Important Questions	Answers	Why This Matters:
What is the overall deductible ?	In-network \$175 Individual \$350 Family Out-of-network:\$500 Individual \$1,000 Family	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible ?	Yes. preventive care is covered before you meet your deductible .	This plan covers some items and services even if you haven't met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive care without cost sharing and before you meet your deductible . See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	\$6,350 Individual / \$12,700 Family Out-of-Network \$12,700 Individual/ \$25,400 Family	The out of pocket limit is the most you could pay in a year for covered services.
What is not included in the out-of-pocket limit ?	Premiums, balance billing charges, and health care this plan doesn't cover. Certain specialty pharmacy drugs are considered non-essential health benefits and fall outside the out-of-pocket limits.	Even though you pay these expenses, they don't count toward the out of pocket limit . The cost of these drugs (though reimbursed by the manufacturer at no cost to you) will not be applied towards satisfying your out-of-pocket maximums.
Will you pay less if you use a network provider ?	Yes. See www.phs.org or call 1-855-261-7737 for a list of participating providers.	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out of network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing).
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral.

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
