

## **Executive Summary**

### **AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)**

#### **1. Introduction**

The City of Albuquerque is a U.S. Department of Housing and Urban Development (HUD) Entitlement jurisdiction, which means it is eligible for Community Planning and Development (CPD) formula block grant programs. Therefore, the City must submit a Consolidated Plan and an Annual Action Plan to HUD. Submission of both Plans is necessary to secure Federal Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), and Emergency Solutions Grant (ESG) funds. The Consolidated Plan provides HUD with a comprehensive assessment of the City's housing and community development needs and outlines the City's priorities, objectives and strategies for the investment of CDBG, HOME, and ESG funds to address these needs over a five-year period. The current Consolidated Plan covers the time period from July 1, 2023 through June 30, 2028. The Program Year (PY) 2025 Action Plan is the third Action Plan to be submitted under the City's 2023 - 2027 Consolidated Plan, outlining the City's goals from July 1, 2025 – June 30, 2026. The Action Plan follows the priorities set out in the Consolidated Plan which were developed after extensive community input and analysis of the existing data at the time.

#### **2. Summarize the objectives and outcomes identified in the Plan**

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

Priority needs for the 2023-2027 five-year Consolidated Plan were identified through focus group discussions, interviews, a community survey and other relevant data. High priority needs included both housing and non-housing related needs. The priority needs identified are: Affordable Housing Preservation, Affordable Housing Development, Affordable Homeownership Opportunities, Homeless Prevention Programs, Homeless Services and Programs, Public Facilities and Infrastructure, Public Services and Economic Development Opportunities.

Consistent with HUD's national goals for the CDBG, HOME and ESG programs to provide decent housing opportunities, maintain a suitable living environment and expand economic opportunities for low- and moderate-income residents, the priority needs listed above will continue to be addressed through the PY 2025 Action Plan.

#### **3. Evaluation of past performance**

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

Progress has been made during the past two years of the current five-year Consolidated Plan. With other federal, state and local funding, HUD resources allowed the City, with its many partners, to continue to make positive impacts in the community. During the current Consolidated Plan, the City has made progress towards accomplishing the following goals:

- Preserving the current affordable housing supply
- Increasing access to safe, decent, and affordable housing for low- to moderate-income residents
- Creating affordable homeownership opportunities for low- to moderate-income residents
- Increasing access to homeless prevention programs
- Reducing homelessness by increasing access to homeless services and programs
- Enhancing and developing public facilities and infrastructure in the city
- Improving access to public services for low- to moderate-income residents.

When developing the 2025 Action Plan, the City chose projects that met the priorities of the 2023 - 2027 Consolidated Plan. Projects that were reoccurring were evaluated for past performance. During the development of the current Consolidated Plan, focus groups, one-on-one interviews and a community survey were used to gain public input on priorities. Projects chosen for funding during PY 2025, were evaluated to ensure that performance on goal attainment was met according to the agreement and in line with federal and local requirements. Contracts are renewable on an annual basis, as long as performance goals are being met. Prior to renewal, the contracts are evaluated to ensure that the priorities of the Consolidated Plan and goals of the contract are being met through the implementation of the projects.

#### **4. Summary of Citizen Participation Process and consultation process**

Summary from citizen participation section of plan.

The City encouraged public participation in the 2025 Action Plan process. Efforts were made to encourage participation by low- and moderate-income persons, by residents of predominantly low- and moderate-income neighborhoods and by public housing residents, participation of minorities and non-English speaking persons, as well as persons with disabilities. The Community Development Division presented the 2025 Action Plan on Wednesday, January 22, 2025 at 5:30 p.m. to the public in person at a centrally located facility and virtually via Zoom. Details regarding the meeting, including funding amounts and proposed funded projects were advertised in the Albuquerque Journal on Tuesday, January 7, 2025, in both English and Spanish. The Legal Ad informed the public that if there were increases or decreases to the final HUD allocations, these amounts would be distributed based upon need, and any remaining balance would be proportionally distributed amongst projects. Notices with this information were posted at City Health & Social Services Centers, Community Centers, Senior

Centers and Albuquerque Housing Authority, as well as being posted on the City's website and social media pages. The notice was also sent out via email to the Department's email list serv, which includes current and past subrecipients. The City's Office of Neighborhood Coordination also sent out the Notice in its weekly ENews email to their list serv. Information regarding the 30-Day Comment Period was included in the Notice and reiterated during the Public Hearing. The Comment Period began on January 23, 2025 and ended on February 21, 2025. The draft Action Plan, along with the Action Plan PowerPoint presentation was posted on the City website January 23, 2025, following the Public Hearing. The Department also held an Informational Meeting on the 2025 Action Plan. The Informational Meeting occurred via Zoom on Tuesday, February 4, 2025. Notice of the meeting was posted on the City's website as well as on electronic billboards throughout City Hall. The notice was also emailed out to the Department's email list serv of approximately 3,500 recipients. The virtual Informational Meeting was held to garner additional citizen participation in the Action Plan process.

## **5. Summary of public comments**

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

During the Public Hearing two (2) comments were received. The first comment received from a community member mentioned providing services for those unhoused individuals at community centers and as well as to have collaboration amongst the NM Eviction Prevention and Diversion Program and the City's Eviction Prevention Program. The second comment contained 3 questions which did not directly pertain to the funded projects that were presented in the Action Plan. The questions contained in the comment were the following: Why is it illegal to live in your vehicle; What happens when all of your belongings are thrown in a dumpster; and What happens when you are a homeowner and persons experiencing homelessness are damaging property? There were no comments received during the Informational Meeting. During the 30-day comment period two (2) comments were received. One from Cuidando Los Ninos indicating that the funding for the upcoming fiscal year was not needed, and thought the funds should go to eviction prevention for the city. The second comment was the Chair of the CABQ Human Rights Board in regards to the eviction prevention funds.

All comments are attached in Appendix A.

## **6. Summary of comments or views not accepted and the reasons for not accepting them**

The second comment received during the Public Hearing was not accepted because the questions/comments submitted did not directly pertain to the funded activities of the 2025 Action Plan. Although the comment was not accepted, the City did provide a response to the community member.

## **7. Summary**

The public had opportunity to review and comment on the 2025 draft Action Plan, as community input was solicited in several ways. A public notice, in English and Spanish, was placed in the Albuquerque Journal with a list of projects and funding amounts. The notice, in English and Spanish, was posted at City facilities, as well as Albuquerque Housing Authority, and was also sent out via email to current and past subrecipients, and by the Office of Neighborhood Coordination in its weekly ENews to its email list serv. A Public Hearing presenting the 2025 draft Action Plan was held on January 22, 2025, which began the 30-Day Comment Period. The City also held an Informational Meeting on the draft Action Plan on February 4, 2025, in order to promote more citizen participation. The Informational Meeting was held virtually and presented the draft 2025 Action Plan information from the Public Hearing. Advertisement of the Informational Meeting was posted on the City's website and on electronic billboards throughout City Hall, as well as distributed to the Department's email list serv. The draft Action Plan, as well as the PowerPoint presentation, was posted on the City website during the comment period, and contained information on how to submit comments. There were two (2) comments received during the Public Hearing and two (2) comments received during the 30-day comment period. The comments submitted and accepted are attached in Appendix A.

## **AP-10 Consultation – 91.100, 91.200(b), 91.215(I)**

### **1. Introduction**

The City regularly consults with representatives from community service providers, City departments, advocacy groups, and organizations involved in the development of affordable housing, the creation of job opportunities for low- and moderate-income residents, and/or the provision of services to children, elderly persons, persons with disabilities, persons with mental health and/or substance use disorders, and homeless persons. When developing the current Consolidated Plan, which contains five-year priorities and goals, and informs this Action Plan, the City solicited feedback through the following methods:

- Citywide community survey
- Focus Group discussions with service providers and community residents;
- Stakeholder interviews;
- Public Hearings; and
- Receipt of written comments.

The input received from the methods above as well as the ongoing, regular consultations helped establish and inform the Program Year 2025 Action Plan.

### **Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))**

The City understands the importance of continued coordination and alignment with organizations and providers while developing the Consolidated Plan and subsequent Action Plans. The City will continue to look towards these partners to assist in the implementation of projects using CDBG, HOME, and ESG funds. The City has consolidated its City-directed housing and community development programs and functions into the Department of Health, Housing and Homelessness (HHH). By consolidating its HUD formula and competitive grant programs, as well as oversight of its homeless initiatives, the City is able to target, plan and implement programs more seamlessly and with greater impact. It is also able to be more efficient in delivering resources and services, monitoring service providers, and creating collaborative relationships with other City departments. The Affordable Housing Committee is an example of these positive working partnerships. The Committee has representation from the private lending industry, the affordable housing industry, HHH, the City's Planning Department, the Albuquerque Housing Authority, homeless/low-income populations, and the New Mexico Mortgage Finance Authority (MFA). The purpose of the Committee is to advise the City on its affordable housing strategies.

The City also continues to promote ongoing coordination among various health and social service entities that treat the most severely mentally ill, those with severe alcohol and drug addictions, and others in critical of intervention to stay permanently housed and out of the custody of law enforcement. The ongoing collaboration of the behavioral health community and Albuquerque Police Department work towards bringing awareness to the specific needs of at-risk individuals.

**Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.**

Albuquerque's homeless system of care is comprised of a network of public, private, faith-based, for-profit, and nonprofit service providers that utilizes several federal, state and local resources to provide services for persons experiencing homelessness. The City also provides general fund resources for services that assist those experiencing homelessness and those at risk of experiencing homelessness. The City's nonprofit community plays a key role in the Continuum of Care system. Numerous organizations throughout the city administer programs ranging from meals to providing permanent supportive housing opportunities. These services are available to single men and women experiencing homelessness, as well as families with children. The City's nonprofit community also serves special needs populations, such as victims of domestic violence, veterans, persons with disabilities, persons with HIV/AIDS, and youth.

At an institutional level, the City partners with the New Mexico Coalition to End Homelessness (NMCEH) in the administration and delivery of Continuum of Care (CoC) services. In addition to the leadership provided by the CoC Board of Directors, the Albuquerque Strategic Collaborative holds monthly meetings at which members develop and vote on CoC related issues, such as the CoC Governance Charter and Common Standards.

**Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS**

The City contracts with the NMCEH to manage and coordinate the CoC. Under the CoC Governance Charter, each year NMCEH will work with the City to develop performance standards for evaluating the effectiveness of ESG program funded activities. These performance standards will be presented to the Albuquerque CoC's monthly meetings for discussion and feedback. Based on feedback from the Albuquerque CoC, the City will use the performance standard data to determine if the current allocation strategy is effectively meeting the City's goals for reducing and preventing homeless.

The City recognizes that due to several factors including the rising costs of housing, the homeless population in Albuquerque has grown in recent years. Providing housing and additional services for this

population has also been difficult due to the shortage of affordable housing in the community. The City has pledged its own resources, as well as CDBG, HOME, ESG and CoC funds to increase services for at-risk populations and increase affordable housing opportunities for its most vulnerable populations.

NMCEH provides coordination and management of the local Homeless Management Information System (HMIS) and is responsible for maintaining policies and procedures for the use of HMIS throughout the CoC. NMCEH worked collaboratively with CoC member organizations to develop the local HMIS system. In addition, NMCEH provides technical assistance to its CoC member organization in order to meet HMIS requirements.

### Identify any Agency Types not consulted and provide rationale for not consulting

The City did not consult with other local governments, or participating jurisdictions, which work with similar grants. This was not done because Albuquerque, being the largest City in New Mexico, has very different issues and programs that are not directly comparable to other cities in the state.

### Other local/regional/state/federal planning efforts considered when preparing the Plan

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Continuum of Care	New Mexico Coalition to End Homelessness	New Mexico Coalition to End Homelessness (NMCEH) serves as the Continuum of Care organization for Albuquerque. It is also the lead agency for the Homeless Management Information System (HMIS). NMCEH also manages the ABQ Coordinated Entry System that serves individuals and families experiencing homelessness. Both NMCEH and the COA have the same mission of homeless prevention and eliminating homelessness.
ABQ the Plan	Urban Design and Development Division, Planning Department	ABQ the Plan outlines housing, urban planning, and economic development goals for the City. The Plan outlines the need for affordable housing throughout Albuquerque.
Assessment of Fair Housing	City of Albuquerque	As part of this Consolidated Plan, the City of Albuquerque developed the Assessment of Fair Housing (AFH). Contributing Factors identified in the AFH for Albuquerque are incorporated into the Consolidated Plan's Strategic Plan.

### Narrative (optional)

## **AP-12 Participation – 91.105, 91.200(c)**

### **1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting**

The citizen participation process informed the development of priority needs identified in the Consolidated Plan and added context to the goal-setting process by visioning the types of programs and projects where CDBG, HOME, and ESG investments have the potential to improve neighborhood conditions and increase access to opportunity for all residents. In accordance with the City's adopted Citizen Participation Plan, all public notices for community meetings and public hearings were published in the Albuquerque Journal, a medium of general circulation in the city, as well as on the City's website and social media accounts.

The 2025 Action Plan was presented to the public on January 22, 2025 at 5:30 pm in-person and virtually via Zoom. The in-person Public Hearing was at the Los Griegos Health & Social Services Center. The Public Hearing marked the beginning of the 30-day comment period which ran through February 21, 2025. The details, time, and purpose of the public hearing were posted in the Albuquerque Journal on January 7, 2025, in both English and Spanish, two weeks prior to the hearing. The legal ad informed the public that if there were any increases or decreases to the final funding allocation from HUD, these amounts would be distributed based upon need and any remaining balance would be proportionally distributed amongst projects. The Notice (both English and Spanish) with all of this information was posted at City Community Centers, City Health & Social Service Centers, City Senior Centers, Albuquerque Housing Authority, the City website and social media pages. An email with the Notice was sent out to current and past subrecipients and contractors, which includes social service agencies and housing developers. The City's Office of Neighborhood Coordination also sent out the Notice to its email listserv in its weekly ENews. The Action Plan PowerPoint presentation along with the draft Action Plan were posted on the City website on January 23, 2025, following the Public Hearing.

In addition, an Informational Meeting was held virtually to obtain additional community participation and input in the 2025 Action Plan process. Notice of the meeting was posted on the City website and electronic boards throughout City Hall, as well as being sent to the Department's email list serv.

**Table 5 - Expected Resources – Priority Table**

**Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied**

Depending on the financing structure of a given project, it may be advantageous for the City to use CDBG and HOME funds to leverage appropriate state, local and private resources, including but not limited to those listed below.

#### **State Resources**

- New Mexico State Low-Income Housing Tax Credit Program
- Building Equity and Growth in Neighborhoods Program (BEGIN)
- Multifamily Housing Program (MHP)
- Mental Health Service Act (MHSA) Funding

## Local Resources

The City's Workforce Housing Trust Fund (WHTF) is a source of revenue used to support the preservation and production of affordable housing. These funds can be leveraged with additional resources, including HOME and CDBG, and have a long-term affordability requirement. The WHTF is funded by a biannual voter approved City bond. As described in § 14-9-4 Creation And Administration Of The Workforce Housing Trust Fund, "Projects receiving funding or land under the Workforce Housing Opportunity act shall leverage non-city funds by at least a 4:1 ratio (non-city to city resources). The Plan may make exception to this ratio for certain hard to develop projects to be defined. Federal and state funds flowing through the city are not considered city funds for purposes of this requirement." For these purposes, "hard to develop projects" include those projects where:

- At least a portion serves vulnerable or extremely low-income populations.
- The developer is able to adequately justify to the City that the physical condition, shape or location of the property make the property difficult to develop.
- The project is being developed on land contributed by the City of Albuquerque as the City aims to only acquire land for affordable housing development if the land is difficult to develop.

Mayor Tim Keller's "Albuquerque Housing Forward" initiative was implemented to close the affordable housing gap in the city. As part of this plan, the City Council appropriated \$20 million as part of the Gross Receipts Tax Bond to provide more and/or preserve affordable housing. To supplement this bond funding, the City appropriated an additional \$3 million from its Fiscal Year 2024 'mid-year clean-up' to be used in the Housing Forward Fund. Some of the strategies that this funding can be used for include the following:

- New construction of affordable housing
- Motel/hotel conversions to supportive/affordable housing
- Commercial/office building conversions to housing
- Expanding nuisance abatement laws
- Changing zoning codes to allow for more density and housing type options

## Private Resources

- Federal Home Loan Bank Affordable Housing Program (AHP)

- Community Reinvestment Act Programs
- Private Developer Contributions

**Matching Requirements**

The City provides a dollar-for-dollar cash match from the City's General Fund for the ESG program. HOME funds are leveraged with other local and private non-federal resources in order to meet its HOME program 25 percent matching requirement. Eligible forms of HOME match are documented by the City and reported to HUD as part of the Consolidated Annual Performance and Evaluation Report (CAPER) each year.

**If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan**

Data compiled by the Planning Department indicates that the City owns vacant properties for the possible development of affordable housing located outside of floodplains and near principal arterial or major collector streets. Alternatively, these properties may be used for other civic purposes such as public facilities to benefit area residents.

**Discussion**

The expected resources listed will be utilized to achieve the overall goals of the Strategic Plan and subsequent Action Plans. Through the Program Year 2025 Action Plan, the third year of the current Consolidated Plan, for the CDBG, HOME and ESG programs, the City expects to have utilized approximately \$13.2 million of CDBG, \$7.2 million of HOME, \$1.1 million of ESG, \$4.7 million of General Fund, and \$7.5 million of Workforce Housing Trust Funds. This covers the time period from July 1, 2023 through June 30, 2026.

## Projects

### AP-35 Projects – 91.220(d)

#### Introduction

To address priority needs identified in the Strategic Plan, the City of Albuquerque will invest CDBG, HOME, ESG, and General Funds in projects that develop new affordable housing units, promote homeownership, provide fair housing services, and provide services to low-and moderate-income residents. These projects will include activities for youth and seniors, will address and prevent homelessness, as well as improve public facilities and infrastructure. In addition to addressing the priority needs in the Strategic Plan, the projects in the 2025 Action Plan will further HUD's national goals for the CDBG, HOME and ESG programs to provide decent housing opportunities, maintain a suitable living environment and expand economic opportunities for low- and moderate-income Albuquerque residents.

	<b>Location Description</b>	Citywide
	<b>Planned Activities</b>	Projects under this category work to increase services for “at-risk” populations by providing public services to homeless persons, such as emergency shelter services, transitional and permanent supportive housing opportunities, along with integrated services to maintain housing stability; including but not limited to health care, counseling, case management, and meal assistance.

## **AP-50 Geographic Distribution – 91.220(f)**

### **Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed**

At present, the City of Albuquerque is not implementing any official HUD designated and non-HUD designated geographic based priority areas such as investment and reinvestment areas, Empower Zones, or Brownfields. Allocations and program activities are funded citywide in accordance with eligibility and program priorities set through sub-recipient department policies.

### **Geographic Distribution**

<b>Target Area</b>	<b>Percentage of Funds</b>
Citywide Investment	100

**Table 8 - Geographic Distribution**

### **Rationale for the priorities for allocating investments geographically**

The City's primary method of allocating CDBG, HOME, and ESG dollars is to assist low- to moderate-income and at-risk populations. To the extent that specific geographic areas have greater needs than other areas in the city and/or if service and housing organizations are in certain areas, they will receive a larger proportionate share of the funding. For any sidewalk or infrastructure improvements, the City will focus on LMA areas and /or affordable housing developments where sidewalks, curb cuts, and related ADA accommodations are lacking. Finally, to provide affordable rental and single-family housing, the City's dollars will be allocated towards new affordable housing developments where affordable housing is lacking and/or infill areas that can accommodate affordable housing. Additional geographic priorities for such infill developments will include: 1) located within a City Metropolitan Redevelopment Area; 2) located within a ¼ mile of a Transit Center, Premium Transit Station or Transit Corridor as defined by the Comprehensive Plan; 3) located within an Area of Change as defined by the City's Comprehensive Plan.

### **Discussion**

All priority needs, goals, and projects are designed to serve the geographic distribution area.

## Affordable Housing

### AP-55 Affordable Housing – 91.220(g)

#### Introduction

The City of Albuquerque has identified that there is a shortage of approximately 15,500 affordable housing units across the city. The 2023-2027 Consolidated Plan, along with other housing-related studies and initiatives, promotes the need for affordable housing for a variety of households. The City will once again address the shortage by prioritizing the development of affordable housing units, affordable homeownership opportunities, the preservation of current affordable rental units and by providing rental assistance. Households assisted through these projects/programs will include low- to moderate-income households, at-risk populations, persons experiencing homelessness and non-homeless persons.

During the 2025 Program Year, \$1,300,003.84 of HOME funds and \$364,271.22 in HOME match will be allocated to the development of affordable housing units for low- to moderate-income households. This may be done through development and/or acquisition/rehabilitation. The City will provide \$50,000.00 of HOME funds to a Community Housing Development Organization (CHDO) to assist with operating costs incurred implementing HOME-funded housing activities. HOME funds in the amount of \$411,372.55 and HOME Match in the amount of \$125,000.00 will be provided for the implementation of a Tenant Based Rental Assistance (TBRA) program. This program will serve approximately 20 households that are homeless or at risk of becoming homeless. CDBG funds in the amount of \$1,300,000.00 and HOME funds in the amount of \$100,000.00 will be provided to approximately 36 low- to moderate-income households in the form of mortgage reduction assistance. This assists in making purchasing a home affordable for these households. In addition, \$965,189.50 in CDBG funds will be provided for the preservation of approximately 388 rental housing units. Six-Hundred Thirteen Thousand Twenty Eight Dollars and Fifty Cents (\$613,028.50) in CDBG funds will assist with infrastructure development at the Uptown Connect affordable housing development. The development will contain 203 affordable housing units for low- to moderate-income households. These activities will increase the number of affordable housing units and preserve existing affordable housing throughout the city while creating housing stability for residents.

## Discussion

The City of Albuquerque continues to be committed to improving the availability of affordable housing options to residents. To accomplish this, the City continues to collaborate with partners to develop affordable housing, preserve affordable housing, provide rental assistance and mortgage reduction assistance. Along with its many partners, that implement these activities, the Department continues to make progress in providing and preserving affordable housing. To leverage its HUD entitlement grants to develop affordable housing, Community Development requested additional funding for the 2025 Program Year to provide more affordable housing through a variety of strategies.

In addition, the City's ARPA funded Home Rehabilitation Program will continue to serve low- to moderate-income homeowners with much needed repairs that will allow them to remain in their homes. In continued efforts to preserve affordable housing, the City will partner with I-CAST to weatherize 594 units across 8 City owned properties. This will include new breaker boxes, water heaters, furnaces, energy efficiency faucets, showerheads, lighting and smart thermostats. The City will utilize \$7.4 million in HOME ARP funding to develop permanent supportive housing at Gateway Central. A feasibility study is currently underway for the project.

During the 2025 Program Year the City will also have several affordable housing projects in various stages of development. The first is Casitas del Camino, funded with \$3,500,000 in Workforce Housing Trust Funds (WHTF). The 88-unit affordable housing development will be under construction during the program year. Route 66 Flats Development, consisting of 47 units of permanent supportive housing, was funded with \$1,701,355 in WHTF. This development will also be under construction during PY 2025. An 82-unit affordable housing development for seniors, Farolito Senior Community, will be under construction during the 2025 Program Year. Farolito was funded with \$4,187,152 in HOME and \$3,000,000 in Coronavirus State and Local Fiscal Recovery Funds (CSLFRF). Another development that will be under construction during PY 2025 is West Mesa Ridge. West Mesa Ridge is a 128-unit development for low- to moderate-income households. The development was funded with \$8,000,000 in Housing Forward Fund (HFF). Somos, a mixed income development containing 70 units, of which 59 are affordable was funded with \$5,179,187.54 in HOME and \$1,000,000 in CSLFRF funds. The project is planned to be under construction during the program year also. Finally, the Uptown Connect project will be under construction as well. Uptown Connect was funded with \$8,356,656 of WHTF, as well as \$1,100,000 of State Legislative funding. The project will contain a total of 239 units with 203 of those

units being affordable for those households at or below 80% AMI.

## AP-60 Public Housing – 91.220(h)

### Introduction

Public housing and other assisted housing programs are part of the City of Albuquerque's efforts to address the affordable housing needs of low- and moderate-income families. The Albuquerque Housing Authority (AHA) oversees the public housing program for the City. AHA's mission is: "Empowering people in our community through affordable housing and self-sufficiency opportunities."

Given the extremely large quantity of aging housing stock both in AHA's portfolio and that of various private and non-profit entities, the need for maintenance and rehabilitation of the rental housing stock is significant. This has been stressed over time by not only Housing Authority leadership and staff but other community members as well. AHA will continue to address their aging housing stock through renovations and updates to properties.

### Actions planned during the next year to address the needs to public housing

During their 2025 fiscal year, AHA will continue to work on goals from their previous annual plans. Those goals include the following: Improve Quantity of Housing; Improve Quality of Housing; Increase Mobility of Low-Income Households through the HCV Voucher Program; Neighborhood Stabilization Activities; and Improve Housing Readiness and Housing Stability. Though the goals are the same, the goals are addressed through different activities each year.

The City and AHA will continue their partnership in implementing the Choice Neighborhood Planning Grant that was awarded during PY 2023. The \$500,000 Planning Grant will be leveraged with \$204,000 in City matching funds. The Choice Neighborhoods Initiative is focused on the following three core goals:

1. **Housing:** Transform distressed public and assisted housing into energy efficient, mixed income housing that is physically and financially viable over the long term.
2. **People:** Support positive outcomes for families who live in the target developments and the surrounding neighborhood, particularly outcomes related to resident's education, health and recreation, safety, employment, and mobility; and
3. **Neighborhood:** Transform distressed, high-poverty neighborhoods into viable, mixed-income neighborhoods with access to well-functioning services, high quality public schools and education programs, high quality early learning programs and services, public assets, public transportation, and improved access to jobs.

A portion of the funding will support an early action activity that will provide physical neighborhood improvements during the planning period. During PY 2025, early action activities will be completed and a Transformation Plan will be submitted to HUD. The early action activities will consist of adding additional seating and gathering areas, raised garden beds, play areas, picnic areas, and art to be

featured on Public Housing property walls and asphalt areas around the properties in an effort to link the properties to the larger neighborhood. The Transformation Plan will include the redevelopment and/or addition of affordable housing in the neighborhood, which could include the 3 public housing properties. If the Transformation Plan is approved by HUD's Choice Neighborhood Initiative office, it would mean millions of dollars for the redevelopment of the properties and progress towards transforming the neighborhood.

### **Actions to encourage public housing residents to become more involved in management and participate in homeownership**

The AHA will continue to implement the Family Self Sufficiency (FSS) Program which is aimed at empowering families so that they may create lives of greater dignity and independence. The FSS Program combines AHA's housing assistance programs with various support services. Families that participate in the FSS Program are assigned a family advocate who assists them target specific goals for success and plan strategies to reach these goals over a five-year period. Participants have the opportunity to attend seminars held by the AHA on such topics as preparing a household budget and credit repair. These combined elements assist residents on their path to self-sufficiency.

The Housing Authority will also continue to encourage participation of public housing residents in the Choice Neighborhood Planning Grant process, as well as, ongoing involvement in the improvement of their properties. There are 5 ambassadors from the three public housing sites that are involved in the planning process, from attending community meetings to participating in trainings that assist them in being connected and involved in the process.

### **If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance**

N/A

### **Discussion**

The City and the AHA continue to share common goals in their efforts to preserve the available affordable housing units. The Choice Neighborhood Planning Grant and Transformation Plan are examples of this shared goal and the efforts of the City and AHA's partnership in an to meet these goals. The ongoing partnership between the City and AHA is in line with AHA's Plan to improve the quality of affordable housing for households at or below 80% area median income (AMI).

The City and AHA will enter into a contract to preserve affordable housing utilizing PY 2024 CDBG funds. Some of these preservation efforts will include replacing flooring, windows, as well as kitchen and bathroom cabinetry in approximately 60 public housing units located at 7 AHA properties.

## **AP-65 Homeless and Other Special Needs Activities – 91.220(i)**

### **Introduction**

The key solution to ending homelessness is the stewarding of persons experiencing homelessness through the transition to permanent housing closely aligned with supportive services that ensure housing stability. However, because the demand for affordable housing far outpaces the supply, the Albuquerque Continuum of Care (CoC) continues to rely on its emergency and transitional housing system in order to address the immediate needs of Albuquerque's homeless population.

### **Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including**

#### **Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

The Continuum of Care (CoC) is the coordinated approach that addresses physical, economic, and social needs of the homeless population. Services organized within the Continuum of Care include emergency shelter, transitional and permanent housing, and supportive services. The New Mexico Coalition to End Homelessness (NMCEH), is the leader of this process. NMCEH convenes, manages, and leads the Balance of State Continuum of Care Coalition. The City of Albuquerque and a variety of community service organizations provide an array of services for the homeless population in Albuquerque.

Once assessed, vulnerable individuals are assisted by the provider agency. The City funds over 25 different social services non-profits. These agencies provide a variety of programs that help individuals with emergency and transitional housing, The City funds an outreach program called ABQ StreetConnect program which is an outreach collaborative focused on people experiencing homelessness who have the highest records of utilization of emergency service and care. The aim is to establish ongoing relationships that result in permanent supportive housing for these people. The StreetConnect program had previously allocated \$600,000.00 in City General Funds to supplement the ESG and ESG Match funding, however, because the Albuquerque Community Safety (ACS) Program provides similar services the General Fund dollars will be allocated towards case management and to ACS. In addition, the City will provide funding for Case Management Services to help support clients staying at shelters begin the process of being housed.

The City will continue to provide funding for emergency shelter and services for five local homeless service providers and over 30 housing programs. Additionally, the City is supporting a street outreach program, case management, and the HMIS managed by the NMCEH. While providing shelter and services for people who are currently experiencing homelessness is important, homeless prevention is also critical in reducing and ending homelessness in Albuquerque. The City is funding various programs, including eviction prevention, TBRA, landlord/tenant hotline along with preserving and developing

affordable housing across the city.

### **Addressing the emergency shelter and transitional housing needs of homeless persons**

The City funds several emergency shelters that are open year-round. There is an emergency shelter for women and children, two emergency shelters that serve men, an emergency shelter for youth, and a day shelter that provides meals, showers, storage, and connection to needed resources such as housing and behavioral health services for those who are experiencing homelessness.

The Gateway West is open year-round. Gateway West provides overnight shelter to men, women, children, and families. In addition, residents at Gateway West are provided with medical services and case management services that assist in connecting them to behavioral health services, housing, employment, and other supportive service needs. The Gateway West operates 24 hours a day, 7 days a week.

Additionally, the City funds a transitional housing program for men and women experiencing homelessness and are recovering from substance abuse addictions. The City also funds a Tenant-Based Rental Assistance program that serves approximately 20 households including those who are homeless or at-risk of homelessness and residents with special needs for up to 24 months.

### **Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

The City has invested heavily in not just Rapid ReHousing programs but Permanent Supportive Housing programs as well. The City will fund approximately \$21 million in supportive housing programs in the 2025 Program Year. Of this, over \$12 million is dedicated to 17 Permanent Supportive Housing projects. These include programs with specific population focus such as youth, medical respite, families, domestic violence survivors, and survivors of human trafficking. The New Mexico Dream Center provides services to survivors of human trafficking and youth experiencing homelessness in Albuquerque and the state. The Albuquerque CoC Permanent Supportive Housing Standards require CoC Permanent Supportive Housing providers prioritize chronically homeless individuals and families when there is an opening. The City also funds eight motel voucher programs with various agencies. These programs provide motel vouchers for various populations including those who have vouchers and are waiting for a housing unit. The City also funds motel vouchers for those who have been displaced out of their homes due to substandard conditions of the unit.

Many veterans and veterans with families who are homeless or at risk of homelessness utilize the

Supportive Services for Homeless Veteran's Program (SSVF), the HUD VASH program with its partner, Goodwill New Mexico and Albuquerque Housing Authority. There is significant focus on veterans at the local and federal level and flexible financial and service-based resources are helping veterans in Albuquerque obtain and maintain permanent housing.

In support of the Albuquerque CoC efforts, the Strategic Plan provides for the use of CDBG, HOME, ESG and General funds to support activities implemented by local nonprofit organizations that provide services to help prevent and eliminate homelessness, including families at risk of homelessness, veterans, victims of domestic violence and emancipated foster youth. The City will also leverage CDBG, HOME and General Funds to expand the supply of affordable housing in Albuquerque.

**Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.**

The Coordinated Entry System managed by the NMCEH is used to monitor the needs of vulnerable communities, including when people are discharged from publicly funded institutions or system of care institutions. Members of the behavioral health community meet regularly with law enforcement as part of the Mental Health Response Advisory Committee. The communication and coordination between the Albuquerque Police Department and the behavioral health community attempt to ensure that law enforcement is sensitive to the specific needs of at-risk individuals.

Although significant resources have been invested in CoC homeless programs over the last 10 years, the severe lack of affordable housing continues to be a factor contributing to homelessness within the city and has led to high rent cost burdens, overcrowding, and substandard housing, not only forcing many people to become homeless but also putting a growing number of people at risk of becoming homeless. Due to several factors, COVID-19 Pandemic and increased housing costs, the housing market still remains largely unaffordable for many low-income individuals and families.

The Mayor's *Albuquerque Housing Forward* program is committed to addressing the housing shortage by adding housing units in the city. Through the *Housing Forward* program, the City has committed up to 12 million dollars in Permanent Supportive Housing Funds and is working to create more new Rapid Rehousing vouchers by the end of 2025. Additionally, the City is part of a community initiative, Built for Zero, with the NMCEH Bernalillo County, and the University of New Mexico. The goal of this initiative is to reach functional zero homelessness for chronically homeless families and a 50% reduction in the homelessness for non-chronically homeless families by 2025.

The City partners with Bernalillo County and provides housing and case management funding for people

that have been released from the Metropolitan Detention Center. The program, Community Connections, provides housing vouchers, intensive case management services and other supportive services. The City contracts with two providers, one provides the housing and the other provides case management. The City also collaborates with a youth homeless provider, that provides shelter services for youth that are being transitioned from CYFD's foster care program, by providing funding for shelter services.

Low-income households that are in jeopardy of eviction may receive eviction prevention assistance (funded with CDBG) through the City's Health and Social Services Centers (HSSC). The City funds Rapid Rehousing and Permanent Supportive Housing programs with a mix of HUD and City dollars. Case managers with these programs work to connect participants with social services, employment, education and other needs to ensure that they do not become homeless again. The City funds a range of substance abuse programs for low-income city residents, many of whom are receiving other types of public and private assistance, to ensure that residents have access to the substance abuse treatment they need to maintain housing and employment.

## **Discussion**

In Albuquerque, there are many low-income people who are not homeless but require supportive housing, including the elderly, frail elderly, persons with disabilities, persons with substance use disorder, persons with HIV/AIDS and their families and public housing residents. Many of these households are housing cost burdened and/or are living in housing that is substandard or overcrowded. These residents need safe, high-quality housing that is affordable for extremely low-income residents. Many of these residents are disconnected from services and would benefit greatly from housing that comes with case management services that can help them connect to community resources, such as meal services, mental health and substance abuse services and benefits such as SNAP, SSI or Housing Choice Vouchers.

The City will continue to implement programs aimed at ensuring homeless persons in the city are rapidly housed and offered an appropriate level of support services to meet their circumstances and keep them stably housed. Homeless service providers continue to gear their programs and maintain their focus upon moving people quickly into permanent housing. The goal of these Permanent Supportive Housing and Rapid Rehousing programs is to significantly reduce homelessness and improve the quality of life for city residents, especially those who are precariously housed.

## **AP-75 Barriers to affordable housing – 91.220(j)**

### **Introduction:**

As part of the Consolidated Plan process, an Assessment of Fair Housing was conducted for Albuquerque. The Assessment for Fair Housing (AFH) is a review of barriers that prevent people from choosing their preferred housing, including an assessment of the availability of affordable, accessible housing. The primary barriers to affordable housing identified in the AFH and MA-40 of the 2023 – 2027 Consolidated Plan are summarized below.

**Housing Costs and Cost Burden.** One in four renter households in Albuquerque have incomes at 30% of the AMI or less. The highest number of cost-burdened households are renters and owners with incomes at 0–30% AMI. The number of severely cost burden renters is approximately 2.7 times higher than owners. The shortage of housing units in Albuquerque has led to a sharp increase in market rent over the past few years, which has led to an increase of cost-burden households and potentially resulting in housing instability and homelessness.

**Development Costs.** The cost of developing affordable housing, inclusive of land, material, and labor costs, has outpaced inflation in recent years. Development fees, often referred to as impact fees, also contribute to the increased cost of development and are gaining more attention as a barrier to construction.

**Zoning.** The City as part of the Albuquerque Housing Forward initiative has committed to reviewing and changing zoning codes to allow more density and housing type options. Approximately 63% of the current housing in Albuquerque is single family detached houses. The City is proposing modifications to the IDO to allow more construction and conversion projects in appropriately zoned areas for small living areas, such as casitas, and also increasing the development of multifamily units. Increasing residential density, or rather allowing apartment buildings, in more areas can increase housing affordability by increasing the supply of smaller and thus less expensive homes.

**Education and Outreach.** Educational opportunities regarding fair housing and affordable housing available to the public is currently available by request from the City. While the community survey revealed that many residents were familiar about Fair Housing laws, there is likely a large population of residents who don't understand their rights. Thus, fair housing and affordable housing education has been identified as an effective strategy for furthering fair housing and mitigating "Not in my backyard (NIMBYism)." Outreach methods should be expanded beyond the City website, traditional newspaper, and other publications. Instead, it should utilize diverse neighborhood groups and organizations.

**Housing Options for At-Risk Populations.** Housing that is accessible for at-risk groups, such as seniors or persons with seen or unseen disabilities, is limited in Albuquerque. Universal design principles in new development and retrofit programs for existing housing would allow for more accessible housing

options, which the City includes and prioritizes in its application for affordable housing developments.

**Code Enforcement.** Enforcement is a key driver for expanding access to safe and sanitary affordable housing, but enforcement activities are limited and disjointed between multiple community partners and the City that provide affordable housing.

**Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment**

The City of Albuquerque has identified five Fair Housing Goals to address over the next five years.

1. Increase the number of affordable rental housing units and preserve existing units
2. Expand affordable homeownership opportunities
3. Expand housing opportunities for at-risk populations (persons with disabilities, victims of domestic violence, seniors, homeless, extremely low-income households)
4. Increase community education about affordable housing
5. Increase understanding of housing discrimination and Fair Housing.

#### **Discussion:**

As part of the 2023-2027 Consolidated Plan, the City will continue to implement the goals and supported strategies identified in the 2023 Assessment of Fair Housing. These goals and strategies will be carried out as a means to continue affirmatively furthering fair housing in Albuquerque. Through the investment of CDBG and HOME funds through the implementation of projects that focus on the identified Fair Housing Goals and goals of the Consolidated Plan the City will continue to take steps toward addressing barriers to affordable housing. Due to the identified the need for affordable housing across the city, through the Mayor's Housing Forward Initiative, the City intends to carry on with efforts to provide affordable housing for residents. In addition to continued efforts in providing affordable housing, during the 2025 Program Year the City will utilize General Fund dollars to fund a Landlord/Tenant Helpline and Fair Housing Training and Education activities.

## **AP-85 Other Actions – 91.220(k)**

### **Introduction:**

When developing the Consolidated Plan, 14 focus group discussions were held with community residents and service providers, including agencies, groups, and organizations involved in the development of affordable housing, the job training opportunities for low- and moderate-income residents, and/or the provision of services to high priority populations. Participants involved in affordable housing development emphasized the need to relate and involve community-based services with housing in order to produce best outcomes for long-term housing security and stability. Additionally, a public hearing was held regarding the community needs for the Consolidated Plan and the Affordable Housing Plan.

Focus group participants advocated for the use of the CDBG grant monies to fund necessary public facility and infrastructure improvements and public services. These include off-parcel improvements, such as ADA compliant sidewalks and utility connections, as a means of lowering development costs. The utility connections should include broadband infrastructure improvements to improve access to online connectivity, increase internet capacity, and deliver faster internet speed to residents. Additionally, participants expressed the need for senior services, childcare, low-cost health and dental services for low- to moderate-income households.

At-risk populations identified through the Consolidated Plan process include persons with seen and unseen disabilities, mental health conditions, substance use disorders, seniors, victims of domestic violence, at-risk youth, and people experiencing homelessness. Special needs communities often encounter financial barriers and access/availability of appropriate housing and services.

### **Actions planned to address obstacles to meeting underserved needs**

In an attempt to address obstacles to meeting underserved needs, the City will allocate CDBG funds to partners that provide needed services to the underserved populations, such as the elderly, persons experiencing homelessness and low- to moderate -income persons. These funds will also be used to address public facility and infrastructure needs in lower-income neighborhoods and affordable housing developments. The City will continue to identify potential projects for community improvements and affordable housing developments in attempts to continue meeting underserved needs, keeping in mind that projects funded must meet at least one of the strategic goals set forth in the 2023-2027 Consolidated Plan.

### **Actions planned to foster and maintain affordable housing**

In an effort to foster and maintain affordable housing, the City will fund affordable housing development, affordable housing preservation and homeownership programs. The City will put out an RFP to allocate HOME funds for the development of affordable housing during the 2025 Program Year.

Homeownership assistance will be carried out through mortgage reduction assistance programs. These programs will assist homebuyers in making purchasing a home affordable. During the Program Year, the CDBG funds will be utilized towards efforts to preserve existing affordable housing throughout the city. This will be done through updating and/or upgrading the existing greywater system at an affordable housing development, as well as updating security features at an affordable housing development. These updates may include, but not be limited to, installing convex mirrors, removing and replacing incorrectly installed sliding glass doors, installing additional locks on windows, installing security doors to each unit and securing attic access in units, as necessary. In addition to the efforts discussed above, the City has implemented a Homeowner Rehabilitation Program utilizing ARPA funds. Approximately 56 low- to moderate-income homeowners will be assisted through the Program. Currently, an ad-hoc committee is reviewing an RFP in the amount \$3,300,000.00 for a Homeowner Rehabilitation Program in the pocket of poverty. This program will assist approximately 50 low- to moderate-income homeowners with much needed rehabilitation to their homes. These efforts will ensure that that low to moderate income homeowners stay in their homes and that the aging affordable housing stock is updated to extend its useful life.

In regard to addressing rehabilitation needs of aging housing stock, developers report many challenges, including a regulatory requirement that units be brought entirely up to code when utilizing HOME funds. Frequently, many repair issues are not apparent until rehab activities are well underway, and can cause costs to soar over \$100,000.00 per unit. Despite the many challenges and increased costs, the City recognizes the need for continued funding of rehabilitation projects, as well as the importance of preservation of affordable housing, so that people can remain in their homes.

The City's presence and ongoing involvement on the Affordable Housing Committee is another way its efforts to foster and maintain affordable housing can be seen. The Affordable Housing Committee continues to meet regularly and serves as an advocacy group for affordable housing. The Workforce Housing Trust Fund (WHTF) is presented to the City's voters every two years for renewal. To ensure the electorate is educated as to the importance of affordable housing to the City's quality of life, the Affordable Housing Committee advocates on behalf of ongoing support for the Fund.

### **Actions planned to reduce lead-based paint hazards**

To reduce lead-based paint hazards, the City of Albuquerque takes the following actions:

- Include lead testing and abatement procedures, if necessary, for residential rehabilitation activities for units built prior to January 1, 1978.
- Educate residents on the health hazards of lead-based paint through the use of brochures as well as encouraging the use of online resources moving forward.
- Encourage screening children for elevated blood-lead levels.
- Disseminate brochures about lead hazards through the City's residential rehabilitation

programs.

HUD requires the dissemination of brochures provided by the U.S. Environmental Protection Agency to all applicants as part of the transmittal of the program application. Units receiving CDBG or HOME assistance that were built prior to January 1, 1978 are addressed in accordance with the Lead-Safe Housing Rule. If testing is required and lead-based paint is present, appropriate abatement procedures are implemented as part of the rehabilitation contract consistent with the requirements of 24 CFR Part 35.

### **Actions planned to reduce the number of poverty-level families**

In an effort to meaningfully address the challenge of the high number of families living in poverty, the goals of the 2023-2027 Consolidated Plan are aligned to support activities that promote the availability of affordable housing and that provide essential services directly benefitting low- and moderate-income individuals. The City will, therefore, prioritize funding for activities that will most effectively address those goals. This strategy will use CDBG, HOME, and ESG funds to help individuals and families begin to rise out of poverty through programs that implement accessibility to affordable, safe and stable housing, in order to reach long-term self-sufficiency.

The 2025 Action Plan will address the most pressing need among low and moderate-income Albuquerque residents, specifically, housing instability. All other investments, including those directed toward public service programs, and infrastructure improvements are intended to promote self-sufficiency and mobility that can only be the result of a safe, affordable, stable, and accessible living environment.

### **Actions planned to develop institutional structure**

The institutional structure identified in the current Consolidated Plan includes a formal and informal network of various agencies of local government, non-profit organizations, and private entities involved in carrying out a range of housing and supportive services programs. The City of Albuquerque continues to play a significant role in citywide housing and homeless issues. The City participates in numerous committees and coalitions, including the Affordable Housing Committee and the Rio Grande Housing Collaborative, and the Housing Neighborhood Economic Development Committee, which meet regularly to advocate for affordable housing and economic development.

### **Actions planned to enhance coordination between public and private housing and social service agencies**

Preventing and ending homelessness is a HUD priority addressed nationally through coordination of regional strategies carried out locally by government agencies and a wide variety of community-based organizations and faith-based groups. Consistent with this approach, the City of Albuquerque supports

the efforts of the New Mexico Coalition to End Homelessness, the State's lead agency for the Continuum of Care (CoC), and its member organizations that address homelessness throughout the city. In alignment with this strategy, the City will use CDBG, HOME, WHTF, ESG, and General funds to support local service providers with programs to prevent homelessness, provide social services and develop and/or preserve affordable housing in Albuquerque for low and moderate-income residents.

Members of the behavioral health community, including those with lived experience, meet regularly with local law enforcement as part of the Mental Health Response Advisory Committee (MHRAC). Initially the Committee was mandated by the Department of Justice as means of providing guidance and support to the Albuquerque Police Department in its interactions with those unhoused individuals experiencing mental illness. Though the Committee is no longer mandated, the group felt it important to continue meeting and working together. MHRAC analyzes and recommends changes to policies, procedures and training methods regarding law enforcement contact with those persons who may be mentally ill or experiencing a mental health crisis.

The City will continue efforts to be involved with a variety of committees and groups, such as the Greater Albuquerque Chamber of Commerce, the Hispano Chamber of Commerce, the Affordable Housing Committee, the Affordable Housing Coalition, and the New Mexico Coalition to End Homelessness, in order to stay apprised of the needs of city residents, as well as to ensure that solutions to meeting these needs are being discussed. Department staff participate in several groups that focus on increasing and the availability of affordable housing, such as the League of Women Voters, Strong Towns Albuquerque, Urban Land Institute, National Association of Industrial and Office Parks (NAIOP), Lamada Alpha International, Indivisible/Albuquerque, and AFLCIO. The City is also working with Kirtland Air Force Base on housing for military personnel.

The many groups the City is involved with represent the interests of the private industry, local businesses, developers and social services agencies. Through continued collaboration and involvement with groups like these the City encourages joint efforts in addressing and finding solutions to the needs of Albuquerque residents.

Internally the City's Department of Health, Housing & Homelessness, Planning Department and Metropolitan Redevelopment Agency coordinate on land use issues in order to assist and effectuate affordable housing for Albuquerque residents. A working group, comprised of staff from various City Departments, assists in promoting programs and policies under the "Housing Forward" umbrella. These departments consist of the following: Health, Housing & Homelessness, Planning, Metropolitan Redevelopment Agency, Senior Affairs, Office of Equity and Inclusion and Environmental Policy & Sustainability.

## **Discussion:**

Despite many challenges, the City will continue to dedicate funds to help address the housing and non-housing needs of at-risk and low- to moderate-income households. This includes promoting the

development and preservation of affordable housing as well as homeownership opportunities for low-to moderate-income persons. Continued efforts will also be made in preventing homelessness, through housing activities. The City will work to maintain relationships, as well as building new ones, with the many housing and social service agencies providing services to those most in need.

## Program Specific Requirements

### AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

#### Introduction:

In the implementation of programs and activities under the 2025 Program Year Action Plan, the City of Albuquerque will follow all HUD regulations concerning the use of program income, forms of investment, overall low and moderate-income benefit for the CDBG program, Resale/Recapture requirements for the HOME program and ESG performance standards.

The City certifies that it will pursue all resources indicated in this Plan and will not willingly or knowingly hinder the implementation of any planned activities. The City will continue to abide by the definitions of eligible applicants for funding as described in the Department of Health, Housing & Homelessness Administrative Requirements, as amended. These Requirements are located on the Department's website at: <https://www.cabq.gov/family/documents/administrative-requirements-for-contracts-awarded-under-the-city-of-albuquerque-effective-july-1-2023-signed.pdf> . Per the City's Procurement Rules, if a Plan has been developed through a citizen participation process and contains one or more Agreements an RFP is not required for the resulting Agreements. The City will, however, continue to use a Request for Proposal Process (RFP) to solicit affordable housing development projects from eligible applicants and abide by the RFP process outlined in the Department's Social Services Contracts Procurement Rules and Regulations. This document is also located on the Department's website at the following link:

<https://www.cabq.gov/health-housing-homelessness/partner-resources/request-for-proposals> .

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

The City of Albuquerque does not use any other forms of investment beyond what is identified in Section 92.205.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

The City will fund homebuyer assistance under the Resale Guidelines using HOME funds during PY 2025. Resale Guidelines are attached in Appendix B due to space limitations.

The City does not have plans to fund homebuyer assistance programs using the Recapture guidelines during the Program Year. However, attached in Appendix B are the HUD approved Recapture Guidelines

If the City uses HOME funds for homebuyer assistance or for the rehabilitation of owner-occupied single-family housing the City will use the HOME Income limits for the area provided by HUD.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

In Program Year 2025, the City will provide HOME funds to individuals for the purchase of a home on Sawmill Community Land Trust. These funds will be subject to the Resale guidelines to ensure affordability.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

During the 2025 Program Year, the City will not use HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds.

5. If applicable to a planned HOME TBRA activity, a description of the preference for persons with special needs or disabilities. (See 24 CFR 92.209(c)(2)(i) and CFR 91.220(l)(2)(vii)).

The City will provide funding for a TBRA program in an effort to prevent homelessness amongst at-risk (special needs) populations, which includes victims of domestic violence, persons with disabilities, persons with mental health and/or substance abuse disorders, and persons experiencing homelessness and/or at-risk of becoming homeless.

6. If applicable to a planned HOME TBRA activity, a description of how the preference for a specific category of individuals with disabilities (e.g. persons with HIV/AIDS or chronic mental illness) will narrow the gap in benefits and the preference is needed to narrow the gap in benefits and services received by such persons. (See 24 CFR 92.209(c)(2)(ii) and 91.220(l)(2)(vii)).

### **Emergency Solutions Grant (ESG) Reference 91.220(l)(4)**

1. Include written standards for providing ESG assistance (may include as attachment)

The City and NMCEH updated administrative standards for ESG in September of 2023 which were subsequently approved by the Albuquerque Strategic Collaborative. Refer to Appendix B.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

The Albuquerque Continuum of Care and the Balance of State Continuum of Care (the rest of New

Mexico) have developed a centralized or coordinated assessment system. The City will continue to collaborate with both Continuums of Care and the MFA in the implementation of the system. The VI-SPDAT (Vulnerability Index Service Prioritization Decision Assistance Tool) has been used for all City homeless housing programs since 2017.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

In addition to the City's "Standards for Providing Emergency Solutions Grant Assistance" that was approved by the Albuquerque Strategic Collaborative in September of 2023, the City's Department of Health, Housing & Homelessness, under the Purchasing Ordinances, is allowed to procure their own social services. The City's ESG projects are considered social services. The procurement process is governed by the Social Services Contracts Procurement Rules and Regulations promulgated by the Department. According to the Department Procurement Guidelines, "An RFP is required for the procurement of Social Services unless exempted or an alternate competitive process applies." Department staff review submitted offers to ensure technical compliance prior to review by the Ad Hoc Committee. An Ad Hoc Committee reviews the proposal. The Ad Hoc Committee consists of a minimum of three persons and is approved by the Department Director. Offers submitted in response to an RFP are reviewed, and scored by the committee, for areas stated in the RFP. The Ad Hoc Committee provides the Director with a recommendation of award. If the Director concurs with the Ad Hoc Committee recommendation, the Director notifies the Offeror in writing and instructs staff to begin contract negotiations. If the Director does not concur with the Ad Hoc Committee recommendations he/she may request reconsideration by the Ad Hoc Committee.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

The City meets the homeless participation requirement in 24 CFR 576.405(a). The Albuquerque Strategic Collaborative, which serves as the Continuum of Care Steering Committee, has formerly homeless individual members who participate in policies and funding decisions regarding City programs and services funded under ESG.

5. Describe performance standards for evaluating ESG.

The ESG programs follow the performance evaluation and monitoring standards described in the City's Administrative Requirements and the City's ESG Program Policies and Procedures. Programs funded with ESG are monitored a minimum of once a year. This includes the subrecipient's compliance with ESG program and contractual requirements, compliance with the City's administrative requirements, and compliance with Fiscal requirements. The City evaluates a subrecipient's performance and progress in meeting contractual obligations at least quarterly by

reviewing and evaluating quarterly reports. Additionally, the City monitors for compliance upon submission of reimbursement requests.

The City will continue to utilize these standards during Program Year 2025.

**TBRA- Funding: HOME \$411,372.55, HOME Match \$125,000.00**

Se proporcionarán fondos a Enlace para un Proyecto de Asistencia de Alquiler Basado en Inquilinos. Las poblaciones de alta prioridad específicas serán atendidas con estos fondos.

**Dental Services - Funding: CDBG \$229,760.00, GF \$67,400.00**

Estos fondos serán utilizados por Albuquerque Healthcare for the Homeless para proporcionar una gama completa de servicios dentales a personas médicamente indigentes, de ingresos bajos y moderados en la Ciudad que están experimentando la falta de vivienda.

**Eviction Prevention - Funding: CDBG \$250,000.00**

Se proporcionarán fondos a los Centros de Salud y Servicios Sociales para proporcionar asistencia de alquiler y servicios públicos de emergencia para personas de ingresos bajos a moderados que residen dentro de los límites de la ciudad de Albuquerque.

**Senior Nutrition Program/Meals - Funding: CDBG \$119,300.00**

El Departamento de Asuntos de la Tercera Edad recibirá fondos para apoyar los costos del programa para proporcionar comidas congregadas a personas mayores de bajos ingresos.

**Early Childhood Services - Funding: CDBG \$34,214.50**

Cuidando los Niños recibirá fondos para proporcionar servicios de desarrollo infantil, así como la gestión de casos a niños sin hogar y sus familias.

**Tenant/Landlord Hotline – Funding: GF \$95,000.00**

Se proporcionarán fondos a Legal Aid of New Mexico para proporcionar servicios para una línea directa de propietarios e inquilinos que apoyará a los propietarios e inquilinos con problemas legales relacionados con la vivienda.

**Fair Housing Education/Training – Funding: GF \$10,000.00**

La Ciudad administrará actividades que proporcionen educación y capacitación en vivienda justa a los proveedores de servicios de vivienda y miembros del público.

**Infrastructure – Funding: CDBG \$1,465,189.50**

Los fondos se utilizarán para renovaciones en la infraestructura que respalden el desarrollo de proyectos de vivienda económica, así como para actualizaciones de seguridad y la sustitución y/o actualizaciones del sistema de aguas residuales en desarrollos de viviendas de alquiler económicas.

**Affordable Housing Development – Rental – Funding: HOME \$1,291,327.95, HOME Match \$361,861.25**

Los proyectos financiados bajo esta categoría recibirán asistencia para desarrollar unidades de vivienda económica para hogares de ingresos bajos y moderados, ya sea a través del desarrollo o la adquisición y rehabilitación.

Todos los residentes, propietarios, personas con discapacidades, inmigrantes, personas mayores, personas de bajos ingresos, niños y jóvenes, personas sin hogar y otros interesados en Albuquerque están invitados a revisar el plan de acción y comentarlo por escrito hasta las 5:00 PM del viernes 21 de febrero de 2025. Los comentarios pueden enviarse por correo electrónico o por escrito a: [mtmontoya@cabq.gov](mailto:mtmontoya@cabq.gov) o Departamento de Salud, Vivienda y Personas sin Hogar, Attn: Monica Montoya, P.O. Box 1293, Albuquerque, NM 87103. Después de recibir los comentarios públicos durante el periodo de comentarios públicos de 30 días, la Ciudad responderá a cada comentario por escrito y enviará todos los comentarios y respuestas en su solicitud formal de financiamiento de HUD en mayo 17, 2025 o en una fecha posterior según lo dirigido por HUD. Los niveles finales de financiamiento para los proyectos incluidos en el plan de acción que se presenta a HUD pueden diferir de la financiación propuesta que se enumera arriba, que se basa en estimaciones de las cantidades de subvenciones de 2024 otorgadas por HUD. Los aumentos o disminuciones en la financiación se asignarán en función de la necesidad de los proyectos enumerados. Cualquier saldo restante se distribuirá proporcionalmente entre los proyectos. El plan de acción, así como la presentación final a HUD, se publicarán en el sitio web: <https://www.cabq.gov/health-housing-homelessness/transparency/consolidated-plans-and-amendments>.

Good morning.

I would be happy to do so. We send out a Weekly eNews each Monday that actually reaches many residents in addition to neighborhood associations, so the reach is quite significant. I'll send out this Monday. Let me know if I can be of further help.

Good Morning Vanessa!

I'm emailing to ask for your help in getting the word out about HHH's upcoming public hearing for the Program Year 2025 Draft Action Plan. I've attached the notices that ran in the Journal yesterday. Are you able to send out to neighborhood associations as well as your Office's email list? Also, if you are able to include in any email newsletters that are sent out it would be greatly appreciated.

Thank you and if you have any questions please let me know.

The Draft 2025 Action Plan includes proposed funding for the following projects:

**COA Administration- Funding: CDBG \$844,366.00, HOME \$194,744.50**

Funds will be used for administrative costs to support the implementation of the COA's 2025 Action Plan.

**CHDO Operating – Funding: HOME \$50,000.00**

Funds will be provided to Greater Albuquerque Housing Partnerships, a Community Housing Development Organization (CHDO), to assist with operating costs incurred implementing housing activities.

**Homeless Intervention and Rapid Rehousing- Funding: ESG \$376,019.00, ESG Match \$376,019.00, GF \$694,256.00**

Projects under this category will provide services to populations experiencing homelessness by providing street outreach, emergency shelter services and rapid rehousing opportunities. Funds will also be used for administrative costs to support the implementation of these services for the 2025 Action Plan.

**Affordable Homeownership Assistance – Funding: CDBG \$1,279,000.00, CDBG Program Income \$21,000.00, HOME Program Income \$100,000.00**

Funds will be provided to Homewise and Sawmill Community Land Trust to assist low to moderate income homebuyers purchase an affordable home.

**TBRA- Funding: HOME \$411,372.55, HOME Match \$125,000.00**

Funds will be provided to Enlace for a Tenant Based Rental Assistance Project. Specific high priority populations will be served with these funds.

**Dental Services - Funding: CDBG \$229,760.00, GF \$67,400.00**

These funds will be used by Albuquerque Healthcare for the Homeless to provide a full range of

dental services to medically indigent, low- and moderate-income persons in the City who are experiencing homelessness.

**Eviction Prevention – Funding: CDBG \$250,000.00**

Funds will be provided to the City's Health and Social Services Centers to provide emergency rental and utility assistance for low to moderate income persons residing within the Albuquerque city limits.

**Senior Nutrition Program/Meals – Funding: CDBG \$119,300.00**

The Department of Senior Affairs will receive funds to support program costs to provide congregate meals to low-income seniors.

**Early Childhood Services - Funding: CDBG \$34,214.50**

Cuidando Los Ninos will receive funds to provide child development services, as well as case management to homeless children and their families.

**Tenant/Landlord Hotline - Funding: GF \$95,000.00**

Funds will be provided to Legal Aid of New Mexico to provide services for a landlord tenant hotline that will support landlords and tenants with housing related legal issues.

**Fair Housing Education/Training – Funding: GF \$10,000.00**

The City's Office of Equity and Inclusion will administer activities that provide fair housing education and training to housing service providers and members of the public.

**Infrastructure – Funding: CDBG \$1,465,189.50**

Funds will be used for infrastructure improvements to support the development of

affordable housing projects, as well as for security upgrades and wastewater system replacement and/or upgrades in affordable housing rental developments.

**Affordable Housing Development – Rental – Funding: HOME \$1,291,327.95,  
HOME Match  
\$361,861.25**

Projects funded under this category will be provided assistance to develop affordable housing units for low- and moderate-income households, either through development or acquisition and rehabilitation.

All residents, property owners, persons with disabilities, immigrants, seniors, low-income persons, children and youth, homeless persons, and other stakeholders in Albuquerque are invited to review the draft plan and comment on it in writing until 5:00 PM on Friday, February 21, 2025. Comments may be submitted to: [mtmontoya@cabq.gov](mailto:mtmontoya@cabq.gov) or Dept. of Health, Housing and Homelessness, Community Development Division, Attn: Monica Montoya, P.O. Box 1293, Albuquerque, NM 87103. After receipt of public comments from the 30-day public comment period, the COA will address each comment in writing and will submit all comments and responses in its formal application for funding to HUD on May 17, 2025 or at a later date as directed by HUD. Final funding levels for projects included in the Action Plan that is submitted to HUD may differ from the proposed funding listed above, which are based on estimates of the 2024 grant amounts awarded by HUD. Increases or decreases in funding will be allocated based upon need of listed projects. Any remaining balance will be proportionally distributed amongst projects. The draft Action Plan, as well as the final submission to HUD, will be posted to the City of Albuquerque

Department of Health, Housing and Homelessness website at:  
<https://www.cabq.gov/health-housing-homelessness/transparency/consolidated-plans-and-amendments>.

### Big Brothers, Big Sisters Seek Volunteers and Mentors

Big Brothers, Big Sisters of New Mexico is seeking volunteers and mentors for the youth in their program. There are a wide variety of different opportunities for volunteers and their "little brothers" and "little sisters." Youth who are in the program have an 87% rate in avoiding truancy, 96% feel they will graduate from high school, and 93% abstain from alcohol use. Volunteering is a great way to give back to these youths and to our community. For more information on becoming a Big Brother or Big Sister, contact Pete Garcia at (505) 644-0660 or at: [pete.garcia@bbbs-cnrm.org](mailto:pete.garcia@bbbs-cnrm.org).

### City Seeks Public Comment on Draft 2025 Action Plan for Department of Health, Housing

### Pet of the Week

The Animal Welfare Department would like to introduce Kaya, ID# A1913541. Kaya is a gorgeous, 10-year-old tan Alaskan Husky mix. She is a gentle and easygoing soul looking for a mellow household. Kaya is good on leash, housetrained, and would make a wonderful companion for someone with a laid-back lifestyle. If you are someone who can give Kaya the life that she wants and deserves, please visit her at the Eastside shelter. To view and/or adopt pets, simply drop by any of the open locations. Anyone wanting to adopt a pet can visit: [www.cabq.gov/pets](http://www.cabq.gov/pets). The Eastside Adoption Center, 8920 Lomas Blvd NE, is open 10:30 to 6 and closed Mondays; and the Westside Adoption Center, 11800 Sunset Gardens SW, is open 10:30 to 6 and closed Mondays.

### and Homelessness

The City's Department of Health, Housing and Homelessness has prepared its Draft 2025 Action Plan and seeks public input. A public hearing to present the Draft 2025 Action Plan will be held on Wednesday, January 22 at 5:30 p.m. at the Los Griegos Health & Social Services Center, 1231 Candelaria NW. The Action Plan serves as the COA's grant application to HUD and includes specific activities to be undertaken with Community Development Block Grant (CDBG) funds, HOME Investment Partnerships (HOME) funds, Emergency Solutions Grant (ESG) funds from HUD and other local funds in furtherance of the Consolidated Plan strategies during Program Year 2025, July 1, 2025 - June 30, 2026. Estimated funding from HUD includes \$4,221,830.00 of CDBG funding; \$21,000.00 of CDBG program income; \$1,947,445.00 of HOME funding; \$100,000.00 of HOME program income; \$486,861.25 of HOME Match; \$376,019.00 of ESG funding; and \$376,019 of ESG Match. The Action Plan will also include \$866,656.00 in General Funds. For individuals who need assistance at the public hearing, contact Yolanda Krantz (505) 768-2885 72 hours prior to the hearing. The public hearing will also be held via Zoom at the following link: <https://cabq.zoom.us/j/8118271546>. Eviction prevention should be managed outside of the administration. Between staffing and conflicting interests throughout the administration, such an important legal service should go to the appropriate partner entity. Also only half a million is miniscule compared to what the need is. Evictions have and will be the primary cause of homelessness, and homelessness can only stop once people are being housed faster than they're being unhoused. I ask that funding for eviction prevention is increased significantly.

Thank you for allowing me to comment on this.

Hello Anami,

Thank you so much for providing a comment to the Program Year 25 Action Plan. The Eviction Prevention Program, that is administered through the City's Health & Social Service Centers, does not provide legal assistance. The Program provides direct payments to landlords and utility companies to prevent tenants from getting evicted and or their utilities shut off. The City does provide funding to New Mexico Legal Aid for its Landlord Tenant Helpline to provide support to landlords and tenants for housing related legal issues. I agree, the need for Eviction Prevention funding is greater than what has been allocated, however, the CDBG grant has a cap of 15% that can be provided to Public Services which this activity falls under. Our Division continues to seek additional funds for this purpose from other sources.

Thank you,

Hi Anami,

You are very welcome. There are different caps and requirements for the different grants included in the Action Plan. For the CDBG Program, Public Services is capped at 15% and Administration is capped at 20%. For the HOME Program Administration is capped at 10% Community Housing Development Organization (CHDO) Operating is capped at 5% , there is a minimum of 15% for CHDO Housing Development. For ESG Administration is capped at 7%, Shelter & Street Outreach is capped at 60%.

Thank you,

# Grantee Unique Appendices

- Resale Guidelines
- Recapture Guidelines
- Standards for Evaluating Emergency Solutions Grant Projects
- ESG Process for Making Sub-Awards
- Emergency Solutions Grant (ESG) Written Standards

## Resale Guidelines

These resale guidelines shall apply to all resale activities by Community Land Trusts, including homeownership and development assistance.

The resale affordability period is based on the amount of HOME funds invested in the unit to the buyer, as follows:

Amount of HOME Funds per Unit ( <i>resale</i> )	Period of Affordability
Under \$15,000	5 years
\$15,000 to \$40,000	10 years
Over \$40,000	15 years

The initial buyer must reside in the home as his/her principal residence for the duration of the period of affordability.

**Triggering Resale** - If, during the period of affordability, an owner voluntarily or involuntarily transfers his/her property (e.g., through a sale or foreclosure), these RESALE provisions go into effect.

The resale provision requires units to be resold to an income eligible homebuyer if the sale or transfer occurs within the applicable affordability period. The Community Land Trust overseeing the project must monitor sales, foreclosures, and transfer titles to assure affordability requirements. The Community Land Trust must ensure that resale requirements are imposed if the housing does not continue to be the principal residence of the occupant or family for the duration of the period of affordability, and must also ensure that the housing is only made available for subsequent purchase to a buyer whose family household qualifies as a low-income family and will use the property as its principal residence. The resale requirement must also ensure that the price at resale provides the original HOME-assisted owner a fair return on investment and ensure that the housing will remain affordable to a reasonable range of qualified low-income homebuyers. The period of affordability is based on the total amount of HOME funds invested in the housing.

A "fair return on investment" is determined by the resale price that takes into account a return on the homebuyer's initial investment (i.e., any out-of-pocket down payment plus any additional homebuyer assistance accessed by the homeowner). This fair return is determined by adding to the original affordable purchase price paid by the homebuyer an agreed-upon percentage of any increase in the value of the home during the homeowner's tenure, as determined by market appraisal.

The process for determining fair return must include an appraisal at initial purchase and an appraisal at sale, each completed by an independent, third party appraiser. The cost of the appraisal cannot be charged to the homeowner. The difference between the initial and time-of-sale appraisals represents the increase in market appreciation of the home, including the value of any capital improvements made by the homeowner during the time they owned their home. In turn, the homeowner's share of appreciation is determined by multiplying the increase in market value appreciation by a reasonable standard appreciation factor to determine the fair return to the

homeowner. The standard appreciation factor is based upon the number of years the seller has owned the home. For years 1 through 15, the standard appreciation factor is 25 percent; it is then increased by 1 percent each year from 25 percent for years 16 to 20, up to a maximum of 30 percent. The subsequent sales price of the home must be based on the original purchase price plus the share of appreciation determined via the appraisals and the market appreciation factor.

It is important to note that in certain circumstances, such as a declining housing market where home values are depreciating, the original homebuyer may not receive a return on his or her investment because the home sold for less or the same price as the original purchase price. The City's intent is to set a resale price that provides a fair return to the original homebuyer while ensuring that the property is affordable to the targeting population, thus reducing the need for additional subsidies to eligible buyers.

A capital improvement is the construction or addition of new structures or alteration that increase the footprint, square-footage, or height of the house to real property that meets the following conditions:

- That requires issuance of a building permit by the City of Albuquerque
- That substantially adds to the value of the real property, or appreciably prolongs the useful life of the real property; and
- That become part of the real property or is permanently affixed to the real property so that removal would cause material damage to the property or article itself.

A "reasonable range of low-income buyers" is defined in the City's Program as a household or family at or below 80 percent of Area Median Income paying no more than 30 percent of income for principal, interest, property taxes, and insurance. Please note that the resale price is based on a fair return on investment outlined above. If the resale price does not assure affordability to the reasonable range of low-income buyers as defined above, down payment assistance and/or second mortgage assistance may be provided by the City and/or sub-recipients in order to assure affordability of a specific homebuyer.

The City will use deed restrictions, covenants running with the land, or other similar mechanisms, such as a community land trust land lease instruments, as the mechanisms to impose the resale *and continued affordability* requirements as outlined in §92 .254(a)(5)(i)(A) of the HOME Rule. The Community Land Trust may use purchase options, rights of first refusal or other preemptive rights to purchase the housing before any conveyance to preserve affordability. The affordability restrictions shall be revived according to the original terms if, during the original affordability period, the owner of record before the termination event, obtains an ownership interest in the housing.

## RECAPTURE GUIDELINES

The purpose of these guidelines is to outline the requirements for recapturing HOME funded homebuyer assistance in the event that a home is sold during its affordability period.

A Mortgage Reduction Assistance Program that is implemented by a non-profit agency other than a land trust is subject to these recapture guidelines. The recapture provision allows the original homebuyer to sell the property to any buyer during the period of affordability so that the City is able to recapture all or a portion of the HOME assistance provided to that original homebuyer.

The direct HOME subsidy provided to the homebuyer is defined as the total amount of HOME assistance that makes a home more affordable to a homebuyer including: mortgage reduction assistance, or the amount that reduces the purchase price from fair market value to an affordable price, down payment and/or closing cost assistance. The City will provide HOME funds in the form of a 0% interest deferred loan to income qualified homebuyers. The recapture provisions are in effect during the period of affordability. The recapture affordability period is based upon the amount of HOME funds invested in the unit to the buyer, as follows:

Amount of HOME Funds Provided as a direct subsidy to buyer ( <i>recapture</i> )	Period of affordability
Under \$15,000	5 years
\$15,000 to \$40,000	10 years
Over \$40,000	15 years

The homebuyer executes a mortgage and note for the loan, as well as a HOME written agreement. The City will forgive the lien placed upon the property, in the form of the City Mortgage and Note, as long as the original homebuyer resides in the property as their primary residence throughout the affordability period.

If during the affordability period, an owner voluntarily or involuntarily transfers the property (through sale or foreclosure), these Recapture Guidelines go into effect. The amount of the direct HOME subsidy that is subject to recapture is limited to the available net proceeds. Net proceeds are defined as the sales price minus primary loan repayment (other than HOME funds) and any seller closing costs (Sales Price – Primary Loan balance – Closing Costs = Net Proceeds). The City cannot recapture more than the amount of available net proceeds upon

sale. In the event there are sufficient net proceeds from the sale to repay the total amount of the homeowner's initial investment (down payment) and the HOME loan amount, both parties shall recover their investments.

If net proceeds from the sale are **not** sufficient for the owner to recover the initial investment, inclusive of original down payment and capital improvements and repay the HOME subsidy, then the owner shall be entitled to recover their original down payment amount and City approved capital improvement amounts before the City recaptures the HOME subsidy amount. A capital improvement is construction or addition of new structures or alterations that increase the footprint, square footage or height of the house to real property that meets the following standards:

- Requires issuance of a building permit by the City of Albuquerque;
- Substantially adds to the value of the real property, or appreciably prolongs the useful life of the real property; and
- Becomes part of the real property or is permanently affixed to the real property so that removal would cause material damage to the property or article itself.

Documentation for all capital improvements is required and subject to City approval.

During the affordability period the HOME assisted owner is required to occupy the unit as their principal residence. But, in the event of noncompliance with the HOME affordability requirement, the City will require repayment of the amount of HOME funds provided as a direct subsidy to the homebuyer. Noncompliance occurs when, during the affordability period: 1) the original HOME assisted homebuyer fails to occupy the unit as the principal residence, or 2) the home is sold and the recapture provisions are not enforced. If noncompliance occurs, the owner is subject to repay the amount of HOME funds provided by the City.

Homebuyer funds recaptured by the City are re-programmed and treated like program income.

**City of Albuquerque Emergency Solutions Grant (ESG)  
Standards for Evaluating ESG Projects**

At minimum, the City will use the following performance standards to evaluate ESG projects. The timeframe for all performance standards will be a recent 12 month period.

**Performance Measures:**

1. Total Unduplicated Number of Persons Served (per reporting quarter and annual cumulative) OR Average Utilization Rate (per reporting quarter and annual cumulative)
2. Total Unduplicated Number of Chronically Homeless Persons Served (per reporting quarter and annual cumulative)
3. Housing Stability (per reporting quarter and annual cumulative)
  - The percentage of participants who left the ESG project who exited to permanent housing, transitional housing or to family/friends
  - The percentage of participants who left the ESG project who exited to permanent housing
  - The percentage who exited to permanent housing but returned to homelessness within 6 months
4. Total and Earned Income (per reporting quarter and annual cumulative)
  - The percentage of adults served who increased their income
5. Number of self-identified chronic homeless referrals to Coordinated Assessment (per reporting quarter and annual cumulative)

**All data counts reported to the City must be substantiated by HMIS documentation.**

**Reporting Requirements:**

All funded projects will submit Quarterly Performance Reports reflecting quarterly counts and cumulative subtotals by measure, including substantiation by the appropriate HMIS and/or APR reports for each month of the reporting quarter. As required for HUD ESG funding, all funded projects will cooperate with NM HMIS for submission of the system-wide annual AHAR, HIC/PIT, and CAPER reports.

## **Process for Making Sub-Awards for ESG**

### **Eligible Applicants**

Local nonprofit organizations whose service area is within the City of Albuquerque and are in good standing with HUD may apply for these funds.

### **Request for Proposals, Program Applications and Renewal Program Applications for Subrecipients**

The City of Albuquerque Social Services Contracts Procurement Rules and Regulations (Social Services Procurement Guidelines), which are available at <https://www.cabq.gov/family/documents/fcs-social-services-procurement-guidelines.pdf>, describe the process for entering into social services contracts. The Social Services Procurement Guidelines specify six possible methods that may be used to retain social service providers (applicants) including:

- Procurement by Request for Proposals (RFP)
- Procurement of Social Services by Negotiation
- Procurement of Social Services Pursuant to a Plan Approved by City Council
- Procurement of Social Services Pursuant to the City General Fund Appropriation Approved by City Council
- Procurement of Specialized Social Services through Request for Qualifications
- Procurement of Social Services for Emergencies or Urgent Needs

The City's ESG funds falls under "Procurement of Social Services Pursuant to a Plan Approved by City Council." However, each year for the forthcoming program year, the Department will determine for which activities the Department will release an RFP and specify the general requirements for contract proposals, including all applicable forms in its RFP and Program Application Package. As the Social Services Procurement Guidelines outline multiple methods to retain a social services contract and as applications received pursuant to an RFP may lead to contracts for up to three years, the Department does not go out to RFP every year for each activity to be funded. Nevertheless, agencies outside of the City of Albuquerque receiving funds through a process outside an RFP shall submit a Program Application for an eligibility review by Department staff. Further, outside agencies that were awarded a contract through an RFP process in the first year and that the Department determines will receive a second- or third-year contract shall submit a Renewal Program Application for an eligibility review by Department staff. The Program Application and Renewal Program Applications must contain, at minimum, a description of the activity to be undertaken and a detailed budget. The City may request any additional information or backup documentation to evaluate the activity and determine cost reasonableness.

RFPs are posted to the Department website at: <https://www.cabq.gov/health-housing-homelessness/partner-resources>. Detailed guidance concerning the process and requirements for each method are provided in the Social Services Procurement Guidelines.

Instructions on how to apply for ESG funds and how the funds can be used are provided in the RFP or renewal application. The contact person from HHH is listed in the RFP or renewal application for the benefit of interested parties who may have questions regarding the program and the application process. Technical assistance is available from HHH. Instructions and deadlines for the receipt of application materials are clearly identified. Applicants are responsible for submitting materials on time in order to be considered. HHH currently accepts applications for four of the five components

that ESG funds can be used for: Emergency Shelter, Rapid Re-Housing, Street Outreach, and Homeless Management Information System (HMIS). HHH currently does not use ESG funds for homeless prevention programs.

Applications are reviewed and rated by a selection committee composed of HHH staff using defined transparent rating criteria. The steps are the following:

1. Submit Application in Response to the RFP or Renewal Application
2. Preliminary Staff Review
3. Recommendation of the Proposals with dollar amounts
4. Any Budget amendments or changes to the ESG grant

#### **Funding Mechanism**

A funding formula established by HHH is used to determine the amounts awarded to approved applicants. Applications meeting or exceeding the threshold score will be awarded a predetermined minimum amount of funds. A conditional award letter is sent to qualifying applicants pending approval by the Department Director. HHH will review all documents and approve or make necessary adjustments to the program budgets submitted by nonprofit applicants that are pending approval.

#### **Awards and Agreements**

After careful review and approval of all technical submission documents to ensure completeness and compliance with regulations, grant agreements will be sent to agencies along with the approved budget attached. New ESG-funded agencies will receive technical assistance and training as needed to implement the program.

## **Introduction**

In accordance with Title 24 of the Code of Federal Regulations (24 CFR) 91.220(l)(4)(i) and 576.400(e) (1), the City of Albuquerque (City) and the Albuquerque Continuum of Care (CoC) have developed the following written standards for the provision and prioritization of Emergency Solutions Grant (ESG) funding. The following standards are intended as basic, minimum standards to which individual ESG applicants and/or subrecipients may add additional and more stringent standards applicable only to their own projects. Any additional standards developed and implemented by an individual ESG applicant and/or subrecipient must be approved by the City prior to implementation or adoption into program policies and procedures. These required minimum standards help to ensure that the ESG program is administered fairly and methodically. The City and the CoC will continue to build upon and refine this document.

## **Background**

The City of Albuquerque is awarded ESG funds annually from the Department of Housing and Urban Development (HUD) as part of the Annual Action Plan Process. These funds are designed to identify sheltered and unsheltered homeless persons, as well as those at risk of homelessness, and provide the services necessary to help those persons quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness. The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act) significantly amended the McKinney-Vento Homeless Assistance Act, including major revisions to the Emergency Shelter Grants program, which was renamed the Emergency Solutions Grants program. The HEARTH Act, and implementation of the applicable federal regulations by HUD, incorporated many of the lessons learned from the implementation of the Homelessness Prevention and Rapid Re-Housing Recovery Act Program (HPRP) into the new ESG program, including placing a stronger emphasis on rapid re-housing assistance.

## **Program Overview**

The ESG Program allows the City to set priorities based on the individualized needs of the community as identified in the City's consolidated plan. These standards serve to outline the specific guidelines and priorities that will be used by the City in awarding and administering ESG funding. Currently, eligible program components that are prioritized under the City's ESG Program are emergency shelter, rapid re-housing, HMIS, and administrative costs. The City and Albuquerque CoC may revise ESG component priority in subsequent years based on the needs of the community.

## **Standards Applicable to All Programs**

The following standards are intended as basic, minimum standards that apply to all ESG projects.

### **Program Eligibility by Homeless Status**

Every participant served by ESG funds must qualify for assistance according to HUD standards. Service providers are responsible for determining eligibility status for ESG recipients and are required to obtain documentation at intake of homeless or at-risk of homelessness status. This documentation may come from either the participant or a third party information source and is typically obtained at intake, entry, or referral by another ESG service provider. A copy of the documentation must be kept in the participant file and made available to the City, the CoC and HUD for monitoring or risk analysis purposes. Details regarding participant eligibility for ESG-funded programs, according to HUD's definition of homelessness and at-risk of homelessness, are outlined below. For complete definitions of program eligibility by homeless status, see Appendix B & C.

#### **Street Outreach (SO)**

Street Outreach services shall target unsheltered homeless individuals and families, meaning those with a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground.

#### **Emergency Shelter (ES)**

Individuals and families eligible for ES assistance include those who meet the following definitions:

- Homeless Category 1 Literally Homeless
- Homeless Category 4 Fleeing/Attempting to Flee DV (\*Must also meet qualifications for Category 1)

#### **Rapid Re-Housing (RRH)**

Individuals and families eligible for RRH projects include those who meet the following definitions:

- Homeless Category 1 Literally Homeless
- Homeless Category 4 Fleeing/Attempting to Flee DV (Must also meet qualifications for Category 1)

Additionally, RRH projects must only serve individuals and families that have an annual income below 30% of the average median income (AMI) for the area.

### Homelessness Prevention (HP)

Individuals and families eligible for IIP projects include those who meet the following definitions:

- Homeless Category 2 Imminent Risk of Homelessness
- Homeless Category 4 Fleeing/Attempting to Flee DV (Does not meet qualifications for Category 1)

Additionally, HP projects must only serve individuals and families that have an annual income below 30% of the average median income (AMI) for the area.

### **The New Mexico Coordinated Entry System (NMCES)**

To ensure homeless households receive immediate housing and to minimize barriers to housing access, all subrecipients will be required to assist program participants in accessing resources through the New Mexico Coordinated Entry System (NMCES), and accepting (where applicable) all referrals for housing from the NMCES. Coordinated Entry is a CoC-wide process for facilitating access for all resources designated for individuals and families experiencing homelessness. This system ensures that every homeless individual or family is known by name, provides assistance based on the individual or family's unique needs, and matches them to the most appropriate service strategy or housing intervention. CES ensures system coordination among emergency shelters, essential service providers, homelessness prevention providers, rapid re-housing providers, other homeless assistance providers, and mainstream services and housing providers.

Subrecipients will have, at a minimum, one staff member who is trained and certified in conducting the common assessment tool used by the NMCES. The NMCES uses the Vulnerability Index - Service Prioritization Decision Assistance Tool (VI-SPDAT) as its common assessment tool. To the maximum extent practicable, households presenting for assistance will be assessed using the VI-SPDAT. All completed assessments must be entered into the NMCES, in accordance with NMCES Policies and Procedures.

Where the subrecipient is unable to administer the VI-SPDAT, households that present for service will be provided appropriate referrals to NMCES. Subrecipients will also post publically NMCES educational materials.

### **Fair Housing**

Subrecipients will not prohibit access to ESG funded programs to anyone that would otherwise be eligible for assistance based on race, color, religion, national origin, sex, age, familial status, disability type, actual or perceived sexual orientation, gender identity or marital status. Subrecipients will post publically a HUD issued Fair Housing notice, in a place that is visible to all program participants and persons who present for assistance or services.

### **Equal Access**

Units of general local government and nonprofit organizations shall make it known that facilities and services supported by this grant are available to any person (who otherwise meets the eligible criteria for the program) in accordance with the Equal Access Rule (24 CFR 5.105(a)(2)) which prohibits discriminatory eligibility determinations in HUD-assisted or HUD-insured housing programs based on actual or perceived sexual orientation, gender identity, or marital status, including any projects funded by the CoC, ESG and HOPWA Programs. The ESG interim rule also contains a fair housing provision, 24 CFR 576.407(a) and (b).

It is allowable for shelters or housing programs to exclusively serve families with children, but they must serve all types of families with children including both male and female headed households. The housing or shelter may also be limited to one sex where such housing consists of a single structure with shared bedrooms or bathing facilities such that the considerations of personal privacy and the physical limitations of the configuration of the housing make it appropriate for the housing to be limited to one sex.

Providers that operate single-sex projects must provide all individuals, including transgender individuals and other individuals who do not identify with the sex they were assigned at birth, with access to programs, benefits, services, and accommodations in accordance with their gender identity without being subjected to intrusive questioning or being asked to provide documentation.

### **Affirmative Outreach**

Subrecipients must make known that use of the facilities, assistance, and services are available to all on a nondiscriminatory basis. If it is unlikely that the procedures that the subrecipient intends to use to make known the availability of the facilities, assistance, and services will reach persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for those facilities and services, the recipient must establish additional procedures that ensure that those persons are made aware of the facilities, assistance, and services. The subrecipient must take appropriate steps to ensure effective communication with persons with disabilities including, but not limited to, adopting procedures that will make available to interested person's information concerning the location of assistance, services, and facilities that are accessible to persons with disabilities. Consistent with Title VI and Executive Order 13166, subrecipients are also required to take reasonable steps to ensure meaningful access to programs and activities for limited English proficiency (LEP) persons.

Subrecipients will market their program in an ongoing effort to assure that potential participants who are least likely to access the program, (without regard to race, color, national origin, sex, religion, familial status, sexual orientation, and disability) have access to the program. Subrecipients will develop, and document efforts to follow, a written strategy to provide public notice and conduct outreach to educate those least likely to access resources. At a minimum, affirmative marketing strategies will include efforts to communicate information regarding services and resources available

through the program, eligibility requirements, and information about the NM Coordinated Entry System (NMCES) and how the program participates in the NMCES.

Methods outlined in the subrecipients marketing strategy may include:

- Distributed printed materials
- Postings to agency website and/or social media accounts
- Public listings through community resource services
- Education provided to community partners

#### **Coordination with Other Targeted Homeless Services**

ESG funded programs must coordinate and integrate, to the maximum extent practicable, ESG-funded activities with other programs targeted to homeless people in the Albuquerque CoC. Efforts to coordinate with other targeted homeless services must be documented by subrecipients. These programs may include, but are not limited to:

- Continuum of Care Program (24 CFR 578)
- Section 8 Moderate Rehabilitation Program for Single Room Occupancy Program for Homeless Individuals (24 CFR 882)
- HUD—Veterans Affairs Supportive Housing (HUD–VASH) (division K, title II, Consolidated Appropriations Act, 2008, Pub. L. 110–161 (2007), 73 FR 25026 (May 6, 2008))
- Education for Homeless Children and Youth Grants for State and Local Activities (title VII–B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.))
- Grants for the Benefit of Homeless Individuals (section 506 of the Public Health Services Act (42 U.S.C. 290aa– 5))
- Healthcare for the Homeless (42 CFR part 51c)
- Programs for Runaway and Homeless Youth (Runaway and Homeless Youth Act (42 U.S.C. 5701 et seq.))
- Projects for Assistance in Transition from Homelessness (part C of title V of the Public Health Service Act (42 U.S.C. 290cc–21 et seq.))
- Services in Supportive Housing Grants (section 520A of the Public Health Service Act)
- Emergency Food and Shelter Program (title III of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11331 et seq.))
- Transitional Housing Assistance Grants for Victims of Sexual Assault, Domestic Violence, Dating Violence, and Stalking Program (section 40299 of the Violent Crime Control and Law Enforcement Act (42 U.S.C. 13975))
- Homeless Veterans Reintegration Program (section 5(a)(1) of the Homeless Veterans Comprehensive Assistance Act (38 U.S.C. 2021)
- Domiciliary Care for Homeless Veterans Program (38 U.S.C. 2043)
- VA Homeless Providers Grant and Per Diem Program (38 CFR part 61)

- Health Care for Homeless Veterans Program (38 U.S.C. 2031)
- Homeless Veterans Dental Program (38 U.S.C. 2062)
- Supportive Services for Veteran Families Program (38 CFR part 62)
- Veteran Justice Outreach Initiative (38 U.S.C. 2031)

#### **Other Federal, State, Local, and Private Assistance**

ESG funded programs must assist each program participant, as needed, to obtain other Federal, State, local, and private assistance available to assist the program participant in obtaining housing stability. Assistance provided to program participants must be documented by subrecipients.

Assistance programs include:

- Medicaid
- Supplemental Nutrition Assistance Program (SNAP)
- Women, Infants and Children (WIC)
- Federal-State Unemployment Insurance Program
- Social Security Disability Insurance (SSDI)
- Supplemental Security Income (SSI)
- Child and Adult Care Food Program
- Public housing programs
- Housing programs receiving tenant-based or project-based assistance
- Supportive Housing for Persons with Disabilities
- HOME Investment Partnerships Program
- Temporary Assistance for Needy Families (TANF)
- Health Center Program
- State Children's Health Insurance Program
- Mental Health and Substance Abuse Block Grants
- Services funded under the Workforce Investment Act

#### **Homeless Management Information System (HMIS)**

All ESG-funded programs are required to enter participants in the NM Homeless Management Information System (NM-HMIS) at first contact, reassessment, and exit, per current data standards. Programs that are specifically forbidden by other statutes or regulations (e.g., domestic violence victim service providers) must participate utilizing an approved comparable database to meet reporting requirements. Albuquerque DV Providers shall actively utilize the Osnum comparable database system and shall be in compliance with all data quality standards set forth by HUD.

All participating agencies must collect and maintain common data fields as determined by current HUD data standards in effect, and considering all relevant regulations. This requirement helps to ensure coordination between service providers through the Coordinated Entry System (NMCES), while avoiding duplication of services and client data, and provides an opportunity to document

homelessness for eligibility of assistance. Subrecipients must enter and maintain all data required to complete all reporting requirements established by HUD, the City, and the CoC. All NM-HMIS participating agencies must also adhere to the policies and procedures outlined in the NM-HMIS Standard Operating Procedures, including timely, accurate, and complete data quality management.

#### Confidentiality of Records

All ESG-funded programs must uphold all privacy protection standards established by the NM-HMIS Standard Operating Procedures and relevant federal and State of New Mexico (State) confidentiality laws and regulations that protect client records. Confidential client records may only be released with the participant's or the participant's guardian's consent, unless otherwise provided for in the pertinent laws and regulations. All required HMIS forms can be found within the NM-HMIS database program.

#### Verbal Explanation

Prior to every participant's initial assessment, ESG-funded programs must provide a verbal explanation that the participant's information will be entered into an electronic database that stores client information and an explanation of the NM-HMIS Client Consent Form terms. Participants should also be informed that they may be removed from the database at any time at their request.

#### Written Consent

After being provided a verbal explanation, each participant who agrees to have his or her personal protected information (PPI) entered into the NM-HMIS must sign the NM-HMIS Client Consent Form. Exception: verbal consent to enter PPI into the NM-HMIS may be obtained during a phone screening, outreach, or diversion, provided that the subrecipient obtains the participant's written consent at the next available opportunity. Households that do not sign the consent are entered into NM-HMIS using only an identifier number.

#### Privacy Policy

Subrecipients must establish a written privacy policy, which must be posted in a place where all participants may easily view it, and will be provided upon a participant's request.

#### **Termination of Assistance**

Subrecipients may terminate assistance to participants who violate program requirements as outlined below, in accordance with 24 CFR 576.402 (a)(b)(c).

If a program participant violates written program requirements, the subrecipient may terminate assistance in accordance with a formal process established by the subrecipient that recognizes the rights of individuals affected. The subrecipient must exercise judgment and examine all extenuating circumstances in determining when violations warrant termination so that a program participant's assistance is terminated only in the most severe cases.

When terminating rental assistance or housing relocation and stabilization services, the required formal process shall minimally consist of:

- A written notice to the program participant containing a clear statement of the reasons for termination; and
- A review of the decision, in which the program participant is given the opportunity to present written or oral objections before a person other than the person (or a subordinate of that person) who made or approved the termination decision; and
- Prompt written notice of the final decision to the program participant.

Termination does not bar the subrecipient from providing further assistance at a later date to the same family or individual.

### **Grievance**

All ESG subrecipients must create a formal standardized grievance process, which they must incorporate in their internal policy and procedures and at a minimum include:

- An established escalation process if no resolution is found through initial efforts; and
- A designated grievance liaison within the agency; and
- A standard grievance form that can be filled out and returned to a grievance liaison; and
- Participants are informed of their right to file a grievance at initial intake; and
- Participants are provided with notice of their right to contact the agency's Director, the City and/or HUD to include contact information; and
- Notice that services will not be denied based on complaints or grievances.

### **Faith-Based Activities**

Minimum standards for faith-based activities (24 CFR 576.406) are:

- Providers receiving ESG funding shall not engage in inherently religious activities as part of the ESG-funded programs or services. Such activities must be offered separately from ESG-funded programs and services and participation must be voluntary.
- A religious organization receiving ESG funding retains independence from government and may continue with its mission provided that ESG funds are not used to support inherently religious activities. An ESG-funded organization retains its authority over its internal governance.
- An organization receiving ESG funding shall not discriminate against a participant or prospective participant based on religion or religious beliefs.
- ESG funding shall not be used for the rehabilitation of structures used specifically for religious activities, but may be used for rehabilitating structures that are used for ESG eligible activities.

### **Environmental Review**

Before any funds are committed, an environmental review will be conducted of all ESG-funded grantee project site(s) to demonstrate there are no hazardous materials present that could affect the health and safety of the occupants. All ESG activities are subject to environmental review under HUD's environmental regulations in 24 CFR part 58. The subrecipient, or any contractor of the subrecipient, may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for an ESG project, or commit or expend HUD or local funds for ESG eligible activities, until an environmental review under 24 CFR part 58 has been performed and the recipient has received HUD approval of the property.

### **Homeless Representation**

Subrecipients must ensure that not less than one homeless individual or formerly homeless individual participates on the board of directors or other equivalent policymaking entity of the agency, to the extent that the entity considers and makes policies and decisions regarding any facilities, services, or other assistance that receive funding under the Emergency Solutions Grant (ESG).

If the subrecipient is unable to meet requirements outlined in the above paragraph, it must instead develop and implement a plan, approved by the City, to consult with homeless or formerly homeless individuals in considering and making policies and decisions regarding any facilities, services, or other assistance that receive funding under Emergency Solutions Grant (ESG). The plan must be included in the annual action plan required under 24 CFR 91.220.

To the maximum extent practicable, the provider must involve homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under ESG, in providing services assisted under ESG, and in providing services for occupants of facilities assisted under ESG. This involvement may include employment or volunteer services.

### **Program Evaluation**

The City and Continuum of Care will develop annual performance standards for evaluating the effectiveness of ESG program funded activities. Subrecipient performance will be evaluated annually and performance outcomes will be considered in allocating funding.

At a minimum, the performance standards will address the degree to which ESG subrecipients are succeeding in:

- Targeting those who most need assistance; and
- Reducing the number of people living on the streets or in emergency shelter; and
- Reducing the time people spend homeless; and
- Reducing program participants' housing barriers or housing stability risks; and
- Improving HUD System Performance Measures, e.g. The Longitudinal System Analysis; and
- Submitted an accurate and timely annual CAPER.

### **Street Outreach Standards**

Street Outreach should be principally focused to one goal: that of supporting persons experiencing homelessness in achieving some form of permanent, sustainable housing. While Street Outreach teams may use incentives to encourage trust and build relationships, or to ensure that homeless households' emergency needs are met, the awards made should be used with permanent housing as the end goal rather than simply seeking to alleviate the burden of living on the streets.

ESG street outreach funds may be used for costs of providing essential services necessary to reach out to unsheltered persons; connect them with emergency shelter, housing, or critical services; and provide urgent, non-facility-based care to unsheltered homeless people who are unwilling or unable to access emergency shelter, housing, or an appropriate health facility. Individuals and families shall be offered the following eligible Street Outreach activities, as needed and appropriate: engagement, case management, emergency health and mental health, transportation services (24 576.101).

#### **Target Population**

Providers of Street Outreach services shall target unsheltered homeless individuals and families, meaning those with a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground, and who would not otherwise access homeless services.

#### **NMCES**

All individuals and families served through street outreach programs should be assessed using a comprehensive, universal assessment tool, the Vulnerability Index Service Prioritization Decision Assistance Tool (VI-SPDAT), in order to make an informed and objective decision on the level of need of each family and streamline eligibility determinations. All completed assessments must be submitted to the NMCEH CES program, or entered into the NM-HMIS database in accordance with NMCES Policies and Procedures.

### **Emergency Shelter Standards**

ESG funds may be used for the costs of providing essential services to homeless families and individuals in emergency shelters, renovating buildings to be used as emergency shelter for homeless families and individuals, and operating emergency shelters. An emergency shelter is any facility with the primary purpose of providing temporary shelter for the homeless in general or for a specific population of the homeless. Emergency shelters will not require occupants to sign leases or occupancy agreements.

Shelter stays should be avoided, if possible, and when not possible, limited to the shortest time necessary to help participants regain permanent housing. Households should only be referred to ESG-funded emergency shelters after exhausting all available options for diversion. Emergency shelter programs should be closely linked to the New Mexico Coordinated Entry System (NMCES)

to ensure residents are referred to the most appropriate housing resources including, but not limited to, rapid re-housing and permanent supportive housing. Linkages should also be made to applicable mainstream resources.

### **Eligible Participants**

ESG-funded emergency shelter programs serve households that meet the definition of “homeless” as defined by HUD at 24 CFR 576.2. Households served by ESG-funded emergency shelters lack a fixed, regular, and adequate nighttime residence; cannot be served by other programs or resources; and have no other options for overnight shelter.

### **Admission**

Subrecipients must develop clear and standard policies and procedures regarding participant selection, when need exceeds available resources. Admission policies and procedures must be applied consistently for all households presenting for assistance and take into account the varying needs of people who are homeless. Emergency shelters will prioritize individuals/families that:

- Cannot be diverted; and
- Are literally homeless; and
- Can be safely accommodated in the shelter; and
- Are not in need of emergency medical or psychiatric services or are a danger to self or others.

No shelter may deny shelter based on disability status. Victims of domestic violence that are actively fleeing a domestic violence situation should be referred to a specialized domestic violence shelter, when possible, regardless of where they first access the shelter system.

### **Recordkeeping Requirements**

For shelters where program participants may stay only one night and must leave in the morning, certification of homeless status must be obtained each night. If program participants may stay more than one night, then certification of homeless status must be obtained on the first night the household stays in the shelter.

Subrecipients may document homeless status through a certification by the individual or head of household as the primary method of establishing homeless eligibility. One method of meeting this standard would be to require households to complete a sign-in sheet, with a statement at the top informing the individual or head of household that by signing, they certify that they are homeless.

Under no circumstances must the lack of third-party documentation prevent an individual or family from being immediately admitted to emergency shelter, receiving services, or being immediately admitted to shelter or receiving services provided by a victim service provider.

## **NMCES**

Subrecipients must offer all households that enter the shelter an opportunity to complete the common assessment tool for the NM Coordinated Entry System (CES) within the first seven days of their stay. The CES uses the VI-SPDAT as its common assessment tool. This will allow shelters to connect families and individuals experiencing homelessness to the most appropriate long-term housing option available through the Coordinated Entry System. All ESG-funded programs must also post notice providing information about the NM Coordinated Entry System in a place that is visible to all persons presenting for services.

### **Prohibition Against Involuntary Family Separation**

Any group of people that present together for assistance and identify themselves as a family, regardless of age or relationship or other factors, are considered to be a family and must be served together as such. Further, any shelter receiving funds under the ESG Programs, including faith-based organizations, cannot discriminate against a group of people presenting as a family based on the composition of the family (e.g. adults and children or just adults), the age of any family member, the disability status of any members of the family, marital status, actual or perceived sexual orientation, or gender identity. Further, the age and gender of a child under age 18 must not be used as a basis for denying any family's admission to any shelter receiving Emergency Solutions Grant (ESG) funding.

### **Child School Enrollment and Connection to Services**

Emergency Shelters will designate a staff person to be responsible for ensuring that children being served in the program are enrolled in school and connected to appropriate services in the community, including Title I, early childhood programs such as Head Start, and parts B and C of the Individuals with Disabilities Education Act. Subrecipients that serve households with children will post publicly, and/or provide for households with children at intake, notice of education services available within the community, and document efforts to verify that children are enrolled in school and connected to appropriate services.

### **Safety and Security**

Emergency Shelter programs must create policies and procedures that minimize barriers and follow harm-reduction methods to the maximum extent practicable, while also creating a safe environment for shelter guests and staff; policies and procedures may vary depending on the shelter population being served.

### **Length of Stay**

Emergency shelters must develop clear and standard policies and procedures regarding length of stay and discharge from the program. Policies and procedures must be applied consistently for all program participants and take into account the varying needs of people who are homeless. When

possible, people with long-term, serious disabilities should be allowed to stay until they are able to access permanent supportive housing.

### **Supportive Services**

While shelter staff may encourage trust and build relationships by discussing non-housing related topics with shelter residents, the primary purpose and ultimate goal of all resident interactions should be to ensure that participants obtain permanent housing as quickly as possible. Emergency shelter programs will connect shelter residents to other Federal, State, local, and private assistance as outlined under Standards Applicable to All Programs. Interactions that include discussion of setting or making progress towards housing goals and connection to other resources will be documented by Emergency Shelter programs.

### **Homeless Prevention & Rapid Re-Housing Standards**

Homelessness Prevention (HP) assistance includes housing relocation and stabilization services and/or short- and/or medium-term rental assistance necessary to prevent an individual or family from moving into an emergency shelter or another place described in paragraph (1) of the homeless definition in 24 CFR 576. The costs of homelessness prevention are only eligible to the extent that the assistance is necessary to help the program participant regain stability in the program participant's current permanent housing or move into other permanent housing and achieve stability in that housing.

Rapid Re-Housing (RRH) assistance includes housing relocation and stabilization services and short- and/or medium-term rental assistance to help a homeless individual or family move as quickly as possible into permanent housing and achieve stability in that housing.

Financial assistance cannot be provided to a program participant who is receiving the same type of assistance through other public sources or to a program participant who has been provided with replacement housing payments under the Uniform Relocation Act (URA), during the period of time covered by the URA payments.

### **Prioritization**

Homeless Prevention programs must target households at greatest risk of homelessness and assist participants to increase household income during enrollment. Households must be prioritized using a standardized assessment policy that is applied consistently for all households presenting for need.

Rapid Re-Housing assistance targets and prioritizes homeless families who are most in need of temporary assistance and are most likely to achieve and maintain stable housing, whether subsidized or unsubsidized, after the program concludes. All subrecipients are required to select program participants through the NMCES, in accordance with the prioritization system outlined in the Albuquerque CoC RRH Written Standards.

## **Eligible Participants**

Homelessness Prevention (HP): Individuals or families who meet the HUD criteria for the following definitions, are eligible for Homelessness Prevention assistance:

- Homeless Category 2: Imminently at-risk of homelessness
- Homeless Category 4: Fleeing/attempting to flee DV (as long as the individual or family fleeing or attempting to flee DV are not also literally homeless. If the individual or family is literally homeless, they would qualify for RRH instead.)

Rapid Re-Housing (RRH): Individuals or families who meet the HUD criteria for the following definitions are eligible for Rapid Re-Housing assistance:

- Homeless Category 1: Literally homeless
- Homeless Category 4: Fleeing/attempting to flee DV (as long as the individual or family fleeing or attempting to flee DV are, or will become, literally homeless without RRH assistance)

Additionally, individuals or families must have a total household income below 30 percent of the average median income (AMI) for the area.

## **Record Keeping Requirements**

Subrecipients must establish and follow written intake procedures to ensure compliance with HUD's definition of "homelessness" or "at risk of homelessness" and recordkeeping requirements.

### Evidence of Homeless Status

Subrecipients must make effort to obtain documentation providing evidence of homeless status in the order of priority listed below.

1. Third-Party Documentation: Source documents provided by an outside source; or records contained in an HMIS database that show shelter stays are acceptable evidence of third-party documentation and intake worker observations.
2. Intake Worker Observation: Documented certifying that subrecipient staff has physically observed the eligible living situation of the participant at program entry.
3. Self-Certification: Certification from the person seeking assistance. Subrecipient staff must also document efforts made to obtain third party documentation before allowing applicant to self-certify that they were residing in an eligible living situation at program entry.

### Individuals Residing in an Institution

For individuals residing in an institution (including a jail, substance abuse or mental health treatment facility, or hospital) for fewer than 90 days, acceptable evidence includes:

- Discharge paperwork or a written or oral referral from a social worker, case manager, or other appropriate official of the institution, stating the beginning and end dates of the time

residing in the institution that demonstrates the person resided there for less than 90 days. All oral statements must be recorded by the intake worker; or

- Certification from the person seeking assistance. Where the evidence above is not obtainable, a written record of the intake worker's due diligence in attempting to obtain the evidence described in the paragraph above and a certification by the individual seeking assistance that states that they are exiting or have just exited an institution where they resided for less than 90 days; and
- Evidence of literally homeless status prior to entry. Evidence that the individual was homeless and living in a place not meant for human habitation, a safe haven, or in an emergency shelter, and was chronically homeless prior to entry into the institutional care facility (as defined in paragraph (1) of 25 CFR 578.3) (acceptable documentation listed above).

#### Evidence of Imminent Risk of Homelessness Status

Subrecipients must make effort to obtain documentation providing evidence of at-risk of homeless status in the order of priority listed below.

1. Source Documents: Notice of termination from employment, unemployment compensation statement, bank statement, health care bill showing arrears, utility bill showing arrears.
2. Third Party Documentation: To the extent that source documents are unobtainable, a written statement by the relevant third party (e.g. former employer, public administrator, relative) or written certification by the intake staff of the oral verification by the relevant third party that the applicant meets one or both of the criteria of the definition of "at risk of homelessness."
3. Intake Worker Observation: If source documents and third-party verification are unobtainable, a written statement by intake staff describing the efforts taken to obtain the required evidence.

#### **Securing and Maintaining Housing**

Subrecipients will assist participants, to the maximum extent practicable, in reducing barriers to securing or maintaining housing, including connection to appropriate resources, efforts to resolve matters related to poor rental history or bad credit, and obtaining identification.

Subrecipients will follow Housing First Principles. Participants will not be screened out for having too little or no income, a history of or active substance abuse, a criminal record (except for state mandated restrictions, or a history of victimization from domestic violence, sexual assault, or childhood abuse. Participants will not be terminated from the program for failure to participate in supportive services outside of the required monthly meeting with a case manager, failure to make progress on a service plan, loss of income or failure to improve income, or any other activity not covered in a lease agreement typically found for unassisted persons in the City of Albuquerque.

### Rapid Re-Housing

Subrecipients will assist rapid rehousing program participants, to the maximum extent practicable, in identifying potential housing opportunities. Participants will select their own housing. Subrecipients will not restrict housing choices, or deny assistance or services based on the participant's choice to accept or deny a housing opportunity.

Subrecipients will establish clear and consistent policies and procedures that outline length of time that rapid rehousing program participants have to secure housing after program intake.

Subrecipients may grant extensions for a specific amount of time, for program participants that are actively addressing barriers to securing housing.

At program intake, Subrecipients will provide rapid rehousing program participants, in writing, of time limits for securing housing. If program participants do not secure housing within the established timeframe, they will be terminated from the program, in accordance with the subrecipients termination policy.

### **Continued Eligibility**

At a minimum, Homeless Prevention programs must re-evaluate program participant's eligibility and the types and amounts of assistance the program participant prior to the end of the second full month of rental assistance, and then not less than once every three months for the remainder of program enrollment.

Rapid Re-Housing programs must re-evaluate program participant's eligibility and the types and amounts of assistance the program participant at least once annually. Annual re-evaluation for rapid rehousing will occur prior to the end of the eleventh full month of rental assistance. To continue to receive assistance, a program participant's re-evaluation must demonstrate eligibility based on:

Lack of Resources and Support Networks. The program participant's household must continue to lack sufficient resources and support networks to retain housing without ESG program assistance.

Income Limits. In addition, both HP & RRH re-evaluation must demonstrate that the program participant's annual household income is less than or equal to 30 percent of the Area Median Income (AMI).

If a household is determined to be able to maintain permanent housing without assistance from the RRH program, the program will provide written and verbal notice to both the household and the landlord at a minimum of 30 days prior to program assistance ending.

### **Case Management**

Homelessness Prevention and Rapid Re-Housing program participants must meet with a case manager not less than once per month to assist the program participant in ensuring long-term housing stability. Additional case management will be provided on a case-by-case basis based on demonstrated need.

Case managers should work with the program participant to develop a plan to assist the program participant in retaining permanent housing after the assistance ends, taking into account all relevant considerations, such as the program participant's current or expected income and expenses, other public or private assistance for which the program participant will be eligible and likely to receive, and the relative affordability of available housing in the community. Identification of housing goals outlined in their plan should be led by the participant, with support and information provided by the case manager.

While case managers may encourage trust and build relationships by discussing non-housing related topics with participants, the primary purpose and ultimate goal of all participant interactions should be to ensure that the participant maintains permanent housing once assistance ends. Case managers will connect HP& RRH program participants to other Federal, State, local, and private assistance as outlined under Standards Applicable to All Programs. Interactions with participants will be documented in participant files, and include details about progress towards housing goals and connection to other resources.

If program participants do not meet with a case manager not less than once per month, it is the responsibility of the subrecipient to continue to attempt in engaging with the participant, in an effort to identify the cause and begin meeting with the participant. If efforts to engage the participant are unsuccessful, this must be documented in the participant's file.

Case management assistance may not exceed 30 days during the period in which the program participant is seeking permanent housing and may not exceed 24 months during the period in which the program participant is living in permanent housing. Case management assistance will also be documented in NM-HMIS in accordance with the NM-HMIS Standard Operating Procedures, or a comparable database (DV providers).

#### **Child School Enrollment and Connection to Services**

Subrecipients will designate a staff person to be responsible for ensuring that children being served in the program are enrolled in school and connected to appropriate services in the community, including Title 1, early childhood programs such as Head Start, and parts B and C of the Individuals with Disabilities Education Act. Subrecipients that serve households with children will post publicly, and/or provide for households with children at intake, notice of education services available within the community, and document efforts to verify that children are enrolled in school and connected to appropriate services.

Rapid Re-Housing programs will also take the educational needs of children into account when families are placed in housing and will, to the maximum extent practicable, place families with children as close as possible to their school of origin so as not to disrupt such children's education.

#### **Rental Assistance**

Subrecipients may provide program participants with up to 24 months of tenant-based or project-based rental assistance during any 3-year period. No program participant shall receive more than 24

months of rent during any 3-year period, administered by any CoC or ESG program within the state of New Mexico. Assistance may include any combination of short-term rental assistance (up to 3 months) and medium-term rental assistance (more than 3 months but less than 24 months). Applicants can return for rental assistance if they have received less than 24 months of rent during any 3-year period. In addition, program participants may receive funds for security deposits in an amount not to exceed two (2) months of rent.

Program participants receiving rental assistance may move to another unit or building and continue to receive rental assistance, as long as they continue to meet the program requirements. Rental assistance cannot be provided to a program participant who is already receiving rental assistance, or living in a housing unit receiving rental assistance or operating assistance through other Federal, State, or local sources.

#### Amount of Rental Assistance

It is expected that the level of assistance will be based on the goal of providing only what is necessary for each household to achieve housing stability in the long-term. Subrecipients may provide up to 100% of the cost of rent to program participants and the maximum share of rent a program participant may pay is 100%.

#### Income Verification

All program participants will provide proof of income, or to certify that they have no income at program enrollment, when they provide notice that their income has changed, or at re-evaluation of program eligibility. HP& RRH programs will complete the HUD rent calculation form to determine the maximum portion that the participant may pay toward rent, to meet utility reimbursement requirements, and to support the completion of a needs assessment. Subrecipients must follow guidelines found under 24 CFR 5.609 when calculating income.

Subrecipients must require program participants to notify them regarding changes in their income or other circumstances that affect their need for assistance (e.g. changes in household composition, stability, or support).

#### Record Keeping Requirements

The following order of priority will be followed in collecting documentation to verify income:

1. Source Documents. Source documents for the assets held by the program participant and income received over the most recent period for which representative data is available before the date of the evaluation (e.g. wage statement, unemployment compensation statement, public benefits statement, bank statement).
2. Third Party Verification. A written statement by the relevant third party (e.g. employer, government benefits administrator, or the written certification by the subrecipient's intake staff of the oral verification by the relevant third party of the income the program participant received over the most recent period for which representative data is available).

3. Self-Certification. If source documents and third-party verification are unobtainable, a written certification by the program participant of the amount of income the program participant received for the most recent period representative of the income that the program participant is reasonably expected to receive over the 3-month period following the evaluation.

#### Maximum Contribution Toward Rent

Program participants may be expected to contribute a portion of their income toward rent, in accordance with section 3(a)(1) of the U.S. Housing Act of 1937 (42 U.S.C. 1437a(a)(1)). This statute states that the household must pay the highest of:

- 30 percent of the family's monthly adjusted income (adjustment factors include the number of people in the family, age of family members, medical expenses, and child-care expenses); or
- 10 percent of the family's monthly income; or
- If the family is receiving payments for welfare assistance from a public agency and a part of the payments (adjusted in accordance with the family's actual housing costs) is specifically designated by the agency to meet the family's housing costs, the portion of the payments that is designated for housing costs.

If a household has a monthly income that covers more than the portion of rent outlined above, they will have moved past the rental assistance threshold, and should be assessed for graduation from the program.

#### Participant Contribution Toward Rent

Subrecipients must establish clear policies and procedures for determining the participant's contribution toward rent. Policies and procedures must be applied consistently to all program participants. Each program's policy must be approved by the City and adhere to one of the following methods.

1. Subrecipients may elect to require program participants to contribute the maximum portion of rent allowable beginning at program intake.
2. Subrecipients may elect to not require participants to contribute a portion of their income towards rent, until the end of their first three full calendar months after lease signing. This would require a re-evaluation and verification of income and rent calculation be completed again prior to the end of the second full month of rental assistance. Starting at the fourth month, program participants contribute the maximum portion of rent allowable.
3. Subrecipients may institute a tapering or "stepped-down" rental assistance structure so families will be confident that they can assume full responsibility of the monthly contracted rent, monthly utility costs, and other essential household costs at the end of the rental assistance period. Program participants may not be required to contribute more than the maximum portion of rent allowable outlined above.

### **VAWA Emergency Transfer Plan**

In accordance with HUD VAWA protections (24 CFR 5.2005), subrecipients will develop a written VAWA Emergency Transfer Plan, that provides participants who report that they are under actual or imminent threat with the opportunity to secure safe housing. The VAWA Emergency Transfer Plan must include the following:

#### Unit Transfer

Program participants who have complied with all program requirements during their residence and who have been a victim of domestic violence, dating violence, sexual assault, or stalking, and who reasonably believe they are imminently threatened by harm from further domestic violence, dating violence, sexual assault, or stalking (which would include threats from a third party, such as a friend or family member of the perpetrator of the violence), if they remain in the assisted unit, and are able to document the violence and basis for their belief, may retain the rental assistance and shall have priority over all other applicants. They will be moved, at their request, to another unit as quickly as possible. See recordkeeping requirements to ensure proper documentation of imminent threat of harm (24 CFR 5.2005).

#### Non-Transferring Family Members

Non-transferring family members who remain in the unit must meet the sub-recipient's program requirements for eligibility. If participants do not meet the program requirements, ESG funding may not be used. Such participants must follow the sub-recipient's exit plan and must be exited from the program in accordance to the sub-recipient's policies and procedures.

- At the time the applicant is denied assistance or admission under a covered housing program;
- At the time the individual is provided assistance or admission under the covered housing program;
- With any notification of eviction or notification of termination of assistance.

The "Notice of Occupancy Rights under the Violence Against Women Act" must be made available in multiple languages.

#### Prohibited Basis for Denial or Termination of Assistance or Eviction

An applicant for assistance through an ESG housing program may not be denied admission to, denied assistance under, terminated from participation in, or evicted from the housing on the basis or as a direct result of the fact that the applicant or tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or participant otherwise qualifies for admission, assistance, participation, or occupancy.

Program participants may not be denied tenancy or occupancy rights solely on the basis of criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking if:

- The criminal activity is engaged in by a member of the household of the tenant or any guest or other person under the control of the tenant, and

- The tenant or an affiliated individual of the tenant is the victim or threatened victim of such domestic violence, dating violence, sexual assault or stalking.

#### **Fair Market Rent**

Household rent for participants receiving ESG-funded rental assistance must not exceed the Fair Market Rent established by HUD. Current FMR and guidelines for calculating rent are available online through the following link: <https://www.huduser.gov/portal/datasets/fmr.html>.

FMR requirements do not apply when a program participant receives only financial assistance or services under HUD's Housing Stabilization and Relocation Services. This includes rental application fees, security deposits, an initial payment of "last month's rent," utility payments/deposits, and/or moving costs, housing search and placement, housing stability case management, landlord-tenant mediation, legal services, and credit repair.

#### **Rent Reasonableness**

For participants receiving rental assistance, household rent must comply with HUD's standard of rent reasonableness, meaning that the rent charged for a unit must be reasonable in relation to rents currently being charged for comparable units in the private unassisted market and must not be in excess of rents currently being charged by the owner for comparable unassisted units. These rent restrictions are intended to help ensure that program participants can remain in their housing after their assistance ends. Subrecipients will evaluate rent reasonableness at program intake and at least once annually. Documentation of rent reasonableness evaluations will be kept in participant files.

As with FMR, rent reasonableness requirements do not apply when a program participant receives only financial assistance or services under HUD's ESG Housing Stabilization and Relocation Services.

#### **Habitability Standards**

Housing for all ESG program participants receiving rental assistance must meet HUD minimum habitability standards for permanent housing. Subrecipients must document compliance with this standard by signing and completing a current Habitability Standards Checklist before the participant signs the lease and before the subrecipient provides any ESG rental assistance or services specific to the unit. In addition, subrecipients must inspect all units annually to ensure that the units continue to meet habitability standards.

#### **Lead-Based Paint Requirements**

All HUD-funded housing programs occupied by program participants are required to incorporate lead-based paint remediation and disclosure requirements. Generally, these provisions require the recipient to screen for, disclose the existence of, and take reasonable precautions regarding the presence of lead-based paint in leased or assisted units constructed prior to 1978.

ESG-funded programs are required to incorporate the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4846), and 24 CFR part 35, subparts A, B, II, J, K, M, and R in the unit.

#### **Lease Agreement**

Each program participant receiving rental assistance must have a legally binding, written lease for the rental unit. The program participant must be the tenant on a lease for a term of at least one year that is renewable and terminable only for cause. The lease must be renewable for terms that are a minimum of one month.

#### **Rental Assistance Agreement**

In addition to a lease between the program participant and the owner, the ESG interim rule also requires a rental assistance agreement between the subrecipient and the housing owner. The subrecipient may make rental assistance payments only to an owner with whom the subrecipient has entered into a rental assistance agreement.

The rental assistance agreement must set forth the terms under which rental assistance will be provided, including the requirements of ESG assistance. In addition, the rental assistance agreement must provide that, during the term of the agreement, the owner gives the subrecipient a copy of any notice to the program participant to vacate the housing unit, or any complaint used under state or local law to commence an eviction against the program participant. Finally, the rental assistance agreement must contain the same payment due date, grace period, and late payment penalty requirements as the program participant's lease. The rental assistance agreement with the owner must terminate and no further rental assistance payments under that agreement may be made if:

- The program participant moves out of the housing unit for which the program participant has a lease; or
- The lease terminates and is not renewed; or
- The program participant becomes ineligible to receive ESG rental assistance.

#### **Rent Payments**

Program participants receiving rental assistance funds pay their portion of rent directly to the landlord. The difference between the total rent and the amount paid by the program participant is then paid by the subrecipient. Subrecipients may not use ESG funds to cover the cost of the program participant's rent, if the program participant fails to pay his or her portion of rent.

Subrecipients must make timely payments to each landlord or property owner in accordance with the rental assistance agreement. All rent payments must go directly to a third-party (directly to landlord). Subrecipients are solely responsible for paying late payment penalties that are incurred with non-ESG funds.

## **Appendix A: Eligible Activities by ESG Component**

### **Street Outreach Component**

#### **Engagement**

Unsheltered persons are engaged for the purpose of providing immediate support, intervention, and connections with homeless assistance programs and/or mainstream social services and housing programs. Eligible engagement activities include:

- Making an initial assessment of needs and eligibility using the Vulnerability Index Service Prioritization Decision Assistance Tool (VI-SPDAT)
- Providing crisis counseling
- Addressing urgent physical needs, such as providing meals, blankets, clothes or toiletries
- Actively connecting and providing information and referrals to programs targeted to homeless people and mainstream social services and housing programs, including emergency shelter, transitional housing, community-based services, permanent supportive housing, and rapid re-housing programs

Eligible costs include the technology costs (such as cell phones) of outreach workers during the performance of these activities.

#### **Case Management**

Case management includes assessing housing and service needs, arranging, coordinating and monitoring the delivery of individualized services to meet the needs of the program participant. Eligible services and activities are as follows:

- Using the New Mexico Coordinated Entry System (NMCES)
- Conducting the initial VI-SPDAT
- Verifying and documenting program eligibility
- Counseling
- Developing, securing and coordinating services
- Obtaining Federal, State, and local benefits
- Monitoring and evaluating program participant progress
- Providing information and referrals to other providers
- Developing an individualized housing and service plan, including planning a path to permanent housing stability.

#### **Emergency Health Services**

Emergency health services include direct outpatient treatment of medical conditions and are provided by licensed medical professionals operating in community-based settings, including streets, parks, and other places where unsheltered homeless people are living. ESG funds may be used only for these services to the extent that other appropriate health services are inaccessible or unavailable within the area. Eligible treatment consists of:

- Assessing a program participant's health problems and developing a treatment plan
- Assisting program participants to understand their health needs
- Providing directly or assisting program participants to obtain appropriate emergency medical treatment
- Providing medication and follow-up services

#### Emergency Mental Health Services

Emergency mental health services are direct outpatient treatment by licensed professionals of mental health conditions operating in community-based settings, including streets, parks, and other places where unsheltered people are living. Mental health services are the application of therapeutic processes to personal, family, situational, or occupational problems in order to bring about positive resolution of the problem or improved individual or family functioning or circumstances. ESG funds may be used only for these services to the extent that other appropriate mental health services are inaccessible or unavailable within the community. Eligible treatment consists of:

- Crisis interventions
- The prescription of psychotropic medications
- Explanation about the use and management of medications
- Combinations of therapeutic approaches to address multiple problems

#### Transportation

Transportation includes travel by outreach workers, social workers, medical professionals, or other service providers are eligible, provided that this travel takes place during the provision of eligible Street Outreach activities. The costs of transporting unsheltered people to emergency shelters or other service families are also eligible. Eligible transportation costs include:

- The cost of a program participant's travel on public transportation
- If service workers use their own vehicles, mileage allowance for service workers to visit program participants
- The cost of purchasing or leasing a vehicle for the recipient or subrecipient which staff transports program participants and/or staff serving program participants, and the cost of gas, insurance, taxes, and maintenance for the vehicle
- The travel costs of recipient or subrecipient staff to accompany or assist program participants to use public transportation

#### Services for Special Populations

Services for special populations include services for homeless youth, victim services, and services for people living with HIV/AIDS, so long as the costs of providing these services are one of the above eligible Street Outreach activities. The "term victim services" refers to services that assist program participants who are victims of domestic violence, dating violence, sexual assault, or stalking, including services offered by rape crisis centers and domestic violence shelters, and other organizations with a documented history of effective work concerning domestic violence, dating violence, sexual assault, or stalking.

### **Emergency Shelter Component**

ESG funds may be used for costs of providing essential services to homeless families and individuals in emergency shelters, renovating buildings to be used as emergency shelter for homeless families and individuals, and operating emergency shelters.

#### Case Management

Case management includes assessing housing and service needs, arranging, coordinating and monitoring the delivery of individualized services to meet the needs of the program participant. Eligible services and activities are as follows:

- Using the New Mexico Coordinated Entry System (NMCES)
- Conducting the initial VI-SPDAT
- Verifying and documenting program eligibility
- Counseling
- Developing, securing and coordinating services
- Obtaining Federal, State, and local benefits
- Monitoring and evaluating program participant progress
- Providing information and referrals to other providers
- Developing an individualized housing and service plan, including planning a path to permanent housing stability

#### Child Care

Child care includes the costs of providing meals and snacks and comprehensive and coordinated sets of appropriate developmental activities. Children must be under the age of 13, unless they are disabled. Disabled children must be under the age of 18. In addition, the child-care center must be licensed by the jurisdiction in which it operates in order for its costs to be eligible.

#### Education Services

When necessary for the program participant to obtain and maintain housing, the costs of improving knowledge and basic educational skills are eligible. Services include instruction or training in consumer education, health education, substance abuse prevention, literacy, English as a Second Language, and General Educational Development (GED).

Component services or activities include:

- Screening
- Assessment and testing
- Individual or group instruction
- Tutoring
- The provision of books, supplies, and instructional material
- Counseling
- Referral to community resources

### Employment Assistance and Job Training

Employment assistance and job training includes:

- Classroom, online, and/or computer instruction
- On-the-job instruction
- Services that assist individuals in securing employment including:
  - Employment screening, assessment or testing
  - Structured job skills and job-seeking skills
  - Special training and tutoring, including literacy training and prevocational training
  - Books and instructional material
  - Counseling or job coaching
  - Referral to community resources
  - Acquiring learning skills that can be used to secure and retain a job, including the acquisition of vocational licenses and/or certificates
  - Increasing earning potential.
  - Reasonable stipends to program participants in employment assistance and job training

### Outpatient Health Services

Outpatient health services include the direct outpatient treatment of medical conditions that are provided by licensed medical professionals. ESG funds may be used only for these services to the extent that other appropriate health services are unavailable within the community. Eligible treatment consists of:

- Assessing a program participant's health problems and developing a treatment plan
- Assisting program participants to understand their health needs
- Providing directly or assisting program participants to obtain appropriate medical treatment, preventative care, and health maintenance services, including emergency medical services
- Providing medication and follow-up services
- Providing preventative and non-cosmetic dental care

### Legal Services

Legal services include the hourly fees for legal advice and representation by attorneys licensed and in good standing with the bar association of the State in which the services are provided, and by person(s) under the supervision of the licensed attorney, regarding matters that interfere with the program participant's ability to obtain and retain housing. Emergency Solutions Grant (ESG) funds may be used only for these services to the extent that other appropriate legal services are unavailable or inaccessible within the community. Eligible subject matters are:

- Child support
- Guardianship
- Paternity
- Emancipation

- Legal separation
- Orders of protection and other civil remedies for victims of domestic violence, dating violence, sexual assault, and stalking.
- Appeal of veterans and public benefit claim denials
- The resolution of outstanding criminal warrants

Component services or activities may include:

- Client intake
- Preparation of cases for trial
- Provision of legal advice
- Representation at hearings
- Counseling

Fees based on the actual service performed (i.e., fee for service) are also eligible, but only if the cost would be less than the cost of hourly fees. Filing fees and other necessary court costs are also eligible. If the subrecipient is a legal services provider and performs the services itself, the eligible costs are the subrecipient's employees' salaries and other costs necessary to perform the services. Legal services for immigration and citizenship matters and issues relating to mortgages are ineligible costs. Retainer fee arrangements and contingency fee arrangements are ineligible costs.

#### Life Skills Training

Life skills training includes the costs of teaching critical life management skills that may never have been learned or have been lost during the course of physical or mental illness, domestic violence, substance use, and homelessness. These services must be necessary to assist the program participant to function independently in the community. Component life skills training are:

- Budgeting resources
- Managing money
- Managing a household
- Resolving conflict
- Shopping for food and needed items
- Improving nutrition
- Using public transportation
- Parenting

#### Mental Health Services

Mental health services include the direct outpatient treatment by licensed professionals of mental health conditions. ESG funds may only be used for these services to the extent that other appropriate mental health services are unavailable or inaccessible within the community. Mental health services are the application of therapeutic processes to personal, family, situational, or occupational problems in order to bring about positive resolution of the problem or improved

individual or family functioning or circumstances. Problem areas may include family and marital relationships, parent-child problems, or symptom management. Eligible treatment consists of:

- Crisis interventions
- Individual, family, or group therapy sessions
- The prescription of psychotropic medications or explanations about the use and management of medications
- Combinations of therapeutic approaches to address multiple problems.

#### Substance Abuse Treatment

Substance abuse treatment services are designed to prevent, reduce, eliminate, or deter relapse of substance abuse or addictive behaviors and are provided by licensed or certified professionals. ESG funds may only be used for these services to the extent that other appropriate substance abuse treatment services are unavailable or inaccessible within the community. Eligible treatment consists of:

- Client intake and assessment
- Outpatient treatment for up to 30 days.

Group and individual counseling and drug testing are eligible costs. Inpatient detoxification and other inpatient drug or alcohol treatment are not eligible costs.

#### Transportation

Eligible transportation costs include a program participant's travel to and from medical care, employment, childcare, or other eligible essential services facilities. These costs include the following:

- The cost of a program participant's travel on public transportation
- If service workers use their own vehicles, mileage allowance for service workers to visit program participants
- The cost of purchasing or leasing a vehicle for the recipient or subrecipient in which staff transports program participants and/or staff serving program participants, and the cost of gas, insurance, taxes, and maintenance for the vehicle
- The travel costs of recipient or subrecipient staff to accompany or assist program participants to use public transportation.

#### Services for Special Populations

ESG funds may be used to provide services for homeless youth, victim services, and services for people living with HIV/AIDS, so long as the costs of providing these services are one of the eligible Emergency Shelter essential services listed above. The term "victim services" refers to services that assist program participants who are victims of domestic violence, dating violence, sexual assault, or stalking, including services offered by rape crisis centers and domestic violence shelters, and other organizations with a documented history of effective work concerning domestic violence, dating violence, sexual assault, or stalking.

### Shelter Operations

Shelter operations includes the costs of maintenance (including minor or routine repairs), rent, security, fuel, equipment, insurance, utilities, food, furnishings, and supplies necessary for the operation of the emergency shelter. Where no appropriate emergency shelter is available for a homeless family or individual, eligible costs may also include a hotel or motel voucher for that family or individual.

### **Homeless Prevention and Rapid Re-Housing Components**

- Homeless Prevention (HP): assistance includes housing relocation and stabilization services and short and/or medium term rental assistance necessary to prevent an individual or family from moving into an emergency shelter or another place described in paragraph (1) of the "homeless definition" in 24 CFR 576. The costs of homelessness prevention are only eligible to the extent that the assistance is necessary to help the program participant regain stability in the program participant's current permanent housing or move into other permanent housing and achieve stability in that housing.
- Rapid Re-Housing (RRI): assistance includes housing relocation and stabilization services and short- and/or medium-term rental assistance as necessary to help a homeless individual or family move as quickly as possible into permanent housing

### Housing Relocation and Stabilization Services – Financial Assistance Costs

Subject to the general conditions under the Homelessness Prevention Component (24 CFR 576.103) and the Rapid Re-Housing Assistance Component (24 CFR 576.104), ESG funds may be used to pay housing owners, utility companies, and other third parties for the following costs:

- Rental Application Fees: ESG funds may pay for the rental housing application fee that is charged by the owner to all applicants.
- Security Deposits: ESG funds may pay for a security deposit that is equal to no more than 2 months' rent.
- Last Month's Rent: If necessary to obtain housing for a program participant, the last month's rent may be paid from ESG funds to the owner of that housing at the time the owner is paid the security deposit and the first month's rent. This assistance must not exceed one month's rent and must be included in calculating the program participant's total rental assistance, which cannot exceed 24 months during any 3-year period.
- Utility Deposits: ESG funds may pay for a standard utility deposit required by the utility company for all customers for the utilities listed below (under utility payments)
- Utility Payments: ESG funds may pay for up to 24 months of utility payments per program participant, per service, including up to 6 months of utility payments in arrears, per service. A partial payment of a utility bill counts as one month. This assistance may only be provided if the program participant or a member of the same household has an account in his or her name with a utility company or proof of responsibility to make utility payments. Eligible utility services are gas, electric, water, and sewage. No program participant shall receive more than 24 months of utility assistance within any 3-year period.

- **Moving Costs:** ESG funds may pay for moving costs, such as truck rental or hiring a moving company. This assistance may include payment of temporary storage fees for up to 3 months, provided that the fees are accrued after the date the program participant begins receiving housing stabilization services and before the program participant moves into permanent housing. Payment of temporary storage fees in arrears is not eligible.

#### Housing Search & Placement Services

Assist participants in locating, obtaining, and retaining suitable permanent housing, including:

- Housing search
- Tenant counseling
- Understanding leases
- Arranging for utilities
- Making moving arrangements
- Assessment of housing barriers, needs and preferences
- Development of an action plan for locating housing
- Outreach to and negotiation with owners
- Assessment of housing for compliance with ESG requirements for habitability, lead-based paint, and rent reasonableness
- Assistance with submitting rental applications

#### Housing Stability Case Management

Assessing, arranging, coordinating, and monitoring the delivery of individualized services to facilitate housing stability for a program participant who resides in permanent housing or to assist a program participant in overcoming immediate barriers to obtaining housing by, for example:

- Conducting the initial VI-SPDAT or F-VI-SPDAT assessment, including verifying and documenting eligibility
- Using the Coordinated Entry System (NMCES)
- Counseling
- Developing, securing, and coordinating services
- Obtaining Federal, State, and local benefits
- Monitoring and evaluating program participant progress
- Providing information and referrals to other providers
- Developing an individualized housing and service plan, including planning a path to permanent housing stability
- Conducting re-evaluations

#### Mediation

Mediation between the program participant and the owner or person(s) with whom the program participant is living, provided that the mediation is necessary to prevent the program participant from losing permanent housing in which the program participant currently resides.

### Legal Services

Costs of resolving a legal problem that prohibits a program participant from obtaining or retaining permanent housing. Legal services or activities include client intake, preparation of cases for trial, provision of legal advice, representation at hearings, and counseling. Filing fees and other necessary court costs are also eligible. Legal services are subject to the following provisions:

- **Eligible Billing Arrangements:** ESG funds may be used only for legal advice from and representation by licensed attorneys and by person(s) under the supervision of licensed attorneys. Costs may be based on:
  - Hourly fees
  - Fees based on the actual service performed (i.e. fee for service), but only if the cost would be less than the cost of hourly fees
- **Ineligible Billing Arrangements:** Funds must not be used for legal advice and representation purchased through retainer fee arrangements or contingency fee arrangements.
- **Eligible Subject Matters:** Landlord/tenant matters; child support; guardianship; paternity; emancipation; legal separation; orders of protection and other civil remedies for victims of domestic violence, dating violence, sexual assault, and stalking; appeal of veterans and public benefit claim denials; resolution of outstanding criminal warrants
- **Ineligible Subject Matters:** Legal services related to immigration and citizenship matters or related to mortgages.

### Credit Repair

Credit counseling and other services necessary to assist program participants with critical skills related to household budgeting, managing money, accessing a free personal credit report, and resolving personal credit problems.

### Short-Term and Medium Term Rental Assistance

Subject to the general conditions under 24 CFR 576.103 and 24 CFR 576.104, the recipient or subrecipient may provide a program participant with up to 24 months of rental assistance during any 3-year period. This assistance may be short-term rental assistance, medium-term rental assistance, payment of rental arrears, or any combination of this assistance. Rental assistance may be tenant-based or project-based.

- **Short-Term Rental Assistance:** Short-term rental assistance is assistance for up to 3 months of rent.
- **Medium-Term Rental Assistance:** Medium-term rental assistance is assistance for more than 3 months but not more than 24 months of rent.
- **Rental Arrears:** Payment of rental arrears consists of a one-time payment for up to 6 months of rent in arrears, including any late fees on those arrears.

### HMIS Component

The HMIS component includes the costs of contributing data to the NM-HMIS. Activities funded under the HMIS component must comply with HUD's standards on participation, data collection, and reporting under a local HMIS. Eligible costs include:

- Purchasing or leasing hardware
- Purchasing software or software licenses
- Purchasing or leasing equipment, including telephones, fax machines, and furniture
- Obtaining technical support
- Leasing office space
- Paying charges for electricity, gas, water, phone service, and high-speed data transmission necessary to operate or contribute data to the HMIS
- Paying salaries for operating HMIS, including:
  - Completing data entry
  - Monitoring and reviewing data quality
  - Completing data analysis
  - Reporting to the HMIS Lead Training staff on using the HMIS or comparable database;
  - and Implementing and complying with HMIS requirements
- Paying costs of staff to travel to and attend HUD-sponsored and HUD-approved training on HMIS and programs authorized by Title IV of the McKinney-Vento Homeless Assistance Act
- Paying staff travel costs to conduct intake
- Paying participation fees charged by the HMIS Lead, if the recipient or subrecipient is not the HMIS Lead. The HMIS Lead is the entity designated by the Continuum of Care to operate the area's HMIS

If the recipient is the HMIS lead agency, it may also use ESG funds to pay the costs of:

- Hosting and maintaining HMIS software or data
- Backing up, recovering, or repairing HMIS software or data
- Upgrading, customizing, and enhancing the HMIS
- Integrating and warehousing data, including development of a data warehouse for use in aggregating data from subrecipients using multiple software systems
- Administering the system
- Reporting to providers, the Continuum of Care, and HUD
- Conducting training on using the system or a comparable database, including traveling to the training

If the subrecipient is a victim services provider or a legal services provider, it may use ESG funds to establish and operate a comparable database that collects client-level data over time (i.e., longitudinal data) and generates unduplicated aggregate reports based on the data. Information entered into a comparable database must not be entered directly into or provided to an HMIS.

### **Administrative Activities**

The City of Albuquerque does not currently fund administrative costs for ESG subrecipients.

Administrative activities do not include staff and overhead costs directly related to carrying out activities eligible under 576.101 through 576.107, because those costs are eligible as part of those activities. Below are the eligible administrative costs.

#### General Management, Oversight and Coordination

The costs of overall program management, coordination, monitoring, and evaluation are eligible administrative activities. These costs include, but are not limited to, necessary expenditures for the following:

- **Salaries, Wages, and Related Costs:** Salaries, wages, and related costs of the recipient's staff, the staff of subrecipients, or other staff engaged in program administration. In charging costs to this category, the recipient may either include the entire salary, wages, and related costs allocable to the program of each person whose primary responsibilities with regard to the program involve program administration assignment, or the pro rata share of the salary, wages, and related costs of each person whose job includes any program administration assignments. The recipient may use only one of these methods for each fiscal year grant. Program administration assignments include the following:
  - Preparing program budgets and schedules, and amendments to those budgets and schedules
  - Developing systems for assuring compliance with program requirements
  - Developing interagency agreements and agreements with subrecipients and contractors to carry out program activities
  - Monitoring program activities for progress and compliance with program requirements
  - Preparing reports and other documents directly related to the program for submission to HUD
  - Coordinating the resolution of audit and monitoring findings
  - Evaluating program results against stated objectives
  - Managing or supervising persons whose primary responsibilities with regard to the program include such assignments as those described above

Also eligible are travel costs incurred for monitoring of subrecipients as well as administrative services performed under third-party contracts or agreements (including general legal services, accounting services, and audit services) and other costs for goods and services required for administration of the program (including rental or purchase of equipment, insurance, utilities, office supplies, and rental and maintenance (but not purchase) of office space).

- **Training on ESG Requirements:** Eligible costs include those of providing training on ESG requirements and attending HUD-sponsored ESG trainings.
- **Consolidated Plan:** Eligible costs include those of preparing and amending the ESG and homelessness-related sections of the consolidated plan in accordance with ESG requirements and 24 CFR Part 91.

- Environmental Review: Eligible costs include those of carrying out the environmental review responsibilities under 24 CFR 576.407.

## **Appendix B: HUD Definition of Homelessness**

### **Category 1: Literally Homeless**

Individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning:

- Has a primary nighttime residence that is a public or private place not meant for human habitation; or
- Is living in a publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, state and local government programs); or
- Is exiting an institution where (s)he has resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution.

### **Category 2: Imminent Risk of Homelessness**

Individual or family who will imminently lose their primary nighttime residence, provided that:

- Residence will be lost within 14 days of the date of application for homeless assistance
- No subsequent residence has been identified; and
- The individual or family lacks the resources or support networks needed to obtain other permanent housing

### **Category 3: Homeless Under Other Federal Statutes**

Unaccompanied youth under 25 years of age, or families with children and youth, who do not otherwise qualify as homeless under this definition, but who:

- Are defined as homeless under the other listed federal statutes;
- Have not had a lease, ownership interest, or occupancy agreement in permanent housing during the 60 days prior to the homeless assistance application;
- Have experienced persistent instability as measured by two moves or more during the preceding 60 days; and
- Can be expected to continue in such status for an extended period of time due to special needs or barriers.

### **Category 4: Fleeing/Attempting to Flee DV**

Any individual or family who:

- Is fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking;
- Has no other residence; and
- Lacks the resources or support networks to obtain other permanent housing

## **Appendix C: HUD Definition of “At Risk of Homelessness”**

### **Category 1: Individuals and Families**

An individual or family who:

Has an annual income below 30% of the median family income for the area; and

Does not have sufficient resources or support networks immediately available to prevent them from moving to an emergency shelter or another place defined in Category 1 of the “homeless” definition; and

Meets one or more of the following risk factors:

- Has moved because of economic reasons two or more times during the 60 days immediately preceding the application for assistance; or
- Is living in the home of another because of economic hardship; or
- Has been notified that their right to occupy their current housing or living situation will be terminated within 21 days after the date of application for assistance; or
- Lives in a hotel or motel and the cost is not paid for by charitable organizations or by Federal, State, or local government programs for low-income individuals; or
- Lives in an SRO or efficiency apartment unit in which there reside more than 2 persons or lives in a larger housing unit in which there reside more than one and a half persons per room; or
- Is exiting a publicly funded institution or system of care.

### **Category 2: Unaccompanied Children and Youth**

A child or youth who does not qualify as homeless under the homeless definition, but qualifies as homeless under another Federal Statute.

### **Category 3: Families with Children and Youth**

An unaccompanied youth who does not qualify as homeless under the homeless definition, but qualifies as homeless under section 725(2) of the McKinney-Vento Homeless Assistance Act, and the parent(s) or guardian(s) or that child or youth if living with him or her.

---

#### **Appendix D: ESG-CV Policies & Procedures Information**

The City of Albuquerque Department of Health, Housing & Homelessness will utilize the ESG Policies & Procedures for any ESG-CV funds that are awarded. ESG-CV funded projects will operate under the same ESG guidelines in order to ensure funds are being utilized correctly and efficiently according to HUD practices.

**Instructions for the HUD 424-B Assurances and Certifications**

As part of your application for HUD funding, you, as the official authorized to sign on behalf of your organization or as an individual, must provide the following assurances and certifications. The Responsible Civil Rights Official has specified this form for use for purposes of general compliance with 24 CFR §§ 1.6, 3.115, 8.50, and 146.25, as applicable. The Responsible Civil Rights Official may require specific civil rights assurances to be furnished consistent with those authorities and will specify the form on which such assurances must be made. A failure to furnish or comply with the civil rights assurances contained in this form may result in the procedures to effect compliance at 24 CFR §§ 1.8, 3.115, 8.57, or 146.38.

By submitting this form, you are stating that all assertions made in this form are true, accurate, and correct.

As the duly representative of the applicant, I certify that the applicant: (Insert below the Name and Title of the Authorized Representative, name of Organization and the date of signature):

\*Authorized Representative Name:

Timothy M. Keller

\*Title: Mayor

\*Applicant/Recipient Organization:

City of Albuquerque

1. Has the legal authority to apply for Federal assistance, has the institutional, managerial and financial capability (including funds to pay the non-Federal share of program costs) to plan, manage and complete the program as described in the application and the governing body has duly authorized the submission of the application, including these assurances and certifications, and authorized me as the official representative of the application to act in connection with the application and to provide any additional information as may be required.

2. Will administer the grant in compliance with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(d)) and implementing regulations (24 CFR part 1), which provide that no person in the United States shall, on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any program or activity that receives Federal financial assistance OR if the applicant is a Federally recognized Indian tribe or its tribally designated housing entity, is subject to the Indian Civil Rights Act (25 U.S.C. 1301-1303).

3. Will administer the grant in compliance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and implementing regulations at 24 CFR part 8, the American Disabilities Act (42 U.S.C. §§ 12101 et seq.), and implementing regulations at 28 CFR part 35 or 36, as applicable, and the Age Discrimination Act of 1975 (42 U.S.C. 6101-07) as amended, and implementing regulations at 24 CFR part 146 which together provide that no person in the United States shall, on the grounds of disability or age, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance; except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.

4. Will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and the implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion, sex, disability, familial status, or national origin and will affirmatively further fair housing; except an applicant which is an Indian tribe or its instrumentality which is excluded by statute from coverage does not make this certification; and further except if the grant program authorizes or limits participation to designated populations, then the applicant

will comply with the nondiscrimination requirements within the designated population.

5. Will comply with all applicable Federal nondiscrimination requirements, including those listed at 24 CFR §§ 5.105(a) and 5.106 as applicable.

6. Will not use Federal funding to promote diversity, equity, and inclusion (DEI) mandates, policies, programs, or activities that violate any applicable Federal anti-discrimination laws.

7. Will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601) and implementing regulations at 48 CFR part 24 and, as applicable, Section 104(d) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(d)) and implementing regulations at 24 CFR part 42, subpart A.

8. Will comply with the environmental requirements of the National Environmental Policy Act (42 U.S.C. 4321 et seq.) and related Federal authorities prior to the commitment or expenditure of funds for property.

9. That no Federal appropriated funds have been paid, or will be paid, by or on behalf of the applicant, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, and officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding of this Federal grant or its extension, renewal, amendment or modification. If funds other than Federal appropriated funds have or will be paid for influencing or attempting to influence the persons listed above, I shall complete and submit Standard Form-LLL, Disclosure Form to Report Lobbying. I certify that I shall require all subawards at all tiers (including sub-grants and contracts) to similarly certify and disclose accordingly. Federally recognized Indian Tribes and tribally designated housing entities (TDHEs) established by Federally-recognized Indian Tribes as a result of the exercise of the tribe's sovereign power are excluded from coverage by the Byrd Amendment, but State-recognized Indian tribes and TDHEs established under State law are not excluded from the statute's coverage.

I/We, the undersigned, certify under penalty of perjury that the information provided above is true, accurate, and correct. **WARNING:** Anyone who knowingly submits a false claim or makes a false statement is subject to criminal and/or civil penalties, including confinement for up to 5 years, fines, and civil and administrative penalties. (18 U.S.C. §§287, 1001, 1010, 1012, 1014; 31 U.S.C. §3729, 3802; 24 CFR §28.10(b)(1)(iii)).

**Instructions for the HUD 424-B Assurances and Certifications**

As part of your application for HUD funding, you, as the official authorized to sign on behalf of your organization or as an individual, must provide the following assurances and certifications. The Responsible Civil Rights Official has specified this form for use for purposes of general compliance with 24 CFR §§ 1.5, 3.115, 8.59, and 146.25, as applicable. The Responsible Civil Rights Official may require specific civil rights assurances to be furnished consistent with those authorities and will specify the form on which such assurances must be made. A failure to furnish or comply with the civil rights assurances contained in this form may result in the procedures to effect compliance at 24 CFR §§ 1.8, 3.115, 8.57, or 146.38.

By submitting this form, you are stating that all assertions made in this form are true, accurate, and correct.

As the duly representative of the applicant, I certify that the applicant: (Insert below the Name and Title of the Authorized Representative, name of Organization and the date of signature):

\*Authorized Representative Name:

Timothy M. Keller

\*Title: Mayor

\*Applicant/Recipient Organization:

City of Albuquerque

1. Has the legal authority to apply for Federal assistance, has the institutional, managerial and financial capability (including funds to pay the non-Federal share of program costs) to plan, manage and complete the program as described in the application and the governing body has duly authorized the submission of the application, including these assurances and certifications, and authorized me as the official representative of the application to act in connection with the application and to provide any additional information as may be required.

2. Will administer the grant in compliance with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(c)) and implementing regulations (24 CFR part 1), which provide that no person in the United States shall, on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any program or activity that receives Federal financial assistance OR if the applicant is a Federally recognized Indian tribe or its tribally designated housing entity, is subject to the Indian Civil Rights Act (25 U.S.C. 1301-1303).

3. Will administer the grant in compliance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and implementing regulations at 24 CFR part 8, the American Disabilities Act (42 U.S.C. §§ 12101 et seq.), and implementing regulations at 28 CFR part 35 or 36, as applicable, and the Age Discrimination Act of 1975 (42 U.S.C. § 6101-07) as amended, and implementing regulations at 24 CFR part 146 which together provide that no person in the United States shall, on the grounds of disability or age, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance; except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.

4. Will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and the implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion, sex, disability, familial status, or national origin and will affirmatively further fair housing; except an applicant which is an Indian tribe or its instrumentality which is excluded by statute from coverage does not make this certification; and further except if the grant program authorizes or limits participation to designated populations, then the applicant

will comply with the nondiscrimination requirements within the designated population.

5. Will comply with all applicable Federal nondiscrimination requirements, including those listed at 24 CFR §§ 5.105(a) and 5.106 as applicable.

6. Will not use Federal funding to promote diversity, equity, and inclusion (DEI) mandates, policies, programs, or activities that violate any applicable Federal anti-discrimination laws.

7. Will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601) and implementing regulations at 49 CFR part 24 and, as applicable, Section 104(d) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(d)) and implementing regulations at 24 CFR part 42, subpart A.

8. Will comply with the environmental requirements of the National Environmental Policy Act (42 U.S.C. 4321 et seq.) and related Federal authorities prior to the commitment or expenditure of funds for property.

9. That no Federal appropriated funds have been paid, or will be paid, by or on behalf of the applicant, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, and officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding of this Federal grant or its extension, renewal, amendment or modification. If funds other than Federal appropriated funds have or will be paid for influencing or attempting to influence the persons listed above, I shall complete and submit Standard Form-L.L., Disclosure Form to Report Lobbying. I certify that I shall require all subawards at all tiers (including sub-grants and contracts) to similarly certify and disclose accordingly. Federally recognized Indian Tribes and tribally designated housing entities (TDHEs) established by Federally-recognized Indian tribes as a result of the exercise of the tribes sovereign power are excluded from coverage by the Byrd Amendment, but State-recognized Indian tribes and TDHEs established under State law are not excluded from the statute's coverage.

I/We, the undersigned, certify under penalty of perjury that the information provided above is true, accurate, and correct. **WARNING:** Anyone who knowingly submits a false claim or makes a false statement is subject to criminal and/or civil penalties, including confinement for up to 5 years, fines, and civil and administrative penalties. (18 U.S.C. §§287, 1001, 1010, 1012, 1014; 31 U.S.C. §3729, 3802; 24 CFR §28.10(b)(1)(iii)).

**Affirmatively Further Fair Housing** --The jurisdiction will affirmatively further fair housing.

**Uniform Relocation Act and Anti-displacement and Relocation Plan** -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

**Anti-Lobbying** --To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-L.L.I., "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

**Authority of Jurisdiction** --The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

**Consistency with plan** --The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction's consolidated plan.

**Section 3** -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 75.

### Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

**Citizen Participation** -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

**Community Development Plan** -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

**Following a Plan** -- It is following a current consolidated plan that has been approved by HUD.

**Use of Funds** -- It has complied with the following criteria:

1. **Maximum Feasible Priority.** With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. **Overall Benefit.** The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2025, 2026, 2027 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. **Special Assessments.** It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

**Excessive Force** -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

**Compliance with Anti-discrimination laws** -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

**Lead-Based Paint** -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

**Compliance with Laws** -- It will comply with applicable laws.

**Specific HOME Certifications**

The HOME participating jurisdiction certifies that:

**Tenant Based Rental Assistance** -- If it plans to provide tenant-based rental assistance, the tenant-based rental assistance is an essential element of its consolidated plan.

**Eligible Activities and Costs** -- It is using and will use HOME funds for eligible activities and costs, as described in 24 CFR §§92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in §92.214.

**Subsidy layering** -- Before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing;

## Emergency Solutions Grants Certifications

The Emergency Solutions Grants Program recipient certifies that:

**Major rehabilitation/conversion/renovation** – If an emergency shelter's rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation.

If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion.

In all other cases where ESG funds are used for renovation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

**Essential Services and Operating Costs** – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the recipient will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the recipient serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

**Renovation** – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

**Supportive Services** – The recipient will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal, State, local, and private assistance available for these individuals.

**Matching Funds** – The recipient will obtain matching amounts required under 24 CFR 576.201.

**Confidentiality** – The recipient has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

**Homeless Persons Involvement** – To the maximum extent practicable, the recipient will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

**Consolidated Plan** – All activities the recipient undertakes with assistance under ESG are consistent with its consolidated plan.

**Discharge Policy** – The recipient will establish and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.
