Image 1

Common Room: A photo of a common living room with grouping of chairs, and couches surrounding a TV. A bookshelf has plants, books, and informational materials.

Image 2

Sleeping area: A semi-private sleeping area separated by blue half-walls. The bed is made and personal effects are arranged on a dresser and side table.

Image 3

Bathroom: A large, brightly lit bathroom with visible sinks and changing areas.

Image 4

Computer bank: Three computers sit on a counter with three chairs tucked in.

Image 5,

Commercial warming kitchen: stainless steel countertops and food service area. Commercial size refrigerators, sink, and warming devices are visible.

Image 6

Laundry: Two large white washing machines and four dryers are stacked on top of each other. There is also countertop space for folding clothes.

Image 7

Gibson Health Hub North Side: A view of the North side of the Gibson Health Hub, a five-story building with a flagpole next to a drop-off lane.

Image 8

Floor plan: A floor plan showing three sleeping areas with 18-22 beds each, a common area, a dining area, a large bathroom that has showers, toilets, and a getting-ready area. There is also a hallway that connects the common space to an office area

Image 9

Exterior: An architectural rendering of the enclosed outside space on the south side of the building with grass, picnic tables, shade structures, and a drop off lane for vehicles.
