Motion to approved passed unanimously.

Reviewed last month's minutes and motion to approve by Dr. Khalsa second by Dr. Medoro

Motion to approved minutes passed unanimously.

Reviewed Dec. Minutes

Both motions approved passed unanimously.

Hospital Systems Reports

Lovelace- No Pediatric in patient units at Lovelace. Closed Peds unit at West Side. Peds should go to Pres or UNM Peds. Covid numbers dropped and operating normally

VA- Covid numbers down. Working to vaccinate Vets.

Presbyterian- On the horizon for middle or late 2021. Full 24 hr Cath lab at Rust will confirm in the future for actual date. IT issues at Pres. Data server farms are down in Tx. And are creating lag times. It's temporary but discussions are in place for moving forward in the future. Still doing vaccination clinics.

UNM- Covid numbers going down. Covid ward going to normal functioning. Vaccinations at the Pit. New construction going on.

Old Business

Mosimo project-Cerebral oximetry in cardiac arrest. Study past IRB so training is the next step.

New Business

PAC- Chief Ortiz-covered in the last MCB. Gibson no longer taking pt's as the 11th. 2 collaborative site are still open and an option for patients.

Protocol Updates- updated to the App. Ready for download.

Stroke metrics- Stroke metrics spread sheet shown.

Motion to accept metrics spread sheet: Dr Jot makes motion seconded by Dr. Habrat

Approved unanimously

Public Comments:

Capt. Breeswine- HEART had 2 peer recovery specialists to help get addicts assistance. They will talk to the patients in the ED. Looking for ways to notify these specialists when patients taken to facilities that meet the HEART criteria.

Motion to adjourn by Dr Jot seconded by Dr. Medoro.
