

Know your costs

Check out these drug tiers

When your doctor prescribes a medication, it will fall into one of these drug tiers. Tiers are a way of explaining how much your prescription will cost.

- **Tier 1** drugs are generics. They are usually the lowest-cost option.
- **Tier 2** drugs are preferred brand names.
- **Tier 3** drugs are non-preferred brand names. Many tier 3 drugs have lower-cost options available.

Here are your benefits at a glance:

	30-day supply	90-day supply
Tier 1: Lower-cost generics and some brand name	\$10	\$20
Tier 2: Mid-range-cost preferred brand name	\$35	\$87.50
Tier 3: Higher-cost brand name and some generics	\$55	\$165

Once your plan begins, you can check which tier your current medication falls into at optumrx.com or on the **Optum Rx app**. If your medication is in a higher tier, talk to your doctor to see if a lower-cost option is available.
