

# Know your costs

## Check out these specialty drug tiers

When your doctor prescribes a medication, it will fall into one of these drug tiers. Tiers are a way of explaining how much your prescription will cost.

- **Tier 61** drugs are generics. They are usually the lowest-cost option.
- **Tier 62** drugs are preferred brand names.
- **Tier 63** drugs are non-preferred brand names. Many tier 3 drugs have lower-cost options available.

## Here are your benefits at a glance:

	30-day supply
Tier 61: Specialty generics	20%/ Max \$400
Tier 62: Specialty preferred brands	20%/ Max \$400
Tier 63: Specialty non-preferred brand	20%/ Max \$400

Once your plan begins, you can check which tier your current medication falls into at [specialty.optumrx.com](https://specialty.optumrx.com) or on the **Optum Rx app**. If your medication is in a higher tier, talk to your doctor to see if a lower-cost option is available.
