1.2. Agreement Control/Scope of Agreement

1.2.1. The parties have reached an agreement on all matters which have been a subject of negotiation as required by the City of Albuquerque Labor-Management Relations Ordinance 153-1971: *am* Ordinance 4-1977 Section 3-2-12A and have reduced such agreement to writing as reflected in this agreement.

1.3. Recognition

1.3.1 The APOA is recognized as the Exclusive Representative for regular full time, non-probationary police officers through the rank of Lieutenants in the APD and Aviation department.

1.3.2. The City of Albuquerque extends to the Albuquerque Police Officers' Association representing such unit of employees the following rights:

1.3.2.1 To represent the employees in negotiations and in the settlement of grievances;

1.3.2.2 To membership dues deduction, upon presentation of dues authorization cards signed by individual employees;

1.3.2.3 To exclusive representation status during the term of this agreement as provided in the Employee Relations Ordinance; and

1.3.2.4 Unless specifically stated otherwise, all sections in this collective bargaining agreement will apply to APD and Aviation.

2. GENERAL LABOR/MANAGEMENT PROVISION

2.1 Payroll Deduction for Dues

2.1.1 The City shall for the duration of this Agreement and for any officer, who submits authorization thereof, deduct from such officer's pay for each pay period of each month Association dues in the amount specified.

2.1.2 The City shall forward the amount withheld to the Association.

2.1.3The Union shall indemnify, defend, and save the City harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or as a result of any conduct taken by the City for the purpose of complying with this section.

2.1 Union Rights

2.1.1 Association Representative

2.1.1.1 The Association President and Vice-President will be assigned to a sworn day shift position as determined by the Chief.

2.1.1.2 APOA members shall, on or about January 1st of each year, contribute four and one-half (4.5) hours of their accrued vacation pool of time to be known as Association Time. This time will be utilized by Association Officers to conduct any and all Association business that requires release time from APD assigned work regular duty time.

2.2.1.3 Hours worked utilizing the Association Time are understood between the parties to be within the course and scope of employment for the purposes of Workers' Compensation Act protections and PERA service credits. The city shall manage the Association hours and provide an annual audit on June 1 of each year to the Union Treasurer. Unused Association hours shall roll-over and be added to the subsequent yearly allocation.

2.2.1.4 If an investigation results in the implementation of disciplinary action and the affected employee requests APOA representation, the APOA may designate up to two (2) representatives to participate at all stages of the proceedings. The employee shall be provided with copies of the charges and decision. In all cases where a formal grievance over discipline has been filed with the CAO by a bargaining unit employee who documents in writing that the employee does not wish to be represented by the APOA, the City will notify the APOA President.

2.2.1.5 Association Officers shall be authorized to be present with an employee at any disciplinary interview, disciplinary interrogation, or disciplinary investigation initiated by the City.

The Department shall place the APOA President or the President's designee on the APD Communications call out protocol list. The call to the APOA President or designee is a courtesy call and not an order to report to duty. The APOA President shall on his own determine whether he will or will not report to the scene it will be considered Association business and will be handled accordingly.

If the City anticipates the implementation of policies or directives related to its agreement discussions with the DOJ that impacts Officers' terms or conditions of employment, the City will notify the APOA of its anticipated changes and provide APOA the opportunity to meet and confer with the City in a timely manner on the anticipated changes. The commitment will not prevent the APOA from submitting the changes for negotiations when the parties negotiate a successor collective bargaining agreement.

3. PAY PROVISIONS

Increases in compensation in Article 3.1.1 for fiscal year 2022 are effective the first full pay period following the ratification and signatures by the Parties. The Parties agree that increases in compensation for fiscal year 2023 as shown in the tables in 3.1.1 and 3.1.7 are contingent on the terms of Section 3-2-19 of the City's LMRO; and also approval and appropriation in and for the fiscal year 2023 budget, by the City Council and signature by the Mayor. Any increase in the fiscal year 2023 budget will be effective the first full pay period after July 1, 2022. There shall be no retroactive compensation benefit in this agreement.

3.1.1 Salary Schedule

APOA Pay Plan

	Years of Service	FY/22 Hourly	FY/23 Hourly

The classification of Senior Police Officer 1C is an officer in the bargaining unit with five through fourteen (5-14) years of service as an APD Sworn Officer. The classification of Master Police Officer 1C is an officer in the bargaining unit with fifteen or more (≥15) years of service as an APD Sworn Officer. The definition of serve and service is "actual time worked". No other criteria or qualifications are applicable to these classifications.

3.1.2 Specialty Pay: The City shall pay the following to officers assigned to hazardous classifications as follows:

<u>Hazardous Classifications</u>	<u>Amount per pay period</u>
Pilots	\$23.08
Aerial Observers	\$23.08
Motorcycle Officers	\$23.08
Horse Mounted Unit	\$23.08
Search & Rescue Dive Team	\$23.08
CNT	\$23.08
EOD Part-Time	\$23.08
ECIT (Enhanced Crisis Intervention Team)	\$23.08 This applies only to officers who are certified by the Crisis Intervention Unit and only to those who are assigned and serve on the team.
Tactical Team (SWAT,K-9, EOD Full-time)	\$115.38: 6 Hrs of compensatory time for each week of On-Call Status-this applies only to officers who are "On-Call Status"

Officers are eligible for only one hazardous duty pay. Assignment to the above hazardous classifications shall be voluntary; however, re-assignment to another classification shall not be a grievable issue.

3.1.3 Special Skills Pay: The City shall pay the following to officers who have the following specialties (to be paid to officers on the department's active rosters in these specialties):

<u>Special Skill</u>	<u>Amount per pay period</u>
APD Area Sgt. Coordinators	\$ 50.00
CARES	\$ 50.00

APD Field Training Officers, Sergeants and Lieutenant Coordinators Officers "available" to be Field Training Officers will be paid \$350.00 per pay period; for officers "available" means willing to accept a recruit for a phase of training, or ad hoc FTO assignments. Sergeants and Lieutenants will be paid \$175.00 Coordinator Pay when overseeing FTOs, or \$350.00 when assigned a recruit for their rank. Once assigned a recruit for a phase of training, the employee will not request more than three days of vacation for that phase of training. Time spent by an available employee on vacation, sick leave or any other approved leave will not reduce the Special Skill Pay. Special Skill Pay is separate and additional to any other incentive pay.

Officers may be removed from "available" status and Coordinators of both ranks by the Field Training and Evaluation Program Board. The City may determine at its discretion how many available FTOs and Coordinators of both ranks are needed. If a reduction is needed, volunteers will be first removed from available status. Then the City may remove any number of Officers from available status, and any number of Sergeants and Lieutenants from Coordinator status by reverse seniority taking into account shifts and area commands, and the City will meet and confer with APOA to finalize the removal. The City will provide notice of a reduction in the numbers of available of FTOs and Coordinators sufficient for two payments of \$350.00 after notice.

Except those removed by the Board, Officers removed non-voluntarily from available status will be placed on a recall list, and if the City increases the number of available FTOs, Officers will be recalled by seniority from the recall list. Any Officer once declining to be available when offered recall will be removed from the recall list. Once all Officers on the recall list are recalled to available status or removed from the list, new FTOs may be recruited. A similar list will be maintained for Coordinators.

3.1.4 Court Allowance: The City will pay a minimum of two (2) hours court time at time-and-one-half, unless the officer appears in court within one (1) hour of his/her tour of duty, starting or ending. In the event that court appearance is within one (1) hour of the tour of duty, starting or ending, the officer will be paid a sum of one (1) hour. This section does not apply to officers appearing in court during their tour of duty.

Officers assigned to graveyard shift who have worked the previous shift will be paid a minimum of two (2) hours at time-and-one-half beginning thirty (30) minutes after shift ends plus actual time spent in court following two-and-one-half (2-1/2) hours after close of shift.

3.1.5 Bilingual Pay: Only those languages recognized by the Human Resources and Productivity Committee as adding to the increased productivity and efficiency of the Police Department shall qualify for bilingual pay.

An officer shall qualify for bilingual pay upon demonstrating an acceptable level of reading, writing and conversational proficiency. Job-related material will be used in determining the reading, writing and conversational proficiency. The certification of proficiency will be established by an expert selected by the H.R.P. Committee.

Officers who are certified in all three proficiency areas shall be paid \$23.08 per pay period. Should an officer only pass the conversational portion of the test, that officer shall be paid \$9.23 per pay period.

It is recognized that if an officer is bilingual but fails to apply for or pass the certification required for bilingual pay, the officer must continue to utilize whatever bilingual abilities he/she has as needed on the job.

3.1.6 Shift Differential: The current language in this section is retained. However, during the term of this Agreement the parties will abide by the conditions of the 12-Hour MOU. Patrolmen, sergeants, and lieutenants assigned to Watch 1 will be paid \$23.08 per pay period, and patrolmen, sergeants, and lieutenants assigned to Watch III will be paid \$11.54 per pay period.

14-15	\$93.22
16-17	\$96.29
18-19	\$100.14
20 +	\$103.98

Employees currently receiving longevity pay under Longevity Scale #2 will continue to receive longevity pay. No other officers shall move into this longevity scale. This is a transitional accommodation applicable only to employees currently receiving such payment.

The current Longevity Plan identified as Longevity Scale #2 will continue in effect for the term of this Agreement for employees currently being paid under this plan.

Aviation will be included in the above (APD Longevity) pay plan subject to the conditions of this subsection.

3.1.8 Super Longevity - Once an officer has been at the top step of his/her grade for 364 days or more, the officer will receive \$34.62 per pay period. Once an officer has received this "Super Longevity", this compensation will not be lost upon promotion within the bargaining unit. Officers currently receiving Super Longevity will continue to receive this pay during the term of the contract. Employees shall not become eligible for this benefit after July 1, 2004.

3.1.9 As required by law and ordinance, all economic terms are subject to annual appropriation of the amounts set forth in the Agreement by the City Council, including but not limited to appropriation in the Budget Resolutions for the Fiscal Year in which an increase in compensation is set forth in this Agreement.

3.1.10 Incentive Pay Officers will receive "incentive pay" under the following terms. An officer will receive \$1,300.00 for each year served for the entire year in the same Area Command or the IA Division, up to and capped at four years continuous service or \$5,200.00 per year. A "year" is December 1 through November 30 of each calendar year. The payment will be made on or about December 15th of each year. Time served in a single Area Command or IA from December 1, 2020 through November 30, 2021 will be accepted as Year 1, and no service before December 1, 2020 will be accepted. This incentive pay creates no further entitlement or right to a bid, position in IA, Area Command, shift, days off or field position in any officer. An officer must have achieved and maintain in the future all qualifications for the field/IA positions, including certifications, or the incentive pay is forfeited. Any permanent transfer, or temporary transfer exceeding 45 calendar days, out of the officer's Area Command or IA Division, whether initiated by the officer or City forfeits the incentive pay.

3.2 Overtime

The current language in this section and subsections is retained. However, during the term of this Agreement the Parties will abide by the conditions of the 12-Hour MOU.

3.2.1 Employees shall be entitled to overtime compensation at the rate of time-and-one-half their regular straight-time rate when they perform work in excess of forty (40) hours in any one workweek.

3.2.1.1 The workweek shall consist of seven (7) consecutive days beginning at 0001 each Saturday, or the tour starting the nearest to that time.

3.2.1.2 The workday will be any regularly scheduled, consecutive twenty-four hour period beginning at the start of the employees regularly assigned shift.

3.2.1.3 In accordance with Subsection 2.5 (FLSA) of this Agreement, the workdays, days off and start times of the shifts will be fixed and will not vary from week to week. The bid will include a variety of work schedules for the four (4) day workweek. A number of work schedules will include a schedule of one (1) start time for two (2) days and another

start time for the other two (2) days. Additionally, a number of the schedules will include a schedule of one start time for three (3) days and another time for the other day. The remaining schedules will have the same start time for all four days. If a shift begins on or between the hours of 1700 and 0329, this shift will be Watch I. If a shift begins on or between 0330 and 0959, this shift will be Watch II and no shift differential will be paid. If a shift begins on or between 1000 and 1659, then the shift will be Watch III. Shift differential will be paid in accordance with Subsection 3.1.8 (Shift Differential) of this Agreement. For those schedules with varying start times as described above, shift differential will be paid on a prorated basis based on the start time of each shift in accordance with the amounts provided in Subsection 3.1.8 (Shift Differential).

3.2.1.4 The Department shall retain the prerogative to implement either a four ten hour or five eight hour work schedule.

3.2.1.5 For the purpose of this section, an employee who elects to change shifts will not be considered to have worked in excess of eight hours on any one workday.

3.2.1.6 For the purpose of computing overtime, paid leave shall be considered time worked, as per Subsection 2.5 (FLSA).

3.3 Compensatory Time

The current language in this section is retained. However, during the term of this Agreement the Parties will abide by the conditions of the 12 hour MOU.

3.3.1 Time worked over 40 hours per week will be compensated at 1-1/2 times the officer's regular rate of pay, or in the form of compensatory time. Compensatory time will be computed at the rate of 1-1/2 times the hours actually worked. The maximum accrual of comp time for any officer, including Aviation Police, is 150 hours.

3.3.2 Upon separation of employment from the Albuquerque Police Department and Aviation, an officer is limited to cash-out of no more than forty (40) hours of unused comp time at straight time pay. Any accrual of comp time over forty (40) hours must be used 6 months prior to separation.

3.4 Fair Labor Standards Act

3.4.1 Under the Fair Labor Standards Act (FLSA), paid leave is not considered time worked for the purpose of computing overtime and the regular rate for the purpose of computing overtime includes all remunerations.

3.4.2 The current language in this subsection is retained. However, during the term of this Agreement the Parties will abide by the conditions of the 12 hour MOU. The parties hereto agree that for the purpose of computing overtime, paid leave will be considered time worked and the regular rate includes the hourly rate with no other remunerations included. Under 7K of the FLSA, the parties agree that for the purpose of computing overtime, the pay schedule will be a 7-consecutive-day, 40-hour workweek.

3.4.3 Applications of the FLSA as it pertains to the exempt status of positions will not change from current practice.

5.2.1 Any officer, on a deferred compensation program, who retires at the end of the calendar year is entitled to be paid a catch-up deferral from accumulated sick and vacation leave in conjunction with the last regular paycheck of the calendar year.

5.2.2 The officer will be entitled to a second similar catch-up deferral in conjunction with or immediately following final payment of hours worked in the first regular payroll of the new calendar year.

5.2.3 Such catch-up deferrals shall be for amounts allowed by federal law and shall use payroll practices currently in place.

5.2.4 Any officer who intends to retire during a calendar year, but not at the end of a calendar year as stipulated above, is entitled to be paid a catch-up deferral from accumulated sick and vacation leave in conjunction with the last regular paycheck of the calendar year immediately preceding the year in which retirement will occur, subject to submittal of an irrevocable letter of retirement.

5.2.5 The officer will be entitled to a second similar catch-up deferral in conjunction with or immediately following final payment of hours worked in the final regular paycheck at retirement.

More than 10 years/less than 15 years	5.54 hours	18.0 days
More than 15 years	6.16 hours	20.0 days

6.3 CAO Approved Leave

If the Chief Administrative Officer (CAO) authorizes leave for City employees outside the bargaining unit, she may authorize the same paid leave for bargaining unit members for certain purposes not originally contemplated by the CBA. Such a grant of paid leave shall be considered part of an employee's overall compensation for the services he or she is or will be performing. When announcing such leave, the CAO will set the following:

- (1) the purpose of the leave;
- (2) how much leave is authorized;
- (3) how and when such leave shall be taken;
- (4) the necessary pay code.

Once paid leave is authorized, the Chief Administrative Officer maintains discretion over when the employees may use the leave based on the City's man-power needs.

7. LEAVE

7.1 Sick Leave

7.1.1 A police officer may accumulate sick leave up to a maximum of 2000 hours. Provided the conditions in 7.4 are met, sick leave accrued over the maximum will automatically be converted to hazardous duty leave at the rate of two days of sick leave for one day of hazardous duty leave.

7.1.2 Sick leave will accrue at the rate of three and seven tenths (3.70) hours per pay period.

7.1.3 Emergency Leave: Emergency leave charged to sick leave for up to three (3) work days may be requested when the presence of the employee is required by a physician as a result of a serious illness or injury to a member of an employee's immediate family.

7.1.4 Employees may elect to use accrued vacation leave instead of sick leave for an "emergency leave", however, they shall be subject to the conditions of using "emergency leave."

7.2 Sick Leave Death Benefit

7.2.1 The City will pay to the designated beneficiary of a deceased police officer the total amount of sick leave accumulated as of the date of his/her death.

7.2.2 The City will pay to the designated beneficiary of a deceased police officer the total amount of sick leave accumulated whether or not the deceased police officer dies in the line of duty; provided however, that the death of the police officer is under honorable circumstances.

7.2.3 Payment under this section will be made to the specific beneficiary identified for this benefit, the payment will be made to the current spouse or if the officer was not married at the time of death, the payment will be made to the officer's estate.

7.3 Bereavement Leave

7.3.1 The City will allow as many as three (3) workdays emergency leave for a death in the employee's immediate family. For the purposes of this section, an employee's immediate family shall include the employee's spouse, child, parent, parent-in-law, grandparent, brother or sister. If travel over five hundred miles (500) miles (one way from Albuquerque) is required for a death of a member of the immediate family of an employee, one (1) additional leave day per five hundred (500) mile increment shall be granted.

7.4 Hazardous Duty Leave

7.4.1 It is mutually understood by the parties hereto that police officers perform duty, which is hazardous in nature, in that it is strenuous, both mentally and physically, and in many instances involves physical danger. Therefore, because of this fact, the City will allow sick leave to be converted to leave to be known as hazardous duty leave as follows:

7.4.2 When an officer has accumulated and maintains 360 hours of sick leave, he/she may convert any part of the sick leave accumulated over and above 360 hours to hazardous duty leave on the basis of eight (8) hours hazardous duty leave for twenty-four (24) hours sick leave.

7.4.3 When a police officer has accumulated and maintains a total of 720 hours of sick leave the police officer may convert any sick leave accumulated over and above 720 hours

to hazardous-duty leave on the basis of one (1) hour hazardous-duty leave for one (1) hour of sick leave.

7.5 Parental Leave

7.5.1 Officers shall be eligible for Parental Leave with pay subject to the provisions set forth below.

7.5.2 Officers are eligible for Parental Leave if they have completed a year of continuous service and have worked 1250 hours.

A Parental Leave qualifying event shall include the birth or placement of a minor child for adoption or foster care (excluding the adoption of a stepchild or partner's child) by or with the officer, the officer's spouse, or the officer's domestic partner. When Parental Leave is foreseeable and thirty (30) days notice has been provided, the officer must provide documented proof of the qualifying event before the leave begins. For birth or placement, the officer must provide documentary proof to support the date of the qualifying event within 30 calendar days. The officer is responsible for any expense connected to the supporting documentation. Failure to provide this documentation may result in a delay or denial of Parental Leave.

7.5.4 Duration. An officer approved for Parental Leave shall receive a maximum of 12 standard work weeks at full pay to be used within six (6) months of the qualifying event. If the officer is eligible for Family and Medical Leave Act ("FMLA") benefits, Parental Leave shall be taken concurrently with FMLA leave. (Ord.: 1.2) Any FMLA-qualifying absence will be designated as FMLA leave by the Human Resources Department and will be applied to the twelve (12) weeks paid leave entitlement, even if not requested by the officer.

7.5.5 Notice. An officer requesting Parental Leave shall provide at least 30 days written notice to Human Resources and the Chief of Police. If the 30 days notice is not possible, notice shall be made as soon as practicable (ie., verbal notice within two (2) business days of learning of the need for the leave followed by written confirmation.). Officers must request leave using the Parental Leave Request Form, and must concurrently submit a Family Medical Leave Certification Form.

7.5.6 Parents. If multiple officers qualify for Parental Leave based on the birth or placement of the same child, each officer shall be entitled to twelve weeks of Parental Leave.

7.5.7 Other Leaves. Parental Leave shall not affect an officer's accrued sick and vacation leave. However, an officer may not receive sick or vacation leave pay simultaneously with Parental Leave. An officer will accrue sick and vacation leave normally while on Parental Leave.

7.5.8 Retro. An officer who experienced a qualifying Parental Leave event prior to the enactment of the Parental Leave Ordinance is eligible to receive Parental Leave benefits retroactively, if the event occurred between July 1, 2018, and the Effective Date. The City

7.5.9 Continuous. Parental Leave shall be granted in a continuous block of time unless the Chief of Police pre-approves and pre-schedules an intermittent schedule.

7.5.11 Family leave will be provided in accordance with the Family Medical Leave Act. The City will notify the Union in writing of any changes to its policy regarding this type of leave. The Parties recognize that compensatory time creates certain staffing and financial issues for the City, and the Officers receiving compensatory time have been receiving pay at certain levels. An MOU, if reached, would be inserted into the CBA as 3.1.11 in the next contract.

11.2 On Call and Call Backs

11.2.1 On call status shall be defined as the ability of an officer to assume full responsibilities of the officer's assignment with one (1) hour's notice. Should the Department not agree with the input provided by the Association, the final decision on the employee's work hours will be made by the Chief of Police. A permanent change is defined as a change of more than 45 working days.

11.3.2 Upon seven (7) days advance notice a section commander may adjust an officer's shift/days off on a temporary basis for training or dignitary protection. This may be done at the request of the officer or the Department.

12.1.2 If the Aviation Police Department decides to initiate a Chief's Time Program, the City and the Association will meet and negotiate a program.

13. **SENIORITY**

13.1 Seniority Determination

Except for sections, which contain specific different definitions such as Section 35.1 (Layoff and Recall) of this Agreement, for this Agreement, seniority is defined as follows:

13.1.1 Higher ranks have seniority on junior ranks. The officer with the most continuous service within rank is senior within that given rank. For the purpose of breaking a tie on seniority, the first criteria to be applied shall be continuous service with the Albuquerque Police Department, with the officer with the most continuous time being senior. Should the continuous service with the Department be identical, then the tie will be broken by the use of the employee numbers or lottery numbers, whichever is applicable. The officer with the lowest number is senior. The term continuous service shall be interpreted to mean total service from the date of last hire as a sworn police officer.

13.1.2 Departmental seniority for non-supervisory personnel will be the only recognized method of establishing seniority within a unit, section, division, or bureau.

13.1.3 For the purpose of establishing seniority for entry into the bargaining unit beginning with the 55th, 56th, and 57th Cadet Classes and all classes thereafter, seniority will initially be established by using the following method:

13.1.3.1 Highest seniority within the class will be given to those cadets who were in the employment of the Police Department, when they were accepted into the Police Academy. If there is more than one cadet with the same date of hire, their seniority will be determined by their overall class standing between them.

13.1.3.2 The remaining cadets will be assigned seniority by overall class standing upon graduation. The cadet who had the highest overall class standing in the group will be given the highest seniority within the cadet class.

13.1.3.3 Final seniority will be determined when an officer becomes non-probationary.

13.1.3.4 The final seniority standing is not subject to grievance.

13.1.4 When section cut backs occur, the mandatory transfers between units should be made in such a way as to maximize the efficiency and effectiveness of the Police Department. In making such transfer decisions, the following facts shall be considered:

13.1.4.1 The nature of the transfer and the skill it calls for within the unit being transferred to;

13.1.4.2 The availability of pre-qualified persons;

13.1.4.3 The stated assignment preferences; and

13.1.4.4 All other factors being equal, seniority of members of the bargaining unit.

13.1.5 If within one year a unit that was cut back is increased in size, the officer subjected to mandatory transfer will be given at their option the opportunity to return prior to any other officer.

13.1.6 An employee who voluntarily leaves the department and is rehired after ninety (90)

days will be placed at the bottom of the non-probationary seniority list. An employee who is rehired within ninety (90) days will retain all seniority.

14. BIDDING and VACANCIES

14.1 Bidding

14.1.1 Unless there is justifiable cause (i.e. for efficiency, discipline or general conduct), bidding by APO lieutenants, sergeants and patrolmen for assignment based on seniority City wide will occur every twelve (12) months. Any bargaining unit member who is deployed shall be allowed to participate in any seniority bid process that occurs during his or her deployment by proxy. The bargaining unit member who chooses to bid by proxy while deployed shall be allowed to select two proxies: a primary proxy and an alternate proxy. A bargaining unit member preparing for deployment shall notify Operations Review in writing of his or her selected proxies with a copy of his or her military orders when submitting military orders to central payroll prior to the deployment. The selected primary proxy shall be allowed to bid for shift, days off, squad, and area command for the deployed officer in accordance with the terms of Section 14.1 of the CBA. In the event the primary proxy is unable to participate in the bid on behalf of the bargaining unit member, the alternative shall be allowed to take his or her place. The proxy is required to bid according to all deadlines and requirements established in each bid process and any failure to do so shall render the proxy's selections null and void. Disputes about a proxy's bid selection on behalf of the deployed bargaining unit member shall not be grievable.

A bargaining unit member who is preparing for deployment may choose not to participate in the bid process by proxy, and shall notify Operations Review in writing of his or her decision when submitting military orders to Operations Review prior to the deployment.

A bargaining unit member who chooses not to bid by proxy or who fails to timely notify Operations Review of his or her proxy shall be placed in an assignment upon his or her return from deployment. The officer will bid with seniority accrued since the officer's resworn date.

14.2.1 Nothing in this section shall prevent an area commander from permitting employees to mutually exchange bidded slots for hardship reasons.

14.2.2 Sworn personnel of equal rank and assigned the same basic duties may exchange shifts or portions thereof when the change does not interfere with the operations of the Department. Shift exchanges are at the discretion of and subject to the approval of the watch commander.

14.2.3 The parties agree that shift exchanges shall not involve any exchanges of money, but are strictly an exchange of time.

14.2.4 The Department may develop appropriate administrative guidance.

14.2.5 Officers who agree to work that shift shall be responsible for working the shift. In the event an officer fails to report under the shift exchange for any reason, it shall be in the sole discretion of Department's Commander to authorize an overtime replacement and the officer failing to report, may at the Department's discretion, be docked at time and one half at his/her hourly rate. 16.2.1 If a police officer, while carrying out the officer's duties, is exposed to a contagious disease, the City agrees to pay the expense for inoculation and immunization for members of the officer's family. The City further agrees to reimburse any officer covered by one of the City's H.M.O. Programs any co-payment required for inoculation and/or immunization required due to the exposure to a contagious disease as a result of the officer carrying out the officer's duties. This is subject to the review and approval of the Chief on the basis of documentation and verification presented by the employee to the employee health department and the Chief of Police.

20. INVESTIGATION and DISCIPLINE

Definitions

•An investigator shall include any person, sworn or civilian, who is authorized to conduct Administrative Investigations into the conduct of sworn personnel of the Albuquerque Police Department. Investigations by civilians are subject to these terms, but civilian investigators are not members of the bargaining unit.

•An investigation, in 20.1.1 through 20.1.14, shall refer to Administrative Investigations unless specified otherwise.

•Subject and target officer are used interchangeably throughout this section. Both terms refer to one or more officers under investigation.

20.1 Administrative Investigations

To insure that investigations are conducted in a manner conducive to public confidence, good order, discipline, good management practices, and recognizing the individual rights of each member of the force, the following guidelines are hereby established.

20.1.1 To ensure investigations are conducted in a manner to inspire public confidence, maintain order and discipline within the Department, and adhere to best management practices while recognizing the individual rights of each member of the Department, the following rules are established.

20.1.2 The interviews of officers shall be at a reasonable time, preferably during the officer's duty hours. If an interview during the officer's duty hours is not possible or practical, all reasonable attempts shall be made to accommodate the officer's schedule. The final interview time shall be determined by the City.

20.1.3 The interview shall take place at a location designated by the investigator, usually a police department facility.

20.1.4 The name of the complainant making the charge shall be disclosed if this information is known to the investigator. If this information is not known, this shall also be disclosed. Disclosure of the complainant's name will not be required if revealing his/her name jeopardizes the investigation; however, once the investigation is completed, the name(s) of the complainants will be revealed at the request of the subject officer. The subject officer will also be given a copy of the official complaint, signed or unsigned.

20.1.4.1 Official complaint shall be defined as any complaint made by a citizen where the complainant provides his name, address, and telephone number and the complainant has completed a signed statement. The signed statement will not be required where the complainant is a member of the department. Complaints will also be classified as official if the complainant refuses to complete a signed statement and the charge is of such a serious nature as to warrant investigation, or the charge is of a criminal nature.

20.1.4.2 Unofficial complaints shall be defined as any complaint of a non-criminal nature made by a citizen where the complainant refuses to complete a signed statement. The Department will not conduct administrative investigations into unofficial complaints of a non-criminal nature. The department is not prohibited from conducting preliminary investigation to determine if allegations are in fact true. This may result in an unofficial Complaint being elevated into an official complaint.

20.1.5 The subject officer shall be informed of the nature of the investigation and provided with all specific SOP section numbers known at the time before any ~~interrogation~~ interview commences. Before any administrative interview being conducted sufficient information shall be disclosed to reasonably apprise the subject officer of the allegations. This information will be provided to the subject officer(s) in writing via certified US Mail, or hand-delivered on the date of the incident or through Department e-mail. Through the course

of the investigation, additional issues of concern may arise that may be incorporated into the investigation. These additional issues of concern shall be accompanied by specific SOP Section numbers known at the time.

If it is known that the officer being interviewed is a witness only, he/she shall be so informed. If the officer(s) being interviewed may be the subject(s) of the investigation, this fact shall be immediately disclosed prior to any questioning.

20.1.6 The interview shall be completed within the timelines established in this Agreement and the actual interrogation shall be limited as follows:

20.1.6.1 On-duty and off-duty personnel: Maximum of two, (2) two-hour sessions within any twenty-four (24) hour period with a one (1) hour break between sessions. In no event shall the officer's tour of duty and interview exceed fourteen (14) hours unless both parties agree to continuation of the sessions.

20.1.6.2 In all instances, in addition to the one-hour break provided for in section 20.1.5.1 above, time shall be provided for personal necessities, telephone calls, and rest period as are reasonably necessary.

20.1.7 Only two investigators, the involved officer and his/her representatives (up to two) will be allowed to participate, observe or monitor the interview. Others may be allowed by mutual consent. The officer shall not be subjected to any offensive language, coercion, or promise of reward as an inducement to answering questions. Nothing herein is to be construed to prohibit the investigator from informing the officer that his/her conduct can become the subject of disciplinary action.

20.1.8 The complete interview of the officer shall be recorded mechanically or by stenographer. There will be no "off-the-record" conversations except by mutual agreement. All recesses called during the investigation shall be noted in the record. Nothing discussed "off-the-record" during the administrative interview shall be used as part of the administrative interview, investigation, or official file, or shall be submitted for any official action.

20.1.9 If an officer is under arrest or is likely to be; that is, if he/she is a suspect or the target of a criminal investigation, the criminal investigation shall not be handled by the Internal Affairs unit, but by a criminal investigative unit of the Police Department and/or an appropriate Law Enforcement Agency with jurisdiction over the matter in question. The officer shall be given his/her rights pursuant to Miranda or applicable law. Should the officer decide to exercise his/her Miranda Rights, the Department is in no way limited from taking any administrative and/or criminal action regarding the incident, provided however, that no administrative and/or criminal action will be based on the officer's exercise or his/her Miranda or any other legal rights.

20.1.10 The interviewed officer shall be given an exact copy of the written statement he/she may execute, or if the questioning is mechanically or steno graphically recorded, the member shall receive a copy of the officer's transcript and shall be allowed to provide his/her own mechanical recording device.

20.1.11 An officer must, as a condition of continuing employment, truthfully answer any and all questions relating to the matter under investigation whether the officer is a subject

or a witness to the matter. The determination of whether a question is relevant to the matter under investigation shall be made solely by the Internal Affairs officer conducting the investigation.

All compelled statements will remain confidential and will only be used for the Civilian Police Oversight Agency. Unless the City is ordered to release the documents pursuant to an order issued by a court of competent jurisdiction, the compelled statements will only be released to Internal Affairs, the Chief of Police, the City Attorney, the Director of the Civilian Police Oversight Agency, the involved officer and his/her representative. Information from a compelled statement shall not be made public by the city.

The Director of the Civilian Police Oversight Agency may prepare an investigative summary of discipline administered by the Department. The only information released to the Police Oversight Board, will consist of the alleged charges, disposition of the case (i.e. findings of sustained/non-sustained), and any discipline imposed.

If a complainant citizen appeals the discipline that has been issued to the target officer, the investigative file, minus the compelled statements, may be forwarded to the Police Oversight Board for its review.

If an appeal is taken, the Director of the Civilian Police Oversight Agency may provide a summary of conclusions to the Police Oversight Board. The summary would be in his/her own words and would be a synopsis of the investigation. The summary of conclusions shall not contain any direct quotes, statements or actual language as contained within the compelled statement.

Any information released to the Police Oversight Board shall not contain information that identifies sworn department personnel; this includes any report completed by the Director of the Civilian Police Oversight Agency, and any statements by complainants, witnesses, target officers, suspects, etc. An officer can allow portions or summaries of his/her compelled statements to be released to the Police Oversight Board if he/she chooses. Should the officer choose not to release summaries or the compelled statements, this shall not be considered as a lack of cooperation in the process. The Chief of Police will have access to all compelled statements for the purpose of disciplinary decisions.

Nothing contained herein shall be the basis for an individual waiving his/her Fifth Amendment rights under the Constitution of the United States of America.

20.1.11.1 The Association will, upon direction of the Chief of Police or the Chief's designee, comply with the Police Oversight Ordinance by submitting to interviews in connection with administrative investigations by the Director of the Civilian Police Oversight Agency and/or full-time investigators employed by the City.

20.1.11.2 The named administrative investigators shall be bound by all the provisions of this section of the Collective Bargaining Agreement and by all confidentiality provisions in the Police Oversight Ordinance currently in effect.

20.1.11.3 The provisions of this article shall not be interpreted in a manner which violates those rights guaranteed by the Garrity vs. New Jersey or subsequent decisions.

20.1.12 The Department shall allow an officer, if he/she so requests, to consult with counsel before being questioned, provided the interview is not delayed for more than two hours. Counsel and another person of his/her choice who is a member of the bargaining unit may be present during the interview.

All interviews shall be limited in scope to activities, circumstances, events, conduct or acts, which pertain to the incident, which is the subject of the investigation. Nothing in this section shall prohibit the employer from questioning the employee about information, that is developed ~~during the course~~ of the interview.

20.1.12.1 The officer's representative may ask for a question to be repeated or restated for clarification purposes.

20.1.12.2 The officer's representative may also object to any question the representative feels is inappropriate and state into the record the reasons why. The interviewer will consider the objection and the question that was asked. It will be the investigator's decision whether to withdraw the question, rephrase the question or let the question stand as it is.

20.1.12.3 At the end of the interview, the investigator will allow the officer or the officer's representative the opportunity to make any additional comments or provide any information they deem necessary.

20.1.12.4 If the officer's representative(s) disrupts the interview process, the representative may be removed. If an officer's representative is removed, the officer may be allowed up to two (2) hours to obtain another representative before the interview is continued.

20.1.12.5 If a representative is removed, the APOA President or his/her designee will be notified and provided a copy of the audiotape recording of the interview within four calendar days by the investigator. The APOA President may request a meeting with the investigator's Commander to discuss the matter.

20.1.13 In the event it is determined that the complainant falsified his/her statements, the City may take whatever action it deems appropriate and the officer may at his/her discretion pursue whatever legal remedies are available.

20.1.14 The Chief, or designee, may order or request a polygraph examination. Unless there are extenuating circumstances, deception detection examinations shall be employed only after:

20.1.14.1 The Chief or designee has carefully reviewed the entire case;

20.1.14.2 All investigative leads have been exhausted;

20.1.14.3 The APOA President, or his designated representative, has been briefed on the facts of the case and the reasons for ordering the polygraph examination. The APOA President will receive a copy of the entire case with reasonable review time. The APOA will be given reasonable time to suggest (on the record) any investigative leads that need to be followed. This provision shall not prevent

the APOA representative from requesting a polygraph examination on behalf of an officer.

20.1.14.4 The citizen complainant has submitted to and passed such an examination.

20.1.14.5 A copy of the polygraph examination shall be provided to the accused officer immediately following the examination. A copy of the independent evaluator's report shall be provided to the accused officer immediately upon receipt with the Department. When the polygraph examination is used, the subject officer and APOA will be advised 24 hours in advance, in writing, before the administration of the polygraph test.

20.1.15 In all cases where an officer becomes aware of a violation of the S.O.P or a violation of federal, state, or municipal law, Internal Affairs must be notified.

20.1.16 The Parties recognize that administrative investigations allowing discipline need to be conducted in a manner that provides the Department adequate time to conduct a complete investigation while also providing affected officers investigations that are completed in a fair and expeditious manner. To these ends, the Parties agree to the following deadlines and other terms for administrative investigations allowing discipline, and exempt other non-disciplinary investigations, review or audits, as follows.

20.1.16.1 **Disciplinary Investigations.** These time periods (16.2 through 16.5) shall apply to all investigations which may lead to discipline, except investigations of alleged criminal conduct including alleged obstruction which are not covered by these time periods and may result in discipline.

20.1.16.2 **Preliminary Investigation, Initiation and Notification.** Measured from when a Department employee (other than the targeted employee(s)) actually identifies allegation(s) and officer(s), the Department has fifteen (15) days to conduct a preliminary review of the circumstances. If the Department determines an investigation is warranted, the Department shall notify the officer in writing (including email), within the fifteen (15) day's time period, that the officer is being investigated; and shall also assign an investigation case number (currently "I" or "FII") to the disciplinary investigation.

20.1.16.3 **Investigation.** Every investigation shall be concluded within one hundred and twenty (120) days measured from issuance of the notice in writing to the officer, or the assigning of the investigation case number to the disciplinary investigation, whichever is later and within the 15 day time period.

20.1.16.4 **Review.** Upon completion of the investigation, the Department shall have up to forty (40) days for command level review of the investigation and to issue a pre-determination hearing notice and the investigation results to the investigated officer. The summary of results will be provided in advance of the hearing with adequate time for the officer to prepare. If requested, the investigated officer(s) will receive a timeline of the time periods applicable to the investigation.

20.1.16.5 **Final Notice** Measured from when the pre-determination hearing ends, a determination with any findings will be sent to the officer within twenty (20) days.

Alternatively, an officer will be notified within the same time period, or earlier in the process, if an investigation is completed and no further action will be taken.

20.1.16.6 Calculating Periods, Extensions. “Days” in this Article 20.1.16 are calendar days. If a period ends on a day in which the City is not open for business, then the deadline is 5:00 pm the next City Business Day. By mutual written agreement of the APOA or affected officer and the Department, the time limits set forth above (16.1 through 16.4) may be extended, and the APOA will agree to an extension if an officer is uncooperative or untruthful.

20.1.16.7 New Allegations. After notification to the Officer(s) in 16.1, if the Department actually identifies new allegations regarding the officer(s) and circumstances under investigation, the Department may expand the investigation **if the process** provided both the initial allegation and the new allegation are completed within the original 120 days time limit (see 20.1.16.3 above). After notification, the Department is prohibited from opening a new investigation about the same officer(s) and same circumstances unless the allegations are egregious enough to warrant a Sanction 1 or 2.

20.1.16.8 Use of Out-of-Time-Period Investigations. If the Department begins a disciplinary investigation and does not comply with one of the time periods set forth above (16.2 through 16.5, including extensions), then no disciplinary action related to the investigation shall be taken against the investigated officer(s); no information about the investigation will be placed on the officer’s(s’) retention card(s); and, investigation results may not be used for progressive discipline for any future infraction (increasing the possible discipline or range of discipline on the chart of sanctions). However, the Department may complete the investigation and document the results in a manner consistent with the terms of this 20.1.16.8. The investigated officer(s) will receive the investigation results, and training if requested or required. The results may be used for purposes such as mandatory training for any or all Department officers, non-disciplinary actions such as reassignment to prevent further similar misconduct, policy development, consideration for promotion for the investigated officer(s), evidence in future grievances for purposes such as notice, and as an aggravating circumstance within the applicable sanction range for future similar infractions by the investigated officer(s).

20.1.16.9 Non-Disciplinary Investigations, Reviews, Audits. No time periods or limits in scope apply to use of force investigations (current “F” numbers), force review, audits, and any other secondary or collateral reviews as these reviews will not be used for discipline, but the Parties agree these reviews may result in initiation of disciplinary investigations if consistent with Section 20.1.16.2—20.1.16.7.

20.1.16.10 Discipline for Investigators. City IA investigations within the bargaining unit may be subject to discipline for the investigation conducted, until the conclusion of the command staff review under 20.1.16.4. After command review under 20.1.16.4. After command review and forwarding, investigators may not be disciplined for the investigation.

20.1.17 Officers who are the subject of an investigation shall be provided with written notification as to the disposition of the investigation within fourteen (14) days.

20.1.18 As soon as an officer is determined to be the subject of an administrative investigation, he/she will be notified unless this disclosure would jeopardize the investigation.

20.1.19 Untimely Disciplines

The Parties authorize City Legal and APOA attorneys to begin the process of resolving all prohibited practices complaints (PP)C related to untimely disciplines in accordance with the November 29, 2021 TA.

20.1.20 Pending Matters

Upon completing the resolution of the untimely discipline cases cited above, the APOA will withdraw with prejudice its “bad faith” PPC and the City shall withdraw its appeal of the Labor Board’s LB 19-35/LB 20-34 decision.

21. GRIEVANCE and APPEAL PROCEDURES

21.1 Grievance Procedures

21.1.1 The purpose of this procedure is to secure, in an atmosphere of courtesy and cooperation and at the lowest possible administrative level, an equitable solution to the problems, which may arise. A grievance or appeal should first be discussed with the aggrieved person’s immediate supervisor with the objective of resolving the matter informally.

21.1.2 Grievances and Appeals are formal complaints of employees concerning actions taken by management, which result in loss of pay or seniority, or in written reprimand. Other complaints officers have about working conditions, rules and regulations, promotions and transfers must be made through the chain of command.

21.1.3 Since it is important that grievances be resolved as rapidly as possible, time limits given shall be considered as maximum and every effort shall be made to expedite the process. In the event that the last day of a time limit falls on a weekend or a legal holiday as defined herein, the time limit shall include the next working day.

21.1.4 Refusal to appear and participate in a grievance or appeal proceeding at any formal stage in a proceeding shall result in forfeiture of the right to grieve or appeal. As a condition of employment, employees are required to appear as witnesses in grievances and appeal hearings when requested by the aggrieved employee or by members of the City administrative staff.

21.1.5 Before taking action which could result in loss of pay or seniority or in a written reprimand, a Chief’s designee shall call for an informal review of the circumstances surrounding the proposed action. An officer who is aggrieved by the designee’s decision may appeal the decision to a supervisor with the next highest rank beyond the designee’s rank, within ten (10) calendar days of the action being taken. Within thirty (30) days of the appeal, the Chief/designee will schedule the appeal hearing to occur later, unless the APOA or employee and the Chief/designee agree to more time to schedule the appeal. A supervisor contemplating discipline shall not be required to submit the issue to the City Mediation Program Coordinator prior to the employee’s response to the discipline.

A predetermination hearing will be conducted in a timely manner. Command level personnel who were involved in the investigation or review of the investigation will not conduct

the predetermination hearing. A predetermination hearing for written reprimands will only be conducted if requested by an officer within ten (10) days after receipt of the reprimand.

The decision of the Chief of Police or the Chief's designee may be grieved or appealed through the procedures set forth in this Section.

21.1.6 Disciplinary action in the form of a suspension may be implemented immediately or postponed pending the outcome of a grievance or appeal. The decision by the Chief of Police or the Chief's designee as it relates to the immediate implementation or postponement of the suspension will be made on a case by case basis, and shall not be considered to set precedent.

21.1.7 An attempt will be made to notify an officer in a disciplinary action in everyday languages and not track the language of a criminal statute or criminal ordinance. No specific language is required to meet any jurisdictional test. The language need only be specific enough to notify the officer of the alleged misconduct. This section will not limit the City from pursuing any criminal charges against the officer.

21.1.8 Participation in the City Mediation Program shall be voluntary. The member may elect mediation or he/she may bypass the City Mediation Program and the additional review by the Chief of Police or the Chief's designee.

21.1.9 Written reprimands will not be grievable through the Chief Administrative Officer as per the Merit System Ordinance 3-1-24, reference Grievance Procedure. The following will be the process for written reprimands.

21.1.9.1 Unless there is a request for mediation, the parties will not be required to submit written reprimands through the City Mediation Program.

21.1.9.2 A written reprimand will only be determined and issued through the employee's chain of command.

21.1.9.3 A written reprimand will be appealed to the appropriate deputy chief of the issuing individual who determined and issued the reprimand. This will be the employee's opportunity to respond to the discipline. This appeal may be in writing or in person and must occur within 10 days after the employee receives and has the opportunity to sign for the reprimand. The decision of the deputy chief will be final.

21.1.9.4 The discipline will be considered imposed after the final decision of the Chief or Deputy Chief. If there is no request for review by the Deputy Chief the discipline will be considered imposed after the ten day period passes.

21.1.9.5 The Chief of Police or the Chief's designee has the sole authority to discipline.

21.1.10 A written reprimand contained in any file that was issued more than one (1) year before the date any discipline is being considered shall not be used for progressive discipline purposes. A written reprimand will not be considered for transfer or in the promotional process. If a written reprimand is used for progressive discipline, the Grievance

Resolution Committee may consider the underlying issues in determining the appropriateness of the progressive discipline.

21.2 Appeals

21.2.1 Grievances involving discipline resulting in a suspension of less than 40 hours and transfers as a result of a disciplinary action will be appealed to the appropriate supervisor in accordance with the provisions set forth in Article 21.1.5 herein.

21.2.2 Appeals involving discipline resulting in suspensions of 40 or more hours (or of 36 hours or more if Officer is working a 12 hour day) demotion or discharge, will be appealed in accordance with the provisions of Section 3-1-25 of the Merit System Ordinance.

21.2.3 The Chief of Police or his designee has the option on a suspension of five (5) days or less to prohibit the employee from the workplace or to allow the employee to work through the suspension with pay.

21.2.4 The employee may file a written response to any document containing adverse comments entered into his/her personnel file. The written response shall be attached to the document.

22. **EMPLOYEE REIMBURSEMENTS**

22.1 Other Employee Reimbursements

22.1.1 The City will reimburse an officer for replacement of repair, at the City's option, for health aids, uniform apparel and personal equipment approved by the Department, lost, damaged, or stolen in the line of duty as a result of a direct delivery of service that has been officially documented. In the case of a uniform replacement, the Officer will receive a voucher for the purchase of another uniform. The City will reimburse the cost for replacement or repair of health aids, personal equipment or for each piece of uniform apparel, according to the City Risk Management guidelines. The City will have the right to retain any damaged equipment that is replaced. This language is not intended to be used to replace old, worn out health aids or uniform apparel. Any replacement equipment will be of equal value to the damages property.

If the health aids, uniform apparel or personal equipment are lost, stolen or damaged as a result of the contributory negligence of the officer, proven to the satisfaction of the chain-of command, the City will not be liable for reimbursement for replacement or repair.

23. **LEGAL PROTECTION**

23.1 Legal Protection/ Civil Actions

23.1.1 Should a police officer be sued in a civil action for any allegations arising out of the course and scope of the officer's employment, the City will defend and indemnify that officer pursuant to the requirements of the New Mexico Tort Claims Act, Section 41-4-1 et. seq., NMSA 1978, as amended.

23.1.2 The city will notify the officer prior to the first interview with the City Attorney if there is any conflict of interest between the city and the officer or if the city intends to dispute that the officer was in the course and scope of employment at the time of the incident on which the complaint is based. If a conflict exists or if the city intends to dispute that the

officer was in the course and scope of employment, the officer, an APOA Representative and/or Association Attorney, and the City Attorney must meet and confer to address the conflict or the dispute. Additionally, if the officer perceives a conflict of interest the officer, an APOA Representative and the City Attorney must meet and confer to address and resolve the conflict.

In the event the officer is notified of a conflict of interest or dispute that the officer was in the course and scope of employment, there shall be no interview between the officer and the City Attorney until such time as the officer is represented by counsel and/or consents to an interview.

If a conflict of interest is identified, the City will provide a contract attorney from a list compiled by the City Attorney's office. If the officer agrees to waive the conflict, the city must have this waiver in writing.

No information provided by an officer to the City Attorney's office or any agent of that office shall be used in any disciplinary or criminal action against the officer.

23.1.3 In the event an officer is sued in a civil action in which punitive damages are alleged, and the officer was not personally served with the summons and complaint, it shall be the duty of the City to notify the officer, in writing (either personally or through the APOA representative), within thirty (30) days of the receipt of the suit by the City Attorney's Office of the potential personal exposure of the officer for punitive damages. This provision shall only apply to suits filled after the effective date of this contract.
