Contact the School Based Coordinators to determine if the program is a good fit.

Job Mentor Program

Office: (505) 767-5898

cabq.gov/family/crei/jobs-internships

JMP at Volcano Vista gives students an opportunity to earn class credit and acquire skills which will prepare them for the real world. Students who volunteer and / or job shadow gain valuable workplace skills, network, and can earn a stipend each semester.

JMP includes weekly meetings where students discuss topics such as workplace readiness, financial literacy, emotional intelligence and opportunities to get involved in the community. Weekly attendance is imperative.
