well as other local funds.
The public hearing will be held at 5:00 p.m. on Tuesday, March 19th at Los Griegos Health and Social Services Center, 1231 Casdelaria NW, 87107. Attached you will find the public notice with additional information, including the proposed allocation of funding.

APPENDIX B

Grantee Unique Appendices

- Resale Guidelines
- Standards for Evaluating Emergency Solutions Grant Projects
- Emergency Solutions Grant (ESG) Written Standards
Resale Guidelines

These resale guidelines shall apply to all resale activities by Community Land Trusts, including homeownership and development assistance.

The resale affordability period is based on the amount of HOME funds invested in the unit to the buyer, as follows:

Under $15,000 - 5 Years, $15,000-$40,000 - 10 Years, Over $40,000 - 15 Years.

The initial buyer must reside in the home as his/her principal residence for the duration of the period of affordability.

Triggering Resale - If, during the period of affordability, an owner voluntarily or involuntarily transfers his/her property (e.g., through a sale or foreclosure), these RESALE provisions go into effect.

The resale provision requires units to be resold to an income eligible homebuyer if the sale or transfer occurs within the applicable affordability period. The Community Land Trust overseeing the project must monitor sales, foreclosures, and transfers to ensure affordability requirements. The Community Land Trust must ensure that resale requirements are imposed if the housing does not continue to be the principal residence of the occupant or family for the duration of the period of affordability, and must take steps to increase the availability of subsequent purchase to a buyer whose family household qualifies as a low-income family and will use the property as its principal residence. The resale requirement must also ensure that the price at resale provides the original HOME-assisted buyer a fair return on investment and ensure that the housing will remain affordable to a reasonable range of qualified low-income homebuyers. The period of affordability is based on the total amount of HOME funds invested in the housing.

A "fair return on investment" is determined by the resale price that takes into account a return on the homebuyer's initial investment (i.e., any cash or equity in purchase price, any additional homebuyer assistance received by the homebuyer). This fair return is determined by adding to the original purchase price paid by the homebuyer an agreed upon percentage of any increase in the value of the home during the homeowner's tenure, as determined by market appraisal.

The process for determining fair return must include an appraisal at initial purchase and an appraisal at sale, each conducted by an independent, third party appraiser. The cost of the appraisal cannot be charged to the homeowner. The difference between the initial and final appraisals represents the increase in market appreciation of the home, including the value of any capital improvements made by the homeowner during the time they owned each home. In turn, the homeowner's share of appreciation is determined by multiplying the increase in market value appreciation by a reasonable standard appreciation factor to determine the fair return to the homeowner. The standard appreciation factor is based upon the number of years the seller had owned the home. For years 1 through 5, the standard appreciation factor is 25 percent; it is then
increased by 1 percent each year from 25 percent for years 16 to 30, up to a maximum of 30 percent. The subsequent sales price of the home must be based on the original purchase price plus the rate of appreciation determined via the appraisals and the market appreciation factor.
City of Albuquerque Emergency Solutions Grant (ESG) Standards for Evaluating ESG Projects

At minimum, the City will use the following performance standards to evaluate ESG projects. The timeframe for all performance standards will be a recent 12 month period.

Performance Measures:

1. Total Unduplicated Number of Persons Served (per reporting quarter and annual cumulative) OR Average Utilization Rate (per reporting quarter and annual cumulative)

2. Total Unduplicated Number of Chronically Homeless Persons Served (per reporting quarter and annual cumulative)

3. Housing Stability (per reporting quarter and annual cumulative)
   - The percentage of participants who left the ESG project who exited to permanent housing, transitional housing or to family/friends
   - The percentage of participants who left the ESG project who exited to permanent housing
   - The percentage who exited to permanent housing but returned to homelessness within 6 months

4. Total and Earned Income (per reporting quarter and annual cumulative)
   - The percentage of adults served who increased their income

5. Number of self-identified chronic homeless referrals to Coordinated Assessment (per reporting quarter and annual cumulative)

All data counts reported to the City must be substantiated by HMIS documentation.

Reporting Requirements:

All funded projects will submit Quarterly Performance Reports reflecting quarterly counts and cumulative subtotals by measure, including substantiation by the appropriate HMIS and/or APR reports for each month of the reporting quarter. As required for HUD ESG funding, all funded projects will cooperate with NM HMIS for submission of the system-wide annual AHAR, HIC/PIT, and CAPER reports.

Appendix C: HUD Definition for At-Risk of Homelessness [38]
Introduction

In accordance with Title 24 of the Code of Federal Regulations (24 CFR; 91.226(c)(5) and 576.401(c) (1)), the City of Albuquerque (City) and the Albuquerque Continuum of Care (CoC) have developed the following written standards for the provision and prioritization of Emergency Solutions Grant (ESG) funding. The following standards are intended to set basic, minimum standards to which individual ESG applicants and/or subrecipients may add additional and more stringent standards applicable only to their own projects. Any additional standards developed and implemented by an individual ESG applicant and/or subrecipient must be approved by the City prior to implementation or adoption into program policies and procedures. These required minimum standards help to ensure that the ESG program is administered fairly and methodically. The City and the CoC will continue to build upon and refine this document.

Background

The City of Albuquerque is awarded ESG funds annually from the Department of Housing and Urban Development (HUD), as part of the Annual Action Plan Process. These funds are designed to identify sheltered and unsheltered homeless persons, as well as those at risk of homelessness, and provide the services necessary to help those persons quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness. The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act) significantly amended the McKinney-Vento Homeless Assistance Act, including major revisions to the Emergency Shelter Grants program, which was renamed the Emergency Solutions Grants program. The HEARTH Act and implementation of the applicable federal regulations by HUD, incorporated many of the lessons learned from the implementation of the Homelessness Prevention and Rapid Re-Housing Recovery Act Program (HPRP) into the new ESG program, including placing a stronger emphasis on rapid re-housing assistance.

Program Overview

The ESG Program allows the City to set priorities based on the individualized needs of the community as identified in the City’s consolidated plan. These standards serve to outline the specific guidelines and priorities that will be used by the City in awarding and administering ESG funding. Currently, eligible program components that are prioritized under the City’s ESG Program are emergency shelter, rapid re-housing, HMIS, and administrative costs. The City and Albuquerque CoC may revise ESG component priority in subsequent years based on the needs of the community.
Standards Applicable to All Programs

The following standards are intended as basic, minimum standards that apply to all ESG programs.

Program Eligibility by Homeless Status

Every participant served by ESG funds must qualify for assistance according to HUD standards. Service providers are responsible for determining eligibility status for ESG recipients and are required to obtain documentation at intake of homeless or at-risk of homelessness status. This documentation may come from either the participant or a third party information source and is typically obtained at intake, entry, or referral by another ESG service provider. A copy of the documentation must be kept in the participant file and made available to the CoC, the City, the CoC, and HUD for monitoring or risk analysis purposes. Details regarding participant eligibility for ESG-funded programs, according to HUD’s definition of homelessness and at-risk of homelessness, are outlined below. For complete definitions of program eligibility by homeless status, see Appendix B & C.

Street Outreach (SO)

Street Outreach services shall target unsheltered homeless individuals and families, meaning those with a primary nighttime residence that is a public or private place not designed for or used as regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport or camping ground.

Emergency Shelter (ES)

Individuals and families eligible for ES assistance include those who meet the following definitions:

- Homeless Category 1: Literally Homeless
- Homeless Category 4: Fleeing/Attempting to Flee DV (Must also meet qualifications for Category 1)

Rapid Re-Housing (RRH)

Individuals and families eligible for RRH projects include those who meet the following definitions:

- Homeless Category 1: Literally Homeless
- Homeless Category 4: Fleeing/Attempting to Flee DV (Must also meet qualifications for Category 1)

Additionally, RRH projects must only serve individuals and families that have an annual income below 50% of the average median income (AMI) for the area.
Homelessness Prevention (HP)

Individuals and families eligible for HP projects include those who meet the following definitions:

- Homeless Category 2: Imminent Risk of Homelessness
- Homeless Category 1: Fleeing/Attempting to Flee DV (Does not meet qualifications for Category 1)

Additionally, HP projects must only serve individuals and families that have an annual income below 150% of the average median income (AMI) for the area.

The New Mexico Coordinated Entry System (NMCE)

To ensure homeless households receive immediate housing and to minimize barriers to housing access, all subrecipients will be required to assist program participants in accessing resources through the New Mexico Coordinated Entry System (NMCE), and accepting (where applicable) all referrals for housing from the NMCE. Coordinated Entry is a CoC-wide process for facilitating access for all resources designated for individuals and families experiencing homelessness. This system ensures that every homeless individual or family is known by name, provides assistance based on the individual or family's unique needs, and matches them to the most appropriate service strategy or housing intervention. CES ensures system coordination among emergency shelters, essential service providers, homelessness prevention providers, rapid re-housing providers, other homeless assistance providers, and mainstream services and housing providers.

Subrecipients will have, at a minimum, one staff member who is trained and certified in conducting the common assessment tool used by the NMCE. The NMCE uses the Vulnerability Index: Service Prioritization Decision Assistance Tool (VI-SPDAT) as its common assessment tool. To the maximum extent practicable, households presenting for assistance will be assessed using the VI-SPDAT. All completed assessments must be entered into the NMCE, in accordance with NMCE Policies and Procedures.

Where the subrecipient is unable to administer the VI-SPDAT, households that present for service will be provided appropriate referrals to NMCE. Subrecipients will also post publicly NMCE educational materials.

Fair Housing

Subrecipients will not prohibit access to BSG funded programs to anyone that would otherwise be eligible for assistance based on race, color, religion, national origin, sex, age, familial status, disability type, actual or perceived sexual orientation, gender identity or marital status. Subrecipients will post publicly a HUD issued Fair Housing notice, in a place that is visible to all program participants and persons who present for assistance or services.
Equal Access

Units of general local government and nonprofit organizations shall make it known that facilities and services supported by this grant are available to any person (who otherwise meets the eligible criteria for the program) in accordance with the Equal Access Rule (24 CFR 5.105(e)(2)) which prohibits discriminatory eligibility determinations in HUD-assisted or HUD-insured housing programs based on actual or perceived sexual orientation, gender identity, or marital status, including any projects funded by the CDBG, ESG and HOPWA Programs. The ESG interim rule also contains a fair housing provision, 24 CFR 576.407(a) and (b).

It is allowable for shelters or housing programs to exclusively serve families with children, but they must serve all types of families with children including both male and female headed households. The housing or shelter may also be limited to one sex where such housing consists of a single structure with shared bedrooms or boarding facilities such that the considerations of personal privacy and the physical limitations of the configuration of the housing make it inappropriate for the housing to be limited to one sex.

Providers that operate single sex projects must provide all individuals, including transgender individuals and other individuals who do not identify with the sex they were assigned at birth, with access to programs, benefits, services, and accommodations in accordance with their gender identity without being subjected to intrusive questioning or being asked to provide documentation.

Affirmative Outreach

Subrecipients must make known that use of the facilities, assistance, and services are available to all on a nondiscriminatory basis. If it is unlikely that the procedures that the subrecipients intend to use to make known the availability of the facilities, assistance, and services will reach persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for those facilities and services, the recipient must establish additional procedures that ensure that those persons are made aware of the facilities, assistance, and services. The subrecipient must take appropriate steps to ensure effective communication with persons with disabilities including, but not limited to, adopting procedures that will make accessible to interested persons information concerning the location of assistance, services, and facilities that are accessible to persons with disabilities. Consistent with Title VI and Executive Order 13166, subrecipients are also required to take reasonable steps to ensure meaningful access to programs and activities for limited English proficiency (LEP) persons.

Subrecipients will market their program in an ongoing effort to assure that potential participants who are least likely to access the program, (without regard to race, color, national origin, sex, religion, familial status, sexual orientation, and disability) have access to the program. Subrecipients will develop, and document efforts to follow, a written strategy to provide public notice and conduct outreach to educate those least likely to access resources. At a minimum, affirmative marketing strategies will include efforts to communicate information regarding services and resources available.
through the program, eligibility requirements, and information about the NM Coordinated Entry System (NMCES) and how the program participates in the NMCES.

Methods outlined in the subrecipient marketing strategy may include:

- Distributed printed materials
- Postings to agency websites and/or social media accounts
- Public listings through community resource services
- Education provided to community partners

**Coordination with Other Targeted Homeless Services**

ESG-funded programs must coordinate and integrate, to the maximum extent practicable, ESG-funded activities with other programs targeted to homeless people in the Albuquerque CoC. Efforts to coordinate with other targeted homeless services must be documented by subrecipients. These programs may include, but are not limited to:

- Continuum of Care Program (24 CFR 578)
- Section 8 Moderate Rehabilitation Program for Single Room Occupancy Program for Homeless Individuals (24 CFR 882)
- Education for Homeless Children and Youth Grants for States and Local Authorities (title VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.));
- Grants for the Benefit of Homeless Individuals (sections 536 of the Public Health Services Act (42 U.S.C. 290a–5));
- Healthcare for the Homeless (42 CFR part 51c);
- Programs for Runaway and Homeless Youth (Runaway and Homeless Youth Act (42 U.S.C. 5701 et seq.));
- Projects for Assistance in Transition from Homelessness (part C of title V of the Public Health Service Act (42 U.S.C. 290ee–21 et seq.));
- Services in Supportive Housing Grants (section 523A of the Public Health Service Act)
- Emergency Food and Shelter Program (title III of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11331 et seq.));
- Homeless Veterans Reintegration Program (section 310(a)(1) of the Homeless Veterans Comprehensive Assistance Act (38 U.S.C. 2001))
- Transitional Care for Homeless Veterans Program (38 U.S.C. 2001)
- VA Homeless Providers Grant and Per Diem Program (38 CFR part 61)
Other Federal, State, Local, and Private Assistance

ESG-funded programs must assist each program participant, as needed, to obtain other Federal, State, local, and private assistance available to assist the program participant in obtaining housing stability. Assistance provided to program participants must be documented by subawardees. Assistance programs include:

- Medicaid
- Supplemental Nutrition Assistance Program (SNAP)
- Women, Infants, and Children (WIC)
- Federal-State Unemployment Insurance Program
- Social Security Disability Insurance (SSDI)
- Supplemental Security Income (SSI)
- Child and Adult Care Food Program
- Public housing programs
- Housing programs receiving tenant-based or project-based assistance
- Supportive Housing for Persons with Disabilities
- HOME Investment Partnerships Program
- Temporary Assistance for Needy Families (TANF)
- Health Center Program
- State Children's Health Insurance Program
- Mental Health and Substance Abuse Block Grants
- Services funded under the Workforce Investment Act

Homeless Management Information System (HMIS)

All ESG-funded programs are required to enter participants in the NM Homeless Management Information System (NM HMIS) at first contact, assessment, and exit, per current data standards. Programs that are specifically forbidden by other statutes or regulations (e.g., domestic violence victims, service providers) must participate utilizing an approved comparable database to meet reporting requirements. Albuquerque DV Providers shall actively utilize the Orinuit comparable database system and shall be in compliance with all data quality standards set forth by HUD.

All participating agencies must collect and maintain common data fields as determined by current HUD data standards in effect, and considering all relevant regulations. This requirement helps to ensure coordination between service providers through the Coordinated Entry System (NMGFS), while avoiding duplication of services and client care, and provides an opportunity to document

Albuquerque ESG Written Standards
December 26, 2018
be necessary for eligibility of assistance. Subrecipients must enter and maintain all data required to comply with all reporting requirements established by HUD, the City, and the CoC. All NM-HMIS participating agencies must also adhere to the policies and procedures outlined in the NM-HMIS Standard Operating Procedures, including timely, accurate, and complete data quality management.

Confidentiality of Records

All ESG-funded programs must uphold all privacy protection standards established by the NM-HMIS Standard Operating Procedures and relevant federal and State of New Mexico (State) confidentiality laws and regulations that protect client records. Confidential client records may only be released with the participant's or the participant's guardian's consent, unless otherwise provided for in the pertinent laws and regulations. All required HMIS forms can be found within the NM-HMIS database program.

Verbal Explanation

Prior to every participant's initial assessment, ESG-funded programs must provide a verbal explanation that the participant's information will be entered into an electronic database that stores client information and an explanation of the NM-HMIS Client Consent Form terms. Participants should also be informed that they may be removed from the database at any time at their request.

Written Consent

After being provided a verbal explanation, each participant who agrees to have his or her personal protected information (PPI) entered into the NM-HMIS must sign the NM-HMIS Client Consent Form. Exceptions: verbal consent to enter PPI into the NM-HMIS may be obtained during a phone screening, outreach, or diversion, provided that the subrecipient obtains the participant's written consent at the next available opportunity. Households that do not sign the consent are entered into NM-HMIS using only an identifier number.

Privacy Policy

Subrecipients must establish a written privacy policy, which must be posted in a place where all participants may easily view it, and will be provided upon a participant's request.

Termination of Assistance

Subrecipients may terminate assistance to participants who violate program requirements as outlined below, in accordance with 24 CTR 576.462 (a)(b)(c).

If a program participant violates written program requirements, the subrecipient may terminate assistance in accordance with a formal process established by the subrecipient that recognizes the rights of individuals affected. The subrecipient must exercise judgment and examine all extenuating circumstances in determining when violations warrant termination so that a program participant's assistance is terminated only in the most severe cases.
When terminating rental assistance or housing relocation and stabilization services, the required formal process shall minimally consist of:

- A written notice to the program participant containing a clear statement of the reasons for termination; and
- A review of the decision, in which the program participant is given the opportunity to present written or oral objections before a person other than the person (or a subordinate of that person) who made or approved the termination decision; and
- Prompt written notice of the final decision to the program participant.

Termination does not bar the subrecipient from providing further assistance at a later date to the same family or individual.

**Grievance**

All ESG subrecipients must create a formal standardized grievance process, which they must incorporate in their internal policy and procedures and at a minimum include:

- An established escalation process if no resolution is found through initial efforts; and
- A designated grievance liaison within the agency, and
- A standard grievance form that can be filled out and returned to a grievance liaison; and
- Participants are informed of their right to file a grievance at initial intake; and
- Participants are provided with notice of their right to contact the agency's Director, the City and/or HUD to include internal information; and
- Notice that services will not be denied based on complaints or grievances.

**Faith-Based Activities**

Minimum standards for faith-based activities (24 CFR 576.406) are:

- Providers receiving ESG funding shall not engage in inherently religious activities as part of the ESG-funded programs or services. Such activities must be offered separately from ESG-funded programs and services and participation must be voluntary.
- A religious organization receiving ESG funding retains independence from government and may continue with its mission provided that ESG funds are not used to support inherently religious activities. An ESG-funded organization retains its authority over its internal governance.
- An organization receiving ESG funding shall not discriminate against a participant or prospective participant based on religion or religious beliefs.
- ESG funding shall not be used for the rehabilitation of structures used specifically for religious activities, but may be used for rehabilitating structures that are used for ESG eligible activities.

A Supplement to FSG Written Standards
December 26, 2019
Environmental Review

Before any funds are committed, an environmental review will be conducted of all ESG-funded grant/subproject site(s) to demonstrate there are no hazardous materials present that could affect the health and safety of the occupants. All ESG activities are subject to environmental review under HUD’s environmental regulations in 24 CFR part 30. The subrecipient, or any contractor of the subrecipient, may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for an ESG project, or commit or expend HUD or local funds for ESG eligible activities, until an environmental review under 24 CFR part 30 has been performed and the recipient has received HUD approval of the property.

Homeless Representation

Subrecipients must ensure that at least one homeless individual or formerly homeless individual participates on the board of directors or other equivalent policymaking entity of the agency, to the extent that the entity considers and makes policies and decisions regarding any facilities, services, or other assistance that receive funding under the Emergency Solutions Grant (ESG).

If the subrecipient is unable to meet requirements outlined in the above paragraph, it must instead develop and implement a plan, approved by the City, to consult with homeless or formerly homeless individuals in considering and making policies and decisions regarding any facilities, services, or other assistance that receive funding under Emergency Solutions Grant (ESG). The plan must be included in the annual action plan required under 24 CFR 57.225.

To the maximum extent practicable, the provider must involve homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under ESG, in providing services assisted under ESG, and in providing services for occupants of facilities assisted under ESG. This involvement may include employment or volunteer services.

Program Evaluation

The City and Continuum of Care will develop annual performance standards for evaluating the effectiveness of ESG program-assisted activities. Subrecipient performance will be evaluated annually and performance outcomes will be considered in allocating funding.

At a minimum, the performance standards will address the degree to which ESG subrecipients are achieving:

- Targeting those who most need assistance;
- Reducing the number of people living on the streets or in emergency shelter; and
- Reducing the time people spend homeless; and
- Reducing program participants’ housing barriers or housing stability risks; and
- Improving HUD System Performance Measures, e.g., The Longitudinal System Analysis, and
- Submitted an accurate and timely annual CAPPER.

Albuquerque ESG Written Standards
December 26, 2018
Street Outreach Standards

Street Outreach should be principally focused on one goal: that of supporting persons experiencing homelessness in achieving some form of permanent, sustainable housing. While Street Outreach may use incentives to encourage trust and build relationships, or to ensure that homeless households’ emergency needs are met, the awards made should be used with permanent housing as the end goal rather than simply sticking to alleviate the burden of living on the streets.

ESG Street outreach funds may be used for costs of providing essential services necessary to reach out to unsheltered persons, contact them with emergency shelter, housing, or critical services, and provide urgent, non-facility-based care to unsheltered homeless people who are unwilling or unable to access emergency shelter, housing, or an appropriate health facility. Individuals and families shall be offered the following eligible Street Outreach activities, as needed and appropriate: engagement, case management, emergency health and mental health, transportation services (24.3.6.101).

Target Population

Providers of Street Outreach services shall target unsheltered homeless individuals and families, meaning those with a primary nighttime residence that is a public or private place not designed or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground, and who would not otherwise access homeless services.

NMCES

All individuals and families served through street outreach programs shall be assessed using a comprehensive, universal assessment tool, the Vulnerability Index Service Prioritization Decision Assistance Tool (VISTPDA), in order to make an informed and objective decision on the level of need of each family and streamline eligibility determinations. All completed assessments must be submitted to the NMCPS CFS program, or entered into the NM-UMIS database in accordance with NMCPS Policies and Procedures.

Emergency Shelter Standards

ESG funds may be used for the costs of providing essential services to homeless families and individuals in emergency shelters, renovating buildings to be used as emergency shelter for homeless families and individuals, and operating emergency shelters. An emergency shelter is any facility with the primary purpose of providing temporary shelter for the homeless in general, or for a specific population of the homeless. Emergency shelters will not require occupants to sign leases or occupancy agreements.

Shelter stays should be avoided, if possible, and when not possible, limited to the shortest time necessary to help participants regain permanent housing. Households should only be referred to ESG-funded emergency shelters after exhausting all available options for diversion. Emergency shelter programs should be closely linked to the New Mexico Coordinated Entry System (NM-CEC)
to ensure residents are referred to the most appropriate housing resources including, but not limited to, rapid re-housing and permanent supportive housing. Linkages should also be made to applicable mainstream resources.

**Eligible Participants**

ESG-funded emergency shelter programs serve households that meet the definition of “homeless” as defined by HUD at 24 CFR 576.2. Households served by ESG-funded emergency shelters lack a fixed, regular, and adequate nighttime residence; cannot be served by other programs or resources; and have no other options for overnight shelter.

**Admission**

Subrecipients must develop clear and standard policies and procedures regarding participant selection, when need exceeds available resources. Admission policies and procedures must be applied consistently for all households presenting for assistance and take into account the varying needs of people who are homeless. Emergency shelters will prioritize individuals/families that

- Cannot be diverted; and
- Are Acutely Homeless; and
- Can be safely accommodated in the shelter; and
- Are in need of emergency medical or psychiatric services or are a danger to self or others.

No shelter may deny shelter based on disability status. Victims of domestic violence that are actively fleeing a domestic violence situation should be referred to a specialized domestic violence shelter, when possible, regardless of where they first access the shelter system.

**Recordkeeping Requirements**

For shelters where program participants may stay only one night and must leave in the morning, certification of homeless status must be obtained each night. If program participants may stay more than one night, then certification of homeless status must be obtained on the first night the household stays in the shelter.

Subrecipients may document homeless status through a certification by the individual or head of household as the primary method of establishing homeless eligibility. One method of meeting this standard would be to require households to complete a sign-in sheet, with a statement at the top informing the individual or head of household that by signing, they certify that they are homeless.

Under no circumstances must the lack of third party documentation prevent an individual or family from being immediately admitted to emergency shelter, receiving services, or being immediately admitted to shelter or receiving services provided by a victim service provider.
NMCES

Subrecipients must offer all households that enter the shelter an opportunity to complete the common assessment tool for the NM Coordinated Entry System (CES) within the first seven days of their stay. The CES uses the VI-SPDAF as its common assessment tool. This will allow shelters to connect families and individuals experiencing homelessness to the most appropriate long-term housing option available through the Coordinated Entry System. All ESG-funded programs must also post notice providing information about the NM Coordinated Entry System in a place that is visible to all persons presenting for services.

Prohibition Against Involuntary Family Separation

Any group of people that present together for assistance and identify themselves as a family, regardless of age or relationship to other factors, are considered to be a family and must be served together as such. Further, any shelter receiving funds under the ESG Programs, including faith-based organizations, cannot discriminate against a group of people presenting as a family based on the composition of the family (e.g., adults and children or just adults), the age of any family member, the disability status of any members of the family, marital status, sexual or perceived sexual orientation, or gender identity. Further, the age and gender of a child under age 18 must not be used as a basis for denying any family’s admission to any shelter receiving Emergency Solutions Grant (ESG) funding.

Child School Enrollment and Connection to Services

Emergency Shelters will designate a staff person to be responsible for ensuring that children being served in the program are enrolled in school and connected to appropriate services in the community, including Title I, early childhood programs such as Lead Start, and parts B and C of the Individuals with Disabilities Education Act. Subrecipients that serve households with children will post publicly, and/or provide for households with children at intake, notice of education services available within the community, and document efforts to verify that children are enrolled in school and connected to appropriate services.

Safety and Security

Emergency Shelter programs must create policies and procedures that minimize barriers and follow harm-reduction methods to the maximum extent practicable, while also creating a safe environment for shelter guests and staff; policies and procedures may vary depending on the shelter population being served.

Length of Stay

Emergency shelters must develop clear and standard policies and procedures regarding length of stay and discharge from the program. Policies and procedures must be applied consistently for all program participants and take into account the varying needs of people who are homeless. When
possible, people with long-term, serious disabilities should be allowed to stay until they are able to access permanent supportive housing.

**Supportive Services**

While shelter staff may encourage trust and build relationships by discussing non-housing related topics with shelter residents, the primary purpose and ultimate goal of all resident interactions should be to ensure that participants obtain permanent housing as quickly as possible. Emergency shelter programs will connect shelter residents to other Federal, State, local, and private assistance as outlined under Standards Applicable to All Programs. Interactions that include discussion of setting or making progress towards housing goals and connection to other resources will be documented by Emergency Shelter programs.

**Homeless Prevention & Rapid Re-Housing Standards**

Homeless Prevention (HP) assistance includes housing relocation and stabilization services and/or short and/or medium-term rental assistance necessary to prevent an individual or family from moving into an emergency shelter or another place described in paragraph (b) of the homeless definition in 24 C.F.R. 576. The costs of homelessness prevention are only eligible to the extent that the assistance is necessary to help the program participant regain stability in the program participant's current permanent housing or move into other permanent housing and achieve stability in that housing.

Rapid Re-Housing (RRH) assistance includes housing relocation and stabilization services and short and/or medium-term rental assistance to help a homeless individual or family move as quickly as possible into permanent housing and achieve stability in that housing.

Financial assistance cannot be provided to a program participant who is receiving the same type of assistance through other public sources or a program participant who has been provided with replacement housing payments under the Uniform Relocation Act (URA), during the period of time covered by the URA payments.

**Prioritization**

Homeless Prevention programs must target households at greatest risk of homelessness and assist participants to increase household income during enrollment. Households must be prioritized using a standardized assessment policy that is applied consistently for all households presenting for need.

Rapid Re-Housing assistance targets and prioritizes homeless families who are most in need of temporary assistance and are most likely to achieve and maintain stable housing, whether subsidized or unsubsidized, after the program concludes. All subrecipients are required to select program participants through the HMIS, in accordance with the prioritization system outlined in the Albuquerque CoC RRTI Waitlist Standards.

---

All Albuquerque ESG Waitlist Standards
December 26, 2018
Eligible Participants

Homelessness Prevention (HP): Individuals or families who meet the HUD criteria for the following definitions, are eligible for Homelessness Prevention assistance:

- Homeless Category 2: Imminently at risk of homelessness
- Homeless Category 4: Feeling/attempting to flee DV (as long as the individual or family fleeing or attempting to flee DV are also not literally homeless. If the individual or family is literally homeless, they would qualify for RRH instead)

Rapid Re-Housing (RRH): Individuals or families who meet the HUD criteria for the following definitions are eligible for Rapid Re-Housing assistance:

- Homeless Category 1: Literally homeless
- Homeless Category 4: Feeling/attempting to flee DV (as long as the individual or family fleeing or attempting to flee DV are, or will become, literally homeless without RRH as an option)

Additionally, individuals or families must have a total household income below 30 percent of the average median income (AMI) for the area.

Record Keeping Requirements

Subrecipients must establish and follow written intake procedures to ensure compliance with HUD’s definition of “homelessness” or “at risk of homelessness” and recordkeeping requirements.

Evidence of Homeless Status

Subrecipients must make effort to obtain documentation providing evidence of homeless status in the order of priority listed below.

1. Third-Party Documentation: Source documents provided by an outside source; or records contained in an HAMIS database that show shelter stays are acceptable evidence of third-party documentation and intake worker observations.
2. Intake Worker Observation: Documentation certifying that subrecipient staff has physically observed the eligible living situation of the participant at program entry.
3. Self Certification: Certification from the person seeking assistance. Subrecipient staff must also document efforts made to obtain third party documentation before allowing applicant to self-certify that they were residing in an eligible living situation at program entry.

Individuals Residing in an Institution

For individuals residing in an institution (including a jail, substance abuse or mental health treatment facility, or hospital for fewer than 90 days), acceptable evidence includes:

- Discharge paperwork or a written or oral referral from a social worker, case manager, or other appropriate official of the institution, stating the beginning and end dates of the time.
reading in the institution, that demonstrates the person resided there for less than 90 days. All oral statements must be recorded by the intake worker or:

- Certification from the person seeking assistance. Where the evidence above is not obtainable, a written record of the intake worker’s due diligence in attempting to obtain the evidence described in the paragraph above and a certification by the individual seeking assistance that states that they are exiting or have just exited an institution where they resided for less than 90 days and

- Evidence of literally homeless status prior to entry. Evidence that the individual was homeless and living in a place not meant for human habitation, a safe haven, or in an emergency shelter, and was chronically homeless prior to entry into the institutional care facility (as defined in paragraph (c) of 25 CFR 578.3) (acceptable documentation listed above).

Evidence of Imminent Risk of Homelessness Status

Subrecipients must make effort to obtain documentation providing evidence of an risk of homeless status in the order of priority listed below.

1. Source Documents: Notice of termination from employment, unemployment compensation statement, bank statement, health care bill showing arrears, utility bill showing arrears.

2. Third Party Documentation: To the extent that source documents are unobtainable, a written statement by the relevant third party (e.g., former employer, public administrator relative) or written certification by the intake staff of the oral verification by the relevant third party that the applicant meets one or both of the criteria of the definition of “at risk of homelessness”.

3. Intake Worker Observation: If source documents and third-party verification are unobtainable, a written statement by intake staff describing the efforts taken to obtain the required evidence.

Securing and Maintaining Housing

Subrecipients will assist participants, to the maximum extent practicable, in reducing barriers to securing or maintaining housing, including connection to appropriate resources, efforts to resolve matters related to poor rental history or bad credit, and obtaining identification.

Subrecipients will follow Housing First Principles. Participants will not be screened out for having too little or no income, a history of or active substance abuse, a criminal record (except for state mandated restrictions; or a history of victimization from domestic violence, sexual assault, or childhood abuse. Participants will not be terminated from the program for failure to participate in supportive services outside of the required monthly meeting with a case manager, failure to make progress on a service plan, loss of income or failure to improve income, or any other activity not covered in a lease agreement typically found for unassisted persons in the City of Albuquerque.

Albuquerque FSG Writers Standards: December 26, 2018
Rapid Re-Housing

Subrecipients will assist rapid rehousing program participants to the maximum extent practicable, in identifying potential housing opportunities. Participants will select their own housing. Subrecipients will not restrict housing choices, or deny assistance or services based on the participant's choice to accept or deny a housing opportunity.

Subrecipients will establish clear and consistent policies and procedures that outline length of time that rapid rehousing program participants have to secure housing after program intake. Subrecipients may grant extensions for a specific amount of time, for program participants that are actively addressing barriers to securing housing.

At program intake, Subrecipients will provide rapid rehousing program participants, at written, of time limits for securing housing. If program participants do not secure housing within the established timeframe, they will be terminated from the program, in accordance with the subrecipients' termination policy.

Continued Eligibility

As a minimum, Homeless Prevention programs must re-evaluate program participant's eligibility and the types and amounts of assistance the program participant prior to the end of the second full month of rental assistance, and then not less than once every three months for the remainder of program enrollment.

Rapid Re-Housing programs must re-evaluate program participant's eligibility and the types and amounts of assistance the program participant at least once annually. Annual re-evaluation for rapid rehousing will occur prior to the end of the eleventh full month of rental assistance. To continue to receive assistance, a program participant's re-evaluation must demonstrate eligibility based on:

Lack of Resources and Support Networks. The program participant's household must continue to lack sufficient resources and support networks to retain housing without ESG program assistance.

Income Limits. In addition, both HP & RRH re-evaluation must demonstrate that the program participant's annual household income is less than or equal to 50 percent of the Area Median Income (AMI).

If a household is determined to be able to maintain permanent housing without assistance from the RRH program, the program will provide written and verbal notice to both the household and the landlord at a maximum of 30 days prior to program assistance ending.

Case Management

Homeless Prevention and Rapid Re-Housing program participants must meet with a case manager not less than once per month to assist the program participant in securing long term housing stability. Additional case management will be provided on a case by case basis based on demonstrated need.

Albuquerque ESG Waitlist Standards
December 26, 2018
Case managers should work with the program participant to develop a plan to assist the program participant in obtaining permanent housing after the assistance ends, taking into account all relevant considerations, such as the program participant’s current or expected income and expenses, other public or private assistance for which the program participant will be eligible and likely to receive, and the relative affordability of available housing in the community. Identification of housing goals outlined in this plan should be led by the participant, with support and information provided by the case manager.

While case managers may encourage trust and build relationships by discussing non-housing related topics with participants, the primary purpose and ultimate goal of all participant interactions should be to ensure that the participant maintains permanent housing once assistance ends. Case managers will connect HH & RRH program participants to other Federal, State, local, and private assistance as outlined under Standards Applicable to All Programs. Interactions with participants will be documented in participant files, and include details about progress towards housing goals and connection to other resources.

If program participants do not meet with a case manager not less than once per month, it is the responsibility of the subrecipient to continue to attempt to engage with the participant, in an effort to identify the cause and begin meeting with the participant. If efforts to engage the participant are unsuccessful, this must be documented in the participant’s file.

Case management assistance may not exceed 90 days during the period in which the program participant is seeking permanent housing and may not exceed 24 months during the period in which the program participant is living in permanent housing. Case management assistance will also be documented in NM-IHIS in accordance with the NM-IHIS Standard Operating Procedures, or a comparable database (DV providers).

Child School Enrollment and Connection to Services

Subrecipients will designate a staff person to be responsible for ensuring that children being served in the program are enrolled in school and connected to appropriate services in the community, including Title I, early childhood programs such as Head Start, and parts B and C of the Individuals with Disabilities Education Act. Subrecipients that serve households with children will post publicly, and/or provide for households with children at intake, notice of education services available within the community, and document efforts to verify that children are enrolled in school and connected to appropriate services.

Rapid Re-Housing programs will also take the educational needs of children into account when families are placed in housing and will, to the maximum extent practicable, place families with children as close as possible to their school of origin so as not to disrupt such children’s education.

Rental Assistance

Subrecipients may provide program participants with up to 24 months of tenant-based or project-based rental assistance during any 3-year period. No program participant shall receive more than 24
months of rent during any 3-year period, administered by any CoC or PSHC program within the state of New Mexico. Assistance may include any combination of short-term rental assistance (up to 3 months) and medium-term rental assistance (more than 3 months but less than 24 months). Applicants can receive for rental assistance if they have received less than 24 months of rent during any 3-year period. In addition, program participants may receive funds for security deposits in an amount not to exceed two (2) months of rent.

Program participants receiving rental assistance may move to another unit or building and continue to receive rental assistance, as long as they continue to meet the program requirements. Rental assistance cannot be provided to a program participant who is already receiving rental assistance, or living in a housing unit receiving rental assistance or operating assistance through other Federal, State, or local sources.

Amount of Rental Assistance

It is expected that the level of assistance will be based on the goal of providing only what is necessary for each household to achieve housing stability in the long-term. Subrecipients may provide up to 100% of the cost of rent to program participants and the maximum share of rent a program participant may pay is 100%.

Income Verification

All program participants will provide proof of income, or certify that they have no income at program enrollment, when they provide notice that their income has changed, or at the evaluation of program eligibility. HP&R & RSH programs will complete the HUD rent calculation form to determine the maximum portion that the participant may pay toward rent, to meet utility reimbursement requirements, and to support the completion of a needs assessment. Subrecipients must follow guidelines found under 24 CFR 5.609 when calculating income.

Subrecipients must require program participants to notify them regarding changes in their income or other circumstances that affect their need for assistance (e.g., changes in household composition, stability, or support).

Record Keeping Requirements

The following order of priority will be followed in collecting documentation to verify income:

1. Source Documents. Source documents for the assets held by the program participant and income received over the most recent period for which recession data is available before the date of the evaluation (e.g., wage statement, unemployment compensation statement, public benefits statement, bank statement).
2. Third Party Verification. A written statement by the relevant third party (e.g., employer, government benefit administration, or the written certification by the subrecipient's staff if the end verification by the relevant third party of the income the program participant received over the most recent period for which representative data is available.

20 | New Mexico FSC Written Standards
December 26, 2018
3. Self-Certification. If source documents and third-party verification are unavailable, a written certification by the program participant of the amount of income the program participant received for the most recent period representative of the income that the program participant is reasonably expected to receive over the 3-month period following the evaluation.

**Maximum Contribution Toward Rent**

Program participants may be expected to contribute a portion of their income toward rent, in accordance with section 3(j)(1) of the U.S. Housing Act of 1937 (42 U.S.C. 1437a(j)(1)). This statute states that the household must pay the highest of:

- 30 percent of the family's monthly adjusted income (adjustment factors include the number of people in the family, age of family members, medical expenses, and child-care expenses); or
- 10 percent of the family's monthly income; or
- If the family is receiving payments for welfare assistance from a public agency and a part of the payments (adjusted in accordance with the family's actual housing costs) is specifically designated by the agency to meet the family's housing costs, the portion of the payments that is designated for housing costs.

If a household has a monthly income that covers more than the entire rental amount, they should be re-assessed for graduation from the program.

**Participants' Contribution Toward Rent**

Subrecipients must establish clear policies and procedures for determining the participant's contribution toward rent. Policies and procedures must be applied consistently to all program participants. Each program's policy must be approved by the City and submit to one of the following methods:

1. Subrecipients may elect to require program participants to contribute the maximum portion of rent allowable beginning at program intake.

2. Subrecipients may elect to require participants to contribute a portion of their income toward rent, until the end of their first three full calendar months after lease signing. This would require a re-evaluation and verification of income and rent calculation be completed again prior to the end of the second full month of rental assistance. Starting at the fourth month, program participants contribute the maximum portion of rent allowable.

3. Subrecipients may institute a re-petition or "stepped-down" rental assistance structure so families will be confident that they can assume full responsibility of the monthly contacted rent, monthly utility costs, and other essential household costs at the end of the rental assistance period. Program participants may not be required to contribute more than the maximum portion of rent allowable outlined above.

**VAWA Emergency Transfer Plan**

21 U.S.C. 139
Albuquerque ESG Written Standards
December 30, 2018
In accordance with HUD VAWA protections (24 CFR 5.2005), subrecipients will develop a written VAWA Emergency Transfer Plan, based on HUD’s model emergency transfer plan (HUD form 5381), that provides participants who report that they are under actual or imminent threat with the opportunity to secure safe housing. The VAWA Emergency Transfer Plan must include the following:

Unit Transfer

Program participants who have complied with all program requirements during their residence and who have been a victim of domestic violence, dating violence, sexual assault, or stalking, and who reasonably believe they are imminently threatened by harm from further domestic violence, dating violence, sexual assault, or stalking (which would include threats from a third party, such as a friend or family member of the perpetrator of the violence), if they remain in the assisted unit, and are able to document the violence and basis for their belief, may retain the rental assistance and will be moved, at their request, to another unit as quickly as possible. See recordkeeping requirements to ensure proper documentation of imminent threat of harm (24 CFR 5.2005).

Notice of Occupancy Rights

Program participants must be provided with a “Notice of Occupancy Rights under the Violence Against Women Act” under the following circumstances:

- At the time the applicant is denied assistance or admission under a covered housing program;
- At the time the individual is provided assistance or admission under the covered housing program;
- With any notification of eviction or notification of termination of assistance.

The “Notice of Occupancy Rights under the Violence Against Women Act” must be made available in multiple languages.

Prohibited Basis for Denial or Termination of Assistance or Eviction

An applicant for assistance through an ESG housing program may not be denied admission to, denied assistance under, terminated from participation in, or evicted from the housing on the basis or as a direct result of the fact that the applicant or tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or participant otherwise qualifies for admission, assistance, participation, or occupancy.

Program participants may not be denied tenancy or occupancy rights solely on the basis of criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking if:

- The criminal activity is engaged in by a member of the household of the tenant or any guest or other person under the control of the tenant, and
• The tenant or an affiliated individual of the tenant is the victim or threatened victim of such domestic violence, dating violence, sexual assault or stalking.

Fair Market Rent

Household rent for participants receiving ESG-funded rental assistance must not exceed the Fair Market Rent established by HUD. Current FMR and guidelines for calculating rent are available online through the following link: https://www.huduser.gov/portal/datasets/fmr.html.

FMR requirements do not apply when a program participant receives only financial assistance or services under HUD’s Housing Stabilization and Relocation Services. This includes rental application fees, security deposits, an initial payment of “last month’s rent,” utility payments/ deposits, and/or moving costs, housing search and placement, housing stability case management, landlord-tenant mediation, legal services, and credit repair.

Rent Reasonableness

For participants receiving rental assistance, household rent must comply with HUD’s standard of rent reasonableness, meaning that the rent charged for a unit must be reasonable in relation to rents currently being charged for comparable units in the private unassisted market and must not be in excess of rents currently being charged by the owner for comparable unassisted units. These rent restrictions are intended to help ensure that program participants can remain in their housing after their assistance ends. Subrecipients will evaluate rent reasonableness at program intake and at least once annually. Documentation of rent reasonableness evaluations will be kept in participant files.

As with FMR, rent reasonableness requirements do not apply when a program participant receives only financial assistance or services under HUD’s Housing Stabilization and Relocation Services.

Habitability Standards

Housing for all ESG program participants receiving rental assistance must meet HUD minimum habitability standards for permanent housing. Subrecipients must document compliance with this standard by signing and completing a current Habitability Standards Checklist before the participant signs the lease and before the subrecipient provides any ESG rental assistance or services specific to the unit. In addition, subrecipients must inspect all units annually to ensure that the units continue to meet habitability standards.

Lead-Based Paint Requirements

All HUD-funded housing programs occupied by program participants are required to incorporate lead-based paint remediation and disclosure requirements. Generally, these provisions require the recipient to screen for, disclose the existence of, and take reasonable precautions regarding the presence of lead-based paint in leased or assisted units constructed prior to 1978.
ESG limited programs are required to incorporate the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821-4816), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and 24 CFR part 38, subparts A, B, F, J, K, M, and R in the unit.

**Lease Agreement**

Each program participant receiving rental assistance must have a legally binding, written lease for the rental unit. The program participant must be the tenant or a lessee for a term of at least one year that is renewable and terminable only for cause. The lease must be renewable for terms that are a minimum of one month.

**Rental Assistance Agreement**

In addition to a lease between the program participant and the owner, the ESG interlocutory also requires a rental assistance agreement between the subrecipient and the housing owner. The subrecipient may make rental assistance payments only to an owner with whom the subrecipient has entered into a rental assistance agreement.

The rental assistance agreement must set forth the terms under which rental assistance will be provided, including the requirements of ESG assistance. In addition, the rental assistance agreement must provide that, during the term of the agreement, the owner gives the subrecipient a copy of any notice to the program participant to vacate the housing unit, or any complaint used under state or local law to commence an eviction against the program participant. Finally, the rental assistance agreement must contain the same payment due date, grace period, and late payment penalty requirements as the program participant’s lease. The rental assistance agreement with the owner must terminate and no further rental assistance payments under that agreement may be made if:

- The program participant moves out of the housing unit for which the program participant has a lease; or
- The lease terminates and is not renewed; or
- The program participant becomes ineligible to receive ESG rental assistance.

**Rent Payments**

Program participants receiving rental assistance funds pay their portion of rent directly to the landlord. The difference between the total rent and the amount paid by the program participant is then paid by the subrecipient. Subrecipients may not use ESG funds to cover the cost of the program participant’s rent, if the program participant fails to pay his or her portion of rent.

Subrecipients must make timely payments to each landlord or property owner in accordance with the rental assistance agreement. All rent payments must go directly to a third-party (directly to landlord). Subrecipients are solely responsible for paying late payment penalties that are incurred with non-ESG funds.

---

*Albuquerque ESG Written Standards*  
*December 26, 2018*
Appendix A: Eligible Activities by ESG Component

Street Outreach Component

Engagement

Unsheltered persons are engaged for the purpose of providing immediate support, intervention, and connection with homeless assistance programs and/or mainstream social services and housing programs. Eligible engagement activities include:

- Making an initial assessment of needs and eligibility using the Vulnerability Index Service Prioritization Decision Assistance Tool (VI-SPDAT)
- Providing crisis counseling
- Addressing urgent physical needs, such as providing meals, blankets, clothes or toiletries
- Actively connecting and providing information and referrals to programs targeted to unsheltered people and mainstream social services and housing programs, including emergency shelter, transitional housing, community-based services, permanent supportive housing, and rapid re-housing programs

Eligible costs include the technology costs (such as cell phones) of outreach workers during the performance of these activities.

Case Management

Case management includes assessing housing and service needs, arranging, coordinating and monitoring the delivery of individualized services to meet the needs of the program participant. Eligible services and activities are as follows:

- Using the New Mexico Coordinated Entry System (NMCES)
- Conducting the initial VI-SPDAT
- Verifying and documenting program eligibility
- Counseling
- Developing, securing and coordinating services
- Obtaining Federal, State, and local benefits
- Monitoring and evaluating program participant progress
- Providing information and referrals to other providers
- Developing an individualized housing and service plan, including planning a path to permanent housing stability

Emergency Health Services

Emergency health services include direct outpatient treatment of medical conditions and are provided by licensed medical professionals operating in community-based settings, including streets, parks, and other places where unsheltered homeless people are living. ESG funds may be used only for these services to the extent that other appropriate health services are inaccessible or unavailable within the area. Eligible treatment consists of:

25 J. Doe
Albuquerque ESG Written Standards
December 26, 2018
• Assessing a program participant’s health problems and developing a treatment plan
• Assisting program participants to understand their health needs
• Providing direct or ancillary program participants to obtain appropriate emergency medical care
• Providing medication and follow-up services

Emergency Mental Health Services

Emergency mental health services are direct outpatient treatment by licensed professionals of mental health conditions operating in community-based settings, including streets, parks, and other places where unsheltered people are living. Mental health services are the application of therapeutic approaches to personal, family, situational, or occupational problems to bring about positive resolution of the problem or improved individual and family functioning or circumstances. ESG funds may be used only for these services to the extent that other appropriate mental health services are inaccessible or unavailable within the community. Eligible treatment consists of:

• Crisis interventions
• The prescription of psychotropic medications
• Explanation about the use and management of medications
• Combinations of therapeutic approaches to address multiple problems

Transportation

Transportation includes travel by outreach workers, social workers, medical professionals, or other service providers as eligible, provided that this travel takes place during the provision of eligible Street Outreach activities. The costs of transporting unsheltered people to emergency shelters or other service facilities are also eligible. Eligible transportation costs include:

• The cost of a program participant’s travel on public transportation
• If service workers use their own vehicles, mileage allowance for service workers to visit program participants
• The cost of purchasing or leasing a vehicle for the recipient or subrecipient which staff transports program participants and/or staff serving program participants and the cost of gas, insurance, taxes, and maintenance for the vehicle
• The travel costs of recipient or subrecipient staff to accompany or assist program participants in use of public transportation

Services for Special Populations

Services for special populations include services for homeless youth, veteran services, and services for people living with HIV/AIDS, so long as the costs of providing these services are one of the above eligible Street Outreach activities. The “term ‘victims services’ refers to services that assist program participants who are victims of domestic violence, dating violence, sexual assault, or stalking, including services offered by rape crisis centers and domestic violence shelters, and other organizations with a documented history of effective work concerning domestic violence, dating violence, sexual assault, or stalking.
Emergency Shelter Component

ESG funds may be used for costs of providing essential services to homeless families and individuals in emergency shelters, renovating buildings to be used as emergency shelters for homeless families and individuals, and operating emergency shelters.

Case Management

Case management includes assessing housing and service needs, arranging, coordinating and monitoring the delivery of individualized services to meet the needs of the program participant. Eligible services and activities are as follows:

- Using the New Mexico Coordinated Entry System (NMCES)
- Conducting the initial VI SPDAT
- Verifying and documenting program eligibility
- Counseling
- Developing, providing and coordinating services
- Obtaining Federal, State, and local benefits
- Monitoring and evaluating program participant progress
- Providing information and referrals to other providers
- Developing an individualized housing and service plan, including planning a path to permanent housing stability

Child Care

Child care includes the costs of providing meals and snacks and comprehensive and coordinated sets of appropriate developmental activities. Children must be under the age of 13, unless they are disabled. Disabled children must be under the age of 18. In addition, the child-care center must be licensed by the jurisdiction in which it operates in order for its costs to be eligible.

Education Services

When necessary for the program participant to obtain and maintain housing, the costs of improving knowledge and basic educational skills are eligible. Services include instruction or training in consumer education, health education, substance abuse prevention, literacy, English as a Second Language, and General Educational Development (GED).

Component services or activities include:

- Screenings
- Assessments and testing
- Individual or group instruction
- Tutoring
- The provision of books, supplies, and instructional material
- Counseling
- Referral to community resources

27

Albuquerque ESG Warren Sanders
December 26, 2019
Employment Assistance and Job Training

Employment assistance and job training includes:

- Classroom, online, and/or computer instruction
- On-the-job instruction
- Services that assist individuals in securing employment including:
  - Employment screening, assessment, or testing
  - Structured job skills and job seeking skills
  - Special training and testing, including literacy training and prevocational training
  - Books and instructional material
  - Counseling or job coaching
  - Referral to community resources
  - Acquiring learning skills that can be used to secure and retain a job, including the acquisition of vocational licenses and/or certificates
  - Increasing earning potential
  - Reasonable expenses to program participants in employment assistance and job training

Outpatient Health Services

Outpatient health services include the direct outpatient treatment of medical conditions that are provided by licensed medical professionals. ESG funds may be used only for these services to the extent that other appropriate health services are unavailable within the community. Eligible treatment consists of:

- Assessing a program participant's health problems and developing a treatment plan
- Assisting program participants to understand their health needs
- Providing directly or assisting program participants to obtain appropriate medical treatment, preventative care, and health maintenance services, including emergency medical services
- Providing medication and follow-up services
- Providing preventative and non-cosmetic dental care

Legal Services

Legal services include the hourly fees for legal advice and representation by attorneys licensed and in good standing with the bar association of the State in which the services are provided, and by person(s) under the supervision of the licensed attorney, regarding matters that interfere with the program participant's ability to obtain and retain housing. Emergency Solutions Grant (ESG) funds may be used only for these services to the extent that other appropriate legal services are unavailable or inaccessible within the community. Eligible subject matters are:

- Child support
- Guardianship
- Paternity
- Emancipation
• Legal separation
• Orders of protection and other civil remedies for victims of domestic violence, dating violence, sexual assault, and stalking
• Appeal of veterans and public benefit claim denials
• The resolution of outstanding criminal warrants

Component services or activities may include:

• Client intake
• Preparation of cases for trial
• Provision of legal advice
• Representation at hearings
• Counseling

Fees based on the actual service performed (i.e., fees for service) are also eligible, but only if the cost would be less than the cost of hourly fees. Filing fees and other necessary court costs are also eligible. If the subrecipient is a legal services provider and performs the services itself, the eligible costs are the subrecipient's employees' salaries and other costs necessary to perform the services. Legal services for immigration and citizenship matters and issues relating to mortgages are ineligible costs. Retainer fee arrangements and contingency fee arrangements are ineligible costs.

**Life Skills Training**

Life skills training includes the costs of teaching critical life management skills that may never have been learned or have been lost during the course of physical or mental illness, domestic violence, substance use, and homelessness. These services must be necessary to assist the program participant to function independently in the community. Component ESFs' skills training are:

• Budgeting resources
• Managing money
• Managing a household
• Resolving conflict
• Shopping for food and needed items
• Improving nutrition
• Using public transportation
• Parenting

**Mental Health Services**

Mental health services include the direct outpatient treatment by licensed professionals of mental health conditions. ESF funds may only be used for these services to the extent that other appropriate mental health services are unavailable or unaffordable within the community. Mental health services are the application of therapeutic processes to personal, family, situational, or occupational problems in order to bring about positive resolution of the problem or improved
individuals or family functioning or circumstances. Problem areas may include family and marital relationships, parent-child problems, or symptom management. Eligible treatment consists of:

- Crisis interventions
- Individual, family, or group therapy sessions
- The prescription of psychotropic medications or explanations about the use and management of medications
- Combinations of therapeutic approaches to address multiple problems.

**Substance Abuse Treatment**

Substance abuse treatment services are designed to prevent, reduce, eliminate, or deter relapse of substance abuse or addictive behaviors and are provided by licensed or certified professionals. ESG funds may only be used for these services to the extent that other appropriate substance abuse treatment services are unavailable or inaccessible within the community. Eligible treatment consists of:

- Client intake and assessment
- Outpatient treatment for up to 30 days.

Group and individual counseling and drug testing are eligible costs. Inpatient detoxification and other inpatient drug or alcohol treatment are not eligible costs.

**Transportation**

Eligible transportation costs include a program participant’s travel to and from medical care, employment, childcare, or other eligible essential services facilities. These costs include the following:

- The cost of a program participant’s travel on public transportation
- If service workers use their own vehicles, mileage allowance for service workers to visit program participants
- The cost of purchasing or leasing a vehicle for the recipient or subrecipient in which staff transports program participants and staff serving program participants, and the cost of gas, insurance, taxes, and maintenance for the vehicle
- The travel costs of recipients or subrecipient staff to accompany or assist program participants to use public transportation.

**Services for Special Populations**

ESG funds may be used to provide services for homeless youth, victim services, and services for people living with HIV/AIDS, so long as the costs of providing these services are one of the eligible Emergency Shelter essential services listed above. The term “victim services” refers to services that assist program participants who are victims of domestic violence, dating violence, sexual assault, or stalking, including services offered by rape crisis centers and domestic violence shelters, and other organizations with a documented history of effective work concerning domestic violence, dating violence, sexual assault, or stalking.

---

Albuquerque ESG Women Standards
December 26, 2018
Shelter Operations:
Shelter operations includes the costs of maintenance (including minor or routine repairs), rent, security, fuel, equipment, insurance, utilities, food, furnishings, and supplies necessary for the operation of the emergency shelter. Where no appropriate emergency shelter is available for a homeless family or individual, eligible costs may also include a hotel or motel voucher for that family or individual.

Homeless Prevention and Rapid Re-Housing Components

- Homeless Prevention (HP): assistance includes housing relocation and stabilization services and short and/or medium term rental assistance necessary to prevent an individual or family from moving into an emergency shelter or another place described in paragraph (c) of the "homeless definition" in 24 CFR 576. The costs of homelessness prevention are only eligible to the extent that the assistance is necessary to help the program participant remain stable in the program participant's current permanent housing or move into other permanent housing and achieve stability in that housing.

- Rapid Re-Housing (RRH): assistance includes housing relocation and stabilization services and short and/or medium term rental assistance as necessary to help a homeless individual or family move as quickly as possible into permanent housing.

Housing Relocation and Stabilization Services - Financial Assistance Costs

Subject to the general conditions under the Homelessness Prevention Component (24 CFR 576.103) and the Rapid Re-Housing Assistance Component (24 CFR 576.304), ESG funds may be used to pay housing owners, utility companies, and other third parties for the following costs:

- Rental Application Fees: ESG funds may pay for the rental housing application fee that is charged by the owner to all applicants.

- Security Deposits: ESG funds may pay for a security deposit that is equal to no more than 2 months' rent.

- Last Month's Rent: If necessary to obtain housing for a program participant, the last month's rent may be paid from ESG funds to the owner of that housing at the time the owner is paid the security deposit and the first month's rent. This assistance must not exceed one month's rent and must be included in calculating the program participant's total rental assistance, which cannot exceed 24 months during any 3 year period.

- Utility Deposits: ESG funds may pay for a standard utility deposit required by the utility company for all customers for the utilities listed below (under utility payments).

- Utility Payments: ESG funds may pay for up to 24 months of utility payments per program participant, per service, including up to 6 months of utility payments in arrears, per service. A partial payment of a utility bill counts as one month. This assistance may only be provided if the program participant or a member of the same household has an account in his or her name with a utility company or proof of responsibility to make utility payments. Eligible utility services are gas, electric, water, and sewage. No program participant shall receive more than 24 months of utility assistance within any 3 year period.
• Moving Costs: ESG funds may pay for moving costs, such as truck rental or hiring a moving company. This assistance may include payment of temporary storage fees for up to 3 months, provided that the fees are accrued after the date the program participant begins receiving housing stabilization services and before the program participant moves into permanent housing. Payment of temporary storage fees in arrears is not eligible.

**Housing Search & Placement Services**

Assist participants in locating, obtaining, and retaining suitable permanent housing, including:

- Housing search
- Tenant counseling
- Understanding leases
- Arranging for utilities
- Making moving arrangements
- Assessment of housing barriers, needs, and preferences
- Development of an action plan for locating housing
- Outreach to and negotiation with owners
- Assessment of housing for compliance with ESG requirements for habitability, lead-based paint, and other reasons
- Assistance with submitting rental applications

**Housing Stability Case Management**

Assisting, arranging, coordinating, and monitoring the delivery of individualized services to facilitate housing stability for a program participant who resides in permanent housing or to assist a program participant in overcoming immediate barriers to obtaining housing by, for example:

- Conducting the initial VI-SPDA1 or F-DSPDA1 assessment, including verifying and documenting eligibility
- Using the Coordinated Entry System (CMCS)
- Counseling
- Developing, securing, and coordinating services
- Obtaining Federal, State, and local benefits
- Monitoring and evaluating program participant progress
- Providing information and referrals to other providers
- Developing an individualized housing and service plan, including planning a path to permanent housing stability
- Conducting re-evaluations

**Mediation**

Mediation between the program participant and the owner or person(s) with whom the program participant is living, provided that the mediation is necessary to prevent the program participant from losing permanent housing in which the program participant currently resides.

---

Albuquerque ESG Written Standards
December 20, 2018

Annual Action Plan 2019

OMB Control No: 2506-0117 (exp. 06/30/2018)
Legal Services

Costs of resolving a legal problem that prohibits a program participant from obtaining or retaining permanent housing. Legal services or activities include client intake, preparation of cases for trial, provision of legal advice, representation at hearings, and counseling. Billing fees and other necessary costs are also eligible. Legal services are subject to the following provisions:

- Eligible Billing Arrangements: ESG funds may be used only for legal advice from and representation by licensed attorneys and by person(s) under the supervision of licensed attorneys. Costs may be based on:
  - Hourly fees
  - Fees based on the actual service performed (i.e., fee for service), but only if the cost would be less than the cost of hourly fees

- Ineligible Billing Arrangements: Funds must not be used for legal service and representation purchased through retainer fee arrangements or contingency fee arrangements.

- Eligible Subject Matters: Landlord/tenant matters, child support, guardianship, paternity, emancipation, legal separation, orders of protection and other civil remedies for victims of domestic violence, dating violence, sexual assault, and stalking; appeal of veterans and public benefit claim denials; resolution of outstanding criminal warrants

- Ineligible Subject Matters: Legal services related to immigration and citizenship matters or related to mortgages

Credit Repair

Credit counseling and other services necessary to assist program participants with critical skills related to household budgeting, managing money, accessing a free personal credit report, and resolving personal credit problems.

Short-Term and Medium-Term Rental Assistance

Subject to the general conditions under 24 CFR 576.103 and 24 CFR 576.104, the recipient or subrecipient may provide a program participant with up to 24 months of rental assistance during any 3-year period. This assistance may be short-term rental assistance, medium-term rental assistance, payment of rental arrears, or any combination of this assistance. Rental assistance may be tenant-based or project-based.

- Short-Term Rental Assistance: Short-term rental assistance is assistance for up to 3 months of rent
- Medium-Term Rental Assistance: Medium-term rental assistance is assistance for more than 3 months but not more than 24 months of rent.
- Rental Arrears: Payment of rental arrears consists of a new interim payment for up to 6 months of rent in arrears, including any late fees on those arrears.
IMIS Component

The IMIS component includes the costs of contributing data to the NM IMIS. Activities funded under the IMIS component must comply with HHS's standards on participation, data collection, and reporting under a local IMIS. Eligible costs include:

- Purchasing or leasing hardware
- Purchasing software or software licenses
- Purchasing or leasing equipment, including telephones, fax machines, and furniture
- Obtaining technical support
- Leasing of office space
- Paying charges for electricity, gas, water, phone service, and high-speed data transmission necessary to operate or contribute data to the IMIS
- Paying salaries for operating IMIS, including:
  - Completing data entry
  - Monitoring and reviewing data quality
  - Completing data analysis
  - Reporting to the IMIS Lead Training staff on using the IMIS or comparable database;
- and implementing and complying with IMIS requirements
- Paying costs of staff to travel to and attend HUD sponsored and HUD approved training on IMIS and programs authorized by Title IV of the McKinney-Vento Homeless Assistance Act
- Paying staff travel costs to conduct intake
- Paying participation fees charged by the IMIS Lead, if the recipient or subrecipient is not the IMIS Lead. The IMIS Lead is the entity designated by the Continuum of Care to operate the area's IMIS

If the recipient is the IMIS lead agency, it may also use ESG funds to pay the costs of:

- Hosting and maintaining IMIS software or data
- Backing up, recovering, or repairing IMIS software or data
- Upgrading, customizing, and enhancing the IMIS
- Integrating and warehousing data, including development of a data warehouse for use in aggregating data from subrecipients using multiple software systems
- Administering the system
- Reporting to providers, the Continuum of Care, and HUD
- Conducting training on using the system or a comparable database, including traveling to the training

If the subrecipient is a victim services provider or a legal services provider, it may use ESG funds to establish and operate a comparable database that collects client-level data over time (i.e., longitudinal data) and generates unduplicated aggregate reports based on the data. Information entered into a comparable database must not be entered directly into or provided to an IMIS.

Albuquerque ESG Written Standards
December 26, 2018
Administrative Activities

The City of Albuquerque does not currently fund administrative costs for ESG subrecipients. Administrative activities do not include staff and overhead costs directly related to carrying out activities eligible under 576.101 through 576.107, because those costs are eligible as part of those activities. Below are the eligible administrative costs.

General Management, Oversight and Coordination

The costs of several program management, coordination, monitoring, and evaluation are eligible administrative activities. These costs include, but are not limited to, necessary expenditures for the following:

- Salaries, Wages, and Related Costs: Salaries, wages, and related costs of the recipient's staff, the staff of subrecipients, or other staff engaged in program administration. In charging costs to this category, the recipient may either include the entire salary, wages, and related costs allocable to the program of each person whose primary responsibilities with regard to the program involve program administration assignments, or the pro rata share of the salary, wages, and related costs of each person whose job includes any program administration assignments. The recipient may use only one of these methods for each fiscal year grand program administration assignments include the following:
  - Preparing program budgets and schedules, and amendments to those budgets and schedules
  - Developing systems for assuring compliance with program requirements
  - Developing interagency agreements and agreements with subrecipients and contractors to carry out program activities
  - Monitoring program activities for progress and compliance with program requirements
  - Preparing reports and other documents directly related to the program for submission to HUD
  - Coordinating the resolution of audit and monitoring findings
  - Evaluating program results against stated objectives
  - Managing or supervising persons whose primary responsibilities with regard to the program include such assignments as those described above.

Also eligible are travel costs incurred for monitoring of subrecipients as well as administrative services performed under third-party contracts or agreements (including general legal services, accounting services, and audit services; and other costs for goods and services required for administration of the program (including rental or purchase of equipment, insurance, utilities, office supplies, and rental and maintenance (but not purchase) of office space.

- Training on ESG Requirements: Eligible costs include those of providing training on ESG requirements and attending HUD sponsored ESG trainings.
- Consolidated Plan: Eligible costs include those of preparing and amending the ESG and homelessness-related sections of the consolidated plan in accordance with ESG requirements and 24 CFR Part 91.

Albuquerque ESG Written Standards  
December 36, 2018

Annual Action Plan
2019

OMB Control No: 2506-0117 (exp. 06/30/2018)
- Environmental Review: Eligible costs include those of carrying out the environmental review responsibilities under 24 CFR 575.407.
Appendix B: HUD Definition of Homelessness

Category 1: Literally Homeless
Individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning:

- Has a primary nighttime residence that is a public or private place not meant for human habitation; or
- Is living in a publicly or privately operated shelter designated to provide temporary living arrangements, such as a congregate shelter, transitional housing, and hotels and motels paid for by state or local government programs; or
- Is exiting an institution where she has resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution.

Category 2: Imminent Risk of Homelessness
Individual or family who will imminently lose their primary nighttime residence, provided that:

- Residence will be lost within 14 days of the date of application for homelessness assistance;
- No subsequent residence has been identified; and
- The individual or family lacks the resources or support networks needed to obtain other permanent housing.

Category 3: Homeless Under Other Federal Statutes
Unaccompanied youth under 25 years of age, or families with children and youth, who do not otherwise qualify as homeless under this definition, but who:

- Are defined as homeless under other federal statutes;
- Have not had a lease, ownership interest, or occupancy agreement in permanent housing during the 60 days prior to the homeless assistance application;
- Have experienced persistent instability as measured by two moves or more during the preceding 60 days; and
- Can be expected to continue in such status for an extended period of time due to special needs or barriers.

Category 4: Fleeing/Attempting to Flee DV
Any individual or family who:

- Is fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking;
- Has no other residence; and
- Lacks the resources or support networks to obtain other permanent housing.

Allsup npr FSG Written Standards
December 26, 2018
Appendix C: HUD Definition of “At Risk of Homelessness”

Category 1: Individuals and Families

An individual or family who:

Has an annual income below 50% of the median family income for the area; and

Does not have sufficient resources or support networks immediately available to prevent them from moving to an emergency shelter or another place defined in Category 1 of the “homeless” definition; and

Meets one or more of the following risk factors:

- Has moved because of economic reasons two or more times during the 60 days immediately preceding the application for assistance; or
- Is living in the home of another because of economic hardship; or
- Has been notified that their right to occupy their current housing will be terminated within 2 days after the date of application for assistance; or
- Lives in a hotel or motel and the cost is not paid for by charitable organizations or by Federal, State, or local government programs for low-income individuals; or
- Lives in an SRO or efficiency apartment unit in which there reside more than 2 persons or lives in a larger housing unit in which there reside more than one and a half persons per room; or
- Is entering a publicly funded institution or system of care.

Category 2: Unaccompanied Children and Youth

A child or youth who does not qualify as homeless under the homeless definition, but qualifies as homeless under another Federal statute.

Category 3: Families with Children and Youth

An unaccompanied youth who does not qualify as homeless under the homeless definition, but qualifies as homeless under section 72505 of the McKinney-Vento Homelessness Assistance Act, and the parent(s) or guardian(s) or that child or youth is living with him or her.

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.

2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.

3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.

4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.

5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progress reports and such other information as may be required by the assistance awarding agency or State.

6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.

7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents a appearance of personal or organizational conflict of interest, or personal gain.

8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 901. Subpart F).

9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §4821 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.

10. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681, 1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicap; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-200), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§5203 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§200 et seq) as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3604 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
11. We comply, or have already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-156) which provides for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.

12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1551-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is $10,000 or more.

15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 12151; (b) notification of violating facilities pursuant to EO 11705; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 178(c) of the Clean Air Act of 1965, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-529); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).

18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1984 and OMB Circular No. A-123, "Audits of States, Local Governments, and Non-Profit Organizations."

19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.

20. Will comply with the requirements of Section 109(c) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or sub-recipients from (1) engaging in severe forms of trafficking in persons during the period of time that the award is in effect; (2) procuring a commercial sex act during the period of time that the award is in effect; or (3) using forced labor in the performance of the award or subawards under the award.

*Attach supporting documents as specified in agency instructions.*
Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (3456-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET, SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please consult the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.

2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or other documents related to the assistance; and will establish a proper accounting system in accordance with Generally Accepted Accounting Standards or agency directives.

3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.

4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.

5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be requested by the assistance awarding agency or State.

6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.

7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.

8. Will comply with the Interjurisdictional Personnel Act of 1970 (42 U.S.C. §4728-4783) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM’s Standards for a Merit System of Personnel Administration (5 C.F.R. 900. Subpart F).

9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4901 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.

10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (42 U.S.C. §§2000d-2000e-2), which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1688), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicap; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol and drug abuse; (g) §§523 and 527 of the Public Health Service Act of 1952 (42 U.S.C. §§2905 and 2905a), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-148) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.

12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1591-1538 and 7324-7329) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

14. Will comply with flood insurance purchase requirements of Section 102(b) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is $15,000 or more.

15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 12114; (b) notification of existing facilities pursuant to EO 11725; (c) protection of wetlands pursuant to EO 11988; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 at sec.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7410 at sec.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).

18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.

20. Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. §7104) which prohibits grant award recipients or sub-recipients from (1) engaging in severe forms of trafficking in persons during the period of time that the award is in effect; (2) procuring a commercial sex act during the period of time that the award is in effect or (3) using forced labor in the performance of the award or subawards under the award.

Public reporting burden for this collection of information is estimated to average 15 minutes per response. Including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0449-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.

2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance, and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.

3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.

4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.

5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progress reports and such other information as may be required by the assistance awarding agency or State.

6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.

7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.

8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728a-4783) relating to prescribed standards of effort systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Federal System of Personnel Administration (5 C.F.R. 901, Subpart F).

9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §54901 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.

10. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1688, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicap; (d) The Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-235), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcoholism and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§622 and 527 of the Public Health Service Act of 1972 (42 U.S.C. §§290 and 622), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1966 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition for Relocation Purposes Act of 1970 (P.L. 91-196) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in such phase.

12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§9501-9506) and 7324-7329) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

14. Will comply with flood insurance purchase requirements of Section 102(g) of the Flood Disaster Protection Act of 1973 (P.L. 88-204) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is $10,000 or more.

15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) installation of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-198) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11708; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazard in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); and (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7405(c) at seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).

18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, “Audits of State, Local Governments, and Non-Profit Organizations.”

19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.

20. Will comply with the requirements of Section 108(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant recipients or a sub recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect (3) Using forced labor in the performance of the award or subawards under the award.
General Certifications for Grants
CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing.

Uniform Relocation Act and Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

Anti-Lobbying -- To the best of the jurisdiction’s knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, or an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding, of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuance, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, or an officer or employee of Congress, or an employee of a Member of Congress, in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard FormLLL. "Disclosure Form to Report Lobbying." in accordance with its instructions; and

3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all levels (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction’s consolidated plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (42 U.S.C. 1701a) and implementing regulations at 24 CFR Part 135.

Title
Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2019, 2020 and 2021, shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations, and

2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.
Compliance with Anti-discrimination laws — The grant will be conducted and administered in conformity with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint — Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws — It will comply with applicable laws.

Title
Specific HOME Certifications

The HOME participating jurisdiction certifies that:

Tenant Based Rental Assistance — If it plans to provide tenant-based rental assistance, the tenant-based rental assistance is an essential element of its consolidated plan.

Eligible Activities and Costs -- It is using and will use HOME funds for eligible activities and costs, as described in 24 CFR §§92.303 through 92.309 and that it is not using and will not use HOME funds for prohibited activities, as described in §92.214.

Subsidy layering — Before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing;

Title
Emergency Solutions Grants Certifications

The Emergency Solutions Grants Program recipient certifies that:

Major Rehabilitation/Conversion/Renovation – If an emergency shelter’s rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation.

If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion.

In all other cases, where ESG funds are used for renovation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

Essential Services and Operating Costs – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the recipient will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the recipient serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

Renovation – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services – The recipient will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal, State, local, and private assistance available for these individuals.

Matching Funds – The recipient will obtain matching amounts required under 24 CFR 576.201.

Confidentiality – The recipient has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement – To the maximum extent practicable, the recipient will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

Consolidated Plan – All activities the recipient undertakes with assistance under ESG are consistent with its consolidated plan.
Discharge Policy – The recipient will establish and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.
