ADDITIONAL INFORMATION:

5601.2.3.1 Permits issued. Permits issued for use of explosives or blasting agents or any other permits issued as set forth in Section 105.6 are valid only for the job or project specified in the permit, and are not transferable.

5601.2.4 Financial responsibility. Before a permit is issued, as required by Section 5601.2, the applicant shall file with the jurisdiction a corporate surety bond in the principal sum of (\$2,000,000) or a public liability insurance policy for the same amount, for the purpose of the payment of all damages to persons or property which arise from, or are caused by, the conduct of any act authorized by the permit upon which any judicial judgment results. The Fire Code Official is authorized to specify a greater or lesser amount when, in his or her opinion, conditions at the location of use indicate a greater or lesser amount is required. Government entities shall be exempt from this bond requirement.
