

Skip the pharmacy. We deliver to you.

If you take a medication regularly, you could save time and money with Optum Home Delivery after **July 1, 2023**.

- Order up to a 3-month supply.
- Get your medications delivered right to your mailbox – with free standard shipping.
- Talk to a pharmacist 24/7.

Submit your order one of three ways:

Online at
optumrx.com

Via the Optum Rx
app

Call the phone
number on your
member ID card

Will my current prescriptions transfer?

Yes, most will transfer to Optum Home Delivery. But prescriptions for some medications such as controlled substances will not transfer. In these cases, you'll need a new prescription from your doctor.
