Committee Purpose – The purpose of the committee is to establish a shared approach to conducting street outreach among workgroup members. The workgroup defines street outreach as the process of connecting and building trust with people experiencing homelessness where they are, with the goal of helping each person meet his or her immediate needs for survival, and helping each person to achieve wellbeing, belonging and connection according to their own understanding.

Meeting Participation Principles:

- Past Progress – Many diverse, and respected voices have contributed to where we are today.
- Preparation - All background materials, minutes and project updates should be read, prior to meetings.
- Contribution – Every voice is elicited, uninterrupted, and heard.
- Distraction - Mute cell phones, avoid side-conversations, stay on-topic.
- Transparency – Acknowledge mistakes, provide upward feedback, seek differing opinions.
