Choosing a PCP.

Having a primary care provider (PCP) who you like and trust is essential to you and your family’s good health. Your PCP may be a physician, a physician assistant or nurse practitioner within Presbyterian’s contracted network of Internal Medicine, Family Medicine or Pediatrics specialties.

Each family member can have his or her own PCP. We have teams to guide you through the process of finding a provider for you and your family.

- Presbyterian Member Advocate team (505) 923-7787 or 1-855-261-7737
- Presbyterian Medical Group Provider team (505) 923-2011

Family Medicine provides continuing, comprehensive healthcare for individuals and families.

Internal Medicine focuses on the prevention, diagnosis and treatment of adult diseases.

Pediatrics focuses on the physical, mental and social health and well-being of infants, children, adolescents and young adults.
