AGREEMENT

0. RECITALS

0.1 Preamble

0.1.1 The parties agree that their respective policies will not violate the rights of any employee covered by this Agreement because of race, age, sex, creed, color, national origin, union, or non-union affiliation. Neither party will tolerate sexual harassment. The parties further agree that they will comply with the Americans with Disabilities Act, the City of Albuquerque Administrative Instruction 7-18 and the Personnel Rules and Regulations.

0.1.2 The general purpose of this Agreement is to provide for orderly and constructive employee relations in the public interest, and in the interest of all employees herein covered, and in the interest of the City, to maintain harmony, cooperation, and understanding between the Employer and the employees in the Unit; and to afford protection of the rights and privileges of all employees in the Unit and the Employer; and to insure the continued delivery of services to the citizens of Albuquerque.

0.1.3 The City, the Union, and its members agree that every effort will be made to administer and abide by this Agreement in accordance with the true intent of its terms and provisions to the end of maintaining sound labor management relations.

0.1.4 The Union shall not file a grievance or entertain a grievance filed that only cites paragraphs 0.1.2 and/or 0.1.3 of this section in the grievance.

0.2 Authority

0.2.1 This Agreement has been made and entered into between the CITY OF ALBUQUERQUE (hereinafter referred to as the "Employer" or the "City") and AFSCME LOCAL 2962, the ALBUQUERQUE CLERICAL AND TECHNICAL EMPLOYEES, (hereinafter referred to as the "Union").

0.3 Scope of Agreement

0.3.1 This Agreement relates to the employees of the City in the designated collective bargaining unit. The parties do hereby acknowledge that this Agreement represents an amicable understanding reached by both parties as the result of negotiations of the parties as provided in the City of Albuquerque Labor- Management Relations Ordinance or as amended.

0.3.2 This Agreement replaces in its entirety any and all previous Agreements and represents the only Agreement of the parties hereto. Neither party has an obligation to open negotiations prior to 60 days before the expiration of this Agreement on any issue that is incorporated into this Agreement or is not addressed by this Agreement. However, by mutual Agreement, the parties may open negotiations at any time.

0.3.3 Under normal circumstances, the Union will be given prior notice of proposed changes in the City or department wide written policies that directly affect bargaining unit employees' working conditions. The Union will be given no less than five (5) working days from the time of notice to provide input. This input period may or may not delay implementation, but may require revision or cancellation of the originally proposed policy. The parties may agree to extend time limits by mutual consent. This commitment shall not be interpreted in a manner that limits the City's responsibility to meet and confer in good faith with the Union prior to implementing any change in terms or conditions of employment.

0.3.4 The Union will provide input through the Office of Human Resources or Department on changes to policies, rules, and handbooks.

0.4 Recognition

0.4.1 The City recognizes the Union as the sole and exclusive bargaining representative in all matters pertaining to wages and salaries, hours, working conditions, and all terms and conditions of employment for employees in the Unit described in this "Agreement". The City recognizes the Union as the exclusive bargaining agent for all permanent, non-probationary, full-time and part-time C-Series employees pursuant to the Labor- Management Relations Ordinance.

0.4.2 The City agrees to identify the confidential positions in the C-Series and exclude those positions from the C-Series.

0.4.3 This Agreement will take precedence over any conflicts with the Merit System Ordinance, the Albuquerque Police Department Standard Operating Procedures, Fire Department Operating Procedures (SOP), or Personnel Rules and Regulations except those provisions protected by the Labor-Management Relations Ordinance. It is understood that this Agreement does not supersede the City of Albuquerque Labor-Management Relations Ordinance and that the Management Relations Ordinance controls where a conflict exists.

0.4.4 All benefits to permanent part-time non-probationary employees will be on a prorated basis.

1.2 Dues Checkoff

1.2.1 During the life of this Agreement and upon receipt of a voluntary authorization for dues deduction card, the City will deduct from the pay of each employee who has executed an authorization card, membership dues levied by the Union in accordance with its constitution and by-laws.

1.2.2 Employees promoted to a position outside the bargaining unit will be automatically withdrawn from Union membership by Personnel Action Form, P-I, processed by the City.

1.2.3 Employees wishing to terminate dues deduction may do so during the first week of January and July. The Union will provide dues deduction and termination cards. Termination cards must be signed by the Union President or designated local officer, then forwarded to payroll for processing within one (1) workweek of receipt.

1.2.4 The City agrees to forward to the Local Union all dues withheld pursuant to valid authorization cards. The Local Union shall designate in writing to the City where the dues shall be sent.

1.2.5 The City agrees that the City Payroll Division will process the voluntary authorization for dues deduction cards by current pay period, and will notify Local Union 2962 of the new member status on the bi-weekly membership roster.

1.2.6 The Union shall indemnify, defend and save the City harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or as a result of any conduct taken by the City for the purpose of complying with this section.

1.3 Union Rights

1.3.1 The employer agrees that Union Officers, staff representatives, and stewards shall have reasonable access to the premises of the Employer after giving appropriate notice and obtaining approval from management in charge of the specific work area. Such visitations shall be for the purpose of administering this Agreement. The Union agrees that such activities shall not interfere with the operational requirements of the Employer. The Employer will designate a meeting place or will provide a representative to accompany Union officials where significant security requirements exist. Union staff representatives or local Union representatives may request meetings as needed to prevent, clarify or resolve a problem.

1.3.2 The amount of .14% was set aside from the three percent (3%) appropriated by the City for salary increases in FY 2015, in order to fund the cost of Union Time for the following AFSCME collective bargaining units: Local 624 (Transit), Local 624 (Blue Collar), Local 1888, and Local 2962. The recurring funds to cover the cost of Union Time shall be replenished in the amount of \$131,000; this pool shall be calculated using the actual burdened wage rate of the union representative using the time (to include employee insurance, PERA, Retiree Health, Employer FICA portion, Life Insurance, Insurance Admin Fee, and unemployment compensation). The Employer will provide, upon request up to six (6) times per fiscal year, the balance expended and remaining on the set aside fund; the Employer will provide, upon request up to two (2) times per year, hours/expenditures by employee.

Only union representatives identified and authorized by the union in advance are allowed to draw on the pool of union time. The union shall maintain a current list of authorized union representatives with the City. In extenuating circumstances, the parties may authorize the addition of representatives to draw from the pool. Union Stewards shall, after approval from their supervisor, be allowed reasonable time off to represent

employees in their department. Union Stewards shall, after approval from the Office of Employee Relations, be allowed reasonable time off to represent employees in other departments with no steward currently serving. Such approval shall not be unreasonably withheld.

All requests for Union Time under this subsection must be made within two (2) City Business Days. City Business Days throughout this contract are defined as, Monday through Friday, excluding Holidays recognized by the CAO. Where the employer sets a meeting for which Union Time may be used (for predetermination hearings and grievance hearings), but provides the employee with less than five (5) business days' notice, the Employer shall allow the Union to use Union Time for such an event. Where the Employer sets an investigatory meeting for which Union time may be used, 24-hours advanced notice will be provided by the Employer. The Employer shall grant Union Time for Union Representatives to attend these meetings. Parties may waive these deadlines upon mutual agreement.

At any time funds allocated for Union Time become exhausted, authorized union representatives may utilize vacation, compensatory time or elect to take leave without pay to conduct union business with the appropriate amount of advanced notice subject to the supervisor's approval.

For Union Presidents. Union business is defined as business performed by designated union representatives which facilitates the applications of this agreement, assists in employee management matters, resolves conflicts, assists in positive labor/management relations between Employees and the City or which involves matters directly related to representation of the bargaining unit members which are also beneficial to the City of Albuquerque. This shall include preparation for and attendance of pre-determination hearings, grievances, meetings scheduled between the Union and the City, Labor Board filings, and Personnel Board filings. In their absence, Union Presidents may designate persons to use president's time. Union time performed by the President (only) within the President's regularly scheduled forty (40) hour workweek will count toward the calculation of overtime. The President will not enter time for union time performed outside the President's regularly scheduled forty (40) hour workweek. The Union set-aside will compensate the President for union time performed during the President's regularly scheduled forty (40) hour workweek; City funds will compensate the President for overtime. (For instance, if a President worked twelve (12) hours overtime, and all that time was union time, then twelve (12) hours would be paid from the set aside, and six (6) hours from City funds.

For an authorized union representative designated by the Union President, Union business is defined as attending a predetermination hearing requested by a bargaining unit employee or an arbitration/Labor board hearing, or other matters directly affecting employees represented by the union. Unless otherwise approved by the Human Resources Officer, one (1) steward shall be granted Union time leave with pay for any single hearing.

President's Time Local 2962 Clerical and Technical Employees. The Union President or his/her designee shall be allowed a total of up to 20 hours per week to perform Union business.

1.3.3 Local Union officers and stewards may be allowed sufficient time off without pay for legitimate Union business such as Union membership meetings, conventions, conferences, workshops, etc. Upon approval, the employees shall have the option of utilizing any accumulated vacation time in lieu of taking such leave without pay. Such approval shall not be unreasonably withheld, nor shall it be considered unreasonable for management to deny such approval when in the opinion of management, production or staffing requirements are affected by such absence.

1.3.4 The City may provide up to a one-year leave of absence for the purpose of performing Union related duties on a full-time basis.

1.3.5 Any representation other than those rights set forth above in this section by City employees other than the designated representatives is to be performed during non-duty hours or while on vacation time. Any request for vacation time under this section must be approved in advance in accordance with City and department policies and procedures. If the President is to attend interviews or a proceeding on one of his two (2) regularly scheduled days off, then the President may take off from work one of his two (2) regularly scheduled shifts during which he does all union business. This agreement is limited to eight (8) hours per week in a block. The President will notify the person to whom he reports of the exchange as soon as possible.

1.3.6 A bulletin board and space shall be furnished by the City for the posting of official Union notices and other information except religious, partisan politics, derogatory or discriminatory notices. The bulletin board will not be used to criticize the Union, any Union policies, any Union officials, management, any management policies or any management employees.

1.3.7 The City agrees to notify the Union President or designee and all City employees in the bargaining unit of nominations, elections or appointments of individuals to the Personnel Board, Labor-Management Relations Board, Substance Abuse Policy Review and Appeals Board and other committees that may be formed within the life of this contract.

1.3.7.1 Furthermore, the City agrees to allow the Union to serve as official observer of the elections and the tabulation of the election results.

1.4 Employer Rights

1.4.1. The parties incorporate by reference the City Rights set forth in Sections 3-2-5 and 3-2-7 of the City's Labor-Management Relations Ordinance.

1.5.2 The Union and the City shall conduct Labor/Management meetings at a mutually agreed time and place.

1.5.3 Labor-Management meetings will include at least two (2) Union representatives. Additional union attendees will be mutually agreed upon by the City and the Union.

1.5.4 Union officers and stewards shall have reasonable access to the premises of the City department after receiving prior approval from the supervisor in charge. Prior approval shall not be unreasonably denied. Such visitations shall be for the purpose of administering this Agreement. The Union agrees that such activities may not interfere with the operational requirements of the department. The department will designate a meeting place or provide a representative to accompany a Union official or staff representative where significant security requirements exist. Union officers and/or stewards may request meetings as needed to prevent, clarify or resolve a problem.

2.3 Overtime

2.3.1 As a condition of employment, employees may be required to work overtime. Overtime work is generally discouraged. Employees shall be paid at the rate of time and one-half (1-1/2) for all hours worked in excess of forty (40) hours per week.

2.3.2 For the purpose of computing overtime, paid leave will be considered time worked.

2.3.3 Employees required to work on holidays will be paid regular holiday pay plus time and one-half (1-1/2) for the hours actually worked.

2.3.4 A meal period of thirty (30) minutes on non-pay status shall be offered to employees required to work more than two (2) hours beyond their regular shift.

2.3.5 In case of a declared emergency by the Mayor or CAO, employees will work as assigned.

2.3.6 Each section, or division where sections do not exist, shall maintain a class seniority list in descending order where the most senior employee is listed first. If overtime is required in a division or section, the division manager or supervisor shall schedule overtime to employees in classification by seniority on a rotational basis, unless the division manager or supervisor determines in good faith that the overtime assignment requires specific job skills/license/experience that warrant the assignment of an employee who may not be the most senior. Qualified employees shall be offered overtime work on a rotational basis from the seniority list. The first employee on the list shall be the first to be offered overtime. If any employees on the list have been offered the opportunity to work overtime and they decline the offer, these employees will be placed at the bottom of the voluntary overtime list for that day. If all employees on the list decline overtime work, the division manager or supervisor shall assign overtime on a rotational basis in reverse order of the class seniority list.

2.3.6.1 Overtime in the APD Emergency Communications Center

The Parties agree that these terms are applicable only to bargaining unit employees at the APD Emergency Communications Center and only for Involuntary Overtime.

2.3.6.1.1 Management will maintain a list of the mandatory/forced overtime shifts for all employees. This list will be based on the six (6) month shift bid. Employees will be credited for mandatory overtime shifts worked as follows: Employees who work mandatory overtime up to four (4) hours past their normal shift will be credited for one (1) mandatory overtime shift assignment, not to be confused with pay; Employees who are mandated to work more than four (4) hours past their normal shift will be credited with two (2) mandatory overtime shift assignments, again not to be confused with pay.

2.3.6.1.2 Mandatory/forced overtime will be assigned to the employee with the lowest number of credited mandatory shifts completed, with seniority being the tie-breaker.

2.3.6.1.3 An employee who is required to perform at least seven (7) hours of mandatory/forced overtime will be allowed to cancel, without penalty, any voluntary overtime shift scheduled within the twenty-four (24) hours following the mandated shift, so long as notification is made prior to completion of the mandatory shift.

2.3.6.1.4 No employee will be required to work more than sixteen (16) hours in a twenty-four (24) hour period.

2.3.6.1.5 When business needs permit, the employee forced to work mandatory/forced overtime for the second half of a shift will be given an option to work the first half of the shift as voluntary overtime.

2.3.6.1.6 An employee shall not be required to work three (3) or more involuntary overtime shifts of more than four (4) hours in consecutive work days.

2.3.7 Overtime work assignments which are immediately adjacent to the end of a work shift will first be offered to the employees who are currently on duty performing the work at the end of the regular shift. Overtime work assignments, which immediately follow the end of a work shift, will first be assigned to the employees who are performing the work at the end of the regular shift.

2.3.8 Employees who decline to work two (2) voluntary overtime assignments during a calendar quarter may be removed from the voluntary overtime list for the duration of the quarter at the discretion of management. Disputes regarding the removal of an employee from the voluntary overtime list will be addressed through the Human Resources for resolution.

2.3.9 Rotation of overtime assignments means rotation among employees who volunteered and are qualified to perform the work.

2.4 Compensatory Time

2.4.1 Employees who are required to work overtime in excess of their normal 40-hour work week may choose one and one-half time payment or one and one-half time compensatory time. The employee must make this choice prior to working the overtime assignment.

2.4.2 Employees will be allowed to accrue a maximum of 84 hours (56 hours at one and one-half time) of compensatory time. Approved compensatory time will be used on a first-in, first-out basis, with a maximum retention period of 365 days. Compensatory time not used within 365 days from the date it was accumulated will be paid at the employee's current hourly rate and will be deducted from their compensatory time accruals. For purposes of computing overtime, paid compensatory time is not considered as time worked.

2.4.3 Employees who have compensatory time shall, upon termination of employment, be paid for the unused compensatory time at their current rate of pay if it cannot be scheduled and taken prior to the termination date.

2.5 Pay Equity

2.5.1 The City and the Union (the Parties) desire to ensure that employees, including bargaining unit members, are compensated equitably for their work and have a process to recommend to the Chief Administrative Officer (CAO) changes in pay rates. The final decision to change pay rates is with the CAO. If one or more bargaining unit employee(s) is paid less than one or more employee(s) who holds the same job title, the CAO may increase, but not decrease, the pay rate of the lesser paid employee(s) at the CAO's discretion. Increases shall be only at the steps set forth in this Contract. Failure to provide such an increase shall not be grievable, except as below.

When the Wage Review Committee makes a recommendation for a bargaining unit employee(s) to the CAO to increase the pay rate of one or more bargaining unit employee(s), the Wage Review Committee's recommendation, comparable employee information, and supporting documentation, excluding any privileged material, will be provided at the same time to the Local President and AFSCME Staff Representative by email. For ten (10) business days, the Local President or Staff Representative may provide written comments or a recommendation to the CAO or her designee regarding the recommended increase. After receiving the written comments or recommendation from the Local President and/or Staff Representative, or the expiration of the ten (10)

business days, the CAO may decide in her discretion to implement or not implement a wage increase. The time limit herein for the Union to submit its comments may be extended by mutual agreement of the Parties.

If the Union does not offer written comments or a recommendation within the 10 business days, and the CAO accepts or denies the recommendation, the Union has waived its right to grieve. If the Union offers a written recommendation and the CAO accepts, the Union will not file a grievance. If the CAO does not increase any employee's pay, the Union will not file a grievance. If the CAO's decision differs from the Union's recommendation and results in an increase, the Union President or Staff Representative may grieve. If the CAO decides to increase the pay of some employees but not others in one decision, and the Union recommended an increase in pay for the employees that did not receive an increase in that decision, then the Union President or Staff Representative may grieve. The only grievance procedure applicable for this provision is FMCS arbitration. The Union will have 30 days to make a request for a panel from FMCS. The Parties will share equally the costs of arbitration.

This provision is not an admission that any law or policy has been violated. This provision does not change an employee's right, if any, to challenge a decision of the CAO in a lawsuit.

Within fourteen (14) calendar days of the employee's request, the employee will be given a written response of approval or disapproval of leave.

5.1.4 Subsequent request for vacation leave will be approved on a first come, first served basis as staffing levels permit. A response will be given in reasonable time. An employee may not take vacation without prior approval of his/her supervisor.

5.1.5 In work units where shift work is not performed, vacation requests will be approved on first come, first served basis, as staffing levels permit. If two or more employees submit a request for vacation at the same time for the same time period, approval will be granted on the basis of seniority, by classification within the work unit, as staffing levels permit. An employee may not take vacation without prior approval from his/her supervisor.

If staffing requirements cannot be met from those who volunteer, then those employees who are required to work shall be assigned on the basis of reverse order of seniority, on a rotating basis, in classification by work unit, by shift and by normal workdays. Employees ordered to work may choose to float the holiday or receive the holiday as specified in paragraph 7.2.1.

7.1.4 All holidays may be designated as a floating holiday by the employee. A floating holiday is available only to those employees who are required to actually work on their holiday. Employees taking this option will accumulate "holiday time" of 1-1/2 hours for each hour worked. Records of "holiday time" will not be added to vacation balances but will be separately tabulated. Employees must use their "holiday time" within 180 days from the date it was accumulated. Employees who fail to use their holiday time within 180 days will be paid for time accumulated at time and one-half and the time will be stricken from their records. "Holiday time" cannot be converted to cash upon termination of employment.

This provision shall only apply for activations of eighty (80) hours or more.

8.1.5 Employees whose military commitment requires leave time in excess of that granted above may elect:

- (1) to be placed into unpaid military leave of absence status; or
- (2) to use accrued vacation leave, in whole or in part, during their period of military leave. When an employee has used all available paid military leave and

8.2 Vacation and Sick Leave Accruals While in Military Active Duty Status

Employees mobilized to active duty by the President of the United States on or after September 12, 2001 in support of operations overseas, in defense of our nation, or in response to national disasters will continue to accrue vacation and sick leave at the same accrual rate as if the employee was not on active military duty during all periods of active military duty, regardless of whether the military leave of absence is paid or unpaid.

This accrual shall continue while the employee is in active military duty status and until: 1) the employee returns to City employment; or 2) until the employee notifies the City of their resignation from City employment while in active military duty status; or 3) until the employee notifies the City of their intention not to return to City employment at the end of their active military duty, whichever date is earlier.

Any retroactive vacation or sick leave accrual allowed to an employee in active military duty status between September 12, 2001 and October 1, 2004 may not be converted to cash at the time the employee terminates his employment with the City. The employee on active military duty status must continue to timely make payment of the employee portion of health insurance premiums to the same extent as if that employee were not on active military duty status. Failure to do so will result in termination of health insurance coverage. It is the obligation of the employee on active military duty status to notify the Benefits Division of the Human Resources Department and to complete all necessary forms and make all necessary elections to ensure that the employee's portion of health insurance premiums are made timely, if the employee wishes to continue to have health insurance coverage.

Provided the employee is and remains current on all required employee contributions to health insurance premiums, the City shall continue to pay the employer portion of health insurance premiums while the employee is in active military duty status and until: 1) the employee returns to City employment; or 2) until the employee notifies the City of their resignation from City employment while in active military duty status; or 3) until the employee notifies the City of their intention not to return to City employment at the end of their active military duty, whichever date is earlier.

15. BIDDING and VACANCIES

15.1 Shift-Days Off Bid

15.1.1 Employees will be given the opportunity to bid semi-annually on shift or days off in work units where shift work exists. A Union representative will be present to assist with the bid. It is the responsibility of the union to have a representative present. The bidding process will not be delayed because of a Union representative not being present. There will be a full-time bidding roster for full-time positions and a part-time bidding roster for part-time positions in work units where this applies.

15.1.2 Bidding for shift or days off will commence during the first ten (10) calendar days of the months of January and July. The new bid assignment will then take place at the start of the next full pay period. Management will provide to the Union President or designee a copy of the new shifts or days off assignments to be offered one (1) week prior to the bid. Seniority as defined in Section 14, of this Contract will be used for the purpose of bidding for shifts or days off. Employees who change shifts as a result of a bid must re-submit any scheduled vacation for review and approval within the new shift assignment.

15.1.3 When a vacancy on shifts or days off is to be filled, reasonable efforts will be made to ensure that it is filled in an expeditious manner. The initial vacancy will be offered and filled by order of seniority; the second vacancy created by this process will be offered and filled by order of seniority; the third vacancy created by this process may be filled at management's discretion for the duration of the current bid, only. Should no one bid for these vacancies, reassignments will be made in a reverse order of seniority.

15.1.4 Permanent full-time employees may only bid for full-time positions and permanent part-time employees may only bid for part-time positions.

15.1.5 The Union President may appoint an employee from each department to provide input into the development and operation of the bidding process.

Employees are not required to inform their supervisors that they have bid on a circular. An employee that has been informed that the employee has been selected for an interview must immediately notify the employee's supervisor to make arrangements for coverage during the employee's absence. Employees who fail to comply with this requirement may not be granted paid absence from their work site for the interviews.

15.2.2 City-wide vacancy circulars and addendums will be available to the President of the Union and to the listed Stewards as provided to the Human Resources Department and such material may be posted on the Union's bulletin boards.

15.2.3 Bid notice, except for continuing advertisements, shall state the position, classification, duties, shift assignment, work location and rate of pay. The shift assignment may change as a result of the exercise of shift preference.

15.2.4 Vacancies will be posted for at least 5 days within the division, the department and the City. Qualified divisional employees will be given consideration. The intent of this process is to give serious consideration to enhance career advancement opportunities to the best-qualified employees from the division first.

15.2.5 Employees who apply for an advertised position, but do not meet the qualifications will be notified in a timely manner by the Human Resources Department. Any employee interviewed for a position, and not selected will be notified in writing within fifteen (15) working days from the time a candidate is selected to fill the vacancy.

A copy of the official job description of any bargaining unit position, which is the subject of a grievance, will be provided to the Union President/designee.

19.1.2 It is recognized that job descriptions generally describe jobs performed within the City but do not precisely define each specific task an employee may be required to perform as related to the employee's job description.

19.1.3 The City will provide the Union President/designee all proposals of job description changes with a reasonable amount of time for review and input.

19.1.4 Upon receipt of proposed or actual changes in an employee's job description, the Union may provide input and/or recommend effective alternatives through the Human Resources Department.

Lead employees may oversee and coordinate the work of other bargaining unit members, but shall not have the authority to hire, terminate, discipline, transfer or layoff other employees.

20. PROMOTIONAL PROCEDURES and POLICIES

20.1 Qualifications for Promotion

20.1.1 It is the policy of the City to use the skills and experience of City employees to the fullest. Selection for a posted promotion within bargaining unit is made on the basis of minimum qualifications as stated in the job description, fitness, performance, and attendance on the job. If the minimum qualifications, fitness, performance and attendance are determined by the City to be equal, seniority will be the tie-breaker. Seniority for this purpose shall mean continuous non-probationary permanent full-time service within the division, then the department, as a member of the bargaining unit.

20.1.2 Time spent on temporary upgrades, on-the-job experience and training will be considered when filling vacancies.

20.2.2 The upgrade pay will be as follows:

20.2.2.1 Any employee assigned by management who temporarily performs all of the duties and assumes all of the responsibilities of a position within the White Collar bargaining unit graded higher than the one the employee holds will receive a 10% increase.

20.2.3 The City will discourage frequent assignment of employees below their regular classification and shall not lower a person's pay if he/she is temporarily assigned the duties of a lower classification.

20.3 Classification/ Recognition

20.3.1 The City will not engage in reclassification actions, the result of which would be to remove classifications from the bargaining unit to classifications outside the bargaining unit without first giving notice and providing input from the Union. If any disputes exist as to the exclusion of a re-evaluated or reclassified position from the bargaining unit, the parties shall submit their respective positions to the City Labor/Management Relations Board for final decision. This is not intended to apply to or prohibit the updating or modification of job descriptions that exist and continue to remain in this bargaining unit. The parties agree that Section 3-2-5 and 3-2-15 of the Labor-Management Relations Ordinance applies to classification of bargaining unit employees.

21. PERFORMANCE EVALUATIONS and APPRAISALS

22.1.2 All employees shall be allowed to review the contents of their personnel file during normal working hours (8:00 am to 5:00 pm) with the exception of medical files. Reasonable requests for copies or documents in the file shall be honored and reasonable charges made for such copies.

22.1.3 Only the file kept in the Human Resources Department will be used for interdepartmental interviews.

22.1.4 For the purposes of interviews, working files may be viewed by departmental authorized personnel. Departmental working files will be viewed by employees upon request to their immediate supervisor at a time mutually agreeable to by both parties.

Departmental working files may be purged once a year by the Division Manager or Departmental Director. For the purposes of material to be placed in an employee's personnel file, documents will be signed by the employee and management as to receipt of that document. This will only signify that the employee has read and received a copy of that document.

22.1.5 Human Resources Department files are a permanent record of an employee's performance with the City of Albuquerque. Personnel files shall be retained in accordance with State law.

23. CONDITIONS of EMPLOYMENT

23.1 Workplace Conduct

23.1.1 The City and the Union mutually agree to comply with applicable City policy concerning workplace conduct. Employees shall not use insulting, abusive or offensive language toward the public or co-workers. Ethnic or sexist jokes, slurs and other comments or actions that might embarrass or offend others are prohibited. Employees shall not harass others by making sexual advances or by creating an intimidating or offensive working environment or by making false accusations regarding such conduct. Display of visual materials that may be sexually or racially offensive is also prohibited.

23.1.2 Other prohibited workplace behavior includes intimidation, verbal threats, physical assault, vandalism, arson, sabotage, the unauthorized display, possession or use of weapons in the workplace, jokes or comments regarding violent acts which are reasonably perceived to be a threat, or any other behavior reasonably perceived to be a threat of imminent harm against an employee or member of the general public.

23.2 Drug Testing

23.2.1 The City and the Union agree that establishing a drug free workplace is a priority that requires the cooperation of the parties. To that end, the parties will meet with the Substance Abuse Policy Review Board, Human Resources Department, Risk Management Division and the Legal Department to discuss problems and possible changes to the current testing procedures. The City will provide necessary training to employees regarding drug testing policies and procedures. The Union will be given the opportunity to provide input to improve the effectiveness of employee training efforts.

23.2.2 The City will comply with all applicable Federal, State and City laws.

24. DISCIPLINE and INVESTIGATIONS

The deadlines in 24.1.1., 24.1.10, 24.2.1 and 24.2.2 shall become effective for facts arising on or after January 1, 2019.

City business days ("CBD") means Monday through Friday, excluding Holidays as recognized by the Chief Administrative Officer. Other than the unilateral extension for investigations, all the deadlines below may be extended by agreement of the Human

Resources Manager and the Local President. The request will be sent to the Staff Representative and the Local President. The Staff Representative may respond on behalf of the Local President. If AFSCME does not respond within 3 CBDs, then the City will automatically have an additional 5 CBDs extension. If a request is made for a legitimate reason before a deadline expires then AFSCME agreement will not be unreasonably denied. If the request is made after a deadline has expired, then the request may be denied by AFSCME.

When notifying of an extension of the investigation, or requesting agreement to an extension, a reason will be provided. These may include, but are not limited to, legitimate delays in the process, absent employee(s), employee conduct caused delay, investigations involving multiple employees, factual overlap with another investigation, involvement of third parties as witnesses or investigators, statutory claims such as Title VII, the volume of investigations in a Department, or an investigation involving violence, serious injury or fatality, or serious property damage.

All notices to employees will be hand-delivered, if employee is available. Otherwise, notices will be sent by certified mail and email, to the employee's last known address; and delivery will be at least 5 CBDs before the interview or hearing.

Employee investigations and notices of contemplated disciplinary actions shall be implemented in the following manner:

24.1 Disciplinary Actions

24.1.1 Contemplated Actions if Investigation is Not Warranted

24.1.1.1 If an employee is not placed on investigation, disciplinary process shall be initiated against an employee no later than ten (10) City Business days after the employee's supervisor knew or reasonably should have known of the act that caused the disciplinary action to be initiated.

24.1.1.2 For the purposes of this provision only, "initiated" shall mean the written communication of a notice of contemplated disciplinary action/predetermination hearing to the employee.

24.1.2 In the event discipline is to be implemented, action will be initiated within ten (10) City Business days of the commission, omission or discovery of the act. In cases requiring lengthy investigation, disciplinary action will not be initiated until the facts have been established.

24.1.2.1 If an investigation is conducted, the City will have twenty (20) City Business Days (CBDs) to issue a notice of contemplated action/predetermination hearing to the employee, measured either from the end of the investigation period (45 to 90 calendar days, or another term agreed to by the parties), or from the date an employee is notified the investigation is complete if notice issued.

24.1.3 A hearing shall be convened to allow the employee and the employee's representative the opportunity to explain the reasons for the employee's actions or lack

of action, which may result in disciplinary action other than an oral reprimand. The City will provide the employee a minimum of five (5) City Business days' advance notice prior to conducting the predetermination hearing. In notifying the employee of the measure of discipline to be imposed, it is recognized that the employee has the right to have Union representation. Within 72 hours prior to the pre-determination hearing the employee and the employee's representative will be allowed the opportunity to review all evidence relevant to allegations/charges against the employee. The employee may request copies of evidence. Management will make a reasonable effort to accommodate such requests, at the employee's expense.

24.1.3.1 The City will not unilaterally provide, unless required to do so by law, or send in response to a request, investigation materials to persons outside the City, but will respond to discovery requests, any service of process, IPRA requests, or other lawful means to compel production, as appropriate.

24.1.4 The City may discipline employees for just cause. The level of discipline shall be commensurate with the level of the infraction, taking into consideration the operational requirements of the employee's work unit. Management shall evaluate options for imposing progressive discipline prior to the issuance of written reprimands and suspensions.

24.1.5 City management is encouraged to utilize positive corrective action as a method of aiding employees in avoiding work rule violations and assisting in employee development. Although the parties hope that such corrective action will be a positive interaction between the employee and management, it may also be used to demonstrate management's attempts to improve the employee's performance.

24.1.6 If management has a need to correct an employee regarding the employee's conduct or to correct the handling of the employee's work it shall normally be done in private. If a problem on this issue arises, the Union shall initiate a meeting with the Office of Human Resources to attempt to resolve the concerns at the earliest opportunity.

24.1.7 In cases where management determines a suspension is warranted, they are encouraged to utilize the provisions of the Merit System Ordinance that allows for working suspensions of up to 5 days. Management shall determine whether or not the suspension of up to 5 days is with or without pay.

24.1.8 Prior to the identification of discipline to be imposed by management, the employee on the employee's own will be given the opportunity to prescribe his/her own discipline. If the employee's proposal is accepted by management, the issue shall be considered settled and the action shall not be grieved.

24.1.9 Prior to the filing of an appeal the Union President/Designee shall attempt to resolve the discipline imposed. An extension of the ten (10) day time frame may be agreed upon by both parties.

24.1.10 The City will have twenty-five (25) CBDs, measured from the date of the Predetermination Hearing, to issue discipline through a Notice of Final Action (NOFA).

Unless an extension is agreed to by the Union and City, no discipline may be issued after any missed deadline.

24.2 Investigations

24.2.1 If the employer decides to conduct an investigation the employer shall submit a written notification of investigation to the affected employee no later than ten (10) CBDs after the employer knew or reasonably should have known of the act for which the investigation is being initiated. For the purposes of this section, the employer is defined as the department director or his or her designee. Any supervisor who knows or reasonably should have known of the act which is being investigated must immediately notify the department director. The City shall inform an employee if they are a target subject of the investigation or a witness of the investigation. During the investigation phase, the City will provide a target with a summary of what occurred, and what City rule or policy may have been violated. The City's provision of this information does not limit the scope of the City's investigation, or the City's ability to ultimately allege different or additional violations in a Pre-Determination Notice or the investigation, or to begin a parallel investigation making a witness a target. The union representative ("UR") will be provided a copy of the Notice of Investigation, by the City or employee, when requested. Should a witness become a target, the original investigation timeline shall be retained for the original act(s), and a new investigation timeline commences for the new target, unless the Union and City agree to broaden the initial investigation.

24.2.2 An employee disciplinary investigation shall normally not exceed forty-five calendar days from the date an employee receives a notice of investigation. The affected employee or the Union, if designated by the employee, may request periodic verbal status reports on the investigation from the employee's supervisor. The requests will be granted provided the supervisor shall not be required to provide information that might jeopardize the investigation process. If the investigation exceeds forty-five calendar days, the City may unilaterally extend the investigation up to an additional forty-five days by providing written notice to the employee from the employee's supervisor, or the supervisor's designee, no later than forty-five (45) days after the employee received the initial notice of investigation.

The City will inform targets and witnesses when an investigation is closed and no further action or discipline will be taken.

24.2.3 The City will have 20 CBDs to issue a Pre-Determination Notice, measured either from the end of the investigation period (45 to 90 calendar days, or another term agreed to by the parties), or from the date an employee is notified the investigation is complete if notice is issued. The Pre-Determination Notice will include a term substantially similar to the following:

"Should the complaint be substantiated by the evidence, or if this Notice is not contested, then Management would contemplate a discipline of _____. This does not limit Management's ability to recommend, or the Management's ability to impose, discipline up to and including termination should the evidence warrant."

24.2.4 The City will have 25 CBDs to issue a Notice of Final Action measured from the date the Pre-Determination Hearing was held. Unless an extension is agreed to by the Union and City, no discipline may be issued after any missed deadline.

25. GRIEVANCE and APPEAL PROCEDURES

25.1 Grievance Procedure

25.1.1 Nothing in this Agreement shall prevent any employee from instituting or pursuing any grievance on the employee's own behalf or with the assistance of the Union, in accordance with the provisions of the Merit System Ordinance.

25.1.2 The aggrieved employee may have Union representation at any step in the grievance process. Grievants and witnesses in grievances may, after approval from their supervisor be allowed reasonable time to participate in grievance hearings.

25.1.3 As a condition of employment, current City employees are required to appear as witnesses in grievance hearings when requested by the aggrieved employee or by the City. Five (5) City Business Days before a hearing, or as required by a forum's rules or scheduling order if longer, a grievant, or the Union, or both will inform one Human Resources Coordinator in each Department of those current City employees who are called as witness(es) by the grievant/union, along with the date, time and place of the hearing. The City will require the witnesses to appear, and require the witnesses to request leave as "PLO" and specify that the reason is to be a witness. The request for leave will be granted. A grievant may also use any service of process which a proceeding allows. An employee called as a witness during working hours shall be paid at the employee's regular rate of pay. The employee will be required to return to work when he/she is no longer needed as a witness.

25.1.4 Employees called as witnesses during time off shall be paid time for the time spent at the hearing. This time is considered time worked for the purpose of computing overtime compensation.

25.1.5 An officer or steward will be allowed reasonable time off with pay to represent an employee during a pre-determination or grievance hearing.

25.1.6 The Union President and the Office of Human Resources will meet as necessary to review the disciplinary actions, pending grievances, and other matters of mutual concern in an attempt to resolve these problems informally.

25.1.7 In lieu of scheduling a pre-determination hearing, an employee and the employee's department director may agree in writing to attempt to resolve a disciplinary action through mediation, as coordinated through the City Legal Department. Discipline will be resolved and concluded by mutual agreement.

Mediation may be invoked by the parties by mutual agreement at any step during the Grievance procedure. Any pending timelines at that time shall be suspended during the course of mediation without prejudice to either party.

25.1.8 If an employee wishes to appeal a termination disciplinary action that is subject to the Grievance Procedure, the employee shall elect to use this Grievance Procedure or the City's Merit System Ordinance to appeal the action. If the employee decides to use the City's Merit System Ordinance to appeal a termination disciplinary action, the employee shall appeal the disciplinary action in writing and in accordance with the Merit System Ordinance no later than ten (10) days after the employee receives the written notice of disciplinary action. An employee who decides to use this Agreement's Grievance procedure to appeal a termination disciplinary action shall appeal the disciplinary action by filing a written grievance no later than fourteen (14) days after the employee received the written notice of disciplinary action. If the employee decides to use this Agreement's Grievance procedure to appeal the termination disciplinary action, the employee may not also use the Merit System Ordinance to appeal the action. If the employee utilizes the Merit Systems Ordinance appeal procedures, the employee may not use this Agreement's Grievance Procedure appeal procedures. Bargaining unit employees will not use the Grievance (Resolution) Committee (GRC) provision of the Merit System Ordinance. This decision shall be irrevocable. If the Union, at a later date, decides that the employee's grievance is not meritorious and withdraws the grievance, the employee may not submit an appeal through the Merit System Ordinance. The provision set forth herein shall not conflict with any state or federal law.

25.1.9 A grievance shall be defined as an alleged violation of a specific provision of this Agreement. Discipline grievances shall be appealed in accordance with the City's Merit System Ordinance. A grievance shall be filed in writing with the employee's department director no later than ten (10) working days after the employee knew or reasonably should have known that a grievance has occurred. No later than ten (10) working days after the director receives the written grievance, the Department Director or designee shall set a meeting and meet with the grieving employee, the Union, and appropriate supervisory staff, but the failure to have this meeting will not void the grievance. The Department Director shall submit a written response to the Union as to the disposition of the grievance no later than ten (10) City Business Days after the close of the departmental grievance meeting. A copy will be sent to the Human Resources Officer.

25.2 Appeals

25.2.1 If an employee or the Union is not satisfied with the director's written disposition, or if the department director does not submit the director's decision within the ten (10) work day time limit set forth above, the Union may appeal the grievance to the Human Resources Director no later than ten (10) working days after the employee or Union received the written disposition or the deadline for the director to issue the disposition has expired, whichever comes first. The Human Resources Director shall meet with the grieving employee and the Union no later than fifteen (15) working days after the Human Resources Officer receives the appeal.

25.2.2 The Human Resources Officer will issue a written disposition on the grievance to the Union and the department director no later than ten (10) working days after the close of the Human Resources Officer's meeting cited above.

25.2.3 If the Union is not satisfied with the Human Resources Officer's written disposition, or if the Human Resources Officer does not submit the Officer's written decision within the Human Resources ten (10) working day time limit set forth above, the Union may appeal the grievance to the City's Labor-Management Relations Board. The parties will thereafter comply with the Board's rules and procedures.

25.2.4 If the Union is not satisfied with the CAO's written disposition regarding a termination, the grievance may be submitted by the Union to final and binding arbitration by the Union but not by the individual grievant within fifteen (15) working days after receipt of the written response by the CAO.

25.2.5 Within fifteen (15) working days of the written demand for arbitration, the Union shall make a request for a panel of seven (7) arbitrators from the Federal Mediation and Conciliation Service (FMCS) unless the parties by such time agree upon an arbitrator.

25.2.6 Within fifteen (15) working days after receipt of a list of arbitrators, the parties shall confer to select the arbitrator. The Union and the City alternately eliminating names shall make the selection. The last name remaining shall be the arbitrator. The parties shall flip a coin to determine who shall strike the first name. If either party fails or refuses to strike a name from the list, the other party may request that the FMCS unilaterally appoint an arbitrator to hear the matter. Once an arbitrator is either selected by the parties or appointed by the FMCS, the arbitrator shall have full jurisdiction.

25.2.7 The decision of the arbitrator shall be based upon the facts established by the testimony and documents presented in the case. The arbitrator shall no power to add to, subtract from, alter or modify any of the terms of this Agreement, but may give appropriate interpretation or application to such terms and apply appropriate relief. The arbitrator shall not have authority to make an award which includes a fine or other punitive damages or an award of attorney's fees. Each party shall pay one-half (1/2) of the arbitrator's fees and expenses. The arbitrator's decision shall be final and binding upon the parties subject to the laws of the State of New Mexico. In arbitrations challenging a disciplinary action, the City shall have the initial burden of proof. If the Union initiates a suitable agreement before arbitration, and the City declines the offer, the City will pay the full cost of the arbitration if the City loses the case. If the arbitrator orders reinstatement of the employee, the arbitrator's back pay award shall be limited to pay and benefits for time lost less any compensation the employee earned after the termination.

25.2.8 The Union may use either the Labor Board or binding arbitration for resolution of alleged contract violations, other written agreements and all discipline related grievances to the extent set forth herein. During each year of this Agreement, the Union may use binding arbitration for a maximum of five (5) alleged contract violations and/or discipline related grievances other than terminations. Terminations are address under earlier provisions of Section 25 of this Procedure. Once the Union requests a panel of arbitrators, that action shall be counted as one arbitration for purposes set forth here.

25.2.9 Alleged violations of the commitments set forth in the second paragraph of the Preamble may be appealed to the City's Equal Employment Office (EEO) for redress. If the employee is not satisfied with the EEO's disposition of the issue, the

employee may appeal the issue to the appropriate federal or state agency or, if Administrative Instruction 7-18 is alleged to have been violated and if the protection alleged to have been violated does not fall under the jurisdiction of a state or federal agency, the issue may be appealed through this Agreement's Grievance Procedure.

26. EMPLOYEE REIMBURSEMENTS

26.1 Per Diem and Mileage Reimbursements

26.1.1 Employees required to use their own vehicles in the performance of official City duties will be paid mileage reimbursement in accordance with State Law and City Policy.

26.2 Other Employee Reimbursements

26.2.1 If a department requires employees to wear a uniform, the City will provide the uniforms or make other arrangements with uniform vendors to provide the uniforms. Employees currently receiving a uniform allowance will continue to receive it at the current rate, \$600 per year prorated on a biweekly basis, through the term of this agreement. It is understood by the employee that failure to comply with the uniform policy may result in disciplinary action.

26.2.2 If an employee's eyeglasses, contact lenses or hearing aids are damaged as a direct consequence of performing the employee's job duties and also are not due to the employee's negligence, the City will reimburse the employee at a reasonable cost.
